Deadly After Dark

A tantalizing mix of sex and horror in fourteen stories from masters of the macabre, including Max Allan Collins, Jack Ketchum, Lucy Taylor, and Edward Lee. *Deadly After Dark*, fourth in the genre-defining *Hot Blood* erotic horror anthology series, pushes the envelope the furthest yet. Two Bram Stoker Award-nominated stories—Lucy Taylor's searing "Thing of Which We Do Not Speak" and Edward Lee's brilliantly grisly "Mr. Torso"—demonstrate the depth and range of the best erotic horror, and highlight a fourteen-story collection that will both arouse your senses and make your blood run cold. Other contributors include award-winning and bestselling mystery author Max Allan Collins, making an all-too-rare foray into the dark side of suspense, as well as pioneering work from contemporary horror master Jack Ketchum and new fiction by both Graham Watkins and Graham Masterton. It's no surprise Fangoria said "*Deadly After Dark* is a worthy continuation of a series that has yet to reach its climax." Praise for the *Hot Blood* series "Read *Hot Blood* late at night when the wind is blowing hard and the moon is full." —*Playboy* "Outstanding . . . Bloody Sexy: A Vamptasy Anthology Edited by Carmilla Voiez

In this anthology writers of horror and erotica come together to blur the boundaries between stories that arouse and those that disturb. Horror writing and erotica are tangled more closely than is easily explainable; the same sensuality that can describe a knife penetrating a victim can be used to bring to life other forms of penetration. Horror erotica embraces life and death in ways other genres do not. There is an art in mixing the two and providing titillation in the midst of trauma. For those who want a little fear with their fun, take a trip to the shadows beyond the rainbow. Works and Authors Include: Back-Draft, by David Storm Just a Kiss Away, by Jef Rouner Sex Magic, by Carmilla Voiez Fight or Flight, by Glen W. Dark, Trembling Passion

A haunted hill in Puritanical New England. A barrow in Denmark holding ancient bones. A mysterious stone older than civilization itself. These places hold secrets and long-buried desires, and the stories in this book explore that territory to its deepest, most satisfying potential. Dark, Trembling Passion contains six erotic horror stories by acclaimed erotica author Annabeth Leong, whose work has been featured in more than a dozen "Best of" anthologies. As Leong's characters face ancient monsters and terrible revelations, they also discover primal, sensual truths about themselves - sometimes liberating, sometimes annihilating, and often both. This new collection of short stories from the author of Liquid Longing: An Erotic Anthology of the Sacred and Profane uncovers darkness while finding shocking sweetness within it. Note: The stories in this book concern intense situations which, while exciting for some readers, may offend others.

Skewered

Jasmine Taylor, a struggling young actress, responds to a job-ad offering the 'opportunity of a lifetime' for a female with 'hidden depths'. After a bizarre audition, she wakes to find herself a prisoner in a picturesque village. The village of Elldean seems timeless - peaceful and idyllic. However, the village

hides a dark, terrifying secret - an ancient beast lives in the surrounding forest and, once a year, it emerges from its lair - to mate. The beast is huge and all in proportion - few women are capable of taking it on - and surviving - most are literally skewered to death. But if the beast doesn't get to mate then all hell will break loose. For both her sake and that of the village, Jasmine is subjected to an extreme 'training' regime that will literally stretch the young woman to her limits, while, at the same time, release her secret, hidden desires. Can she survive the beast and save the village from its wrath? This extreme erotic horror short story is for adult readers only.

Obliquatur Voluptas

This bold and original book examines in detail a relatively new genre of film--the erotic thriller. Linda Ruth Williams traces the genre's exploitation of pornography and noir, discusses mainstream stars (including Michael Douglas and Sharon Stone) as well as genre-branded direct-to-video stars, charts the work of key producers and directors, and considers home videos as a distinct form of viewing pleasure. She maps the history of the genre, analyzing hundreds of movies from blockbusters such as Basic Instinct, Fatal Attraction, and In the Cut to straight-to-video film titles such as Carnal Crimes, Sins of Desire, and Night Eyes. Williams's witty and illuminating readings tell the story of this sensational genre and contribute to the analysis of mainstream screen sex--and its censorship--at the beginning of the 21st century. She shows that as the erotic thriller plays out the sexual fantasies of contemporary America, it also provides a vehicle for marketing those fantasies globally.
