Being a **citizen**, of the **European Union**, opens up more than ...

EU citizenship comes with lots of benefits

You can stay in any EU country for up to three months.

All you need is a valid ID card or passport.

In case you decide to settle down for more than three months then you simply need to register as a resident.

The requirements will differ depending on the country you're free to stay as long as you want.

As a pensioner, you enjoy the right to live in any EU country. proof you have the means to support yourself.

As a student, the same conditions apply

as long as you are enrolled at an approved school or university.

Your EU citizenship comes with additional rights.

In fact, your family can join you in your new EU country

and you have the right to vote and be a candidate for local and European elections.

After five years of legally residing in another EU country you can apply for permanent residency.
