Therefore we release any anger, bad feelings, resentment or any other wrong attitude before You now.

We lay it at your feet and we release and forgive those who have wronged us.

Lord You are the true Source of love, peace, and light.

The listener doesn't keep track of the sins of others.

You are the God of peace. True peace.

We declare peace over the situation and over the listener right now.

Everywhere the listener goes they commit to plant seeds of peace.

We thank You for Your light shining through the listener dispelling the darkness!

They commit to walking in Your light!

We declare that the listener walks in wisdom and understanding in all they do!

You are ultimate peace!
