

Just Passing Throughjust Practice A Social Justice Approach To Social Work

[#social justice](#) [#social work](#) [#social justice approach](#) [#ethical social work](#) [#just passing through](#)

Explore the intersection of personal experience and professional ethics in social work. This explores how a 'just passing through' mindset can impact a social justice approach to practice. Examining both the potential benefits and pitfalls of temporary engagement, this guide provides strategies for maintaining ethical boundaries, practicing self-care, and ensuring client well-being while advocating for systemic change within the social work profession.

Our digital textbook collection offers comprehensive resources for students and educators, available for free download and reference.
