Shamanism in Norse Myth and Magic

"... presents the main features of Siberian shamanism, as they are relevant for comparison with Norse sources, and examines the Norse texts in detail to determine how far it is reasonable to assign a label of "shamanism" to the human and divine magical practices of pre-Christian Scandinavia, whose existence, it is argued, in many cases resides mainly in the imaginative tradition of the poets." -- Back cover.

Shamanism in Norse myth and magic

Norse Goddess Magic

A practical guide to the magic of the feminine side of the Norse pantheon • Provides invocations and rituals to call each goddess forth for personal and group spirit work • Details the author's trancework to discover the personalities and powers of Frigg the Allmother, wife of Odin, and the 12 lesser-known Aesir goddesses associated with her • Offers a comprehensive guide to tranceworking to connect with the deities Combining traditional research on folklore and the Eddas with trancework and meditation techniques, Alice Karlsdóttir was able to rediscover the feminine side of the Norse pantheon and assemble working knowledge of 13 Norse goddesses for both group ritual and personal spirit work. Detailing her trancework journeys to connect with the goddesses, the author reveals the long-lost personalities and powers of each deity. She explores the Norse goddess Frigg the Allmother, wife of Odin, along with the 12 Asynjur, or Aesir goddesses, associated with her, such as Sjöfn the peacemaker, Eir the Healer, and Vor the Wisewoman. She shares their appearances in the Eddas and Germanic mythology and explains the meanings of their names, their relationships to each other, and

their connections to the roles of women in Old Norse society. She provides detailed instructions for invocations and rituals to call each goddess forth for personal and group spirit work. She also offers a comprehensive guide to ritual tranceworking to allow anyone to directly experience deities and spiritual beings and develop spirit-work relationships with them.

" ... presents the main features of Siberian shamanism, as they are relevant for comparison with Norse sources, and examines the Norse texts in detail to determine how far it is reasonable to assign a label of "shamanism" to the human and divine magical practices of pre-Christian Scandinavia, whose existence, it is argued, in many cases resides mainly in the imaginative tradition of the poets." -- Back cover.

Baldr's Magic

A guide to using ecstatic trance to connect with your ancestors, rediscover your extrasensory powers, and reclaim the peaceful nature of humanity • Illustrates ecstatic trance postures to connect with the ancient Nordic people, to journey to exact points in time, and to access powers such as seeing into our future • Explains how the coming new age of peace and veneration for Mother Earth was predicted in Norse mythology as the rebirth of the compassionate god Baldr • Expands on the stories of the early Nordic gods and goddesses from the Prose Edda and the Poetic Edda Connecting Norse mythology, ecstatic trance, the Universal Mind, and the dawn of a new age of peace and veneration for Mother Earth, Nicholas Brink reveals how we can use ecstatic and hypnotic trance to learn more directly and deeply from our distant ancestors, rediscover our extrasensory powers, and reclaim the original magical nature of humanity. The imminent rebirth of a peaceful, balanced, connected world was predicted in Norse mythology as the return of Baldr, the gentle and compassionate Nordic god of truth, healing, and rune work. Illustrating ecstatic trance postures to connect with the ancient Nordic people and their beliefs, to journey to exact points in time, and to access specific powers, such as seeing into our future, Brink explores humanity's evolving cycle of consciousness from the era when the Great Mother goddess was the center of life through the transition to the worship of power and physical strength in the Bronze Age and the world of the Vikings. He explores the coming return of Baldr and the imminent new age of peace and respect for the earth. Through hypnotic divination, the author expands the stories of the early Nordic gods and goddesses from the Prose Edda and the Poetic Edda, in particular the fertility deities of the Vanir, such as Freyr, Freyja, and Idunn, who came before the warrior deities of the Æsir, such as Odin, Thor, and Loki. He details the epic battle of Ragnarök and the birth, life, death, and rebirth of Baldr. Brink shows how these ancient stories happen outside of time, in the past, present, and future, thus Baldr's return is replayed in our death-rebirth experiences of life, in each dawn, with each spring, and now with the birth of a new age that we see happening all around us. Through the power of trance at this time of rebirth, we move full circle to reclaim the magic of the earliest times, the times of the Garden of Idunn.

Norse Shamanism

Learn everything you need to know about Norse Shamanism Have you ever wondered about Norse Shamanism? Do you have questions about the beliefs of the Vikings, well-known for their long voyages, pillaging, and plundering? Are you craving more information than you get from the very few books written on Norse culture? Want to learn more details about these people's ancient practices and beliefs? Then this book is for you. It is a lofty attempt to fill that gap by exploring their mythology regarding Shamanism and their cosmological view compared with today's modern practices. If you are interested in learning about the spirit world through the eyes of the Norse and other cultures, then this book is for you. In this book, you'll: Learn what Norse shamanism is all about Discover how the Viking people practiced their religion Discover what gods and goddesses were instructive in their practice Understand how they viewed the universe and its inhabitants Learn how they viewed death, the afterlife, and reincarnation Discover the nine worlds and their significance in Shamanism Master how to travel through realms beyond the physical Master how to use shamanic tools as a way of healing yourself and others Learn how to protect yourself when practicing this craft The ancient Norse people had many beliefs and practices that scholars and historians have not fully explored. In this book, you'll get to explore these unique views on the spirit world and learn how the Vikings applied them in their everyday lives. It is a great read for anyone interested in Norse mythology, Shamanism, and its practice in the physical world.

Norse Magic & Runes: A Guide To The Magic, Rituals, Spells & Meanings of Norse Magick, Mythology & Reading The Elder Futhark Runes

A snowy wind moves through the mountains encircling Arne and his son. But the winds will not reach them here, under the watchful eyes of their Gods... Welcome to The World of Norse Magic & Runes Let us take you back in time. When the Norse people lived in an enchanted and sacred world. A time famously shrouded in mystery, magic, sorcery and witchcraft. It was Odin himself, the wisest God who unlocked the universe's most powerful magic. He discovered the Runic alphabet as part of his trial, in which he hung from Yggdrasil, the World Tree, for nine days. Nowadays, Runes & Norse Magic are used as a method of connecting to one's higher self. Or as a way of foretelling what the future may hold. Now don't worry because you don't have to be of Norse ancestry to use them. However you'll have a far better understanding of them, history, mythology, meanings and more through reading this book. Inside you will discover: Stunningly Elaborate Mythologies, Stories & Folktales The Nine Realms of Norse Cosmology Old Norse Magic, Including The Magic Arts of: Seiðr, Spá and Galdr The Source of Norse Mythology, The Poetic Edda or 'Royal Book'. Runes, Symbols, Divination, Sacred Numbers, Casting, Elder Futhark & The Powers They Wield Gods & Realms - Including Loki, Odin, Thor God of Thunder & More Virtues and Values From The Vikings - Honor, Courage, Trust & More And much, much more... Whether you are simply hungry for the history and mythology of the Norse, or you are beginning to master the magic arts, then you will receive valuable information from this precious book. So without any further ado, Read This Book

The Norse Shaman

An experiential guide to the wisdom preserved in Europe's far north • Includes shamanic journeys to connect with deities and your ancestral shamans • Provides step-by-step instructions to prepare for and conduct a seiðr ceremony • Draws on archaeological evidence and surviving written records from Iceland • Reveals the long tradition of female shamans in northern European shamanism Shamanism is humanity's oldest spiritual tradition. In much of the Western world, the indigenous pre-Christian spiritual practices have been lost. Yet at the northern fringes of Europe, Christianity did not displace the original shamanic practices until the end of the Viking age. Remnants of Norse shamanic spirituality have survived in myths, folk traditions, and written records from Iceland, providing many clues about the ancient European shaman's world, especially when examined in conjunction with other shamanic cultures in northern Eurasia, such as the Sami and the tribes of Siberia. Reconstructing the shamanic practices of the hunter-gatherers of Scandinavia, Evelyn Rysdyk explores the evolution of Norse shamanism from its earliest female roots to the pre-Christian Viking Age. She explains how to enter Yggdrasil, the World Tree, to travel to other realms and provides shamanic journeys to connect with the ancestral shamans of your family tree, including the Norse goddess Freyja, the very first shaman. She offers exercises to connect with the ancient goddesses of fate, the Norns, and introduces the overnight wilderness quest of útiseti for reconnecting with the powers of nature. She explains the key concepts of Órlög and Wyrd--the two most powerful forces that shape human lives--and provides exercises for letting go of harmful behavior patterns and transforming simple knowledge into profound wisdom by connecting with Óðinn. Thoroughly examining the shamanic rituals of seiðr, the oracular magic of the Nordic cultures, the author provides step-by-step instructions to prepare for and conduct a seiðr ceremony, including creating your own seiðr staff and hood, and explores the ancestral use of shamanic songs or varðlokur to accompany the ceremony. Woven throughout these exercises, Rysdyk provides archaeological evidence from Neolithic sites supporting the long tradition of venerating wise women, grandmothers, and mothers in ancient cultures and the important role of female shamans at the heart of northern European shamanism. Providing an accessible guide for anyone trying to fulfill their shamanic callings, these powerful rituals can provide personal healing and a clear path for finding our way into a harmonious relationship with the natural world.

Nine Worlds of Seid-Magic

This accessible study of Northern European shamanistic practice, or seidr, explores the way in which the ancient Norse belief systems evoked in the Icelandic Sagas and Eddas have been rediscovered and reinvented by groups in Europe and North America. The book examines the phenomenon of altered consciousness and the interactions of seid-workers or shamanic practitioners with their spirit worlds. Written by a follower of seidr, it investigates new communities involved in a postmodern quest for spiritual meaning.

Shamanism in Norse Myth and Magic

"... presents the main features of Siberian shamanism, as they are relevant for comparison with Norse sources, and examines the Norse texts in detail to determine how far it is reasonable to assign a label of "shamanism" to the human and divine magical practices of pre-Christian Scandinavia, whose existence, it is argued, in many cases resides mainly in the imaginative tradition of the poets." -- Back cover.

Encyclopedia of Norse and Germanic Folklore, Mythology, and Magic

A thorough reference to the many deities, magical beings, mythical places, and ancient customs of the Norse and Germanic regions of Europe • Explores the legends and origins of well-known gods and figures such as Odin, Thor, Krampus, and the Valkyries, as well as a broad range of magical beings such as the Elf King, the Lorelei, the Perchten, dwarves, trolls, and giants • Draws upon a wealth of well-known and rare sources, such as the Poetic Edda and The Deeds of the Danes by Saxo Grammaticus • Examines folktales, myths, and magical beliefs from Germany, Austria, Switzerland, Denmark, Finland, Sweden, Norway, Iceland, and England The legends of the Norse and Germanic regions of Europe--spanning from Germany and Austria across Scandinavia to Iceland and England--include a broad range of mythical characters and places, from Odin and Thor, to berserkers and Valhalla, to the Valkyries and Krampus. In this encyclopedia, Claude Lecouteux explores the origins, connections, and tales behind many gods, goddesses, magical beings, rituals, folk customs, and mythical places of Norse and Germanic tradition. More than a reference to the Aesir and the Vanir pantheons, this encyclopedia draws upon a wealth of well-known and rare sources, such as the Poetic Edda, the Saga of Ynglingar by Snorri Sturluson, and The Deeds of the Danes by Saxo Grammaticus. Beyond the famous and infamous Norse gods and goddesses, Lecouteux also provides information on lesser-known figures from ancient Germanic pagan tradition such as the Elf King, the Lorelei, the Perchten, land spirits, fairies, dwarves, trolls, goblins, bogeymen, giants, and many other beings who roam the wild, as well as lengthy articles on well-known figures and events such as Siegfried (Sigurd in Norse) and Ragnarök. The author describes the worship of the elements and trees, details many magical rituals, and shares wild folktales from ancient Europe, such as the strange adventure of Peter Schlemihl and the tale of the Cursed Huntsman. He also dispels the false beliefs that have arisen from the Nazi hijacking of Germanic mythology and from its longtime suppression by Christianity. Complete with rare illustrations and information from obscure sources appearing for the first time in English, this detailed reference work represents an excellent resource for scholars and those seeking to reconnect to their pagan pasts and restore the old religion.

