Parir amb humor

La divertida comedia del embarazo, el parto y lo que viene después. Un libro para vivir la paternidad de buen humor. El argumento de esta historia es único y universal a la vez: ella y él lo meditan, ella y él lo hacen, ella y él esperan, ella y él desesperan, ella tiene el Bebé (él mira) y el Bebé cambia por completo las vidas de ella y de él. Además de los protagonistas, el escritor hace entrar en escena a algunos actores secundarios dibujados con un humor espléndido: «Artistas veteranos, como los padres y los suegros, invitados a bordar el papel de abuelos. Extras de lujo, como el ginecólogo o el pediatra. Y figurantes, como los vecinos, el farmacéutico, los otros papás y mamás o los amigos-sin-hijos-ni-ganas, que completan la compañía artística liderada por el Bebé». En estas páginas, el reconocido periodista Carles Capdevila acredita no únicamente una penetrante y divertida capacidad de observación, sino también una admirable aptitud para convertir una serie de situaciones vividas -de cerca o de lejos- por prácticamente todo el mundo en una creación literaria de sugerente calidad.

Parir con humor

La divertida comèdia de l'embaràs, el part i el que ve després. Un llibre per viure la paternitat de bon humor. L'argument d'aquesta història és únic i universal alhora: ella i ell s'ho pensen, ella i ell ho fan, ella i ell esperen, ella i ell es desesperen, ella té la Criatura (ell s'ho mira) i la Criatura capgira la vida d'ella i d'ell. A més dels protagonistes, l'escriptor fa entrar en escena uns actors secundaris dibuixats amb un humor esplèndid: «Actors veterans com els pares i sogres, convidats a lluir-se en el paper d'avis. Extres de luxe com el ginecòleg o el pediatre. I figurants com els veïns, el farmacèutic, els altres pares o els amics-sense-fills-ni-ganes, que completen la companyia artística liderada per la Criatura». En aquestes pàgines, el reconegut periodista Carles Capdevila acredita no tan sols una penetrant i divertida capacitat d'observació, sinó també una admirable aptitud per convertir una sèrie de situacions viscudes -de prop o de lluny- per pràcticament tothom en una creació literària de suggestiva qualitat.

Parir amb humor

Carles Capdevila fa anys que pren apunts cada dia, i els comparteix, sobre el que li passa i com hi reacciona, posant en pràctica un periodisme que vol prioritzar la vida per sobre de les notícies. A La vida que aprenc trobareu els temes que li són essencials: la memòria íntima, la vida en bona companyia, l'educació, la salut i la condició humana amb totes les seves contradiccions. Retrata els escenaris de la seva infantesa, les nostres maneres de ser i de fer, les revolucions individuals necessàries per arreglar el món i les actituds dels que sarremanguen per fer-ho possible. Capdevila està convençut que la nostra missió principal és cuidar-nos els uns dels altres i pels seus textos circula la gent que més estima: els professionals artesans que es preocupen pels acabats, els educadors

vocacionals, les infermeres que entenen que tenir cura és més que curar, el voluntariat que desafia el desànim i els optimistes pencaires que treballen per mantenir viva la il·lusió de tirar endavant.

La vida que apreng

Una guia de criança per a pares i mares novells farcida de bons consells i sentit de l'humor Els infants arriben al món sense un manual d'instruccions i, el dia que t'adones que tens un nadó als braços, de cop i volta apareixen un munt de dubtes i inseguretats que et capgiren la vida i posen en ordre les teves prioritats. Perquè ser mare o pare no és fàcil. La vida se't complica per mil. Però no pateixis: tot i que aquest llibre no bressolarà el teu nadó quan plori desconsoladament a les tres de la matinada ni acompanyarà el teu infant de dos anys a transitar una d'aquelles enrabiades que acaben per terra, sí que t'ajudarà a entendre alguns dels dubtes existencials de l'experiència mapaternal. Per què coi no menja, el teu fill? Què pots fer si només s'adorm amb el pit? Quins límits li has de posar? Has de córrer a urgències si fa caca de color verd oliva? Cal riure dels nostres errors i peripècies com a mares i pares. Posar-hi molt d'humor. Benvingudes i benvinguts a l'aventura més trepidant de les vostres vides, plena de revolts i batzegades, plena d'amor i de baves. Gaudiu-la al màxim!

