The Girl Who Thought Her Mother Was a Mermaid

Even though she's terrified of the sea, a girl who believes her mum might have been a mermaid runs away to the ocean to solve the mystery of who she really is.

The Girl Who Thought Her Mother Was a Mermaid

Even though she's terrified of the sea, a girl who believes her mum might have been a mermaid runs away to the ocean to solve the mystery of who she really is. Stella is the odd one out. She sleepwalks, is terrified of water, yet obsessed by the ocean. Her mum who died when Stella was eight remains the biggest mystery of all. Who was she and why did she give Stella a necklace called 'the word of the sea' before she died? Nobody can give her any answers. Her father is consumed by grief and her grandmother's memories are fading with dementia. When Stella's only friend in the world, Cam, moves house, Stella runs away. She's determined to find out who her mum was and who she is too. She ends up in the Crystal Cove, a run-down aquarium with a mermaid show. There she meets Pearl who reveals disturbing secrets. It's only by facing her fear of the ocean that Stella will truly uncover the truth. This is an exquisitely imagined story about a girl on an adventure above and below the waves.

Keeper

Keeper was born in the ocean, and she believes she is part mermaid. So as a ten-year-old she goes out looking for her mother—an unpredictable and uncommonly gorgeous woman who swam away when Keeper was three—and heads right for the ocean, right for the sandbar where mermaids are known to gather. But her boat is too small for the surf—and much too small for the storm that is brewing on the horizon. Kathi Appelt follows her award-winning and New York Times bestselling novel *The Underneath* with this stunning, mysterious, and breathtaking tale of a girl who outgrows fairy tales just a little too late—and learns in the end that there is nothing more magical and mythical than love itself.

Real Mermaids Don't Wear Toe Rings

Freak of nature takes on a whole new meaning... If she hadn't been so clueless, she might have seen it coming. But really, who expects to get into a relaxing bathtub after a stressful day of shopping for tankinis and come out with scales and a tail? Most. Embarrassing. Moment. Ever. Jade soon discovers she inherited her mermaid tendencies from her mom. But if Mom was a mermaid, how did she drown? Jade is determined to find out. So how does a plus-size, aqua-phobic mer-girl go about doing that exactly? And how will Jade ever be able to explain her secret to her best friend, Cori, and to her crush,

Luke? This summer is about to get a lot more interesting... "Absolutely fresh and sweet, a quirky coming of age story." -The YA-5

Shellica's Mermaid Adventure

No one loves to swim more than Shellica, but her mother's warning comes true when she doesn't get out of the pool in time. She becomes a mermaid! But it's not as much fun as she thought it would be. Who can help her become a girl again?

My Mom is a Mermaid!

A young girl describes life with her mother, who just happens to be a mermaid.

The Tail of Emily Windsnap

Emily Windsnap lives on a boat, but her mother has always been oddly anxious to keep her out of the water. It is only when Emily has her first school swimming lesson that she discovers why: as soon as she gets into the water, she grows a tail! Soon Emily discovers a glorious underwater world of fishes, coral, shipwrecks and mermaids, and, best of all, she finds a best friend! With mermaid Shona Silkfin by her side, Emily uncovers a surprising family secret and embarks on a quest to reunite her mum and dad. This enchanting fantasy deals with universal themes of family, friendship, love and justice - all handled with the lightness of touch for which Liz Kessler is so well known.

The Mermaid Who Couldn't

Mariana the Mermaid is not like the other mermaids. Abandoned by a careless mother on the ocean floor, she has never laughed or played, and can barely even swim. She feels useless. Then she meets Muriel the Turtle, who welcomes her into her family and teaches her to sing her own mighty song, making her feel confident and ready to join in with the other mermaids. Written for children aged 4+, this picture book uses a simple metaphor to show how children who have experienced neglect or who lack confidence can learn to find a sense of self-worth. It will help children explore their feelings and encourage communication.

Can You Catch a Mermaid?

Elisa's new friend Freya is a mermaid paying a visit to the land, but when Freya loses the item that will allow her to return to the sea, Elisa must choose between what she wants and what is best for her friend.

Mermaid: A Memoir of Resilience

A woman born without legs describes her life growing up as one of eleven children in a large Catholic family, wearing prosthetics, going to school, facing bullies, and searching for love and happiness.

The Surface Breaks: a reimagining of The Little Mermaid

Deep beneath the sea off the cold Irish coast, Gaia is a young mermaid who dreams of being human... but at what terrible price? Hans Christian Andersen's dark original fairy tale is reimagined through a searing feminist lens, with the stunning, scalpel-sharp writing and world building that has won Louise her legions of devoted fans.

