

Wrestling With The Angel

[#Wrestling with the Angel](#) [#Jacob and the Angel](#) [#Spiritual Struggle](#) [#Inner Conflict](#) [#Biblical Interpretation](#)

The phrase "Wrestling with the Angel" is often used to describe a profound spiritual struggle, a period of intense self-reflection and questioning of faith. It alludes to the biblical story of Jacob wrestling with an angel, a metaphor for the personal challenges and doubts one faces when striving for spiritual growth and understanding. It represents a crucial turning point, often leading to transformation and a deeper connection with one's beliefs, even if it involves confronting uncomfortable truths or uncertainties along the way.

Each journal issue is carefully curated to ensure scholarly integrity and originality.

Which Is Symbolic of First the Enmity That Exists within People's Psyche between the Part of Them You Might Say that's Aiming at the Light and the Part of Them That's Aiming at the Darkness and I Think that's a Reasonable Way of Portraying It Obviously It's a Way That Sort Of Rife with Symbolism but My Experience of People Especially When You Get To Know Them Seriously or When They're Dealing with Serious Issues Is that There Is Quite Clearly a Part of Them That's Striving To Do Well in the World or Even To Do Good and another Part That's Deeply Sinned and Embittered that That Says to Hell with It and Is Self-Destructive and Lashes Out and Really Aims at Making Things Worse and so that Seems To Be a Natural Part of the Human Psyche

So It's It's Cut and Edited and Compressed all at Once but because of that It Blasts You with with a Kind of Emotional and Ethical Force That Just the Mere Videotaping of Someone's Daily Life It Wouldn't Even Wouldn't Even Come Close to Approximating So Then this Motif of the Hostile Brothers That's a That's a Deep Deep Archetypal Truth and Raychel Two Nations Are in Thy Womb and Two Manner of People Shall Be Separated from Thy Bowels and One People Shall Be Stronger than the Other and the Elder Shall Serve the Younger and So There's a Inversion

It's Called a Dream but the Context Makes It Look like a Vision of a Ladder Reaching Up to Heaven and with Angels Moving up and down the the Ladder Let's Say and There's some Representations of that I Showed You some of Them the Last Time We Met but I'll Read It to You First He Lighted upon a Certain Place and Ty Read There all Night because the Sun Was Set and He Took of the Stones of that Place and Put Them for His Pillows and Lay Down in that Place To Sleep and He Dreamed and Beheld a Ladder Set Up on the Earth and the Top of It Reached to Heaven and Behold the Angels of God Ascending

And Descending on It and Behold the Lord Stood above It and Said I Am the Lord God of Abraham Thy Father and the God of Isaac Land Whereon Thou Liest to Thee I Will Give It and to Thy Seed and Thy Seed Shall Be as the Dust of the Earth and Thou Shalt Spread Abroad to the West and to the East and to the North and the South so that Lays Out the Canonical Directions Right So Now There's a Center with the Canonical Directions like the Thing That You See You Know that Little Symbol You See on Maps It's the Same Thing That Symbolically Placed upon the Earth so a Center Has Been Established

For I Will Not Leave Thee until I Have Done that Which I Have Spoken to Thee of and Jacob Awaked out of His Sleep and He Said Surely the Lord Is in this Place and I Knew It Not and He Was Afraid Which Is Exactly the Right Response and Said How Dreadful Is this Place It Is None Other than the House of God and this Is the Gate of Heaven and Jacob Rose Up Early in the Morning and Took the Stone That He Had Put for His Pillows and Set It Up for a Pillar and Poured Oil on the Top of It and that's that's a More Important Thing than You Think and We'll Go into that a Little Bit More Deeply The Lord Is in this Place and I Knew It Not and He Was Afraid Which Is Exactly the Right Response and Said How Dreadful Is this Place It Is None Other than the House of God and this Is the Gate of Heaven and Jacob Rose Up Early in the Morning and Took the Stone That He Had Put for His Pillows and Set It Up for a Pillar and Poured Oil on the Top of It and that's that's a More Important Thing than You Think and We'll Go into that a Little Bit More Deeply because up to this Point in this Story There Isn't Anything Really There Isn't Anything That's Really Emerged To Mark a Sacred Space Right There's no There's no Cathedral There's no Church There's Nothing like that And To Carve Something into Stone To Carve a Stone and Then To Carve Something into Stone Is To Make a Memory and To Use Stone Is To Make a Memory because Stone Is Permanent and To Set It Up Right Is To To Indicate a Center and so that's What Happens and Pours Oil on the Top of It Which Is Kind of Offering and He Called the Name of that Place Bethel but the Name of the City Was Called Las at the First and Jacob Vowed a Vow Saying if God Will Be with Me and Will Keep Me in this Way That I Go and Will Give Me Bread To Eat and Raiment To Put On Then a Tenth of What I Earned

