Yes, Ma'am

An erotic collection exploring the joys of women in control.

Please, Ma'am

Men are the ones gifted with all sorts of power in our society, but a dirty little secret is that so many of them long to strip themselves of this power, to be tied down, gagged, spanked, taken, and owned. They want to ease the burdens of manliness, if only for a little while, to be "ordered" to do all the naughty things of which they've dreamed. Please, Ma'am shows some of the tantalizing possibilities out there for sniveling men and the women who love them. Best-selling erotica editor Rachel Kramer Bussel has gathered together top voices in the genre, including Stephen Elliott, Alison Tyler, Dominic Santi, and many more. In Please, Ma'am, men willingly submit to the deliciously dominant women who entertain their deepest desires and give them the treatment they crave.

She's on Top

Honouring the Amazon, the dominatrix and other handcuff-toting, whip-wielding she-devils of the male bottom's deepest dreams. Employing every item in their bag of tricks, from strap-ons to metal cinches, these hot dommes like nothing better than teasing and tormenting their devoted subjects. With stories by Stan Kent, Debra Hyde, Saskia Walker, She's on Top shows that pleasure's best when dispensed by a firm female hand.

Yes, Sir

In the companion title to Yes, Ma'am, editor Rachel Kramer Bussel provides a highly charged erotic collection following the adventures of those irresistible men who control their partners with a glance, a tickling whip, or a measured smack on the bottom. Those true bossy tops understand that dominance is about exulting in a power that is freely yielded.

Take Control

Take Control is a collection of toe-curlingly sexy tales of bondage and female submission from the pen of best-selling writer Kay Jaybee. From the spankably delicious Dinner With Tess to a Staged public sex fantasy, an unforgettable alfresco hosing in Deluged, a kinky scientific Experiment, and the realisation of a long-held threesome fantasy in The Necklace, Take Control offers five bite-sized stories that will satisfy any lover of quality erotica. Note: The language in these stories is as British as their author.

Under Her Thumb

Under Her Thumb: Erotic Stories of Female Domination will whet your appetite for all things Fem Dom. The book is a feast to be savored, whether your desires lean toward the bottom, the top, or you are simply curious. "Quiet" by Andrea Zanin will prepare you for all that is to come, and whether your interests lie in the loving submission of Lawrence Westerman's "Her Majesty's Plaything," boys wrestling for the opportunity to please their mistress in Laura Antoniou's "Blame Spartacus" or the ultimate domination of Valerie Alexander's "La Sexorcista," you will find what you're looking for, and more – under her thumb. From a foreword by Midori to stories by greats like Rachel Kramer Bussel, D. L. King, Teresa Noelle Roberts, Dominic Santi and more, you won't want to put the book down; but you'll have to – from time to time.

The Big Book of Domination

Not every woman likes to submit. An increasing number, in fact, like to be on top. And their partners love it! D. L. King, editor of 2013's award-winning Under Her Thumb (Cleis), curates a singularly scintillating collection with The Big Book Of Domination where only the bossiest of BDSM can be found. Dominants and submissives are not so very different; they both crave that added something - that frisson of power. Filled with surprises and unexpected twists, this book of pleasure proves that when lust and desire take control, all bets are off.

Please, Sir

Bestselling editor of erotica Rachel Kramer Bussel has chosen 22 stories celebrating the thrill of submission by women who know exactly what they want. The women featured in her sizzling collection are no docile pushovers by any means. They make the rules and negotiate with their masters, though sometimes they also get off on being pushed just a little too far by men they know they can trust. Featuring stories by Shanna German, Elizabeth Coldwell, Alison Tyler and many more, this new collection of high-quality erotic fiction is a must-have for any fan of BDSM.

Dirty Girls

What do women really want? To be sensually seduced or pressed up against the wall for a quickie? To be tantalized by a peep show or the chance to join the mile high club? Acclaimed erotica writer and editor Rachel Kramer Bussel knows: They want it all. They want to be worshiped, ordered around, sent blindly into ecstasy, and made hot in front of a mirror. They want strangers bearing ice cubes on a hot day and to be the party favor passed around among guests. They want sex at the office and in the great outdoors and on trains and airplanes. They want sex with the whole United States of America (or, at least, part of it). They want to be wooed, seduced, flirted with, taken. They want to handpick their lovers and make them do their bidding. They want men, women, and sometimes both at the same time. In Dirty Girls, the country's best erotic writers explore their sexual psyches. Feminization by Mother-in-Law!

Fourteen of the very best erotic tales of dominance, submission, bondage, and romantic lust, are delivered with lashings of kink from the pen of Kay Jaybee. From the sexual adventures recalled by a woman as she stares at her favourite shirt, to a deliciously dirty orgy on a bed of cardboard boxes, the after-hours education of a rookie soldier, and the bizarre obsession of an Egyptologist, each story shows why Kay Jaybee has been hailed as 'a master of the craft of erotica' (Oysters and Chocolate). As a girl writes messages of lust on the body of her best friend's lover, and a mistress's employment of ropes and chains on her slave co-insides with the application of emulsion, we discover just how Kay has earned her reputation for producing 'super-heated kinky stories,' (Kd Grace), which are 'a sublime pleasure to read' (Violet Blue).

Feminization for All!

