Introduction to The 5 Love Languages by Gary Chapman

Love is a human need that's defined by your emotional well-being.

Relationships change as the joy of falling in love fades; communication is the only solution.

People feel and express love differently, and understanding your partner's love language is key to a long-lasting relationship.

Positive, uplifting words of affirmation are a powerful way to express love.

Spend quality time with your partner.

Gifts are visual symbols of love and surprising your partner with regular presents, regardless of their monetary value, is a great way to show affection.

Doing useful things for your partner is a common way to express love.

Physical touch is a powerful way to show your love.

Pinpoint your primary love language.