Criar amb humor

Una nova visió sobre la maternitat explicada des de la perspectiva del feminisme i de la diversitat. «En el dia a dia trobem que maternar i paternar viuen en desequilibri, sobretot si tenim en compte que ens han educat en un model masclista on es dona per fet que tothom és cisheterosexual». Quan la maternitat és a prop i es desperta l'espurna del feminisme, és el moment per conèixer les moltes maneres de gestar, de parir i de criar que hi ha al món, i també de fer molt més divers i ric el nostre imaginari col·lectiu sobre com són les famílies. Amb Sortir de mare Elena Crespi i Asensio, mare, psicòloga i màster en Teràpia sexual i de parella, aborda el tema de la maternitat i de la paternitat des de la perspectiva feminista, i ens explica tots els processos que s'hi inclouen des d'un enfocament inclusiu i divers. Un tema universal i de sempre explicat amb molt de respecte i d'una manera oberta, diferent i trencadora.

You Are Not Like Other Mothers

QUAN LA LLUNA MIRA A PONENT... EL CRIM DE L'OBSERVATORI DEL MONTSEC, ON EL CEL ÉS MÉS NEGRE. Misterioses llums al firmament; una constel·lació de personatges singulars; un telescopi que, inexplicablement, està orientat cap a Amaltea, la cinquena lluna de Júpiter... Un dels astrònoms de l'observatori del Montsec hi ha aparegut mort. Entre Lleida, Balaguer i la vall d'Àger, durant deu dies, el sergent Rull, l'agent Núria Riu i el caporal Coscubiela s'enfrontaran a un dels casos més insòlits de les seves carreres. I en Rull, a més, hi deixarà un trosset de pell. Perquè tal com diu en Cosqui, «ens dediquem a explorar el cosmos quan encara no coneixem l'ànima humana».

La guia més completa, actualitzada i ampliada d'embaràs, part i postpart * Tot el que has de saber, des de la planificació de l'embaràs fins a l'arribada a casa amb el bebè. * Descriu els canvis físics i emocionals de l'embaràs mes a mes, les proves mèdiques i les diferents opcions per donar a llum que hi ha a Espanya, i resol de manera senzilla els dubtes i les preguntes més freqüents. * També hi trobaràs les claus per a una alimentació sana durant la gestació i el període de lactància. Serem pares és una guia que abraça des de la planificació de l'embaràs i els mesos de gestació fins al postpart, però no és una guia com les altres que trobaràs al mercat. Perquè aquesta l'han escrit dues mares: una periodista que, a més de la seva, ha conegut moltes altres històries d'embarassos i una ginecòloga que hi aporta més de trenta anys d'experiència en la professió. Perquè et proposen una trobada entre amigues: et parlen de tu a tu, responen totes les preguntes que et fas de manera clara i rigorosa però també amb humor, et fan confidències i, sobretot, entenen com se sent una mare. Elisenda Roca i la doctora Carlota Basil t'ho expliquen tot, des dels canvis que es produiran en el teu cos fins a les emocions que experimentaràs durant aquests mesos, passant per les claus d'una alimentació saludable, les proves mèdiques que es realitzen al nostre país o les diferents maneres de donar a llum, perquè puguis escollir la que prefereixes. A més, com que saben que tenir un fill és cosa de dos, reivindiquen la condició de pare i també es dirigeixen a ell, per fer-l'en partícip des del primer dia. Una guia indispensable que us acompanyarà durant nou mesos... i alguns més.

Serem pares

De vegades agafen ganes de partir-li les fletxes a Cupido. I la cara, sobretot la cara. L'Eduard té trenta-uns-quants anys, fa de redactor en una publicació mèdica i és solter. O desemparellat. O single. O com se n'hagi de dir. Fa poc que ha trencat amb la que havia de ser la mare dels seus fills, l'àvia dels seus néts i la besàvia dels seus besnets, i no se la pot treure del cap. Ni del cor. Ni dels altres òrgans. Per això, la germana i els amics, que no el volen veure tan solter, tan desemparellat, tan single, ni tan com se n'hagi de dir, el pressionen perquè trobi parella. Tampoc pot ser tan difícil... «Des de l'adolescència sóc conscient que Déu, els astres, l'atzar, el monstre de l'espagueti volador del pastafarisme o qui sigui confabula en contra meva. Si a la mateixa parada de metro pugen una desena de models estupendes i una boja que parla sola i fa pudor, no cal patir: aquesta serà la que s'asseurà al meu costat. És una llei universal.»