Norse Magic

Elves and dwarves, gnomes and frost giants...Norse mythology is filled with tales of such supernatural beings, nature spirits, and powerful deities. Many people know that the Norse people were fierce warriors, but did you know that they were powerful magicians as well? Norse Magic has everything you need to learn in order to begin practicing Norse spirituality. Discover the history and religion of the Vikings, including Norse mythology, seasonal festivals, and magical techniques. If you are interested in practicing Norse Wicca, you'll learn about the three-fold goddess and the god, as well as how to celebrate the holidays, all from the perspective of Norse Paganism. Discover the secrets of herb magic, cauldron magic, cord magic, elf magic, dwarf magic, and more. These magical techniques are presented in a clear, step-by-step format. The practice of Norse magic enlists the help of the Asa-Gods, Light Elves and good Dwarves. It elicits aid from dead ancestors and the rulers of the Elements. It is an active magic, reserved for participants, not bystanders. In order to work the magic of this system you must attune yourself to the powers of the Elements, calling upon the Asa-Gods and other supernatural beings. Norse Magic includes complete instructions, exercises, and rituals for this technique. The Norse Pagans were one of the last European societies to convert to Christianity, but their Pagan mythology and magic survived and continues to thrive. Norse Magic is your key to the study and practice of this powerful and ancient spiritual system.

The Book of Norse Magic

Discover the secrets of the Norse people and their magical practices to manifest an enchanted life. Embark on a sacred journey into the marvellous and mystical world of Norse magic, with Wiccan medieval scholar Cerridwen Greenleaf as your guide. Gain insight into the wonders of runes, including the art of divination, spells for protection and how to imbue treasured objects with your personal magic. Learn about Norse mythology, including the stories of the major gods and goddesses and how to call

upon them for support and wisdom. Discover the basics of tree magic, such as the legend of Yggdrasil, the tree of life, and how to read omens in nature to avoid misfortune. With Cerridwen Greenleaf's vast knowledge of medieval studies, *The Book of Norse Magic* is an eminently useful and inspirational handbook on harnessing this ancient power for modern life to bring wellness, calm, love, money and luck.

Finnish Magic

Shamanism is the oldest form of spirituality and magic on earth. In Finland, shamanism is the source of their system of magick. Now you can learn their system in *Finnish Magic* by Robert Nelson, Ph.D. In this book you will discover the ancient national epic of Finland known as the Kalevala. This book involves the search for magical power and is "the single greatest influence on the formation and definition of modern Finland" according to the author. *Finnish Magic* describes the ancient Finnish beliefs about deities and spirits. You'll learn about the primary Finnish deity, Jumala, and how the Finns also adopted some of the Norse deities. Also described is the notion that everything has a spirit, followed by a discussion of how those spirits are different from each other. Next, *Finnish Magic* goes into the methods of shamanism and Finnish magic. This is one of the best explanations of shamanic practices ever published. You will learn about the nature of the shamanic trance and the steps you need to follow: - How to go enter a trance - How to begin your shamanic trance journey - How to contact your guides - What to do when you contact your guides - What your guides will do and how to follow them - How to return from your journey - How to leave the trance All of these are guidelines. Dr. Nelson reveals that the key to Finnish magic is contained in three words: "Do what works." You will learn how to add spontaneity to your rituals. You will also learn about using drums, song, and dance to make your magic work. Other topics include shapeshifting, the runes, charms, talismans, amulets, the Finnish festivals of the year and how they are celebrated, how to honor ancestors, and much more. If you are interested in shamanism, in Finland, or just ways to enhance your magical abilities, this book must be one you study.

Northern Shaman

The knowledge of a shaman and a volva accompanying you on the path of your own awakening Bringing you valuable lessons. The way of the Volva delivers the practice of the power of the seidhr. Allowing you to access parallel realities to connect to an authentic path of wisdom. The path of the shaman will teach you the history of the power animals, but will also speak to you in a straightforward way. of the Berserker warriors. It will free you from all your conditioning. Norse Paganism for Beginners

Do you want to delve deeper and gain a better understanding of Norse Paganism? Do you have a fascination with Norse mythology? If this sounds like you, then keep reading! "*Norse Paganism for Beginners*" is the most straightforward and authentic educational book on Norse mythology available on the Internet. Norse Paganism, also known as heathenry, is based on the ancient Norse religion that was practiced in Scandinavia before the arrival of Christianity. Within these pages, you will discover: - The History and Existence of Norse Paganism. - The Many Gods, Goddesses, and Mystical Creatures of the Norse World. - How You Can Become a Pagan in Today's Multi-Religious World. - How to Become a Pagan Magic Master. - The Realm of Giants and Dwarfs. - The Modern-Day Impact of Norse Mythology. - All the Norse Gods, Including Odin and Thor. AND MUCH MORE! If you desire to be a part of a worldview rich in historical knowledge while remaining relevant to the modern age, Norse Paganism is the way to go. If you're ready to gain unquantifiable insight into the nature of the world and your soul - then look no further. Don't waste another minute, scroll up and hit "BUY NOW" to get started today!

Germanic Magic

The three parts of the book are separated fields and deal with different facets of the runes. Part 1 gives, among other things, a fair summarizing historical overview, whereby corresponding finds and their possible interpretations are not left out. Part 2 offers many passages in related mythology and the Norse sagas where runes occur, the corresponding quotes are included. These two parts form an important foundation for the third part, which deals with the use of runes in modern magical-practical usage. After decades of study of various western streams and schools of magic and a thorough study of the runes, the author has managed to combine both. The result is a unique modern rune magic, which is presented in the third part of the book.

The Witch

This book sets the notorious European witch trials in the widest and deepest possible perspective and traces the major historiographical developments of witchcraft

Odin

"Paxson provides songs, rituals, magical exercises, and practical advice to help you develop your own personal relationship with the Lord of Runes." —Judika Illes, author of *Encyclopedia of 5,000 Spells*

Odin is arguably one of the most enigmatic and complex characters in Norse mythology. Revered since the Viking Age, Odin has been called the greatest of the gods—the god of words and wisdom, runes and magic, a transformer of consciousness, and a trickster who teaches truth. He is both war god and poetry god, and he is the Lord of Ravens, the All-Father, and the rune master. *Odin: Ecstasy, Runes, and Norse Magic* is the first book on Odin that is both historically sourced and accessible to a general audience. It explores Odin's origins, his appearances in sagas, old magic spells, and the Poetic Edda, and his influence on modern media, such as Tolkien's *Lord of the Rings* trilogy. Each chapter features suggestions for rituals, exercises, and music, so readers can comprehend and become closer to this complicated god. Author Diana Paxson, an expert on Viking-era mythology, provides a complete portrait of Odin and draws on both scholarship and experience to provide context, resources, and guidance for those who are drawn to work with the Master of Ecstasy today. "This remarkable book is at times ribald and reverent, worldly and innocent, pragmatic and idealistic, as needed to masterfully show the ways of a very complex God." —Ivo Domiguez, Jr, author of *Keys to Perception*

Cultural Legacies of Old Norse Literature

The cultural and literary legacy of medieval Iceland, with its roots in Norse heathen religion, heroic literature, and Viking Age history, is the focus of this volume. Its chapters examine the history and reception of a particular text or topic within this remarkable tradition. They treat a number of topics, including the legendary dragon-slayer Sigurd, the many personas of the mysterious god Odin, aspects of the ancient mythology of gods and giants, the early settlement of Iceland, the defiant Viking warriors known as the "Sworn Brothers"

As you journey through this book collection, we will help you peel back the layers of history that surround these fascinating stories to take a peek at the myths, beliefs, customs, and traditions as they actually were.

The Norse Sorceress

Old Norse literature abounds with descriptions of magic acts that allow ritual specialists of various kinds to manipulate the world around them, see into the future or the distant past, change weather conditions, influence the outcomes of battles, and more. While magic practitioners are known under myriad terms, the most iconic of them is the *völva*. As the central figure of the famous mythological poem *Völuspá* (The Prophecy of the *Völva*), the *völva* commands both respect and fear. In non-mythological texts similar women are portrayed as crucial albeit somewhat peculiar members of society. Always veiled in mystery, the *völur* and their kind have captured the academic and popular imagination for centuries. Bringing together scholars from various disciplinary backgrounds, this volume aims to provide new insights into the reality of magic and its agents in the Viking world, beyond the pages of medieval texts. It explores new trajectories for the study of past mentalities, beliefs, and rituals as well as the tools employed in these practices and the individuals who wielded them. In doing so, the volume engages with several topical issues of Viking Age research, including the complex entanglements of mind and materiality, the cultural attitudes to animals and the natural world, and the cultural constructions of gender and sexuality. By addressing these complex themes, it offers a nuanced image of the *völva* and related magic workers in their cultural context. The volume is intended for a broad, diverse, and international audience, including experts in the field of Viking and Old Norse studies but also various non-professional history enthusiasts. The Norse Sorceress: Mind and Materiality in the Viking World is a key output of the project *Tanken bag Tingene* (Thoughts behind Things) conducted at the National Museum of Denmark from 2020 to 2023 and funded by the Krogager Foundation.

Myth, Magic, and Memory in Early Scandinavian Narrative Culture

In this volume, several neighbouring disciplines, such as memory studies, literature, folklore studies, history of religion, medieval history, archaeology, oral history, and Old Norse studies intersect. The articles deal with similar questions and present illustrative case studies. Old Norse poems are analysed with regard to their mythological content; folktales, folklore, and other cultural phenomena are discussed with special foci on remembrance of the supernatural, witches, trolls, and others. One of the recurring questions is how we remember the past and how the past is created in memory. Myth, magic, and memory have together formed important, and often intertwined, elements to recent studies in the narrative culture of Viking-Age and Medieval Scandinavia. Analytical approaches to myth (prominent in the fields of history of religion, archaeology, language, and literature, and central to studies of visual cultures up to modern times), magic (drawing on a wealth of Norse folkloric and supernatural material that derives from pre-modern times and continues to impact on recent practices of performance and ritual), and memory (the concept of how we remember and actively construe the past) together combine to shed light on how people perceived the world around them. Taking the intersection between these diverse fields as its starting point, this volume draws together contributions from across a variety of disciplines to offer new insights into the importance of myth, magic, and memory in pre-modern Scandinavia. Covering a range of related topics, from supernatural beings to the importance of

mythology in later national historiographies, the chapters gathered here are written to honour the work of Stephen A. Mitchell, professor of Scandinavian Studies and Folklore at Harvard University, whose research has heavily influenced this multi-faceted field.

Old Norse Mythology

"This book treats from the perspective of the series "World mythologies in theory and in everyday life" the body of texts from medieval Scandinavia, mostly Iceland, usually known as "Norse mythology" or "Scandinavian mythology." Specifically, it constitutes a case study of a "literary or textual mythology," that is, a mythology from the past that we know only through written texts that have been left to us, augmented in a few cases by artifacts and images. This case is particularly interesting because the texts (with a tiny handful of enigmatic exceptions) were recorded centuries after the Nordic peoples had abandoned the religion associated with the mythology and converted to Christianity. The mythology lived on without direct connection to ritual activity or religious conviction. Drawing both on sources from before the conversion and on comparative analysis, it is certainly possible to reach informed inferences about the mythology before the conversion to Christianity—that is, when it existed as part of the pre-Christian religion of the Nordic peoples and their successors. From the perspective of the mythologies of the world, what is perhaps most important about these inferences is that this pre-Christian mythology was not a canonical mythology, since it almost certainly lacked a canon of sacred texts such as one finds in the great world religions of today. The focus of the book is not the mythology in and of itself, as would be true of a handbook, but rather how particular historical and intellectual circumstances formed conceptions about it."--

Cycles of Norse Mythology

These stories are old, old as the Behmer Wold and seldom in life has there been such a brewing... Cycles of Norse Mythology captures the passion, cruelty, and heroism of an ancient world. Encompassing Odin's relentless pursuit of wisdom across the nine worlds, Gullveig's malicious death at the hands of the Æsir that sparks a brutal war with the Vanir, Thor's battles against the giants of Jotunheim, the tragedy of Volund, the many devious machinations of Loki, and the inescapable events of Ragnarök, this lyrical re-imagining of the Norse myths presents the gripping adventures of the Norse gods and their foes in a style to delight modern readers of all ages. A detailed glossary provides a quick reference to the meaning behind names and terms used in the book. A Source Reference is included for persons who want to delve deeper into the study of Norse mythology.

Ballads of the North, Medieval to Modern

This volume is intended as a belated but heartfelt thank-you and Gedenkschrift to the late Larry Syndergaard (1936-2015), long-time professor of English at Western Michigan University and Fellow of the Kommission für Volksdichtung (International Ballad Commission). Larry's contributions down the decades to ballad studies--particularly Scandinavian and Anglophone--included dozens of papers and articles, as well as his supremely useful book, *English Translations of the Scandinavian Medieval Ballads*. As David Atkinson and Thomas A. McKean of the Kommission have written (May 2015): "Larry... was a sound scholar with a penetrating mind which he used to support, encourage and befriend others, rather than show off his own knowledge. He will be remembered for his contributions to international balladry, especially for providing a bridge between the English- and Scandinavian-language ballads." Larry's particular fascination with the vernacular ballads of the northern medieval world are reflected in this collection; topics here range from plot elements such as demonic whales, otherworldly antagonists, and mer-people to thematic issues of genre, religion and sexual mores. As a tribute to the global influence of Larry's scholarship and the broad academic interest in medieval ballads, the essays in this volume were contributed by twelve international scholars of narrative song based in Europe, North America and Australia.