This is the must-read anthology for anyone who believes his place is at the foot of a beautiful mistress, or loves the thought of having his kinky desires held up for ridicule in front of giggling young women. It's the females who are in control as they manipulate their weak-willed, drooling admirers into richly satisfying but intensely embarrassing predicaments. A comely co-ed dangles a high-heeled pump in pursuit of a better grade. An achingly beautiful babysitter has fun with her employer's fetish for female feet. An indignant girlfriend lobbies for equal gender treatment in a chain lingerie store. A girl-next-door-turned-supermodel turns the journalist interviewing her into a shopping sycophant to the amusement of her friends. And a bank manager seeks a very special deposit as she uses her stocking-clad stems to teach an ogling colleague a lesson he won't soon forget. These and other femmes fatales know just how to ensnare men in their treacherous webs, then expose their humiliating desires to a coterie of conspiratorial witnesses. Gray Fisher, a longtime contributor to Leg Show Magazine and BestLegShow.com, and among the top names in short fetish fiction, proffers a you-are-there style of writing that taps into the baser instincts of all men who yearn to be the playthings of beautiful women, goddesses who will only give them the time of day on their own cruel terms.

Classic FemDom Stories

The Victorians wrote some of the best and most enduring erotica. For such a tightly-laced age, people spent a lot of time thinking about things carnal. Jules Verne, Sir Arthur Conan Doyle, Mary Shelley, H.G. Wells, et al enthralled us with their visions of new possibilities. The rich and slightly decadent visuals of the steam age lend themselves perfectly to the new carnality of post-punk era. And, of course, what is repressed will be even more exciting once the corset is unlaced. Steampunk, even without sex, is erotic; with sex, it's over-the-top hot. A widowed lady engineer invents a small device that can store the energy from sexual frustration and convert it to electricity to help power a home. Teresa Noelle Roberts shows us what it can do, confronted with sexual fulfillment. What volume of steampunk would be complete without a tale of sailing ships and the men who sail them? If your taste runs to sexy pirates in space, Poe Von Page will delight you with the mutinous crew of the *Danika Blue* and their new captain. Then there's the very special room on the top floor in the *House of the Sable Locks*, a brothel where sexually discriminating men go to have their fantasies fulfilled. Even if a man daren't put those fantasies into words, Elizabeth Schechter's "*Succubus*" will give the madam all the information she needs with which to make her clients happy. There are brothels, flying machines, steam-powered conveyances, manor houses, spiritualist societies. The following stories afford intelligently written, beautifully crafted glimpses into other worlds, where the Carnal Machines won't fail to seduce you, get you wet or make you hard so, lie back, relax; a happy ending is guaranteed.

The Priest

Terry has found the perfect sub in Maggie, except she still thinks this was a one night fling. That isn't going to work for him. He is nowhere near done with her yet. She's warm, willing and eager to please. Now, all he has to do is convince her that having him around is a good thing, both in and out of her bedroom. Maggie has never, ever had a night like she did with Terry. She'd love to keep seeing him, but she has too much to do. She has kids to care for, a job, and a house to pack because she has to move. Unfortunately, there's no time for a hot, sexy, man in her life. Now, she just has to convince him of that.

The Harder She Comes

This is a bundle of no less than SIX previously-released stories. They are the first six episodes in the on-going "*Femdom Future*" series. 1. *Rigorous Retraining* In a near-future femdom world, being unemployed and male is a crime, punishable by retraining in special centres staffed by cruel sadistic

females. Prime Minister Tessa March is a no-nonsense disciplinarian who has decided that what the country needs is good old-fashioned discipline. Rigorous retraining for anti-social sexists! 2. More Rigorous Retraining In a near-future femdom UK, ruled by Prime Minister Tessa March, a no-nonsense disciplinarian, it has been decided that what the country needs is good old-fashioned discipline. Rigorous retraining for anti-social sexists! Being unemployed and male is now a crime, punishable by retraining in special centres staffed by cruel sadistic females. As time passed, the regime of the camps has become more rigorous. Trainees have become slaves in all but name, and their names replaced by numbers... 3. The Auction The changes wrought by Tessa March's all-female administration have transformed the country. The majority of men have now passed through rigorous retraining; and many of them have entered into servitude as punishment for criminal behaviour! Their names replaced by code-numbers, subject to stern discipline, kept naked and in chastity, modern life is no bed of roses for the male sex! 4. National Domestic Service Although up in London nude males are already bought and sold and serve as slaves in all sorts of ways, including in public as beasts of burden pulling buggies for ladies, the rest of the country is not quite so advanced. Originally male servitude was intended only for criminals and work-shy layabouts; but the demand for male 'servants' (as they are still euphemistically called) has so exceeded the supply that the government has introduced "National Domestic Service". Now, youths of eighteen must do a full year of in service to a householder — that is to say, a woman aged twenty-five or over. Of course, there are strict rules to prevent abuse; but where there's a will, there's a way, as many a hapless youth has already discovered! And now a 'new boy' is going to make that discovery for himself... 5. Punishment Prison This is a look into the future. A future when women have become fully liberated and universally recognised as the Superior Sex. A future where Women command and men obey. It is a Femdom Future. In this, the fifth installment of Miranda Birch's "Femdom Future" series, we see what awaits those recalcitrant males who refuse to submit and obey. In Punishment Prison, they will be broken: it is only a question of time. And meanwhile, the female Overseers are free to indulge their most sadistic whims, their most perverted fantasies... 6. Abuse of Power This is a look into the future. A future when women have become fully liberated and universally recognised as the Superior Sex. A future where women command and men obey. It is a Femdom Future. In "Punishment Prison", we were introduced to the severe regime of Marston House. And how all males sent here are broken by cruel, sadistic females. In this, the sixth installment of the "Femdom Future" series, we see what special treatments are meted out to those inmates unlucky enough to attract the attention of authority. The female overseers have complete control of hem, and are free to indulge their most sadistic whims, their most perverted fantasies...