Mortadel·lo i Filemó. Rio 2016 (Mestres de l'Humor 42)

El lllindar de l'eternitat tanca aquesta trilogia i la crònica d'un segle turbulent. Relata la història íntima i personal de tres generacions de cinc famílies marcades per dues guerres mundials, la Revolució russa, la Guerra Civil espanyola i també pels profunds canvis socials que les van acompanyar. Tercer volum de la trilogia «The Century» L'any 1961, Rebecca Hoffmann, professora a l'Alemanya de l'Est i néta de lady Maud, descobrirà que la policia secreta la vigila. Mentre, Walli, el seu germà petit, somia fugir a Occident per convertir-se en músic de rock. D'altra banda, Georges Jakes, jove advocat que treballa amb els germans Kennedy, és un activista del moviment en defensa pels drets civils dels negres als Estats Units. Participarà en les protestes dels estats del sud i en la marxa sobre Washington liderada per Martin Luther King. A Rússia, les inclinacions polítiques enfronten els germans Tània i Dimka Dvorkin. El noi es converteix en una de les joves promeses del Kremlin, mentre que la seva germana entrarà a formar part d'un grup activista que promou la insurrecció. Per mitjà d'escenes impactants i de protagonistes fascinants, Ken Follett ens presenta un món que pensàvem que coneixíem però que

a partir d'ara ja no ens semblarà el mateix. «La trilogia "The Century" és la història dels meus avis i també la dels vostres, dels nostres pares i de les nostres vides. D'alguna manera, és la història de tots nosaltres.» Ken Follett La crítica ha dit... «Fascinant... flueix amb un dramatisme que t'enganxa i un ritme magistral; gestes de personatges, histrionisme familiar i intriga internacional.» The New York Daily News

El diàleg renaixentista

Daniel Alfals arriba al temut tedi decebut dels cinquanta anys refugiat a cal Pardal, on convoca una reunió d'antics companys de gresca i batalla: el cor de supervivents d'una desfeta general davant la droga. Entre tots reconstruiran el mirall que Alexandre Oscà va esmicolar a 'Cavalls salvatges'. Els miratges de la memòria, particular i col·lectiva, ens retornen a uns espais familiars, però viscuts amb el filtre que imposa el pas i el pes del temps. Davant nostre es va erigint, capa rere capa, una novel·la que depura al màxim la capacitat narrativa de Jordi Cussà. La ironia, la sensualitat, el desfici per l'aventura en totes les seves formes, la tensió entre cruessa i pietat, la liquidació dels estereotips... L'autor va deixar per a la posteritat una revisió profunda d'aquesta novel·la tan estimada; és la que recollim en aquesta edició.

Mestres de l'humor. El canvi climàtic (Mestres de l'Humor 58)

La vida tranquil·la i relaxada del Buck, un gos domèstic que ha nascut en una casa benestant, canvia radicalment d'un dia per l'altre quan uns buscadors d'or sense escrúpols el segresten de la casa del jutge Miller a Califòrnia i se l'emporten a les terres inhòspites i glaçades de l'Àrtic. El negoci de l'or exigeix gossos forts i intel·ligents com ell, capaços d'arrossegar els trineus. Comencen així una colla de dramàtiques aventures i, poc a poc, el Buck sentirà l'instint que el crida cap al bosc, cap als llops, cap als seus germans salvatges.

The leading historians who are the authors of this work offer a highly original account of one of the most important transformations in Western culture: the change brought about by the discovery and development of printing in Europe. Focusing primarily on printed matter other than books, *The Culture of Print* emphasizes the specific and local contexts in which printed materials, such as broadsheets, flysheets, and posters, were used in modern Europe. The authors show that festive, ritual, cultic, civic, and pedagogic uses of print were social activities that involved deciphering texts in a collective way, with those who knew how to read leading those who did not. Only gradually did these collective forms of appropriation give way to a practice of reading--privately, silently, using the eyes alone--that has become common today. This wide-ranging work opens up new historical and methodological perspectives and will become a focal point of debate for historians and sociologists interested in the cultural transformations that accompanied the rise of modern societies. Originally published in 1989. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Epistolari Jordi Arbonès & Joaquim Carbó