Norse Mythology

In the age of Vikings, many citizens of what is now known as Norway, Denmark, and Sweden left their native soil to journey the world in search of riches. Riding the tumultuous waves of the sea, the adventurers would come to be known as raiders, pirates, traders, and settlers across the European nations and islands. This is around the time it was discovered that, to the surprise of those the Vikings bombarded, they did not belong to a Christian faith. It was not one God they swore fealty to, but instead an entire pantheon. Their use of myth and storytelling to showcase their divine pantheon stems not from

a place of holy magic, but instead is found in the practical world. Their numerous gods and goddesses reflect the natural world rather than a single, omnipotent presence. Passed through word of mouth, written in stone, and taken to page before being translated into hundreds of different languages, these mythical tales are truly held in the utmost respect to be preserved so thoroughly. They solidify the nature, the culture, and the faith of lives in centuries past, and are covered in depth within the pages of this book.

Norse Mythology

In this audio book, *Norse Mythology: A Concise Guide to the Gods, Heroes, Sagas, Rituals, and Beliefs of Norse Mythology*, the listener will be transported to the ancient customs of beliefs of the ancient Vikings of the north. This audiobook is dedicated to exploring the gods and goddesses that the Nordic people worshiped. You will discover: A description and explanation of the Norse mythological gods and goddesses, and which tribe the gods mentioned belonged to An introduction to the Nordic pagan belief systems, and the multifaceted ways in which their religious practices were incorporated into their daily lives Popular Nordic sagas, a description of what sagas were, and examples of the most important sagas within the Norse culture An explanation of the most revered Norse rituals and celebrations, and how their beliefs left their impression on religious practices that are still held by Christianity today The Nordic people had many heroes of myth and legend, and you will be introduced to both stories of myth and living, breathing Viking heroes that were revered. Norse mythology is intricate and complex, and the ideals behind their mythological beliefs were often intertwined with real life events. This audiobook will examine how both myth and fact contributed to the culture and traditions of the Nordic people, and how these influences and stories continue to live on throughout the centuries!

Historical Dictionary of Shamanism

A remarkable array of people have been called shamans, while the phenomena identified as shamanism continues to proliferate. This second edition of the *Historical Dictionary of Shamanism* contains with examples from antiquity up to today, and from Siberia (where the term “shaman” originated) to Amazonia, South Africa, Chicago and many other places. Many claims about shamans and shamanism are contentious and all are worthy of discussion. In the most widespread understandings, terms seem to refer particularly to people who alter states of consciousness or enter trances in order to seek knowledge and help from powerful other-than-human persons, perhaps “spirits”. But this says only a little about the artists, community leaders, spiritual healers or hucksters, travelers in alternative realities and so on to which the label “shaman” has been applied. This second edition contains a chronology, an introduction, and extensive bibliography. The dictionary contains over 500 cross-referenced dictionary entries on individuals, groups, practices and cultures that have been called “shamanic”. This book is an excellent access point for students, researchers, and anyone wanting to know more about Shamanism.

More than Mythology

Written by distinguished scholars from multiple perspectives, this account widens the interpretative scope on religious life among the pre-Christian Scandinavian people. The religion of the Viking Age is conventionally identified through its mythology: the ambiguous character Odin, the forceful Thor, and the end of the world approaching in Ragnarök. However, pre-Christian religion consisted of so much more than mythic imagery and legends and has long lingered in folk tradition. Exploring the religion of the North through an interdisciplinary approach, the book sheds new light on a number of topics, including rituals, gender relations, social hierarchies, and interregional contacts between the Nordic tradition and the Sami and Finnish regions.

Encyclopedia of Giants and Humanoids in Myth, Legend and Folklore

Every culture has in its folklore and mythology beings of immense size and strength, as well as other preternatural humanoids great or small who walk among us, serving the divine or fulfilling their own agendas. This book catalogs the lore and legends of more than 1,000 different humanoid species and individual beings, including the Titans, Valkyries, Jotnar, yMkai, biblical giants, elves, ogres, trolls and many more.

Norse, Celtic Mythology & Runes

The Norse God Odin was a relentless seeker of knowledge and wisdom, willing to sacrifice almost anything for this pursuit. Odin's hunger for wisdom is evident in many of the stories that involve him, and I invite you to share his willingness to let go of your reality and jump into the mysterious worlds of Norse & Celtic Mythology and Runes. Included in this Captivating 3 Book Collection are: Runes: A Guide To The Magic, Meanings, Spells, Divination & Rituals Of Runes Celtic Mythology: Dive Into The Depths Of Ancient Celtic Folklore, The Myths, Legends & Tales of The Gods, Goddesses, Warriors, Monsters, Magic & More Norse Mythology: Explore The Timeless Tales Of Norse Folklore, The Myths, History, Sagas & Legends of The Gods, Immortals, Magical Creatures, Vikings & More Norse & Celtic Mythology present a rich collection of stories. Through the ages they have inspired poets, authors, and songwriters alike with their ancient heritage of sagas, myths, legends, and battles. Movies and television series about their way of life have surged in popularity. What makes it so fascinating is not the stories in themselves, although some are truly a feast to the eyes, but how they came to be and what they mean for the people that live by them. Let's drink from the well of knowledge and jump into a realm of wonder, where nothing is as it seems! By the end of this book, you will be familiar with both Norse & Celtic Mythology. Inside you will find heroic stories, myths, legends and epic tales of love and betrayal. You'll discover who they were, how they lived and how they influenced the modern world. And, of course, you'll know more about your favorite Gods & Goddesses, such as how Thor got his famous hammer, Dagda Supreme God of The Celts and many more Also in this book you will find, Runes: A Guide To The Magic, Meanings, Spells, Divination & Rituals Of Runes Runes are, in fact, real artifacts - stones with runic inscriptions. They have both factual and mythological roots. From German tribes, to Vikings and to New Agers, Runes have played a powerful part in history. Inside we will unravel the mystery of Runes to examine significant facts and history that provide us with a better understanding of them and how they can enhance your life. All This & Much More Including: Celts Beliefs, Ways of Worship & Rituals Discover The Vikings - Facts & Myths History & Origins of Early Rune Inscriptions How Nature & Her Sacred Creatures Have Shaped Celtic Culture Thor The God of Thunder & The Story of How He Got His Hammer The 24 different runes that you can use to discover your future and how you can change it Celtic Gods & Goddesses - including Dagda - Supreme God of The Celts, Lug - The God of Justice & Many More Ragnarok - All You Need to Know About the End of the World The Legendary Origins of Merlin the Magician (Made Famous By Disney) Rune Spell casting and divining And much, much more... Open a door to another world.... a world of adventure, heroism, romance and mystery. Norse, Celtic Mythology & Runes your calling has been answered with this book.

Witchcraft and Magic in the Nordic Middle Ages

Stephen A. Mitchell here offers the fullest examination available of witchcraft in late medieval Scandinavia. He focuses on those people believed to be able—and who in some instances thought themselves able—to manipulate the world around them through magical practices, and on the responses to these beliefs in the legal, literary, and popular cultures of the Nordic Middle Ages. His sources range from the Icelandic sagas to cultural monuments much less familiar to the nonspecialist, including legal cases, church art, law codes, ecclesiastical records, and runic spells. Mitchell's starting point is the year 1100, by which time Christianity was well established in elite circles throughout Scandinavia, even as some pre-Christian practices and beliefs persisted in various forms. The book's endpoint coincides with the coming of the Reformation and the onset of the early modern Scandinavian witch hunts. The terrain covered is complex, home to the Germanic Scandinavians as well as their non-Indo-European neighbors, the Sámi and Finns, and it encompasses such diverse areas as the important trade cities of Copenhagen, Bergen, and Stockholm, with their large foreign populations; the rural hinterlands; and the insular outposts of Iceland and Greenland. By examining witches, wizards, and seeresses in literature, lore, and law, as well as surviving charm magic directed toward love, prophecy, health, and weather,

Mitchell provides a portrait of both the practitioners of medieval Nordic magic and its performance. With an understanding of mythology as a living system of cultural signs (not just ancient sacred narratives), this study also focuses on such powerful evolving myths as those of "the milk-stealing witch," the diabolical pact, and the witches' journey to Blåkulla. Court cases involving witchcraft, charm magic, and apostasy demonstrate that witchcraft ideologies played a key role in conceptualizing gender and were themselves an important means of exercising social control.

The Routledge Research Companion to the Medieval Icelandic Sagas

The last fifty years have seen a significant change in the focus of saga studies, from a preoccupation with origins and development to a renewed interest in other topics, such as the nature of the sagas and their value as sources to medieval ideologies and mentalities. The Routledge Research Companion to the Medieval Icelandic Sagas presents a detailed interdisciplinary examination of saga scholarship over the last fifty years, sometimes juxtaposing it with earlier views and examining the sagas both as works of art and as source materials. This volume will be of interest to Old Norse and medieval Scandinavian scholars and accessible to medievalists in general.

Norse Magic and Runes

Are you in love with the Norse culture and want to learn the secrets of the runes? Have you ever wondered if Norse magic and religion would resonate with you? Doors of Valhalla: An Esoteric Interpretation of Norse Myth

Imagine yourself at the World Tree, Yggdrasil. You sit on one of its gigantic roots. Urd's Well is in sight and maybe you can see the Norns, the weavers of fate. The colours of a Rainbow touch the Well's shore. Your eyes follow the colours of the Bifrost Bridge high into the sky. Twelve specks of white light appear. Do you see the Aesir? Doors of Valhalla presents an exegesis of Voluspa, Havamal, and Lokasenna. The Voluspa poem is looked at from a contemporary esoteric perspective but particularly discusses the evolution of consciousness. Havamal is interpreted from a cultic perspective. The Gunnlod story and its initiatory implications, such as soul contact, are especially treated. Lokasenna outlines the Norse gods and goddesses as archetypes. The theoretical content is intertwined with practical hints. Chapter 2 features an exercise to contact a water spirit for Spa divination. Chapter 5 develops the creation of magical thought-forms. Chapter 6 describes a genuine Seidr trance technique. Chapter 7 includes hints on ceremonial magic. Last but not least, chapter 11 details how to work with god archetypes."

Shamanism in Norse Myth and Magic

" ... presents the main features of Siberian shamanism, as they are relevant for comparison with Norse sources, and examines the Norse texts in detail to determine how far it is reasonable to assign a label of "shamanism" to the human and divine magical practices of pre-Christian Scandinavia, whose existence, it is argued, in many cases resides mainly in the imaginative tradition of the poets." -- Back cover.

Shamanism in Norse myth and magic

" ... presents the main features of Siberian shamanism, as they are relevant for comparison with Norse sources, and examines the Norse texts in detail to determine how far it is reasonable to assign a label of "shamanism" to the human and divine magical practices of pre-Christian Scandinavia, whose existence, it is argued, in many cases resides mainly in the imaginative tradition of the poets."--Back cover.

Norse Goddess Magic

A practical guide to the magic of the feminine side of the Norse pantheon • Provides invocations and rituals to call each goddess forth for personal and group spirit work • Details the author's trancework to discover the personalities and powers of Frigg the Allmother, wife of Odin, and the 12 lesser-known Aesir goddesses associated with her • Offers a comprehensive guide to tranceworking to connect with the deities Combining traditional research on folklore and the Eddas with trancework and meditation techniques, Alice Karlsdóttir was able to rediscover the feminine side of the Norse pantheon and assemble working knowledge of 13 Norse goddesses for both group ritual and personal spirit work.

Detailing her trancework journeys to connect with the goddesses, the author reveals the long-lost personalities and powers of each deity. She explores the Norse goddess Frigg the Allmother, wife of Odin, along with the 12 Asynjur, or Aesir goddesses, associated with her, such as Sjöfn the peacemaker, Eir the Healer, and Vor the Wisewoman. She shares their appearances in the Eddas and Germanic mythology and explains the meanings of their names, their relationships to each other, and their connections to the roles of women in Old Norse society. She provides detailed instructions for invocations and rituals to call each goddess forth for personal and group spirit work. She also offers a comprehensive guide to ritual tranceworking to allow anyone to directly experience deities and spiritual beings and develop spirit-work relationships with them.