Mermaid Moon

In the far northern reaches of civilization, a mermaid leaves the sea to look for her land-dwelling mother among people as desperate for magic and miracles as they are for life and love. Blood calls to blood; charm calls to charm. It is the way of the world. Come close and tell us your dreams. Sanna is a mermaid — but she is only half seavish. The night of her birth, a sea-witch cast a spell that made Sanna's people, including her landish mother, forget how and where she was born. Now Sanna is sixteen and an outsider in the seavish matriarchy, and she is determined to find her mother and learn who she is. She apprentices herself to the witch to learn the magic of making and unmaking, and with a new pair of legs and a quest to complete for her teacher, she follows a clue that leads her ashore on the Thirty-Seven Dark Islands. There, as her fellow mermaids wait in the sea, Sanna stumbles into a wall of white roses thirsty for blood, a hardscrabble people hungry for miracles, and a baroness who

will do anything to live forever. From the author of the Michael L. Printz Honor Book *The Kingdom of Little Wounds* comes a gorgeously told tale of belonging, sacrifice, fear, hope, and mortality. From the author of the Michael L. Printz Honor Book *The Kingdom of Little Wounds* comes a gorgeously told tale of belonging, sacrifice, fear, hope, and mortality.

The Girl with the Mermaid Hair

Click. Sukie Jamieson takes a selfie after her tennis lesson. Click. She takes one before she has to give a presentation in class. Click. She takes one to be sure there's nothing in her teeth after eating pizza at Clementi's. And if she can't take a selfie, she checks her reflection in windows, spoons, car chrome—anything available, really. So when her mother gives her an exquisite full-length mirror that once belonged to her grandmother, Sukie is thrilled. So thrilled that she doesn't listen to her mother's warning: "This mirror will be your best friend and worst enemy." Because mirrors, as Sukie discovers, show not only the faraway truth but the truth close up. And finding out that close-up truth changes people. Often forever. Acclaimed novelist and screenwriter Delia Ephron crafts a powerful novel of truth, beauty, and the secrets about family and friends that lie beneath perfection.

Julián Is a Mermaid

In an exuberant picture book, a glimpse of costumed mermaids leaves one boy flooded with wonder and ready to dazzle the world. While riding the subway home from the pool with his abuela one day, Julián notices three women spectacularly dressed up. Their hair billows in brilliant hues, their dresses end in fishtails, and their joy fills the train car. When Julián gets home, daydreaming of the magic he's seen, all he can think about is dressing up just like the ladies in his own fabulous mermaid costume: a butter-yellow curtain for his tail, the fronds of a potted fern for his headdress. But what will Abuela think about the mess he makes — and even more importantly, what will she think about how Julián sees himself? Mesmerizing and full of heart, Jessica Love's author-illustrator debut is a jubilant picture of self-love and a radiant celebration of individuality.

Anthoni has bigger fish to fry. She's always wanted a True Blue Friend. But it's been hard to find one, since for the past five years she's been bouncing from town to town, helping her mother sell Beauty & the Bee cosmetic products to keep them both afloat. This summer will be different, though. Anthoni has a plan—a foolproof checklist for making lifelong friends! There won't be any maybes this time. But as she grows entangled in local gossip, and her mother stretches the truth, Anthoni must decide if she'll "stick to the plan," like always, or dive into a summer full of extraordinary possibilities. Josephine Cameron's energetic and heartfelt debut raises timeless questions about truth, lies, and the hope that grows between them.

The Mermaid's Madness

Cinderella, Sleeping Beauty, and Snow White face a deadly threat from under the sea. The first meeting between Princess Danielle Whiteshore, better known as Cinderella, and the merfolk who inhabit the seas of Lorindar, should have been a diplomatic formality. Real Mermaids Don't Hold Their Breath

Normal is Never Coming Back Jade is totally confused. As in, "will this be a leg-day or a tail-day?" kind of confused. Even worse, it's been forever since her first kiss with Luke and now—nothing. Not even a text message. Sigh. But Jade doesn't have time to figure out the weirdness of boys and how to use her shiny new tail. (Seriously, being a mermaid should come with a handbook.) She has to come up with a plan to get her missing mermaid mom back on dry land. The only problem is...Jade is afraid of the ocean. But even aqua-phobic mer-girls have to take the plunge sometime... Praise for *Real Mermaids Don't Wear Toe Rings*: "Bravo to Hélène Boudreau for hitting the bull's-eye with a fresh, affectionate, watery twist on the classic coming-of-age-story."—New York Journal of Books "The author keeps suspense high...while tapping straight into young teens' angst about friends, enemies, and boys."—Kirkus