El catorzè cas de l'exinspector Mascarell transcorre a la Barcelona del 1952, en una investigació amb un final apoteòsic. Molt més que una novel·la negra. Abril del 1952. En Miquel Mascarell i en David Fortuny reben a la seva agència de detectius la visita de Montserrat, una vídua de guerra. O no tan vídua: la dona no està segura que el seu marit hagi mort i vol confirmar-ho per poder-se tornar a casar «com Déu mana». Han passat 13 anys des del final de la Guerra Civil i gairebé no queden testimonis dels últims dies en que Benito García va donar senyals de vida. La investigació se centra no només en ell, sinó també en la del grup d'amics que, el 1936, van marxar a lluitar per la democràcia i van morir en mans d'una dictadura. Tots? No, queden alguns dels implicats amb qui començar a remoure el passat. Un passat ple de sorpreses que els farà viatjar amb la moto d'en David per alguns llocs on es va combatre durant les agonies de la guerra. ¿És viu en Benito García? I si ho és, per què no ha donat senyals de vida en tretze anys? En Miquel i en David descobriran un secret transcendent en una història apassionant d'amor i redempció amb un dels finals més sorprenents de la sèrie. La crítica

ha dicho: «Els casos d'en Miquel Mascarell estan pràcticament mil·limetrats». Toni Polo, El País «No només és un encert en la novel·la policíaca espanyola, sinó també una recreació formidable d'uns anys dels quals hi ha molt poca narrativa, i molt menys crítica social». Irene Dalmases, Agencia EFE «Tant de bo tinguem Mascarell per a molt més temps. És història viva». Lilian Neuman, La Vanguardia «Una novel·la policíaca clàssica, impregnada d'un gust negre i amarg, que s'alça com alguna cosa més que un entreteniment de qualitat emmarcat en un moment dolorós de la nostra història recent». David Yagüe «L'estil de l'autor, com sempre, és tan personal i addictiu que fa que la lectura flueixi i el ritme no decaigui. Sierra i Fabra és un escriptor d'acció». Marío Dolores García Pastor, Anika Entre Libros «Si hi ha alguna cosa que caracteritzi la sèrie Mascarell, escrita per Sierra i Fabra, és l'ambientació tan encertada de les trames». Ricardo Bosque, revista Calibre.38 «En Mascarell està completament arrelat en la història negra d'aquest país..., en la novel·la negra d'aquest país». Interrobang «Les novel·les de l'exinspector Mascarell són molt més que unes simples novel·les policíiques. Moltíssim més que això». Fernando Baeta, El Español «En Miquel Mascarell és un d'aquests personatges que es transcendeixen a si mateixos i deixen de ser herois de paper per convertir-se pràcticament en persones de carn i ossos, tot gràcies a la seva humanitat i al seu impacte en els lectors». Anabel Sáiz Ripoll, Top Cultural «Si una cosa tenim clara els amants de la bona literatura policíaca és que llegir Jordi Sierra i Fabra és sinònim de gaudir de qualitat literària. Llarga vida a l'inspector Mascarell!». Daniel González, blog Asesinato en la Página 13

Sobre la poesia catalana contemporània

La civilització avança a cops de geni, i aquesta novel·la n'és una mostra. ¿D'on van sortir els llampecs d'inspiració que van catapultar obres com les de Ramon Llull, Antoni Gaudí i Patti Smith? Ens acostarem a la resposta seguint la peripècia d'un beuratge misteriós capaç de treure el millor i el pitjor de cadascú. Hi trobarem deixebles il·lustres de Leonardo, amics caïres de Cervantes, els últims deliris d'Edgar Allan Poe o els secrets de la filla genial de William Shakespeare. I la història d'un escriptor, Virgili Parda, que malda per enllestir una obra inacabable, enganxat a la mateixa font de gaudi, coneixement i metzina que comparteixen els protagonistes de la seva ficció. Jordi Cussà va culminar aquesta novel·la, clau en la seva trajectòria, pocs mesos abans de morir. És la cirereta del seu magnífic llegat literari. «Li constava que la literatura, o més ben dit l'esforç narratiu creatiu, li havia salvat la vida. Li havia justificat gairebé quatre dècades de respirar i fer la viu-viu, esperant sempre que al capdavant ell, ell com a individu més enllà de cap altra persona, hi descobrís un sentit genuí.» Jordi Cussà també ha publicat amb Comanegra El primer emperador i la reina Lluna .