Shamanism in Norse Myth and Magic

Baldr's Magic

A guide to using ecstatic trance to connect with your ancestors, rediscover your extrasensory powers, and reclaim the peaceful nature of humanity • Illustrates ecstatic trance postures to connect with the ancient Nordic people, to journey to exact points in time, and to access powers such as seeing into our future • Explains how the coming new age of peace and veneration for Mother Earth was predicted in Norse mythology as the rebirth of the compassionate god Baldr • Expands on the stories of the early Nordic gods and goddesses from the Prose Edda and the Poetic Edda Connecting Norse mythology, ecstatic trance, the Universal Mind, and the dawn of a new age of peace and veneration for Mother Earth, Nicholas Brink reveals how we can use ecstatic and hypnotic trance to learn more directly and deeply from our distant ancestors, rediscover our extrasensory powers, and reclaim the original magical nature of humanity. The imminent rebirth of a peaceful, balanced, connected world was predicted in Norse mythology as the return of Baldr, the gentle and compassionate Nordic god of truth, healing, and rune work. Illustrating ecstatic trance postures to connect with the ancient Nordic people and their beliefs, to journey to exact points in time, and to access specific powers, such as seeing into our future, Brink explores humanity's evolving cycle of consciousness from the era when the Great Mother goddess was the center of life through the transition to the worship of power and physical strength in the Bronze Age and the world of the Vikings. He explores the coming return of Baldr and the imminent new age of peace and respect for the earth. Through hypnotic divination, the author expands the stories of the early Nordic gods and goddesses from the Prose Edda and the Poetic Edda, in particular the fertility deities of the Vanir, such as Freyr, Freyja, and Idunn, who came before the warrior deities of the Æsir, such as Odin, Thor, and Loki. He details the epic battle of Ragnarök and the birth, life, death, and rebirth of Baldr. Brink shows how these ancient stories happen outside of time, in the past, present, and future, thus Baldr's return is replayed in our death-rebirth experiences of life, in each dawn, with each spring, and now with the birth of a new age that we see happening all around us. Through the power of trance at this time of rebirth, we move full circle to reclaim the magic of the earliest times, the times of the Garden of Idunn.

Norse Shamanism

Learn everything you need to know about Norse Shamanism Have you ever wondered about Norse Shamanism? Do you have questions about the beliefs of the Vikings, well-known for their long voyages, pillaging, and plundering? Are you craving more information than you get from the very few books written on Norse culture? Want to learn more details about these people's ancient practices and beliefs? Then this book is for you. It is a lofty attempt to fill that gap by exploring their mythology regarding Shamanism and their cosmological view compared with today's modern practices. If you are interested in learning about the spirit world through the eyes of the Norse and other cultures, then this book is for you. In this book, you'll: Learn what Norse shamanism is all about Discover how the Viking people practiced their religion Discover what gods and goddesses were instructive in their practice Understand how they viewed the universe and its inhabitants Learn how they viewed death, the afterlife, and reincarnation Discover the nine worlds and their significance in Shamanism Master how to travel through realms beyond the physical Master how to use shamanic tools as a way of healing yourself

and others Learn how to protect yourself when practicing this craft The ancient Norse people had many beliefs and practices that scholars and historians have not fully explored. In this book, you'll get to explore these unique views on the spirit world and learn how the Vikings applied them in their everyday lives. It is a great read for anyone interested in Norse mythology, Shamanism, and its practice in the physical world.

Norse Magic & Runes: A Guide To The Magic, Rituals, Spells & Meanings of Norse Magick, Mythology & Reading The Elder Futhark Runes

A snowy wind moves through the mountains encircling Arne and his son. But the winds will not reach them here, under the watchful eyes of their Gods... Welcome to The World of Norse Magic & Runes Let us take you back in time. When the Norse people lived in an enchanted and sacred world. A time famously shrouded in mystery, magic, sorcery and witchcraft. It was Odin himself, the wisest God who unlocked the universe's most powerful magic. He discovered the Runic alphabet as part of his trial, in which he hung from Yggdrasil, the World Tree, for nine days. Nowadays, Runes & Norse Magic are used as a method of connecting to one's higher self. Or as a way of foretelling what the future may hold. Now don't worry because you don't have to be of Norse ancestry to use them. However you'll have a far better understanding of them, history, mythology, meanings and more through reading this book. Inside you will discover: Stunningly Elaborate Mythologies, Stories & Folktales The Nine Realms of Norse Cosmology Old Norse Magic, Including The Magic Arts of: Seiðr, Spá and Galdr The Source of Norse Mythology, The Poetic Edda or 'Royal Book'. Runes, Symbols, Divination, Sacred Numbers, Casting, Elder Futhark & The Powers They Wield Gods & Realms - Including Loki, Odin, Thor God of Thunder & More Virtues and Values From The Vikings - Honor, Courage, Trust & More And much, much more... Whether you are simply hungry for the history and mythology of the Norse, or you are beginning to master the magic arts, then you will receive valuable information from this precious book. So without any further ado, Read This Book

The Norse Shaman

An experiential guide to the wisdom preserved in Europe's far north • Includes shamanic journeys to connect with deities and your ancestral shamans • Provides step-by-step instructions to prepare for and conduct a seiðr ceremony • Draws on archaeological evidence and surviving written records from Iceland • Reveals the long tradition of female shamans in northern European shamanism Shamanism is humanity's oldest spiritual tradition. In much of the Western world, the indigenous pre-Christian spiritual practices have been lost. Yet at the northern fringes of Europe, Christianity did not displace the original shamanic practices until the end of the Viking age. Remnants of Norse shamanic spirituality have survived in myths, folk traditions, and written records from Iceland, providing many clues about the ancient European shaman's world, especially when examined in conjunction with other shamanic cultures in northern Eurasia, such as the Sami and the tribes of Siberia. Reconstructing the shamanic practices of the hunter-gatherers of Scandinavia, Evelyn Rysdyk explores the evolution of Norse shamanism from its earliest female roots to the pre-Christian Viking Age. She explains how to enter Yggdrasil, the World Tree, to travel to other realms and provides shamanic journeys to connect with the ancestral shamans of your family tree, including the Norse goddess Freyja, the very first shaman. She offers exercises to connect with the ancient goddesses of fate, the Norns, and introduces the overnight wilderness quest of útisetá for reconnecting with the powers of nature. She explains the key concepts of Ørlög and Wyrð--the two most powerful forces that shape human lives--and provides exercises for letting go of harmful behavior patterns and transforming simple knowledge into profound wisdom by connecting with Óðinn. Thoroughly examining the shamanic rituals of seiðr, the oracular magic of the Nordic cultures, the author provides step-by-step instructions to prepare for and conduct a seiðr ceremony, including creating your own seiðr staff and hood, and explores the ancestral use of shamanic songs or varðlokur to accompany the ceremony. Woven throughout these exercises, Rysdyk provides archaeological evidence from Neolithic sites supporting the long tradition of venerating wise women, grandmothers, and mothers in ancient cultures and the important role of female shamans at the heart of northern European shamanism. Providing an accessible guide for anyone trying to fulfill their shamanic callings, these powerful rituals can provide personal healing and a clear path for finding our way into a harmonious relationship with the natural world.

Nine Worlds of Seid-Magic

This accessible study of Northern European shamanistic practice, or seidr, explores the way in which the ancient Norse belief systems evoked in the Icelandic Sagas and Eddas have been rediscovered and reinvented by groups in Europe and North America. The book examines the phenomenon of altered consciousness and the interactions of seidr-workers or shamanic practitioners with their spirit worlds. Written by a follower of seidr, it investigates new communities involved in a postmodern quest for spiritual meaning.

Shamanism in Norse Myth and Magic

"... presents the main features of Siberian shamanism, as they are relevant for comparison with Norse sources, and examines the Norse texts in detail to determine how far it is reasonable to assign a label of "shamanism" to the human and divine magical practices of pre-Christian Scandinavia, whose existence, it is argued, in many cases resides mainly in the imaginative tradition of the poets." -- Back cover.

Encyclopedia of Norse and Germanic Folklore, Mythology, and Magic

A thorough reference to the many deities, magical beings, mythical places, and ancient customs of the Norse and Germanic regions of Europe • Explores the legends and origins of well-known gods and figures such as Odin, Thor, Krampus, and the Valkyries, as well as a broad range of magical beings such as the Elf King, the Lorelei, the Perchten, dwarves, trolls, and giants • Draws upon a wealth of well-known and rare sources, such as the Poetic Edda and The Deeds of the Danes by Saxo Grammaticus • Examines folktales, myths, and magical beliefs from Germany, Austria, Switzerland, Denmark, Finland, Sweden, Norway, Iceland, and England The legends of the Norse and Germanic regions of Europe--spanning from Germany and Austria across Scandinavia to Iceland and England--include a broad range of mythical characters and places, from Odin and Thor, to berserkers and Valhalla, to the Valkyries and Krampus. In this encyclopedia, Claude Lecouteux explores the origins, connections, and tales behind many gods, goddesses, magical beings, rituals, folk customs, and mythical places of Norse and Germanic tradition. More than a reference to the Aesir and the Vanir pantheons, this encyclopedia draws upon a wealth of well-known and rare sources, such as the Poetic Edda, the Saga of Ynglingar by Snorri Sturluson, and The Deeds of the Danes by Saxo Grammaticus. Beyond the famous and infamous Norse gods and goddesses, Lecouteux also provides information on lesser-known figures from ancient Germanic pagan tradition such as the Elf King, the Lorelei, the Perchten, land spirits, fairies, dwarves, trolls, goblins, bogeymen, giants, and many other beings who roam the wild, as well as lengthy articles on well-known figures and events such as Siegfried (Sigurd in Norse) and Ragnarök. The author describes the worship of the elements and trees, details many magical rituals, and shares wild folktales from ancient Europe, such as the strange adventure of Peter Schlemihl and the tale of the Cursed Huntsman. He also dispels the false beliefs that have arisen from the Nazi hijacking of Germanic mythology and from its longtime suppression by Christianity. Complete with rare illustrations and information from obscure sources appearing for the first time in English, this detailed reference work represents an excellent resource for scholars and those seeking to reconnect to their pagan pasts and restore the old religion.

Norse Magic

Elves and dwarves, gnomes and frost giants...Norse mythology is filled with tales of such supernatural beings, nature spirits, and powerful deities. Many people know that the Norse people were fierce warriors, but did you know that they were powerful magicians as well? Norse Magic has everything you need to learn in order to begin practicing Norse spirituality. Discover the history and religion of the Vikings, including Norse mythology, seasonal festivals, and magical techniques. If you are interested in practicing Norse Wicca, you'll learn about the three-fold goddess and the god, as well as how to celebrate the holidays, all from the perspective of Norse Paganism. Discover the secrets of herb magic, cauldron magic, cord magic, elf magic, dwarf magic, and more. These magical techniques are presented in a clear, step-by-step format. The practice of Norse magic enlists the help of the Asa-Gods, Light Elves and good Dwarves. It elicits aid from dead ancestors and the rulers of the Elements. It is an active magic, reserved for participants, not bystanders. In order to work the magic of this system you must attune yourself to the powers of the Elements, calling upon the Asa-Gods and other supernatural beings. Norse Magic includes complete instructions, exercises, and rituals for this technique. The Norse Pagans were one of the last European societies to convert to Christianity, but their Pagan mythology

and magic survived and continues to thrive. Norse Magic is your key to the study and practice of this powerful and ancient spiritual system.

The Book of Norse Magic

Discover the secrets of the Norse people and their magical practices to manifest an enchanted life. Embark on a sacred journey into the marvellous and mystical world of Norse magic, with Wiccan medieval scholar Cerridwen Greenleaf as your guide. Gain insight into the wonders of runes, including the art of divination, spells for protection and how to imbue treasured objects with your personal magic. Learn about Norse mythology, including the stories of the major gods and goddesses and how to call upon them for support and wisdom. Discover the basics of tree magic, such as the legend of Yggdrasil, the tree of life, and how to read omens in nature to avoid misfortune. With Cerridwen Greenleaf's vast knowledge of medieval studies, The Book of Norse Magic is an eminently useful and inspirational handbook on harnessing this ancient power for modern life to bring wellness, calm, love, money and luck.

