Diary of a Redneck Vampire

"TALL TALES," Part One Who is Demus, the first vampire?! How did the Human-Vampire War begin?! And just where in the hell did these vampires come from anyway?

Vampire Diary

Middle school is tough enough for normal humans, but when you're a vampire, it's even more challenging. Edgar rises to the occasion with wit, humor, and some help from his friends.

Redneck #25

Nigel Mullet is just your average fifteen-year-old immortal vampire: he likes to play video games, laze about, awkwardly pursue girls, write in his diary and occasionally save the day. But now Nigel finds himself in charge of the vampire coven on the remote island of Hirta, a responsibility he's not particularly enjoying. He's sick of resolving petty disputes between vampires when he could be using his position to get to know the hot vamp girls who have been increasingly showing interest in him, especially the sultry Lenora. Power does have some other positives, though, such as having the biggest room in Hirta Castle and getting away without doing vampire history homework. When Nigel allows a recent coven recruit named Viktor to take over his role, the newcomer proves himself to be a brutal and merciless leader. The hapless Nigel is cajoled into becoming the leader of the resistance movement, but can he defeat the tyrant? Can he prove himself a leader of men (even though he's really not that bothered)? And will he get the girl?

Siblings turned rivals, the Salvatores compete for Katherine's affection,

Go Ask Malice

This is my journal -- my diary. It's a personal glimpse into my life and all that would happen to me one fateful summer and fall. A record, you might say, of the events that would change the course of my life for all eternity. This is my story, and I will tell you all you need to know of me -- of the life I once had, of the girl I once was. And of what I have now come to be. Have you ever wondered what it would be like to be immortal? To live forever? To be free of the pain that comes with being human? Have you ever wondered what the consequences of such a thing might be? If you had to decide between morality and a happiness few ever find -- which would you choose? And what would you do if the choice were suddenly taken from you?

Have you ever heard the legends and myths about Vampires? Well, what if I told you they were all wrong? Vampires are as invisible to the human eye as the spider web is to the fly. I should know I am one. Join me on my adventure. From the time I found out to the very end. Through heartache and tears. See my life unfold as prophesy and legend reveal the truth of my existence.