Carnal Machines

His Mission

He's on Top

He's on Top pays homage to those irresistible men who control their partners with a glance, a tickling whip, or a measured smack on the bottom. As true tops, the bossy hunks in these stories understand that erotic BDSM is about exulting in power that is freely yielded. Contributors such as Amanda Earl, Mackenzie Cross, Alison Tyler, Mike Kimera, and others cover the full range of the male dom's brand of sensual sadism, from spanking and bondage to public sex and power exchange.

She's on Top

Turning the tables on rigid gender roles, the stories in She's on Top honor the Amazon, the dominatrix, the handcuff-toting, whip-wielding she-devil of the male bottom's deepest dreams. Employing every item in their bag of tricks, from strap-ons to metal cinches, these hot dommes like nothing better than teasing and tormenting their devoted subjects – often at the same time. With stories by some of the best writers in the field of BDSM erotica such as Stan Kent, Debra Hyde, and Saskia Walker, She's on Top shows that pleasure's best when dispensed by a firm female hand.

Take Control

Take Control is a collection of toe-curlingly sexy tales of bondage and female submission from the pen of best-selling writer Kay Jaybee. From the spankingly delicious Dinner With Tess to a Staged public sex fantasy, an unforgettable alfresco hosing in Deluged, a kinky scientific Experiment, and the realisation

of a long-held threesome fantasy in *The Necklace*, *Take Control* offers five bite-sized stories that will satisfy any lover of quality erotica. Note: The language in these stories is as British as their author.

Ultimate Submission

The ultimate collection of twenty submissive stories that are certain to excite and delight! Bought to you by Xcite Books, winners of the ETO Best Erotic Book Brand 2010, 2011 and 2012, this collection offer a wide range of erotic stories with a central theme of submission and domination. Enjoy stories by some of our bestselling authors including Emily Dubberley, Shanna Germain, Penelope Friday and Virginia Beech. *All Right On The Night* by Jo Nation Every Wednesday Fenella travels on the Number 42 bus to clean George Hawker's apartment, which is contained within a brand new, sparkling edifice called The Foundry. George is always out at work when Fenella calls, so she has plenty of opportunity to explore the apartment on her own. She isn't really a nosy person, but she can't help wondering what sort of a man George is. There are few clues to indicate any kind of a personal life, no family photographs, no evidence of a social life of any kind either. George's bathroom is a temptation; as befits such a modern minimalist apartment this is more wet room than traditional haven of relaxation, but for a few minutes Fenella forgets her duties. The decision to drop her guard will prove a fateful one; in a short space of time she will understand both the nature of George's identity and the meaning of pain. *Reunion* by Beverley Langland Would you dare to attend a school reunion? It can be a daunting experience, walking into a room full of people who have their own agenda, whether they're the good girl, the bad boy or the bully. So many stories, so many reasons for being there. Sarah is in two minds about the reunion; should she stay at home and play it safe or be bold, take a chance and run the risk of feeling let down? Sometimes fate smiles on you and courage is rewarded. Sarah's decision takes her a million miles from her comfortable – and ever so slightly boring – life, luring her into a world where she chooses to put her fate in the hands of a mistress of discipline. *Web of Desire* by Emily Dubberley An arrogant movie producer thinks that his life is completely under control and, with money, power and young actresses queuing up to lie on his casting couch, most of his colleagues would agree with him. Yet, as the saying goes, pride comes before a fall. When he meets a mysterious woman with a heavenly name and an equally heavenly body he is immediately attracted to her because of, rather than despite, her dominant nature. Yet he soon discovers that his Angel has a devilish nature - and a desire to be in charge. In the ensuing battle of wills between alpha male and female there can only be one winner. Whoever eventually emerges as the dominant force can claim to be a true expert in the art of pain. *The Silken Web* by Virginia Beech Clarence has a taste for the finer things in life but, as a humble valet to the beautiful but formidable Lady Jessica Cleveland, he has had to learn to hide his interest in her fine underwear. Already he has been dismissed from his former post with another noble family because of an unfortunate incident with a pair of silken knickers, yet Clarence still struggles to control his base instincts when faced with such finery. One afternoon Lady Jessica returns unexpectedly to find Clarence in a compromising position with one of her best silk stockings. Lady Jessica knows that she has to act immediately to discipline such bad behaviour. However, fortunately for Clarence, Lady Jessica is determined not to dismiss him. Well, with Lord Cleveland being such a disappointment in the bedroom, a lady must find her entertainment where she can! *Waiting for a Spanking* by Shanna Germain There's one thing about marrying a man with big hands; you can't help wondering what they'd feel like if put to good use. Subtlety rarely works; leaving copies of *The Compleat Spanker* lying around, dropping vague hints. No, only the direct approach really gets results. Assume the position and wait, even if your muscles start to scream because you know that the pain is all part of the pleasure and there are few pleasures more satisfying than discovering that your husband has hidden talents... *Personal Shopper* by Izzy French Picture the scene; a man in a lingerie shop on a mission to buy some sexy underwear for his wife or girlfriend. Of course, he doesn't have much idea of her size. So far, so normal, but what if you were the shop assistant and you were asked to be a stand in? Christina is immediately attracted to the man looking in the window of the shop and she hopes that he will come in and brighten up an otherwise dull afternoon. Today is her lucky day – the shop is about to close and she can send her assistant home and see to the customer personally. Fortunately she's in just the right mood to be the demure and submissive shop assistant, since she soon finds out that the client wants more than for her to model for him – and, as the saying goes, the customer is always right. *Lot Twenty-One* by Andrea Carver What would you do to raise money for your favourite charity? Go on a sponsored walk? Hold a raffle? Volunteer your services at a shop or call-in centre once a week? Once a month? A charity auction is always popular, but the lots will need to be spectacular. There are plenty of wealthy businessmen who are willing to put forward high bids, but only for something that really excites them. Would you be willing to put your virginity – a very special sort of virginity - up for sale? It sounds like a sacrifice, but if you can raise some money for a good