Finnish Magic

Shamanism is the oldest form of spirituality and magic on earth. In Finland, shamanism is the source of their system of magick. Now you can learn their system in Finnish Magic by Robert Nelson, Ph.D. In this book you will discover the ancient national epic of Finland known as the Kalevala. This book involves the search for magical power and is "the single greatest influence on the formation and definition of modern Finland" according to the author. Finnish Magic describes the ancient Finnish beliefs about deities and spirits. You'll learn about the primary Finnish deity, Jumala, and how the Finns also adopted some of the Norse deities. Also described is the notion that everything has a spirit, followed by a discussion of how those spirits are different from each other. Next, Finnish Magic goes into the methods of shamanism and Finnish magic. This is one of the best explanations of shamanic practices ever published. You will learn about the nature of the shamanic trance and the steps you need to follow: - How to go enter a trance - How to begin your shamanic trance journey - How to contact your guides - What to do when you contact your guides - What your guides will do and how to follow them - How to return from your journey - How to leave the trance All of these are guidelines. Dr. Nelson reveals that the key to Finnish magic is contained in three words: "Do what works." You will learn how to add spontaneity to your rituals. You will also learn about using drums, song, and dance to make your magic work. Other topics include shapeshifting, the runes, charms, talismans, amulets, the Finnish festivals of the year and how they are celebrated, how to honor ancestors, and much more. If you are interested in shamanism, in Finland, or just ways to enhance your magical abilities, this book must be one you study.

Northern Shaman

If you're ready to gain unquantifiable insight into the nature of the world and your soul - then look no further. Don't waste another minute, scroll up and hit "BUY NOW" to get started today!

Germanic Magic

The three parts of the book are separated fields and deal with different facets of the runes. Part 1 gives, among other things, a fair summarizing historical overview, whereby corresponding finds and their possible interpretations are not left out. Part 2 offers many passages in related mythology and the Norse sagas where runes occur, the corresponding quotes are included. These two parts form an important foundation for the third part, which deals with the use of runes in modern magical-practical usage. After decades of study of various western streams and schools of magic and a thorough study of the runes, the author has managed to combine both. The result is a unique modern rune magic, which is presented in the third part of the book.

The Witch

This book sets the notorious European witch trials in the widest and deepest possible perspective and traces the major historiographical developments of witchcraft

Odin

"Paxson provides songs, rituals, magical exercises, and practical advice to help you develop your own personal relationship with the Lord of Runes." —Judika Illes, author of *Encyclopedia of 5,000 Spells*
Odin is arguably one of the most enigmatic and complex characters in Norse mythology. Revered since the Viking Age, Odin has been called the greatest of the gods—the god of words and wisdom, runes and magic, a transformer of consciousness, and a trickster who teaches truth. He is both war god and poetry god, and he is the Lord of Ravens, the All-Father, and the rune master. *Odin: Ecstasy, Runes, and Norse Magic* is the first book on Odin that is both historically sourced and accessible to a general audience. It explores Odin's origins, his appearances in sagas, old magic spells, and the Poetic Edda, and his influence on modern media, such as Tolkien's *Lord of the Rings* trilogy. Each chapter features suggestions for rituals, exercises, and music, so readers can comprehend and become closer to this complicated god. Author Diana Paxson, an expert on Viking-era mythology, provides a complete portrait of Odin and draws on both scholarship and experience to provide context, resources, and guidance for those who are drawn to work with the Master of Ecstasy today. "This remarkable book is at times ribald and reverent, worldwise and innocent, pragmatic and idealistic, as needed to masterfully show the ways of a very complex God." —Ivo Domiguez, Jr, author of *Keys to Perception*

Cultural Legacies of Old Norse Literature

The cultural and literary legacy of medieval Iceland, with its roots in Norse heathen religion, heroic literature, and Viking Age history, is the focus of this volume. Its chapters examine the history and reception of a particular text or topic within this remarkable tradition. They treat a number of topics, including the legendary dragon-slayer Sigurd, the many personas of the mysterious god Odin, aspects of the ancient mythology of gods and giants, the early settlement of Iceland, the defiant Viking warriors known as the "Sworn Brothers"

As you journey through this book collection, we will help you peel back the layers of history that surround these fascinating stories to take a peek at the myths, beliefs, customs, and traditions as they actually were.

The Norse Sorceress

Old Norse literature abounds with descriptions of magic acts that allow ritual specialists of various kinds to manipulate the world around them, see into the future or the distant past, change weather conditions, influence the outcomes of battles, and more. While magic practitioners are known under myriad terms, the most iconic of them is the *völva*. As the central figure of the famous mythological poem *Völuspá* (The Prophecy of the *Völva*), the *völva* commands both respect and fear. In non-mythological texts similar women are portrayed as crucial albeit somewhat peculiar members of society. Always veiled in mystery, the *völur* and their kind have captured the academic and popular imagination for centuries. Bringing together scholars from various disciplinary backgrounds, this volume aims to provide new insights into the reality of magic and its agents in the Viking world, beyond the pages of medieval texts. It explores new trajectories for the study of past mentalities, beliefs, and rituals as well as the tools employed in these practices and the individuals who wielded them. In doing so, the volume engages with several topical issues of Viking Age research, including the complex entanglements of mind and materiality, the cultural attitudes to animals and the natural world, and the cultural constructions of gender and sexuality. By addressing these complex themes, it offers a nuanced image of the *völva* and related magic workers in their cultural context. The volume is intended for a broad, diverse, and international audience, including experts in the field of Viking and Old Norse studies but also various non-professional history enthusiasts. The Norse Sorceress: Mind and Materiality in the Viking World is a key output of the project *Tanken bag Tingene* (Thoughts behind Things) conducted at the National Museum of Denmark from 2020 to 2023 and funded by the Krogager Foundation.

Myth, Magic, and Memory in Early Scandinavian Narrative Culture

In this volume, several neighbouring disciplines, such as memory studies, literature, folklore studies, history of religion, medieval history, archaeology, oral history, and Old Norse studies intersect. The articles deal with similar questions and present illustrative case studies. Old Norse poems are analysed with regard to their mythological content; folktales, folklore, and other cultural phenomena are discussed with special foci on remembrance of the supernatural, witches, trolls, and others. One of the recurring questions is how we remember the past and how the past is created in memory. Myth, magic, and memory have together formed important, and often intertwined, elements to recent studies in the narrative culture of Viking-Age and Medieval Scandinavia. Analytical approaches to myth (prominent in the fields of history of religion, archaeology, language, and literature, and central to studies of visual cultures up to modern times), magic (drawing on a wealth of Norse folkloric and supernatural material that derives from pre-modern times and continues to impact on recent practices of performance and ritual), and memory (the concept of how we remember and actively construe the past) together combine to shed light on how people perceived the world around them. Taking the intersection between these diverse fields as its starting point, this volume draws together contributions from across a variety of disciplines to offer new insights into the importance of myth, magic, and memory in pre-modern Scandinavia. Covering a range of related topics, from supernatural beings to the importance of

mythology in later national historiographies, the chapters gathered here are written to honour the work of Stephen A. Mitchell, professor of Scandinavian Studies and Folklore at Harvard University, whose research has heavily influenced this multi-faceted field.

Old Norse Mythology

"This book treats from the perspective of the series "World mythologies in theory and in everyday life" the body of texts from medieval Scandinavia, mostly Iceland, usually known as "Norse mythology" or "Scandinavian mythology." Specifically, it constitutes a case study of a "literary or textual mythology," that is, a mythology from the past that we know only through written texts that have been left to us, augmented in a few cases by artifacts and images. This case is particularly interesting because the texts (with a tiny handful of enigmatic exceptions) were recorded centuries after the Nordic peoples had abandoned the religion associated with the mythology and converted to Christianity. The mythology lived on without direct connection to ritual activity or religious conviction. Drawing both on sources from before the conversion and on comparative analysis, it is certainly possible to reach informed inferences about the mythology before the conversion to Christianity—that is, when it existed as part of the pre-Christian religion of the Nordic peoples and their successors. From the perspective of the mythologies of the world, what is perhaps most important about these inferences is that this pre-Christian mythology was not a canonical mythology, since it almost certainly lacked a canon of sacred texts such as one finds in the great world religions of today. The focus of the book is not the mythology in and of itself, as would be true of a handbook, but rather how particular historical and intellectual circumstances formed conceptions about it."--

Cycles of Norse Mythology

These stories are old, old as the Behmer Wold and seldom in life has there been such a brewing... Cycles of Norse Mythology captures the passion, cruelty, and heroism of an ancient world. Encompassing Odin's relentless pursuit of wisdom across the nine worlds, Gullveig's malicious death at the hands of the Æsir that sparks a brutal war with the Vanir, Thor's battles against the giants of Jotunheim, the tragedy of Volund, the many devious machinations of Loki, and the inescapable events of Ragnarök, this lyrical re-imagining of the Norse myths presents the gripping adventures of the Norse gods and their foes in a style to delight modern readers of all ages. A detailed glossary provides a quick reference to the meaning behind names and terms used in the book. A Source Reference is included for persons who want to delve deeper into the study of Norse mythology.

Ballads of the North, Medieval to Modern

This volume is intended as a belated but heartfelt thank-you and Gedenkschrift to the late Larry Syndergaard (1936-2015), long-time professor of English at Western Michigan University and Fellow of the Kommission für Volksdichtung (International Ballad Commission). Larry's contributions down the decades to ballad studies--particularly Scandinavian and Anglophone--included dozens of papers and articles, as well as his supremely useful book, *English Translations of the Scandinavian Medieval Ballads*. As David Atkinson and Thomas A. McKean of the Kommission have written (May 2015): "Larry... was a sound scholar with a penetrating mind which he used to support, encourage and befriend others, rather than show off his own knowledge. He will be remembered for his contributions to international balladry, especially for providing a bridge between the English- and Scandinavian-language ballads." Larry's particular fascination with the vernacular ballads of the northern medieval world are reflected in this collection; topics here range from plot elements such as demonic whales, otherworldly antagonists, and mer-people to thematic issues of genre, religion and sexual mores. As a tribute to the global influence of Larry's scholarship and the broad academic interest in medieval ballads, the essays in this volume were contributed by twelve international scholars of narrative song based in Europe, North America and Australia.

Norse Mythology

In the age of Vikings, many citizens of what is now known as Norway, Denmark, and Sweden left their native soil to journey the world in search of riches. Riding the tumultuous waves of the sea, the adventurers would come to be known as raiders, pirates, traders, and settlers across the European nations and islands. This is around the time it was discovered that, to the surprise of those the Vikings bombarded, they did not belong to a Christian faith. It was not one God they swore fealty to, but instead an entire pantheon. Their use of myth and storytelling to showcase their divine pantheon stems not from

a place of holy magic, but instead is found in the practical world. Their numerous gods and goddesses reflect the natural world rather than a single, omnipotent presence. Passed through word of mouth, written in stone, and taken to page before being translated into hundreds of different languages, these mythical tales are truly held in the utmost respect to be preserved so thoroughly. They solidify the nature, the culture, and the faith of lives in centuries past, and are covered in depth within the pages of this book.

Norse Mythology

In this audio book, *Norse Mythology: A Concise Guide to the Gods, Heroes, Sagas, Rituals, and Beliefs of Norse Mythology*, the listener will be transported to the ancient customs of beliefs of the ancient Vikings of the north. This audiobook is dedicated to exploring the gods and goddesses that the Nordic people worshiped. You will discover: A description and explanation of the Norse mythological gods and goddesses, and which tribe the gods mentioned belonged to An introduction to the Nordic pagan belief systems, and the multifaceted ways in which their religious practices were incorporated into their daily lives Popular Nordic sagas, a description of what sagas were, and examples of the most important sagas within the Norse culture An explanation of the most revered Norse rituals and celebrations, and how their beliefs left their impression on religious practices that are still held by Christianity today The Nordic people had many heroes of myth and legend, and you will be introduced to both stories of myth and living, breathing Viking heroes that were revered. Norse mythology is intricate and complex, and the ideals behind their mythological beliefs were often intertwined with real life events. This audiobook will examine how both myth and fact contributed to the culture and traditions of the Nordic people, and how these influences and stories continue to live on throughout the centuries!

Historical Dictionary of Shamanism

A remarkable array of people have been called shamans, while the phenomena identified as shamanism continues to proliferate. This second edition of the *Historical Dictionary of Shamanism* contains with examples from antiquity up to today, and from Siberia (where the term “shaman” originated) to Amazonia, South Africa, Chicago and many other places. Many claims about shamans and shamanism are contentious and all are worthy of discussion. In the most widespread understandings, terms seem to refer particularly to people who alter states of consciousness or enter trances in order to seek knowledge and help from powerful other-than-human persons, perhaps “spirits”. But this says only a little about the artists, community leaders, spiritual healers or hucksters, travelers in alternative realities and so on to which the label “shaman” has been applied. This second edition contains a chronology, an introduction, and extensive bibliography. The dictionary contains over 500 cross-referenced dictionary entries on individuals, groups, practices and cultures that have been called “shamanic”. This book is an excellent access point for students, researchers, and anyone wanting to know more about Shamanism.

