The Americans

Go on a geographical tour around the world! Explore the world while solving the riddle using informational clues about each country. Students study 30 countries, grouped by continent, using maps, charts, graphs, puzzles, and hands-on activities. A skills test, glossary of geographical terms, and an answer key are included.

Modern World History

Combines motivating stories with research-based instruction that helps students improve their reading and social studies skills as they discover the past. Every lesson of the textbook is keyed to California content standards and analysis skills.

World Geography

World History: Patterns of Interaction