cause while fulfilling a secret fantasy, so much the better. Lot Twenty-One is a charitable girl, but she knows that she's going to get something that she wants out of this as well, thanks to the lucky bidder, whose generosity will be amply rewarded. Public Exposure by Cathryn Cooper Would you risk public exposure? For a few brave people, the tipping point between concealment and discovery is where the fun starts. Mallory and Valentine are both looking for the ultimate thrill and are willing to risk everything to achieve it. A local shopping centre becomes a location ripe for exploitation by the daring pair as they battle for supremacy. Who is the dominant force and who is the one being punished? And the chance of being found out adds a further spark of electricity to this illicit act. Sparring Partners by Everica May There can be few more intimate experiences than the one that you have with a sparring partner. As you lock muscles and wits in the gym it would be strange if you didn't occasionally feel a frisson of tension. The kind of tension that might turn the encounter into something less violent, more passionate. Two partners, one male, one female take advantage of having the dojang to themselves; everyone else has gone home. Outside it is dark. The temptation to feel that they are the only two people left in the world is strong. Anything could happen. As they trade blows, their bodies shining with sweat, their relationship undergoes a transformation. From now on these sparring partners will see each other in a very different light. Possession by Penélope Friday Sometimes it's more important to hide your instincts than to show your hand. This is the problem that faces Ana when she encounters Rafael. She finds it hard not to look his way, to maintain her composure, yet she must keep up her extraordinary acting display if she is to avoid being lured into his net. Everyone is attracted to Rafael – tall, blond, ridiculously handsome, he is adored by men and women alike, but Ana is determined to present a neutral front. This is far from easy, especially since Rafael is equally certain that he can destroy the edifice that she has so painstakingly crafted to keep him out. The Gatecrasher by Stephen Albrow Curiosity killed the cat is a saying with which Charlotte is familiar, but she doesn't intend to pay it any attention. When she hears that a new lord, Richard Parker, has moved into the local manor she is immediately intrigued, particularly when he is featured on the local news and she sees how good-looking he is. Rumours of wild parties have been spreading amongst the local population. The new lord of the manor has been vigorously discouraging ramblers from walking near his property and it has been said that he doesn't want his neighbours to know exactly what is going on at his house. This only adds to the thrill Charlotte feels when she finds herself climbing over the wall of the manor house. It's even possible that Richard Parker will deal with her severely; that's what Charlotte is hoping, anyway. The Gift by Dolores Day Susanna is bored and bored women are dangerous, especially if they have the money and leisure to feel time weighing heavily on their beautifully clad shoulders. Married to the much older Lord Marksbury, whose skills in the bedroom are not so much inferior as non-existent, Susanna longs for a companion who will understand her needs. Luckily for Susanna, help is at hand in the shape of an old friend, Leonie, Contessa Lambertz, who is happy to recommend someone who has the outgoing nature to help her to forget her unhappy marriage. Arleta is an expert in the bedchamber and has all the skills that Susanna could possibly desire. With this liberation comes a surprising conclusion, one that Leonie could scarcely have imagined when she first agreed to help her friend. Fairground Attraction by Mimi Elise Fairgrounds are fascinating places; the sparkling lights, the screams of the riders on the waltzers, the tantalising smells wafting across the field from the hot food stands. And, most of all, the exotic strangers that man the stalls and the rides and bring a touch of light and glamour to the most boring provincial town. Fairgrounds are also places where risks are taken and people behave with less constraint than they display in their everyday lives. This is a place where you can cast off the uniform of normality and release your wild alter-ego. When our heroine decides to submit herself to the skills of the fortune teller she little imagines what the night will bring. She expects to be told that she will meet a tall, handsome stranger, but this prediction hardly describes what will eventually happen to her when she visits the fairground and is taken on the ride of her life. Rodeo Girl by Matt Pascoe Penny is a good girl. She works in accounts. So when she finds herself, sick with nerves and apprehension, waiting to perform onstage as a lap dancer at a gentleman's club, it's clear that some encouragement is needed. She is relieved to be rescued by her far more experienced colleague, Candy Cane, who leads her to a deserted dressing room, mixes a lethal cocktail and offers some welcome advice. After a couple of glasses Penny is invited to explore her creativity and, to her surprise, she finds that the cocktail has worked its magic. Candy knows exactly what to do with her body and invites Penny to find her inner exhibitionist which, after a shaky start, she does. Just one masterclass with Candy is enough to expose a wild side that she never knew that she had. The genie is out of the bottle and the audience is in for a performance that will have them all begging for more. The Boss by D. M. W. Carol He is so arrogant, so sure of his authority. He struts as he moves around the office (his own little fiefdom) and his alpha male attitude is guaranteed to bring out the worst in any employee who questions his power. The Boss had better be careful because he is soon to find his status as top dog being seriously