The Time Traveller and the Tiger

Face to face with the mightiest and most majestic predator in the jungle, Elsie is in awe of the tiger's beauty. She's on a mission to have the adventure of a lifetime, save the tiger and change the future. With echoes of Tom's Midnight Garden, Tania Unsworth writes about transcendent friendships and conservation in the animal kingdom. Elsie is not looking forward to the long summer holiday with her creaky, old Uncle John. But then the unimaginable happens as Time unravels and Elsie tumbles back to 1940s India to meet her Uncle John as a young boy on a tiger hunt. Can Elsie stop him from doing what he's already told her is a wrong he can never right? The Time Traveller and the Tiger is a multi-layered novel for 9-12 year-olds, rich in adventure, mystery, historical and conservation themes. Praise for The Time Traveller and the Tiger: 'Spine-tinglingly good. Enthralling and prize-worthy' AMANDA CRAIG 'A classic adventure, and a transporting evocation of the mighty, beautiful, much misunderstood creature at its heart' PIERS TORDAY 'An atmospheric adventure story with a strong message about the importance of conservation' BOOKTRUST

The Mermaid, the Witch, and the Sea

When the pirates prepare to sell their unsuspecting passengers into slavery, Flora is drawn to the Lady Evelyn Hasegawa, who is en route to a dreaded arranged marriage with her own casket in tow. The pair set into motion a wild escape that will free a captured mermaid (coveted for her blood, which causes men to have visions and lose memories) and involve the mysterious Pirate Supreme, an opportunistic witch, and the all-encompassing Sea itself.

It's an underwater world of magic and mystery - where Rani's adventures are about to begin... Rani has always known that she's different from the rest of her family. But Rani's about to find out that she's more different than she realised - she's got magic powers!

Captain Hook and the Mermaid

"Be careful, sweet," he said, with a flash of a grin that made me realize just how handsome he could be. "It's dangerous to feel too much in Never Land." When I took Peter's hand and flew with him to Never Land, escaping the fate of my overworked peasant mother, I thought it was a dream, but all I found was a cursed land. Peter expected me to tell stories and mend clothes all day like I was his mother, and at night, he cried out with nightmares. In Never Land, no one really grows up. At least, not on land. With my first womanly thought, I turned into a mermaid and Peter forgot my name. Yearning to escape, I was caught by the most dangerous man on the island—the very grown up, cruel pirate Captain Hook. I'm trapped in his chambers, and he makes me a very naughty bargain—but how long before that bargain becomes something more? Something that might destroy the secret that holds Never Land together and frees two lonely hearts? Captain Hook and the Mermaid is a fairy tale retelling for those who like an adorable happily ever after with a side of serious steaminess!

Silent Mermaid

How does a silent mermaid win a war of song? How does she break the siren song of the witch holding her beloved captive? After being touched by the sun at birth, Princess Arianna has grown up imprisoned between two worlds, neither fully mermaid nor fully human. Her life is one of solitude and dreams. But when she loses her family and her kingdom in a war between man and merfolk, she's forced to flee into the arms of the enemy. Her only hope of protection lies in the penniless prince that she once saved and his two boisterous nieces. Prince Michael is at his wit's end. After the great maritime war, he must clean up the pieces of neglect, folly, and evil that his grandfather has left behind. With his people starving and his treasury nearly empty, the familiar girl from the past that falls piteously at his feet cannot be afforded his attention. He has only the resources and time for the barest of good deeds to pay back that which she gave him. But the more Michael begins to hear the girl beneath her silence, the more he realizes she just might be the distraction he cannot survive without. All the while, a dangerous darkness is beginning to poison the ocean, and an evil foreseen by neither Arianna nor Michael threatens the very existence of both peoples. If they wish to restore their kingdoms, Arianna and Michael will need to reassess their alliances, their beliefs, and an ancient prophecy that's been all but forgotten. Most importantly, however, they must decide whether they can move past their personal pain and trust one another. Because if they can't, everything and everyone they love will fall. If you want the magic of Narnia and the romance of fairy tales, read this clean fantasy retelling of The Little Mermaid today to escape into the Classical Kingdoms Collection, a series of clean fantasy fairy tale retellings with magical mystery, clean, passionate romance, and heroic happily-ever-afters. Author's Note: Silent Mermaid is fifth in the Classical Kingdoms Collection but can be read as a stand-alone.

The Tail of Emily Windsnap

After finally convincing her mother that she should take swimming lessons, twelve-year-old Emily discovers a terrible and wonderful secret about herself that opens up a whole new world.

Do we really know what secrets lay hidden underneath the vast ocean waters of this world? I think not! Stormy, the blue mermaid may have accidentally discovered some of those secrets. Mass chaos broke loose one day, when Stormy, a young, half-grown mermaid found a beautiful bottle floating at sea. Upon opening it; terror was unleashed, the likes of which has never been known in the sea or on the land. As daring as her mother, Breeze, the Mermaid and as assertive as her grand-father Neptune, King of the sea; Stormy dove head first into one witty attempt after another trying to correct the horrors that were created by opening that bottle. If you like fiction, fantasy and non-stop adventure, you will enjoy the heart-pounding, unusual encounters of Stormy; Number III in the Breezethe Mermaid series. Of course, there is a surprise ending.
