Pursuing treatment for mythomania -- or pathological lying -- can help you stop this destructive behavior.

Step 1: Admit it

Make an appointment with a licensed mental health professional; diagnosing your issue is essential to determining the most effective treatment.

Step 3: Observe yourself

Keep a log of when and why you're lying to understand what triggers your behavior.

Step 4: Consider medication

Stick with your treatment -- correcting any behavior you've developed over time is challenging, but with a determined attitude and the proper help, you can make a positive change in your life.