undermined. One of The Boss's workers is a woman, unimpressed by his machismo, his legendary temper, his overbearing attitude towards her colleagues. She wants to teach him a lesson he won't forget. She plans his humiliation even as she sits at her desk. It will be on a Friday, when the working day is over and the staff visit the pub for a quick drink before going home. As they depart for domestic bliss, she will be left alone with The Boss. Back in his little domain she will make sure that he is no longer king of the office jungle.

Dominant Female Submissive Male

Why do Women, even very attractive women, stay in relationships with Men who treat them badly? Is it low self-esteem or a desire to submit to a dominant man? A dominant man who will provide all the romance and excitement she has been brought up to believe is her natural right. In my case it was the latter; I wanted the big, handsome hunky guy who would sweep me off my feet, treat me like a princess in public and his sex slave in the bedroom. But, as most women find out, life is not a fairy tale. A real life Rhett Butler probably does exist but you will have more chance of finding a needle in a haystack. Elizabeth Bennett found happiness but for every Mr Darcy there are hundreds of selfish men who think a woman's job is just to supply sex and child care. **WOMEN SHOULD UNDERSTAND THE POWER THEY HAVE.** I didn't realise it until I was thirty-five and until that point I put up with my men coming home drunk, wasting my money, getting fatter and more abusive and providing me with increasingly disappointing sex. I put up with it no longer. I now have a man who sees it as his principle aim in life to keep me happy, contented, wealthy and sexually satisfied. I have known my man for most of my life but he only became my boyfriend seven years ago. During that time I have been a professional Dominatrix and a writer of books dedicated to the dominant female. And my boyfriend is also my slave. In this book I explain how all this came about. The book is more about personal-transformation and female-empowerment than it is about kinky, usually fictional, sexual fantasies. The success of the book, *Fifty shades of grey*, shows the interest there is out there in an alternative, discipline based life-style and emphasises that many women share that interest. Unlike, *fifty shades of grey*, *Dominant Female Submissive Male* is primarily a manual for submissive men to find the Mistress of their dreams but it is also an eye-opener for frustrated women as it shows them the glorious, very exotic and exciting life they could have. While some submissive men are slightly pathetic, and even creepy, many are romantic, kind-hearted, reliable and good fun. They adore and respect women and see it as their role in life to support them. What's not to like about that? They will have a desire for discipline and this desire will be inextricably linked to their sexual nature. For some this will be extreme and involve heavy BDSM but for most it will involve safe, erotic role-play and spankings. The point is that Women control when, how and even if it happens. Women have the power in all aspects of the relationship and how they exercise that power is up to them. Believe me, once you have a man on his knees begging for an orgasm you will never look back. But Women do not want to live with a wimp and this is what a lot of very nice submissive men fail to understand and why many of them remain frustrated and single when, with a little change of emphasis, their dreams are so easily achievable. This book is a guide on how to affect this change of emphasis and to get across what women are looking for and will accept in a loving, fulfilling and very kinky relationship. It also explains how submissive men can learn to accept and enjoy their kink and how to widen their circle of fetish friends. It relates the authors own experiences and offers guidance on how to get the best out of a session with a Dominatrix and how to become more than just a client to her. It also explains how to tell your wife about your desire for female-domination and, more importantly, how not to. It also offers cautionary tales and about how not to get ripped off by unscrupulous con-artists. The central aim of the book however, is to bring together good men who have a desire for female-domination with good women looking for a lover who will provide happiness, support, fun, excitement and success. In Dominant Love - Vol. 2: Respect - Ively D/S

Short description: Claudia knows exactly what she wants: the love and total submission of Thomas under her authority. Voluntarily, but then with all consequences! Thomas is certain: Claudia has an overwhelming attraction to him and a FemDom relationship would be fascinating. If only it wasn't all about 24/7 from the start! The decision is not easy for Thomas because he is unable to predict the effects of such a relationship on the long run. Sensitively, but very strictly Claudia leads him from the very start on his way to becoming an attentive, passionate and submissive partner. For this, she goes all out being an experienced FemDom: The carrot and the stick, tease and denial and keeping him chaste are but a few of the means she is using. While the time of probation was all about breaking free Thomas' latent wants and he learned a basic obedience towards his Mistress, the second volume is all about building a real D/s relationship. The way for Thomas is hard but the goal is a fulfilling partnership marked by deep feelings between a dominant woman and a submissive man. As already in the first volume, the author draws on his own experiences and describes authentically what life in a D/s relationship is like. In the attachment you can find a real slave contract, a tested set of rules and a glossary of the specific terminology used in the text. The described effects of being kept chaste are based on an original diary by the author. For interested couples, they may serve as instruction. For dominant women, they almost offer a catalogue of ideas, and in addition an insight in the emotional life of a slave. *** The cycle 'In dominant love' offers an insight into the life of couples where women dominate with their erotic force and their huge confidence. 'FemDom' (Female dominance) is the key word, which connects a community of acquainted couples. Each volume is telling a stand-alone, self-contained story in the