It's Not Something That Animals Do Easily Chimpanzees Don't Store Leftover Meat You Know They Just and neither Do Wolves They Just a Wolf Can Eat About Thirty Pounds of Meat in One Sitting and that's that's Where the Idea of Wolfing It Down Comes from They're Not Hiding It Saving It for Later You Know They Can't Do that so They Can't Sacrifice the Present for the Future So this Is a Big Deal That this that this Happens Now I Want To Tell You a Little Bit about the Idea of the Pillar So Let Me Tell You that You Could Think about that as an Archetypal Human Habitation Maybe It's a Reflection of Something like a Fire in the Middle of the Plain or the Forest or the Jungle for that Matter although It's Kind Of Hard To Get a Fire Going There Imagine a Fire Ringed Around with Logs

and Perhaps Ringed Around with Dwellings Right so the Fire Is in the Center and the Fire Defines the Center and Then as You Move Away from the Fire You Move Out into the Darkness Maybe It's a Reflection of Something like a Fire in the Middle of the Plain or the Forest or the Jungle for that Matter although It's Kind Of Hard To Get a Fire Going There Imagine a Fire Ringed Around with Logs and Perhaps Ringed Around with Dwellings Right so the Fire Is in the Center and the Fire Defines the Center and Then as You Move Away from the Fire You Move Out into the Darkness Right so the Fire Is Light

And You Know What's Interesting about that so You Can Kind Of Think about that with Regards to the Walled City Right Everything in the Wall Is Cosmos and Everything outside the Wall Is Chaos and You Know but It Also Extends to the Conceptual Realm because Imagine that You're the Master of a Field of Study and so that's an Interesting Metaphor because a Field Is a Geographical Metaphor Right and if in the Center of the Field Are those Things That Everyone Knows Really Well the Axioms That Everyone Abides By in the Field and Then as You Move towards the Fringes You Get To Work towards the Unknown towards the Frontier of the Discipline

But so that's that's the First Idea Is that the Center Is the Place Where the Lowest and the Highest Touch Simultaneously and so You Could Say that in some Sense It Specifies the Aim of a Group of People That's another Way You Know if You Get Together with People Make a Group Even at Work You Group Yourself around a Project and that Unites You and It Unites You because You all Have the Same Aim You're all Pointing to the Same Thing and that Makes You the Same in some Ways because if You're after the Same Thing I Am Then the Same Things Are Going To Be Important to You That Are Important to Me and the Same Things Are Going To Be Negative to You That Are Negative to Me because Our Emotions Work Out that Way and that Means I Can Instantly Predict You I Know How You're Going To Behave

Although You Could Make the Case that the Cathedral Is the Center It Doesn't Really Matter They're Very Close Together and It's It's Half a Dozen of One and Six or the Other and Then Here's another Representation of the Same Idea Right Is that this Is Why People Don't Like the Flag To Be Burned You Know because Conservative People See the Flag as the Sacred Thing That Binds People Together and so They're Not Happy When that Sacred Thing Is Destroyed Even if It's Destroyed in the Name of Protest whereas the People Who Burn Flags Think Well There Are Times To Dramatize the Idea that the Center Has Been Corrupt

And Then the Cathedral Is Often in a Cross Shape Which Also Marks the Center and Then in the Cathedral There's a Dome Often and that's the Sky and that's that Ladder That Reaches from Earth to Heaven so It's a Recapitulation of the Same Idea So and People Are Drawn to that Center and the Centre Is the Symbol of What Unites Them and What Unites Them Is the Faith that the Cathedral Is the Embodiment of and You Think Well What Does the Faith Mean and Again We're Approaching this Psychologically and What It Means Is that

That's What It Means To Be a Member of a Group So if You're in a Work Team and You're all Working on a Project What You've Essentially Done Is Decided that You're Going To Make the Goal Unquestionable Right I Mean You Might Argue about the Details but if Are Tasked with Something You Know Here's a Job for You Ten People Organize Yourself around the Job You Can Argue about How You're Going To Do the Job but You Can't Argue about the Job Then the Group Falls Apart and So There's an Act of Faith in some Sense the Reason that the Act of Faith Is Necessary Is because It's Very Very Difficult To Specify without Error What that Central Aim Should Be Given that There's any Number of Aims Right and It's a Very Very Difficult Thing To Figure Out and this Is Something We're GonNa Do a Little Bit Tonight Is like What Should the Aim Be Around Which a Group Would Congregate

So but Obviously You Need To Have a Center around Which Everyone Can Unite because if You Don't Then Everyone's at Odds with One another like if I Don't Know What You're up to and You Don't Know What He's up to We Have no We're Just Strangers and We Don't Know that Our Ethics Match At All Then the Probability That We're Going To Be Able To Exist Harmoniously Decreases Rapidly to Zero and that's Obviously Just No Good that's a State of Total Chaos so We Can't Have that It's It's Not Possible To Exist without a Central Ideal It's Not Possible and It's Deeper than that It's Deeper than that Partly

And So You Also Have To Keep that in Mind because What It Means Is As Far as I Can Tell that What It Means Is that Your Category System Itself Which Is What Structures Your Perceptions Is Actually Dependent on the Ethics of Your Aim It's Directly It's a Moral Thing It's Directly Dependent on Your Aim and that's a Stunning Idea if It Happens To Be True It's Not How People Think about Thinking We Don't Think that Way We Like We Think that We Think Deterministically Let's Say or that We Think Empirically or that We Think Rationally and None of that Appears To Be the Case What We Do Is We

Pause It a Valid Aim

Intro

Jacob was always looking for things that would validate him as a man.

If you want to hear from God, it takes getting alone. You've got to get rid of all the noise and distraction.

Who did Jacob wrestle with?

In God's kindness, he gave Jacob the affirmation and blessing that he had been chasing everywhere else.

Where else do we see God feigning weakness in order to bless man?

Genesis 32 is the first picture that we have of how God would redeem us.