More than Mythology

Written by distinguished scholars from multiple perspectives, this account widens the interpretative scope on religious life among the pre-Christian Scandinavian people. The religion of the Viking Age is conventionally identified through its mythology: the ambiguous character Odin, the forceful Thor, and the end of the world approaching in Ragnarök. However, pre-Christian religion consisted of so much more than mythic imagery and legends and has long lingered in folk tradition. Exploring the religion of the North through an interdisciplinary approach, the book sheds new light on a number of topics, including rituals, gender relations, social hierarchies, and interregional contacts between the Nordic tradition and the Sami and Finnish regions.

Encyclopedia of Giants and Humanoids in Myth, Legend and Folklore

Every culture has in its folklore and mythology beings of immense size and strength, as well as other preternatural humanoids great or small who walk among us, serving the divine or fulfilling their own agendas. This book catalogs the lore and legends of more than 1,000 different humanoid species and individual beings, including the Titans, Valkyries, Jotnar, yMkai, biblical giants, elves, ogres, trolls and many more.

Let's drink from the well of knowledge and jump into a realm of wonder, where nothing is as it seems! By the end of this book, you will be familiar with both Norse & Celtic Mythology. Inside you will find heroic stories, myths, legends and epic tales of love and betrayal. You'll discover who they were, how they lived and how they influenced the modern world. And, of course, you'll know more about your favorite Gods & Goddesses, such as how Thor got his famous hammer, Dagda Supreme God of The Celts and many more Also in this book you will find, Runes: A Guide To The Magic, Meanings, Spells, Divination & Rituals Of Runes Runes are, in fact, real artifacts - stones with runic inscriptions. They have both factual and mythological roots. From German tribes, to Vikings and to New Agers, Runes have played a powerful part in history. Inside we will unravel the mystery of Runes to examine significant facts and history that provide us with a better understanding of them and how they can enhance your life. All This & Much More Including: Celts Beliefs, Ways of Worship & Rituals Discover The Vikings - Facts & Myths History & Origins of Early Rune Inscriptions How Nature & Her Sacred Creatures Have Shaped Celtic Culture Thor The God of Thunder & The Story of How He Got His Hammer The 24 different runes that you can use to discover your future and how you can change it Celtic Gods & Goddesses - including Dagda - Supreme God of The Celts, Lug - The God of Justice & Many More Ragnarok - All You Need to Know About the End of the World The Legendary Origins of Merlin the Magician (Made Famous By Disney) Rune Spell casting and divining And much, much more... Open a door to another world.... a world of adventure, heroism, romance and mystery. Norse, Celtic Mythology & Runes your calling has been answered with this book.

Witchcraft and Magic in the Nordic Middle Ages

Stephen A. Mitchell here offers the fullest examination available of witchcraft in late medieval Scandinavia. He focuses on those people believed to be able—and who in some instances thought themselves able—to manipulate the world around them through magical practices, and on the responses to these beliefs in the legal, literary, and popular cultures of the Nordic Middle Ages. His sources range from the Icelandic sagas to cultural monuments much less familiar to the nonspecialist, including legal cases, church art, law codes, ecclesiastical records, and runic spells. Mitchell's starting point is the year 1100, by which time Christianity was well established in elite circles throughout Scandinavia, even as some pre-Christian practices and beliefs persisted in various forms. The book's endpoint coincides with the coming of the Reformation and the onset of the early modern Scandinavian witch hunts. The terrain covered is complex, home to the Germanic Scandinavians as well as their non-Indo-European neighbors, the Sámi and Finns, and it encompasses such diverse areas as the important trade cities of Copenhagen, Bergen, and Stockholm, with their large foreign populations; the rural hinterlands; and the insular outposts of Iceland and Greenland. By examining witches, wizards, and seeresses in literature, lore, and law, as well as surviving charm magic directed toward love, prophecy, health, and weather,

Mitchell provides a portrait of both the practitioners of medieval Nordic magic and its performance. With an understanding of mythology as a living system of cultural signs (not just ancient sacred narratives), this study also focuses on such powerful evolving myths as those of "the milk-stealing witch," the diabolical pact, and the witches' journey to Blåkulla. Court cases involving witchcraft, charm magic, and apostasy demonstrate that witchcraft ideologies played a key role in conceptualizing gender and were themselves an important means of exercising social control.

The Routledge Research Companion to the Medieval Icelandic Sagas

The last fifty years have seen a significant change in the focus of saga studies, from a preoccupation with origins and development to a renewed interest in other topics, such as the nature of the sagas and their value as sources to medieval ideologies and mentalities. The Routledge Research Companion to the Medieval Icelandic Sagas presents a detailed interdisciplinary examination of saga scholarship over the last fifty years, sometimes juxtaposing it with earlier views and examining the sagas both as works of art and as source materials. This volume will be of interest to Old Norse and medieval Scandinavian scholars and accessible to medievalists in general.

Norse Magic and Runes

Are you in love with the Norse culture and want to learn the secrets of the runes? Have you ever wondered if Norse magic and religion would resonate with you? Are you fascinated by the mysterious world of Norse paganism? Don't look any further; this is the book you are looking for; welcome to The World of Norse Magic & Runes! Norse Paganism for Beginners

Runes are an incredible divination tool but can also be allies, advisers, used for protection, blessings and many other. They have been used in divination, for ceremonial purposes and writing since over 2000 years. The ancestral connection through the Runes is very strong and they can be a powerful addition to one's spiritual work. To understand the Runes and build a connection, a basic understanding of Norse Mythology, the gods and the values of the ancestors, is essential. This book builds on creating this basic understanding, the personality and character of each Rune and will also introduce basic systems of rune divination. This book is intended to help you build a connection to the Runes and to see if they build a connection with you in return. You will learn to work and care for your Runes, how to include them into your day to day life and use them as guides on your spiritual journey in this life. As the knowledge on the Runes is very comprehensive, this course will be give you the basis from which you can develop further. The book will also introduce easy systems of rune divination. Handouts will be provided. By the end of the course you will -have an understanding of the Runes, the gods and how to continue building a relationship with them. -built a connection to the Runes. -learnt how to work with and care for your Runes, how to include them into your daily life and use them as guides on your spiritual journey. -use the Runes for divination and to help you in your daily life. And more... What you will learn is that magic has always been around you, but until now, it has remained just out of reach. So, let me take you to the starting point of your voyage and give you the tools you need to cast off on your journey of enlightenment. The Elder Futhark and the magic of our ancestors is free to take, you just need to open your mind a little. Would you like to know more? Scroll up, hit the "buy now" button, and start this amazing journey

Doors of Valhalla: An Esoteric Interpretation of Norse Myth

Imagine yourself at the World Tree, Yggdrasil. You sit on one of its gigantic roots. Urd's Well is in sight and maybe you can see the Norns, the weavers of fate. The colours of a Rainbow touch the Well's shore. Your eyes follow the colours of the Bifrost Bridge high into the sky. Twelve specks of white light appear. Do you see the Aesir? Doors of Valhalla presents an exegesis of Voluspa, Havamal, and Lokasenna. The Voluspa poem is looked at from a contemporary esoteric perspective but particularly discusses the evolution of consciousness. Havamal is interpreted from a cultic perspective. The Gunnlod story and its initiatory implications, such as soul contact, are especially treated. Lokasenna outlines the Norse gods and goddesses as archetypes. The theoretical content is intertwined with practical hints. Chapter 2 features an exercise to contact a water spirit for Spa divination. Chapter 5 develops the creation of magical thought-forms. Chapter 6 describes a genuine Seidr trance technique. Chapter 7 includes hints on ceremonial magic. Last but not least, chapter 11 details how to work with god archetypes."

[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Rune Savage had heard the phrase "Love conquers all." When he's attacked by a madman, his body was littered with scars. He wasn't sure his mate, Carver, would be able to see past them. Fear had him lashing out and blaming everyone around him, including his mate for not protecting him. Carver Nash knew he and Rune had a long road ahead of them. Rune blamed him for what happened, but not as much as Carver blamed himself. Carver had let his mate down and he somehow had to prove to Rune he could trust Carver. First he had to get his mate to believe the scars on his body didn't detract from the man's beauty, if anything they only added to it. They were a sign of courage and strength. As a new threat faces them, they must find a way to put the past behind and let their love for each other heal their hearts. ** A Siren Erotic Romance

The Runes of War (Runes of War: The Book of Torra Alta, Book 1)

BOOK 1 OF THE RUNES OF WAR SAGA The adventure begins...

Runes

Seventeen-year-old Raine Cooper has enough on her plate dealing with her father's disappearance, her mother's erratic behavior and the possibility of her boyfriend relocating. The last thing she needs is Torin St. James—a mysterious new neighbor with a wicked smile and uncanny way of reading her. Raine is drawn to Torin's dark sexiness against her better judgment, until he saves her life with weird marks and she realizes he is different. But by healing her, Torin changes something inside Raine. Now she can't stop thinking about him. Half the time, she's not sure whether to fall into his arms or run. Scared, she sets out to find out what Torin is. But the closer she gets to the truth the more she uncovers something sinister about him. What Torin is goes back to an ancient mythology and Raine is somehow part of it. Not only is she and her friends in danger, she must choose a side, but the wrong choice will cost Raine her life READING ORDER: Runes (book 1) Immortals (book 2) Grinnirs (book 3) or Grinnirs: Clean Version Seeress (book 4)

Casting the Runes

Researcher Mr. Edward Dunning has recently reviewed The Truth of Alchemy by Mr. Karswell, an alchemist and occultist. Afterward, he begins seeing the name John Harrington displayed wherever he goes. You will love this thrilling, freaky horror adventure.

Rune Master

A new life and an old enemy are more than Nika Graves bargained for - but are they more than she can handle. The Rune Sword has been secured and she's in love with Swedish Special Operator (and vampire) Erik Thorvald. When a reincarnated Norse god brings old enmities and dark secrets to the surface, it's not just her new life with Erik that's at risk. The fate of the entire world might hang in the balance. Can Nika unite her present existence with ancient memories in time to save the day? Last time, they needed the Soul Stone. This time, it's going to take a Rune Master. Download This Book Today “

The Lost Runes (Runes of War: The Book of Torra Alta, Book 2)

BOOK 2 OF THE RUNES OF WAR SAGA The adventure begins...

Rune Hunter

The faery have had enough, and Erik and Nika may have to pay the price. A vacation turns deadly for Nika and Erik when a betrayal severs their Chosen link and the faery community declares war on the Draugr. The Ulfen, wolf shifters in collusion with the faery, begin to attack, and soon Nika finds more than her life is at stake. She is the Rune Master, but where has her Hunter gone?. Answers come with the taint of betrayal. Enemies arise from the ranks of friends. New friends are found in unexpected places. Can Nika and Erik keep their love alive, and will they survive when Faery goes on the march? **** "Rune Hunter" is a stand-alone full length Paranormal Vampire Romance with an HEA. ****

Gods and Mortals: Nine Urban Fantasy & Paranormal Romance Novels Featuring Thor, Loki, Greek Gods, Native American Spirits, Vampires, Werewolves, & More

Black Pool Magic (Rune Witch Book 3)

Even when Sally tries to leave magick behind, she gets sucked back in. Sally is in her first year of college and studying abroad in Dublin. But the presence of the Rune Witch on Irish soil awakens the dark and dangerous Badbh, keeper of the Black Pool, whose ambitions soon have a treaty between rival mythological factions—and the peace inside Odin's Lodge—balanced on a razor's edge. Caught between the reckless antics of her witch-wannabe roommate and Badbh's plan to resurrect an ancient faerie throne, Sally finds herself once again at the epicenter of supernatural doom. In the midst of rampaging faeries, a shape-shifting pooka, and shutterbug tourists, Sally and her powerful friends must each make a fateful choice to prevent Paranormal World War. *Black Pool Magic* is the third book in the *Rune Witch* urban fantasy series. If you like modern-day magick, action-packed mayhem, and ancient legends come to life, you'll love the *Rune Witch* books. Start reading today! (*Black Pool Magic* was previously published as *The Black Pool*, the third book in the renamed *Valhalla* series.)