field of female dominance. *** Contents: D/s, FemDom, love, bondage, fixation, humiliation, cane, pegs, plug, chastity, dominance, sadism, SM, power, obedience, slave, Mistress, tease & denial, cage, high heels, licking, mask, BDSM, eroticism, erotica, discipline, test, admission into FemDom club Number of print pages: 257 Number of words: 67.056

Secret Fantasies of Submissive Men

What makes men have an orgasm is what continues human life. It is a nasty thought, a fantasy that is most of the time a secret in men's mind. They are embarrassed to share it even with their sexual partner. I am fortunate to be a recipient of the stories written by submissive men who wanted to share their sexiest fantasies with me. They are written by anonymous submissive men and they represent the kinky, fetish world of Female Domination. In the stories the dominant woman is using submissive men for her pleasure. She uses discipline to elicit proper submissive behavior. If you are submissive I know you will find a lot of exciting ideas in the stories. This book also contains lots of colored photographs of Karin von Kroft in fetish clothing: heels, stockings, boots, gloves, and lingerie.

His Fall from Power - The Complete Story: A Female Domination and Male Chastity Novel

Ever Since Mistress Benay published her Award Winning Novel, "His Fall From Power," and then, the exciting and suspenseful Sequel to it, both in Kindle Format, she has been besieged with requests from her loyal readers to combine both Volumes in one Paperback Edition. Here for the first time, the Full Length Complete story of "His Fall From Power" is being published as a Beautiful Paperback.. Thomas McMillian was on Top of the World. As C.E.O. of a rapidly growing Electronics Company, he had it all. The Beautiful Wife, the Mansion in the Suburbs, the Fancy Foreign Cars, and Everything he could possibly wish for, until he made two mistakes which were going to cause him to lose everything. First he hired drop dead gorgeous Ashley Long to be his Executive Secretary, and then he betrayed his Wife, by having an affair with Ashley. Little did Thomas know, that those two mistakes would catapult him into his new role as a slave to his Wife and to his Secretary in this action packed novel filled with Corporate Intrigue and Sensual Relationships. Mistress Benay weaves a plot where the main character does not realize until it is too late that he has been led into a world of Male Chastity, Bondage, Bi-Sexual Relationships, Domestic Servitude, Discipline and Female Domination by the clever maneuvering of his Wife and his Secretary. After Betraying his wife by having an affair, Thomas McMillan now accepts the fact that his life will never be the same again, as his Beautiful wife, Doreen relegates him to the role as her 24/7 slave and maid. A role which Thomas could never have imagined would be filled with so much suffering and indignity. Female Domination, Male Chastity, Bi-Sexual Relationships, and Bondage & Discipline are an every day part of Thomas's new life now that he no longer is in charge of his Company, and has become a helpless slave to his wife, and to his former Secretary Ashley Long. Here is just one of the many Five Star Reviews this Novel has received: "The action in Mistress Benay's 'His Fall From Power' is well paced, often creative, and woman centered. Her style to me is measured and softly worded, rising to a crescendo, then deftly falling back to build again. 'His Fall From Power' is right up there among erotica written for women, by women, but tops my two favorite authors of female erotica, Anne Rice and Pauline Reage as, here, the woman does not suffer for love, but she commands it, demands it, and revels in the devotions a well trained male can provide."

His to Expose: A Trilogy of Submission, Discipline, Humiliation, and Forced Exhibition

