Oxford Guide to Plain English

A new edition of the best-selling guide to the English language (previously called The Oxford School A-Z of English), this unique reference book will answer all the questions you may have on problematic words, their meaning, use, spelling, pronunciation and their grammatical functions. Alphabetically ordered for easy reference, it gives guidance on how to speak and write correctly and effectively. It is approachable and jargon-free, and makes unambiguous usage recommendations. The Guide contains about 2000 entries of individual words which create problems because of their: a) confusability (eg accept and except) b) spelling (eg -ize or -ise) c) controversial usage (eg hopefully) d) controversial pronunciation (eg controversy) e) choice of inflected forms (eg lighted/lit) f) disputed collocations (eg different from/to) g) disputed grammatical points (eg the media is/are) h) clichés (eg basically) i) differences between British and American English (eg wash up) Also, you can look up general language topics such as sexist language, racist language, and controversial grammar points.

Oxford Guide To Plain English 2/E

An accessible guide to using English in the classroom for non-native speaker teachers. The book is in two parts: Section 1 provides advice on issues such as how to check that learners have understood and when to use English. Section 2 looks at different situations in the classroom, for example, 'Using the coursebook' and 'Giving instructions'.

The Oxford guide to English usage

Written by the authors of the current syllabus, this book will help address all the requirements of the new course at both standard and higher level. It will actively engage students in language and literature, allowing them to become informed and critical learners through understanding and producing language of a wide range of works, from poetry to political speeches to simple advertisements or graffiti. The range of exciting literature offers a fresh look at unfamiliar texts so that students are able

to confidently encounter works and topics and develop and communicate understanding. Through interesting activities and model works, students will learn about the most current approaches to critical language in areas such as mass communications, language in cultural contexts and literature - in line with the new syllabus. Support is given for the assessment, including the oral commentary. The most comprehensive and accurate match to the most recent syllabus, developed with the IB and written by IB workshop leaders and authors of the syllabus Fully captures the IB spirit, thoroughly incorporating fresh and topical TOK to drive independent thought Comprehensive support for 'language in a cultural context,' building international-mindedness in a linguistic context Current, diverse and topical text extracts from Wikileaks to graffiti to advertisements will resonate with learners The best integration of the IB philosophy, with evocative activities to help students think creatively and discerning questions to drive critical thought Packed with accurate assessment support, directly from the IB, including model answers, assessments advice and more, completely aligned to the new assessment

The Oxford Essential Guide to the English Language

Outlines--largely without jargon--an approach for therapists to help families alter self-destructive routines. Incorporates elements of family therapy, script theory, and recent findings in attachment research into a systemic attachment concept, "The secure family base," from which individuals can feel safe enough to explore and improvise new scripts. Classroom English - Oxford Basics

Oxford English Quest is an exciting new English resource that provides quality complete texts for shared reading and comprehension, and activities to improve the quality of children's writing. Texts are carefully differentiated to provide for a range of levels in the classroom. Short stories by top authors such as Kevin Crossley-Holland and Adele Geras, work alongside non-fiction texts with themes that will appeal to children and back up learning in Geography, Science and History. Through studying the texts, children will learn techniques to apply to their own writing and differentiated activities practise these techniques in preparation for extended writing tasks. Clear learning outcomes are sign-posted with direction for consolidation or extension as required after each stage of learning. Oxford English Quest provides an excellent grounding in literacy for children as they progress through their junior years and is perfect preparation for national tests. The units cluster objectives under themes to contextualise learning and help children remember and apply skills and knowledge. The structure is designed to fit into medium term plans and to support cross-curricular approaches to teaching. Each year group has a CD-ROM with Powerpoint texts for shared work, a Companion with themed fiction and non-fiction to cover all required text types, and a Pupil Book with differentiated activities to support comprehension, grammar, speaking and listening, and drama. The Teacher's Resource Kit contains the CD-ROM, clear overviews of the unit objectives, and comprehensive teaching notes. Each year group is provided with six units, two per term, with each unit representing 10+ weeks' work.

Oxford English Grammar

The Cambridge Lower Secondary Complete English 9 Teacher Handbook offers full support to help teachers embed a solid foundation at Lower Secondary level and ensure students are well prepared to progress seamlessly to IGCSE English. The Handbook supports educators to teach the Cambridge Lower Secondary English 9 curriculum confidently and save time when lesson-planning. Teaching materials, including guidance on lesson content and delivery, enable teachers to ensure their students reach their full potential at Lower Secondary and develop the key skills required for IGCSE. It is written by a team of internationally experienced authors, both of whom are experts in teaching, learning and assessment. The Teacher Handbook supports the Student Book, which is at the heart of delivering the course. The supporting Workbook provides opportunities for independent practice inside and outside the classroom.

The Plain English Guide

Written by Teachit contributors and OCR examiners, GCSE English Literature for OCR is the most comprehensive and accessible endorsed support package for the 2010 OCR GCSE English Literature curriculum. This teacher book offers support for delivering the material in the Student Book, including guidance on controlled assessment and exam requirements.

Oxford IB Diploma Programme: English A: Language and Literature Course Companion

How do you ensure your students have a full understanding of grammar use, meaning, and form? Who are your family and friends? Where can we see colors? How can we make music? Oxford Discover uses Big Questions such as these to tap into students' natural curiosity. It enables them to ask their own questions, find their own answers, and explore the world around them. This approach to language learning and literacy, supported by a controlled grammar and skills syllabus, helps students achieve near-native fluency in English. Oxford Discover gives teachers the tools to develop children's 21st century skills, creating young thinkers with great futures. Use with Show and Tell as part of 9-level course.

The Little Oxford Guide to English Usage

This dictionary for students using English in their studies covers the thousands of the words needed in school studies, from maths, the sciences, geography, business and many other areas. A 40-page photocopiable study section gives help with many aspects of the English language and with study skills. A reference section contains expressions with numbers, geographical names, a list of irregular verbs, plus a 15-page quick grammar reference. Definitions are written using a defining vocabulary of 2500 words, making them easy to understand and thousands of example sentences show how words are used in today's English. Notes give help with grammar, confusable words and vocabulary building, and there are many useful illustrations and diagrams. Both British and American English are covered throughout.

Oxford English Grammar

This handbook is currently in development, with individual articles publishing online in advance of print publication. At this time, we cannot add information about unpublished articles in this handbook, however the table of contents will continue to grow as additional articles pass through the review process and are added to the site. Please note that the online publication date for this handbook is the date that the first article in the title was published online.

English Today!

Each teacher's guide supports the Oxford English: An International Approach series of student books and workbooks providing teachers with everything needed to fully implement the course.

Oxford English Quest

The Y3 pupil collections contain 12 short stories by top children's authors, including Helena Pielichaty, Pie Corbett and Susan Price. The stories are complete texts for guided reading, making for easy

analysis of story structures and excellent writing models. There are 2 stories for each of the NLS fiction text types at KS2, catering for lower and average abilities to help pupils to learn at an appropriate level. The six-pack of pupil collections comes with free teaching notes, which include suggested writing outcomes and speaking and listening activities.

Specifically designed to give students confidence in their studies, and in preparation for their examination, it covers all the key concepts in the latest syllabus. In addition, you will receive online access to interactive activities to reinforce understanding and prepare students for exams.

GCSE English Literature for OCR Teacher Guide

The Oxford Guide to English Grammar is a systematic account of grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is equally suitable for quick reference to details or for the more leisurely study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern, and on the use of patterns in texts and in conversations.