Rune Witch: The Complete Series

The old Viking gods are alive — and living paycheck to paycheck in Portland, Oregon, while trying to avert one cosmic disaster after another. Just around the corner is Sally, a teenager trying to harness real magick in one of the world's weirdest cities, where odd occurrences are hastily dismissed. But when she unwittingly claims her mantle as the Rune Witch, Sally finds herself contending with disgruntled gods, shifty heroes, and magickal messes she can't easily explain to her parents. Suddenly a central figure in Odin's Lodge, Sally must learn to master her power and find her place in the mortal world, all while battling ancient forces, traveling to other realms, and navigating the uneasy allegiances among the likes of Thor, Heimdall, Freya, and Loki. Because Ragnarok can't be delayed forever. This is the complete, six-volume collection of the *Rune Witch* urban fantasy series — full of modern-day magick, action-packed mayhem, and ancient legends come to life. This boxed set includes: 1. *Moon Dog Magic* 2. *Elements of Magic* 3. *Black Pool Magic* 4. *Raven Magic* 5. *Chaos Magic* 6. *Twilight Magic*

Prophecy (Lughnasadh Elite Academy 1)

One clueless queen-to-be, four princes to change her world forever. Before her vital first cup of coffee in the morning, Litha finds out she's a witch and is suddenly transported to a magical world she didn't know existed. As if that wasn't strange enough, it turns out that she's prophesied to be queen and her parents only took her to the human world to protect her from those who want her dead. But now she's at Lughnasadh Elite Academy and face to face with her four potential... kings? It doesn't help that all four princes are sexy and hot and make her insides squirm when she catches sight of them. There is Bane, the werewolf prince, all broody and with hair sticking up like he just got out of bed. Kit, the incubus prince, whose wicked smile melts anyone's unmentionables. Rune, the dragon prince, protective and with muscles like he's a moving mountain. And last, but definitely not least, Finn, the fae prince, quiet but intense, with eyes like a summer forest. According to the prophecy, Litha will marry the true ruler of the four kingdoms. But having grown up human, in the human world, she has no idea where to start making sense of all of it, and the four princes pursuing her really don't help with trying to figure it all out. This is the first novella in the Lughnasadh Elite Academy serial, a reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story includes MF, MM and also FF scenes, but everyone is primarily focused on Litha and there are no sexy scenes between the guys and the other girl.

Fated Lovers (Lughnasadh Elite Academy Collection 1)

One clueless queen-to-be, sent to a magical world she didn't know existed, five lovers waiting for her prophesied arrival. Before her vital first cup of coffee in the morning, Litha finds out she's a witch and is suddenly transported to a magical world she had no idea existed. As if that wasn't strange enough, it turns out that she's prophesied to be queen, and her parents only took her to the human world to protect her from those who want to stop the prophecy from happening. The prophecy tells of a queen who will marry the 'true king' to unite all four kingdoms under his rule, finally bringing peace for the first time in centuries. The four princes who could become her king? They're all hot as hell and make her insides squirm each time she sees them. There's Bane, the werewolf prince, all broody and with hair sticking up like he just got out of bed. Kit, the incubus prince, whose wicked smile melts anyone's unmentionables. Rune, the dragon prince, protective and with muscles like he's a moving mountain. And last, but definitely not least, Finn, the fae prince, quiet but intense, with eyes like a summer forest. And to make things even more complicated, when Litha finally meets her roommate, Phoenix, the only daughter of the highest priestess of the witches, she doesn't want to do anything but kiss the redhead silly. The first day at the Academy is a little bumpy, as Litha feels so lost in this new world, but that pales in comparison to finding out her parents had to go into hiding, the documents of the prophecy having been stolen from the Academy just days before and that some of the princes have been keeping secrets which could be their undoing before anything even starts... This is a collection of the first set of three novellas, Prophecy, Curiosity and Duality in the Lughnasadh Elite Academy serial, a reverse harem #WhyChoose story. These novellas may include any of the following elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story includes MF, MM and also FF scenes, but everyone is primarily focused on Litha and there are no sexy scenes between the guys and the other girl.

Runes Hoffnung

Rune Savage hat die Redewendung „die Liebe überwindet alles“ gehört. Nachdem er von einem Verrückten attackiert wurde, ist sein Körper mit Narben übersät. Er ist nicht sicher, ob sein Gefährte Carver darüber hinwegsehen kann. Aus Angst teilt er aus und beschuldigt alle in seiner Nähe, seinen Gefährten eingeschlossen, weil niemand ihn beschützt hat. Carver Nash weiß, dass er und Rune noch einen langen Weg vor sich haben. Rune gibt ihm die Schuld dafür, was geschehen ist, aber Carver selbst fühlt sich noch schuldiger. Zuerst muss er seinen Gefährten davon überzeugen, dass die Narben die Schönheit des Mannes nicht mindern, sondern sie höchstens betonen. Sie sind ein Zeichen von Mut und Stärke. Als sie vor einer neuen Bedrohung stehen, müssen sie einen Weg finden, die Vergangenheit ruhen zu lassen und ihre Herzen durch ihre Liebe füreinander zu heilen. Ein homoerotischer Liebesroman für Erwachsene mit explizitem Inhalt. Jeder Band dieser Reihe geht auf die romantische Beziehung eines anderen Paares ein. Die Reihe Paranormal Wars: Juarez ist ein Spin Off der Paranormal Wars: Stone Haven-Reihe. Die Handlung beider Reihen läuft teils parallel. Zum besseren Verständnis empfiehlt es sich, beide Reihen entsprechend der Handlung zu lesen. Die Reihenfolge lautet Paranormal Wars: Stone Haven 1-5, Juarez 1, Stone Haven 6, Juarez 2, Stone

Haven 7, Juarez 3. Grundsätzlich können die Reihen aber auch jeweils einzeln gelesen werden. Länge: rund 41.600 Wörter

Goddess

The conclusion of an epic love story between an extraordinary girl and a soul reaper... Cora Jemison has come a long way from her stint in a psych ward and her fear of the dead. A confident Medium, she allows souls to possess her to help them find closure. When she decides to tell her parents the truth, that she still sees the dead and that her fiancé is a soul reaper, the Jemisons reveal secrets of their own. Her world starts to crumble, the ripple effect threatening to destroy the one thing she can always count on. Her relationship with Echo. Cora must sort through the lies to learn the truth about who and what she is. Only then can she embrace her destiny and claim her soul mate, Echo.

The Hanged Man

The last member of a murdered House tries to protect his ward from forced marriage to a monster while uncovering clues to his own tortured past. The Tarot Sequence imagines a modern-day Atlantis off the coast of Massachusetts, governed by powerful Courts based on the traditional Tarot deck. Rune Saint John, last child of the fallen Sun Throne, is backed into a fight of high court magic and political appetites in a desperate bid to protect his ward, Max, from a forced marital alliance with the Hanged Man. Rune's resistance will take him to the island's darkest corners, including a red light district made of moored ghost ships; a surreal skyscraper farm; and the floor of the ruling Convocation, where a gathering of Arcana will change Rune's life forever.

Rune Gate

On the edge of sanity, can she stop a ruthless killer? For years, Alexandra Yorke was a top police clairvoyant, but she isn't a clairvoyant; she's a witch, and living inside the heads of serial killers has taken its toll. Unable to control her gifts any longer, she retreats from the world. After a few months of peace, a friend in need asks for help. She reluctantly agrees. When evidence at a murder scene points to witches, Alex becomes the prime suspect. Rune Gate is the first book in the Rune Gate Cycle, a psychic and romantic urban detective series. If you like fast-paced, weird, supernatural tales that mix police procedurals with the paranormal, then you'll love this thrilling urban fantasy novel. Buy Rune Gate to start a riveting paranormal detective series today! Reading Order: Rune Gate Chosen

Oak Island Illustrated

More than two centuries ago, compelling evidence of buried treasure was found on Nova Scotia's Oak Island. Since then, extensive engineering works have been discovered and mysterious objects unearthed in and around the island's "Money Pit." The ongoing search has been featured on a long-running popular television series, but to this day, the island guards its secrets. In this book, historian John Bell presents all the competing theories — about who buried treasure on the island and how the complex structures in the Money Pit that have kept treasure hunters at bay were created. Is the island the former settlement of pre-Columbian Vikings? The location of a lost pirate treasure or royal treasures from England? The hiding spot for rogue captains of Spanish treasure ships? John Bell presents each theory in turn. Bell also provides a detailed illustration of the mysterious work that was done on the island prior to the discovery of the Money Pit in 1795. The illustration shows each element of the Pit's design as it was first built — including elaborate flood tunnels, a cave-in shaft, and more. This book offers a fascinating opportunity to explore many centuries of world history from the perspective of one of the greatest mysteries of all time. The extensive visuals showcase what treasures could have been hidden, and illustrate the lives of the adventurers, renegades, pirates, politicians, and paranormal entities that might be responsible for this puzzle.

Lord's Fall

In the latest Novel of the Elder Races, two mates find themselves on different paths, torn between their duty to the Wyr and the passion that binds them... Before she met Dragos, half-human/half-Wyr Pia Giovanni was alone and on the run. Now she's mated, pregnant and heading south to repair the Wyr's frayed relationship with the Elves. Being separated from Dragos is painful, but for the good of the Wyr demesne they need to figure out how to be partners—in more places than just the bedroom. In New York to preside over the Sentinel Games, Dragos is worried about his mate, but knows that finding two

replacement sentinels is essential to show the rest of the Elder Races just how strong and brutal the Wyr demesne can be. But as the Games heat up, Pia's negotiations with the Elves take a turn for the dangerous, straining her bond with Dragos and threatening everything they hold dear...

Rune Gate Cycle: Omnibus

On the edge of sanity, can she stop a ruthless killer? Formerly published separately in print as Rune Gate and Chosen. Alexandra Yorke was a top police clairvoyant, but years of living inside the heads of serial killers has taken its toll. Unable to control her gifts, she retreats from the world, but a few months of peace is all she has before a friend calls in need of help. Pursuing a killer into another world, she must journey through the magical kingdom of Inari to warn the queen of treachery, but the Goddess has her own plan for Alex, something she never would have expected. This edition contains Alex Yorke's complete magical adventure.

Security (Lughnasadh Elite Academy 12)

One threatening letter, a whole house in disarray. After Rune received a letter threatening that someone would kill them on their wedding day, Litha and her mates have to reorganise their whole lives. They've been living in bliss for the last months, but the letter sharply brings into focus that even though the war is over, they'll never be truly safe from people wanting to get rid of them. Especially not after the wedding and Bane and Kit's crownings, when they'll officially be ruling all the kingdoms at once. While Terra, a commander from the old dragon rebel army, has declared herself head of the brand new royal security team, Litha and the others want Bastet, the woman who used to protect Litha back in the human world, to become their house manager. Bastet's first task? Hire staff for the household, and vet them, in just a few weeks, while also coordinating with the wedding planning and other upcoming events. Between the changes in the household, their classes, and their little family, the lovers have another important thing to take care of, Kit's birthday, which is only a few days away... This is the twelfth novella in the Lughnasadh Elite Academy serial, a reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story includes MF, MM and also FF scenes, but everyone is primarily focused on Litha and there are no sexy scenes between the guys and the other girl.

Strategy (Lughnasadh Elite Academy 8)

One king threatening war, six prophesied lovers scrambling to come up with a plan to defeat him. Bane's parents' house isn't the idyllic retreat it looks from the outside, inside its walls it hides many secrets and even more dangerous knowledge for anyone willing to dive into the hundreds of books collected in its living room library, as Litha, Phoenix and the four princes have found out. The plan was to hide here for a couple of weeks, recover from their injuries and maybe gain some knowledge which would help them survive the coming months and years. Instead, they realised that things are, once again, not as simple as that and it appears that history is about to repeat itself. When they find out that their ancestors unsuccessfully tried to prevent the last war, they know that they need to do something to tip the scales in their favour this time around. The only problem? They have two weeks to pull it off, and they have no idea where to start. This is the eighth novella in the Lughnasadh Elite Academy serial, a reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story includes MF, MM and also FF scenes, but everyone is primarily focused on Litha and there are no sexy scenes between the guys and the other girl.

Sweet Ruin

The next searing novel in Kresley Cole's bestselling Immortals After Dark series. Print run 75,000.