Reader Advisory: This story is for mature audiences only and features intensely erotic situations, bdsm play, humiliation, discipline, punishment, forced exhibition, submission and dominance. All characters are 18 or older. Her submission is personal, but her humiliation will be public ? His to Expose contains three stories of submission and dominance, forced exhibition, humiliation, and discipline. The See-Through Outfit Since coming to live with her dominant Robert, neglect and boredom have become things of Jen's past. When she finishes her to do list and goes to him for a little excitement and attention, little does she know that he has in mind will bring her as much excitement and attention as she will be able to handle. Although Robert begins their outing by bribing Jen with a gift from a sex shop, he is well aware that she secretly enjoys his hobby of putting her in compromising and often humiliating public situations. Her secret's safe with him, of course, but as for the rest of what she might try to keep covered up ? it's all fair game. Self-Control Robert has found a new toy, and he believes he has a way to program it so that it will measure a woman's arousal. When he catches Jen ogling a group of male models across the street from where they are having dinner, he decides to bring her in on his little experiment. If she can control herself and her body's responses while sitting through a male underwear fashion show, she'll be free to spend the rest of her vacation exactly how she wants. Eager to please and a little tipsy, Jen boasts that the challenge will be easy, but Robert knows her too well. For each threshold you pass on the thermometer, he adds, you take off a piece of clothing right there and then. Jen agrees, secretly turned on by such high stakes, but she knows that if she isn't careful, arousal and humiliation will form a compounding feedback loop that will leave her the center of an impromptu exhibition more than sufficient to steal the show. Unfair Comparisons Jen's partner Robert has always been a gentle and forgiving dominant, often indulging her whims and preferring to let her play her part rather than resort to harsh discipline or exploit her naturally trusting ways. But Jen's obedience has begun to slip, and Robert is forced to accept that a change is needed. To begin anew, he invites a fellow dominant and his submissive to dinner, thinking that their much stricter relationship might provide the eye opener he is loathe to inflict directly on his supposedly fragile submissive. Jen is excited at the prospect, but soon realizes that the evening will be far more intense than she is prepared for. As the night escalates, she will find herself torn between her natural reservations and the need to prove herself an equal of the visiting submissive in the eyes of their men. In shockingly little time, the drive to prove her devotion and obedience will have her doing things she never thought she could do ? and still falling short. Excerpt: "Jen?" I heard his voice call out softly. "Here, sir," I said through the crack. "Pass me out your clothes, please." I squirmed as conflicting emotions of dismay and excitement fought within me. He didn't want to give me any choice. He didn't want me to see what he had picked out for me until I had already committed and until I couldn't say no. Reluctantly, I folded my skirt and blouse and passed them under the door. "Panties and bra, too, Jen," he insisted. A knee-jerk objection caught in my throat and I stared helplessly at myself in the little changing room mirror. I didn't know if I was ready for this, and yet ... I trusted him. It was so much easier to just be his, do what he wanted and lose myself in the aftermath, good and bad, without any of the responsibility. It felt so good, being his, that it almost didn't matter. What happened happened. "Yes, sir," I said, not trying to hide the quaver in my voice. In the end, I always did as he asked, but I wanted him to know that this prospect frightened me more than a little. I

stepped out of my panties and unclasped my bra, trying to imagine myself in the comfort of our home and not in the back of an unfamiliar department store with nothing to cover myself. "Thank you," he said as he took the precious garments from my proffered hand. There was a rustling, and then a little bundle replaced them under the door frame. I picked it up and waited for more. Perhaps it just looked small. I unrolled the cloth and spread it on the bench. My heart sank. What I had at first taken for one garment was in fact two. The tank top was simple, unadorned, and very thin. When I rolled the cloth in my hand, I could see my fingers on the other side. Folded inside the top was a skirt. The fabric was a bit thicker, but it was so short that it did not stretch more than halfway from my wrist to my elbow. I looked at them in dismay, and turned back to the door.

Who Can Turn Me on the Most! X: Reverse Harem, Domination, BdsM & Erotica

Warning! Contains Intense Domination! All is fair in love and war when a horny princess takes advantage of her husband's absence to explore into a world of lust outside of their matrimonial bond. Princess Gabri's beauty only lies skin deep, and her evil lust thrives in the dark. The desperate royal dignitary abuses her power as she struggles to find her sexual identity. She loves her husband, the Prince, but she is not easily able to find it within herself to be the wife a man of royalty desires. Her erroneous quest to rediscover the sheer feeling of sexual gratification that she once knew, when a climax was something new and unimaginable, leads to an onslaught of female dominance, lust, and betrayal. The Kingdom thrives as a world reserve for natural resources. In that effect, a brave prince fights to preserve what his people have worked for through the years that have made the Kingdom a stronghold. As he does so, when he is off fighting potential invaders, his beautiful wife uses the time to unleash her lustful desires. Only her emotions are rational and harsh, as she takes advantage of slaves, uses her authority to cover the details concerning her actions, and brings about bloodshed as a result. The story reveals the valor of brave warriors and their leader, a prince, who fights to come home to the things that they love, including the woman he loves. As the story unfolds, the prince finds himself dealing with the very same obstacle that he fights to avoid. The prince struggles to deal with the people he trusts, his honor, and the bed that he and his wife share. When Princess Gabri finally finds the man who arouses her the most, the story sheds light on the most conflicting element of the plot. The story revolves around the sensational detail revealed by passionate desire. The fire and rage in a woman to conquer her own demons lie within the realm of dangerous lust. Princess Gabri is on a mission to find her true sense of sexual satisfaction. At the same rate, she reveals the concepts that satisfy her aside from the throbbing painful pleasure of exotic sex. The woman is elated to see a man in bondage, while at the same rate, she taunts men knowing they admire her perfectly etched curves and beautiful face. The story reveals a wicked woman entrusted to be a gentle soul. When the weak are made strong by the loins of a princess, a turn of events erupt that parallel the confusion brought about among an array of betrayal and ill intentions among royalty and the people they trust. The skillful mastery of weapons of war is no match for the scorn of a woman. The passionate desires of a woman can lead to uncovering the rational aggressiveness instilled in the character of a woman. The story is set in a royal setting somewhere on a timeline that we can place almost anywhere in history, or maybe even the future, while time can only tell the fate of civilization as we know it. The characterizations evident of each character are set in stone, revealing love, loyalty, and betrayal. The story revolves around war. In doing so, the abstract detail tells the story in that effect. A time and place

perfect for any of the actions involved in the story streamlines the dialogue, amazingly dictated around a scheme surrounding a sexually domineering woman and her will to see men punished. Like a black widow, Princess Gabri carries out her actions to rediscover her most innermost feelings. Love leads to war, loyalty leads to betrayal, and lust leads to death! She tells him, in no uncertain terms, what she thinks of his suggestion but then, she finds herself in a dangerous situation. Extreme FemDom Bundle

