Sermons to Children

Gospel Sermons for Children introduces sixty new children's sermons featuring gospel messages and interactive activities that help children learn as they participate. It is a valuable resource for anyone seeking to tell the Good News to young people.

Sermons for Children

Library holds volume 1 only.

Sermons to Children

Here at last is the comprehensive collection you've been searching for to minister effectively to your children during worship. Drawn from every book of the New Testament, The Giant Book Of Children's Sermons -- Matthew To Revelation contains five full years worth of material you can share with your young disciples. Each of the 260 talks teach children God's Word through the use of common objects that illustrate an important concept in the scriptures. The messages come from Wesley Runk, a pastor and master communicator with kids who has written over 30 best-selling collections of children's sermons and object lessons. Runk uses a warm and often humorous approach to take on even the tough topics of the New Testament -- and the analogies he creates with the use of such simple objects as bananas, clocks, puzzles, and funnels add visual focus for the kids and help them grasp the point on a level suitable for their age. Now, whether you're preaching from the Gospels, Acts, the letters of Paul, the general Epistles, or even Revelation, you are certain to find an appropriate related talk for the children. And with convenient features like scripture and object indexes for quickly locating material as well as a CD with text files that lets you easily adapt the messages to your specific circumstances, The Giant Book Of Children's Sermons may be the last children's collection you ever need! Lessons include: * The Great Picnic (Matthew 14:13-21) * You Are Jesus' Magnifying Glass (John 17:20-26) * How To Settle An Argument (Acts 15:22) * The Key Ring That Unites Us (Romans 6:2b-11) * Do The Dishes? (1 Peter 4:13-19) * Counting Sand (Revelation 5:11-14) ... and many more! Wesley T. Runk is an ordained pastor in the Evangelical Lutheran Church in America. A graduate of Wittenberg University and Hamma School of Theology, he served congregations in Englewood and Lima, Ohio, before founding CSS Publishing Company.

Sermons to Children

When was the last time you took a moment to consider the purpose and effectiveness of your children's sermons? After all, nothing is more important than sowing the seeds of faith early in life. In this comprehensive look at all aspects of preaching the gospel to young people, Richard Coleman challenges you to examine your approach with a critical eye and gives you plenty of practical guidance for developing simple, direct messages that help children form a relationship with Jesus Christ. In the first section of Gospel-Telling, Coleman discusses what constitutes meaningful children's sermons, offering a thoughtful rationale for the idea that we must proclaim the gospel so youngsters experience God's love. You'll learn how you can mine your own experience for inspiration and proclaim gospel stories that flow from your specific circumstances. Then in the second portion of the book you'll see this process at work, with over thirty examples illustrating several different types of children's sermons. Whether you're a pastor, Christian educator, or engaged in the teaching ministry, you're sure to profit from the practical advice and in-depth reflection in these pages. With Gospel-Telling, you'll be equipped to share with young people the good news -- with creativity and theological integrity. Gospel-Telling is an enriching book that treats children with the spiritual respect they deserve. Richard Coleman

understands the transformative language of children -- play and metaphor -- and shows how our weekly children's sermons can reach the heart of the child and not simply the mind of the adult. This is a must-have resource for educators and pastors alike. Mickie O'Donnell Executive Director, Children's Ministries of America Richard Coleman understands the core of the biblical message as well as the learning processes of children and puts them together in theory and practice. This is a valuable treatment of a too long neglected topic. Rev. Ray Kostulias Pastor, First Congregational Church Park Ridge, New Jersey Author of Character Witness and I Witness Richard J. Coleman has served as the teaching minister of a university church, the pastor of a small-town congregation, and the director of an interdenominational inner-city Christian center. He has published children's sermons, leadership training articles, and seasonal devotionals, as well as books on the dialogue between science and theology and the dialogue between Evangelicals and Liberals. Coleman is a graduate of Johns Hopkins University and Princeton Theological Seminary.

Augsburg Sermons for Children

If you're looking for children's material specifically tailored for holidays and other special, out-of-the-ordinary days, Julia Bland's latest collection is a practical resource that you'll draw on for fresh ideas throughout the year. Each message in Children's Sermons For Special Days is accompanied by a two-sided activity page -- one side is a coloring page for younger children, while the other has a variety of puzzles and activities that emphasize the lesson's key points for older children.

Parable Sermons for Children

Family-oriented churches that welcome children and include them in their worship and programming are always faster growing and more vibrant. For pastors and teachers whose time is limited, these children's messages are ready to use with little or no preparation. Simply Wonderful is self-descriptive. Julia Bland brings all of her experience as a mother, teacher, faithful church member, and loving Christian together to provide Advent sermons and activities for children of the faith. Julia's book will be a wonderful aid to pastors and other church leaders as they work in the area of Christian Education. Rev. Elsie Crickard, Pastor Pleasant Valley United Methodist Church Wichita, Kansas former Concordia District Superintendent of Kansas West Conference During her 46 years as a pastor's wife, Julia Bland taught church groups of all ages while raising her family of six children. She has been active in United Methodist Women and served as district chairperson of Global Concerns as well as Publicity and Public Relations. Her award-winning artwork in oils, watercolors, and pen and ink drawings have appeared in both private and public collections.

Sermons to Children

This second volume of Gospel sermons for children features 60 new children's sermons based on Series B readings from Gospel texts. The creative and easy-to-use messages include suggestions for conversations, impromptu dramas, songs, and a variety of interactive activities that help children learn as they participate.

Sermons for Children

This collection of children's sermons communicates the gospel to youngsters on their level and in a way that interests them. Just as Jesus referred to common objects when he taught, these lessons use everyday items to illustrate the them. Each message includes the scriptural background and a list of materials needed.

The Giant Book of Children's Sermons

This book brings busy pastors and teachers more children's sermons and activity pages from the popular pen of Julia Bland. They're intended to help children learn that Jesus is their Lord and develop Christian character through attention-getting pictures and rhyming words. Like all of her other CSS works, these lessons come with 2-sided activity pages that are appropriate both for younger and older children.

Gospel Telling

No Prep No Prop Children's Sermons is a book designed for pastors, laity, and church staff facing a time crunch. Perhaps a trusted volunteer calls in sick or a schedule change leaves the children's sermon preparation to the last minute. In No Prep No Prop, you'll find 52 proven messages for kids that will engage them and get them involved as you share the good news of Jesus with them. Sermons come from the Old Testament and New Testament and a whole section for special holidays.

Intro Music

Your days of serious parents are just beginning.

First of all, you need to know that it never ends. The part no one tells you about being a parent is that parenting never stops.

Your heart and mind will always be with each one of your children for the rest of your life.

When we observe life happening to our adult children in a challenging way, we want to help them.

... **child**, learn a hard lesson and helping them to get **on**, ...

We all must ask God to show us what to do and what not to do for our adult children.

The third thing you need to know is you must stop blaming yourself.

Guilt is a killer. We parents beat ourselves up with guilt, every time something concerning happens to one of our children because we see how we could have done things differently.

In order to be effective in praying for your adult child, you must stop blaming yourself or everything that goes wrong.

Would you pray with me about this?
