

Opting For Oil The Political Economy Of Technological Change In The West German Industry 1945 1961

[#West German industry transformation](#) [#oil adoption Germany post-war](#) [#technological change 1945-1961](#) [#political economy energy](#) [#German industrial development](#)

Explore the complex political economy that drove the significant technological shift towards oil adoption in West German industry between 1945 and 1961. This analysis delves into the strategic decisions and economic factors that shaped Germany's post-war industrial transformation and energy policy during this crucial period.