Runes of Royalty

Protector. Angel. Assassin...and now Queen. Evie is now queen of the protectors, and rumoured queen of the demons aswell, but dealing with the black magic she can't control is far more dangerous than either of those titles. The protectors have fallen, demons along with them, and earth is not far behind. Can Nix, Trex, Connor and Azi help Evie survive a power no one understands? Or knows how

to stop...With random portals opening everywhere on earth, a war to be won and Cex tracking her every move, can the assassin-now queen- win the war?Demons will rule.18] RH

Fated Encounter (Lughnasadh Elite Academy Collection 3)

Six lovers struggling to come up with a plan to stop the fae king, one chance to save their kingdoms. While Rune and Bane are still recovering from their wounds, Finn is nearly assassinated by his aunt during the meeting with the werewolf king and the succubus queen, prompting Bane's mum to send them off to one of their lesser-known houses, trying to keep them out of harm's way. But that choice may not have been as spontaneous as it first seemed, as the cottage is filled with books about some very dangerous topics. As the six dive into the wealth of information, they start to doubt not only the history they've always been taught, but even the circumstances of their prophecy. Before the last war, their ancestors had been together at the last witch queen's court, working on an elixir with eerily similar properties as the one the fae king uses to stop the dragons from shifting, and then the witch queen went missing. Their world falls apart more with each piece of information they find, but at the same time, a plan starts to form with this new knowledge, making connections between events only available now they're looking back. Then the worst news possible reaches them, the fae soldiers are on the move and they seem determined to win this war once and for all. Are Litha, Phoenix and the princes ready? This is a collection of the third set of three novellas, Recovery, Strategy, Destiny, and the holiday special short story, Festivity, in the Lughnasadh Elite Academy serial, a reverse harem #WhyChoose story. These novellas may include any of the following elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story includes MF, MM and also FF scenes, but everyone is primarily focused on Litha and there are no sexy scenes between the guys and the other girl.

Threadneedle (Threadneedle)

The Sunday Times No.4 bestseller Within the boroughs of London, nestled among its streets, hides another city, filled with magic.

RoseBlood

From the bestselling author of the Splintered series, a talented young opera singer enrolls in a French performing arts school shrouded in mystery. Rune has a mysterious affliction that's linked to her musical talent. Her mother believes creative direction will help, so she sends Rune to a French arts conservatory rumored to have inspired The Phantom of the Opera. When Rune begins to develop a friendship with the elusive Thorn, she realizes that with him, she feels cured. But as their love grows, Thorn is faced with an impossible choice: save Rune or protect the phantom haunting RoseBlood, the only father he's ever known. Fans of Daughter of Smoke & Bone and the Splintered series will adore this retelling of one of the most famous stories of all time. Praise for RoseBlood "The Phantom of the Opera is reborn in this supernatural tale of music, passions, and love. . . . A rich, atmospheric story that readers will be hard-pressed to put down." —Kirkus Reviews "Rune is a multifaceted, artistic character whose actions and reactions feel believably young adult as she confronts questions about family secrets and heredity. This is an accomplished undertaking. . . . VERDICT A good purchase for paranormal romance collections, and the connections to a classic work of literature add appeal." —School Library Journal

Oath Taker

The Bookish Box Exclusive Luxe Edition of Oath Taker

Blood of Mystery

As Runebreaker Travis Wilder and three of his Eldh friends become trapped in a lawless 1880s Colorado mining town, Grace Beckett must confront her own destiny to oppose the Pale King and powerful evil army that will determine the fate of Eldh.

The Gates of Winter

In a masterwork of brilliant storytelling, the epic fantasy of two parallel worlds—mystical Eldh and modern Earth—takes a surprising turn in Book Five of Mark Anthony's thrilling saga of magic, suspense, and adventure, The Last Rune. The enigmatic Shemal has known only two Runebreakers. One, her rival Kelephon, served the Pale King and his army of apocalypse. The other was Travis Wilder,

the Runebreaker of prophecy. Now, in outcast and newly made Runebreaker Larad, Shemal has found a weapon to open the door between worlds. As the shadow of Shemal's master, the vengeful god Mohg, Lord of Nightfall, looms, Grace Beckett seeks to harness wild magic and Travis Wilder joins her in the struggle between warriors and mages, witches and kings and betrayers of every form. As the time of final reckoning approaches, Travis and Grace will find themselves facing a dark conspiracy of evil whose virulence threatens to overwhelm anyone who stands in its way. Yet if they don't succeed in stopping it, two worlds will be lost forever.

From Blood and Ash

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of *A Curse So Dark and Lonely* "Action, adventure, sexiness, and angst! *From Blood and Ash* has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books "If you think you are ready for *From Blood and Ash*, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise." Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L. Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!" – BookBesties "From Blood and Ash is a fantastic fantasy that will hook you immediately from the very first page! I loved every single moment and all of the characters are ones you will fall in love with! Jennifer L. Armentrout has done it again with her amazing writing skills and lots of detail! Get this book immediately!!!" - Amanda @Stuck In YA Books "Jennifer has stepped into the fantasy genre with this absolutely amazing novel. With characters you will love and more than a few twists and turns, get ready for one amazing adventure." -Perpetual Fangirl "This magnificent book has so many pieces in it: fantasy, mystery, forbidden romance, supernatural, lies, deceit, betrayal, love, friendship, family. And so, so, so many secrets your head will be spinning. Jennifer L. Armentrout has created another masterpiece that I will be rushing to buy, and will be telling everyone to read it ASAP!" ~Jeraca @My Nose in YA Books "From Blood to Ash is the first high fantasy book from Jennifer L Armentrout, but hopefully not the last. Like all her other works, her ability to create worlds, create swoon worthy men, and feisty strong female characters is amazing. Fantasy, mystery, romance, betrayal, love, and steamy scenes, this book has it all." - Lisa @ The Blonde Book Lover "From Blood & Ash is everything we love about JLA's fantasy writing...pumped up on steroids. There's epic world building and plot twists, a strong female lead, a swoon worthy book hottie, a steamy forbidden love story, and side characters that can't help but steal your heart. My mind was blown by the end of this book." - Kris S. (frantic4romantic) "Step into an exciting new fantasy world by Jennifer L. Armentrout, *From Blood And Ash* takes you on a fantastic ride with twists and turns galore. Characters you will love to laugh and cry with. A phenomenal

start to an exciting new series.” - Lori Dunn an avid reader “From Blood and Ash was everything I wanted in a high fantasy novel. The myths, the legends, the epic romance, and an adventure that will keep you on your toes beginning to end. I couldn’t put the book down. Truly a brilliant start to what I believe will be yet another amazing series by Jennifer L. Armentrout.” –Sabrina, Books Are My Life “Jennifer L. Armentrout takes her first step into the high fantasy genre with From Blood and Ash. A story of forbidden love, lies, secrets, and betrayal - it will leave you wanting more after the very last page.” - Love Just Is Books “From Blood and Ash is like reading my favorite book for first time.” - Raquel Herrera “With From Blood and Ash, Jennifer Armentrout successfully takes on the genre of high fantasy, proving, once again, that she is a master of her craft. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, FB&A draws you in from page one and refuses to let go!” - Erica, The Rest Just Falls Away “Jennifer L. Armentrout comes trough once again with From Blood and Ash as it kept me enthralled throughout the full book. You won't be able to put down this epic story once you start.” - Julalicious Book Paradise “From Blood and Ash strikes the perfect balance between fantasy and romance elements leaving the world feeling live in and full while allowing the relationship between the main characters feeling real and authentic.” - Nads Book Nook, Nadine Bergeron “Be prepared to spend your whole day reading From Blood and Ash. Once you start reading this high fantasy novel, you won't want to put it down.” - Love Book Triangle “From Blood and Ash is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!” - Pia Colon “From Blood and Ash, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end.” - Amy Oh, Reader by the Mountains “From Blood and Ash is the first high fantasy novel by Jennifer L Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one.” – Tracy Kirby “An intriguing puzzle of a world, a ruthless hero, a determine heroin, and a plot that will keep you up late, this book is one of the best I've read this year.” – Valerie from Stuck In Books “From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more!” - Tracey, Books & Other Pursuits

Demons

Demons by USA Today bestselling author Ednah Walters. Book 1 of Eirik trilogy. Enjoy the story of a god and a Mortal girl who becomes his guiding light Eirik Baldurson—son of Baldur, God of Light—failed living as a Mortal. He lost the girl of his dreams and nearly got his friends killed. Now, he's gone to the underworld to meet the mother he's never known. Torn between his duty to her and the man he used to be, Eirik struggles to find himself, until a witch appears in his world. Feisty and stubborn, she is a reminder of everything good he left behind. Celestia Devereaux proudly attends a charter high school for “gifted” teenagers who embrace magic. Witches. However, she keeps a terrible secret—a prediction that she would one day be responsible for massive destruction and death. Though Celestia uses her clairvoyant abilities to help people, she worries that it is just a matter of time before she goes over to the dark side. Her world changes when she unexpectedly astral projects to a place she didn’t believe existed and meets a tortured man who needs her help. Will helping him cause her fears to come true, or will he sacrifice everything to save her?

Demon's Fall

Coloring scenes from the complete Demon's Fall Series by G. Bailey.

Runes for Beginners: A Guide to Understanding and Using the Ancient Germanic Alphabet

The actual origins of the runic alphabet are shrouded in a lot of mystery. The earliest inscription is the one that reads Harja that might mean warrior or comb, which can be found on the Vimose comb in Denmark that dates back to 160 CE. This uses the runes so maturely and confidently that scholars think it resulted from about 100 years’ experience from writing the runes over this amount of time.

How this tradition was created has been debated and speculated for many years. Inspirations from the Roman and Greek alphabet, along with Danish and Italic origins have been suggested. The most likely is the Greek since it does resemble a variation of the Greek alphabet. The Greek alphabet was unstandardized between the years of 700 to 400 BCE. It could have reached Germanic speakers through groups that were made up of eastern Europeans. The mythology of the Norse gives us the story of Odin and his sacrifice.

International Who's Who of Authors and Writers 2004

Light Singer

Perfect for fans of Sarah J. Maas and Holly Black, this enemies-to-lovers adventure romance should come with a book hangover warning. Haven escaped the clutches of the new Sun Sovereign and found solace in Shadoria, but for how long? Now that the extent of her powers is known, Solis, Noctis, and mortals all hunt her. Meanwhile, chaos reigns across the land. The immortal realm is ruled by a depraved King who will stop at nothing to reclaim Haven as a weapon, while the mortal lands must choose between serving a tyrant or following Prince Bell, the Kinslayer. And below, in the Netherworld, a great evil awaits, amassing an army of untold powers. Hunted, plagued by doubt, and torn between duty and love, Haven must find a way to broker peace between the nations before it's too late.

The Traitor

Decades ago, rogue dragon shifter Rune Abaddon took a stand against the decaying, corrupt systems governing their people. He now uses his bad-ass reputation to protect the innocent as it all comes crashing down. But he's pushed the limits one too many times. His hideout is destroyed, his few allies are scattered and hiding, and the Alliance has placed a dead-or-alive bounty on his head, making him the most wanted dragon in the western hemisphere. And then the most enticing woman he's ever met barges into his mountain, demanding an audience. Hadyn Reece's future was ripped away long ago. The man fated to be her mate was murdered alongside her parents before Hadyn was old enough to be turned, leaving her to be raised and trained by her dead mate's parents in the dragon shifter world. Now, the Alliance has come for the only family she has left. It's a good thing she was raised by dragons, because the only one who can help her save them is a traitor she'd be smart to fear. Especially when his dragon decides she's theirs.

Signs and Symbols

Discusses the elements of a sign, and looks at pictograms, alphabets, calligraphy, monograms, text type, numerical signs, symbols, and trademarks.

Visions of Skyfire

View our feature on Regan Hastings's Visions of Skyfire. Teresa Santiago has awakened her abilities to summon lightning but is unable to control her power-or her attraction to Rune, her Eternal protector and destined partner. Now, Teresa and Rune must locate a missing artifact of unimaginable power before it unleashes the forces of darkness on the world. But with enemies both mortal and magical on their trail, Teresa and Rune discover that only through sacrifice will love conquer all...

The Forsaken Rune

The cursed rune is real and it's going to destroy everything. Being killed dozens of times wasn't exactly the plan when Daesyn signed up for the academy, nor was being kidnapped by the insane Seelie Fae

King. Four runes exist in the worlds and the Seelie Fae King wants them all. Only issue? To get the Cursed Rune, Daesyn has to die. For good this time and she has no interest in that happening. Days away from her twenty-first birthday, Daesyn needs to escape her captor and get back to the Reaper Realm before the Otherworld gives her a power predicted to destroy the worlds. Luckily, a demi-god, an alpha shifter, a reaper prince, overlord demon and a fae monkey are not leaving the Otherworld without her. But in the Otherworld, another war is brewing and the Unseelie rebels will not let Daesyn leave this world without a fight. While the worlds fight, the gods watch. Always. Fans of epic urban fantasy romance will love this five-book series by USA Today Bestselling Author G. Bailey. This is a reverse harem romance meaning the main character will have more than one love interest. This series is a crossover of the series, A Demon's Fall, but can be read on its own.