This erotic collection is about extreme examples of women subjugating, punishing and sexually humiliating men - and they love it! The Kingdom Of FemDom This is the story of Alazar, a kingdom where females rule and men are subservient in every way. Eleanor is the current Queen of Alazar, and when Luther, one of her subjects, is brought in after getting caught breaking the law she is faced with a tough decision: Will she banish him from the kingdom forever, or will he be able to prove his dedication to her through a series of increasingly humiliating tasks? Forced To Watch Suspicions about his girlfriend, Natalie, come to a head when Isaac gets the chance to check her phone just before she leaves for a night out. There's a shock when he finds a Tinder contact on it, but he says nothing about

the fact she may be cheating on him. Her story about meeting one of her friends for a drink suddenly rings hollow though, and he follows her when she leaves to find her meeting her Tinder date in a quiet bar. When a second man appears, his shock grows and he ducks into the dark alley beside the bar when he sees them leaving. That leaves him in prime position to watch the entire encounter as he is cuckolded by two men using his girlfriend in a back alley encounter. Fresh Meat The annoyance of a major deal breaking down for her company is something that Brigitte Collins cannot shake off... until the young intern working for her shows up. His query of whether everything is alright is met with a snappy response, because it's partly his fault that the deal has been lost. That gives her leverage over him, and she decides to take advantage of it. She offers him a ride home, but makes a detour to her apartment and takes her frustrations out on him in a night of female domination.

Awakening of a Submissive: Dominance, Submission, and the Delicate Arts of Pain and Pleasure (BDSM, Multiple Partners)

Reader Advisory: This story is for mature audiences only and features intensely erotic situations, bdsm play, whips, humiliation, discipline, punishment, degradation, submission and dominance. All characters are 18 or older. When Annie agrees to accompany her dom to visit an old friend of his in the BDSM scene, she does so to make him happy, but the prospect of engaging in role-play with a strange man terrifies her. Her introduction to Christian Fortier and a glimpse of his treatment of the women that live with him in his Cambridge townhouse only intensify her apprehension, although other, more confusing emotions begin to make themselves known within her as well. If she can only open herself to his experienced and almost invasively perceptive control, this mysterious figure offers to banish her confusion and show her the depths and rewards of submission beyond anything she has encountered before. Excerpt: "Come here," he said, his tone very dangerous. The woman flinched at the tenor of his voice, but edged closer to him. "I'm sorry, sir. I didn't know you had company, sir. I ?" But her apologies were cut off with a gasp. The man reached out and pushed aside the cup of her bra, baring her breast to the room and seizing her tightly by the nipple all in a single fluid motion. The woman flinched and sagged, biting her lip at the pain. "Meredith, do you know what Sarah does with this?" the man asked, holding the fork before the woman's grimacing face and maintaining his grip on her nipple. She whimpered and shook her head. "Sarah stabs herself with it in the back of the calf. Over and over again she does this, when she thinks it has been too long since I last spanked her." He turned back towards Anderson. "The woman is an extreme masochist. She seems determined to give herself an infection." The woman in his grip let out a whimper of pain, and the man turned back to her. "I have told Sarah not to do this," he said to her. "It is not good for her. She knows that it makes me very unhappy." He twisted his hand and the woman's whimpers increased in volume and pitch and her breath began coming in gasps. "You say she asked you to bring it out to the kitchen?" The woman nodded urgently.

"And why did you agree?" The woman swallowed and answered with difficulty. "She just asked for a favor, sir." The man laughed. "Meredith, for all your good qualities, you are very easily taken advantage of, did you know that? Sarah is using you. She knows that she will get in trouble if she is seen with it, and so she sends you to run the risk instead." "Yes, sir," the woman whined. "I'm sorry, sir." "So this is what is going to happen," he said. "I am going to let you go and pretend that this did not happen, and the next time you see Sarah with this fork or anything like it, you are going to come to me, instead. Do you understand?" "Yes, sir," the woman agreed in a strained voice. The man twisted further and I saw the woman's hands ball into white-knuckled fists as she fought not to cry out. "Then repeat back to me what I have just asked you." "You said that the next time I see Sarah with something like the fork I should come and tell you about it, sir." "And that's what you're going to do?" "Yes, sir." "Good." The man pulled the woman closer to him and kissed her once on the forehead, gave a final squeeze, and released her. She stumbled back, trying to keep herself from clutching at her reddened and slightly puffy nipple. Without bothering to cover herself, she fled from the room. The man watched her go, an unreadable expression on his face. "She has a good heart, that one," he said. "Never intentionally disobedient, but I'm afraid she does not always exercise good judgment." I looked through the doorway the woman had disappeared through and shivered. The prospect of this man treating me the same way he had just treated Meredith was more than a little frightening, but an undeniable part of me had found that entire exchange very, very hot. I took a long drink of the wine and turned back to see the man watching me. "We'll start slower with you, Annie," he said. "I wouldn't want you to be too overwhelmed."