Entre els moltíssims textos escrits per Josep Pla, la sèrie dels Homenots ocupa un lloc destacadíssim. És en els seixanta Homenots de la versió final (recollits entre 1969 i 1975 en quatre volums de l'Obra Completa de Destino) on Pla compendia la seva visió del país i dels homes que n'han forjat la cultura, la política i l'economia modernes. Pla evoca cada personatge recurrent a la pròpia memòria i a les converses amb els testimonis més propers, i en dóna un retrat que sol ser, alhora, exemplar i eficaç. Però, a més d'il·lustrar la història recent de Catalunya a través d'algun dels seus protagonistes, amb els Homenots Pla també fa, inevitablement, literatura. I és molt sovint una literatura d'altíssima qualitat. Tenint en compte aquest últim factor, Toni Sala ha escollit els dotze homenots que aplega aquest volum: els dedicats a Joaquim Ruyra, Josep Miró i Folguera, Amadeu Vives, Josep Carner, Andreu Nin, Josep M. de Sagarra, Joan Crexells, Joan Estelrich, Josep Trueta, Josep M. Cruzet, Salvador Dalí i Salvador Espriu. El resultat és un tast imprescindible de la millor prosa de Josep Pla.

La creativitat no és innata. El copywriting s'aprèn. De la mateixa manera que podem treballar els músculs del cos, podem entrenar el cervell a pensar de manera creativa. Aquest llibre pretén explicar què és el copywriting o la redacció publicitària, els seus principis, les funcions del redactor, el procés de conceptualització, el poder de l'storytelling per explicar bones històries, i el paper de l'humor per captar l'atenció. Combina teoria i pràctica amb una activitat al final de cada capítol. El que és difícil no és escriure per a diferents mitjans o entorns digitals, sinó escriure bons textos amb un propòsit concret: persuadir a qui els llegeix.

El llindar de l'eternitat (The Century 3)

Una història tendra i punyent sobre la maternitat, la fragilitat humana i la lluita per la vida. Quan van diagnosticar el seu fill nou-nat amb una malaltia del cor, la Cristina va sentir que el seu món s'ensorrava. Han passat setze anys i avui el Marc és un adolescent avesat a les visites mèdiques i els hospitals, i la Cristina s'ha convertit en el nucli dur d'una família enfortida a cop d'ensurts i esperança. Però contra tot pronòstic, després del trasplantament, quan el Marc per fi té un cor sa, els llaços més estrets comencen a mostrar-se fràgils i desvalguts. Colpidora i plena de llum, aquesta és la història d'amor entre una mare i un fill. És també la història de la lluita per la vida, un combat acarnissat contra l'amenaça de perdre allò que més estimem i, alhora, el pols que ens empeny a viure: la bellesa ens pot venir a trobar a qualsevol lloc, només ens cal estar atents.

The Jokes

Fiction. A war veteran has a crisis on a beach. A woman experiences the stopping of time and is humbled and energized. A family takes a trip through Virginia. A college graduate gets a job as a cook on a boat. A little girl selects a gift for her grandmother. A little boy has a halting conversation with his parents before he leaves the house. A woman remembers an affair. A house is struck by lightning. We sit, hunched over the words that appear on our smartphone screens, altogether unaware of the story of our lives that is going on around us, even as we focus on the minutiae of our social media "friends'" daily activities. These are the stories that draw our undivided attention, and these are the types of deftly observed, wholly engrossing narratives that make up Stephen Thomas's debut flash-fiction collection, *THE JOKES*. Presented in the form of a series of moments in a social media-like 'feed,' this collection of very short stories riffs on the form of 'the joke,' but as this might be understood by the best culture-critical comedians of our time: Andy Kaufman, Stephen Wright, Norm McDonald, Jon Stewart, Richard Pryor. And much like those stand-up artists who sanctified the joke-form, these stories deal with sometimes-intense subjects, yet with a kind of SSRI-like placidity that allows readers to cling to

each word as the narratives unfold. Sad and funny, hopeful and determined, nostalgic and cerebral, the vignettes in *The Jokes* offer a very personal, yet amazingly relatable entry-point into some of the big ideas that trouble our times—religion, sexuality, life and death, and ways of being in the world—all while coloured by touches of weird otherworldliness that living in someone else's social media feed can bring. "Stephen Thomas is a writer who's smart, thoughtful, engaging, but also mischievous, like a little kid who knows he shouldn't misbehave, but does it anyway. His debut collection, *THE JOKES*, feels to me like an absent-minded Lydia Davis trying to write deadpan comedy skits for Cartoon Network's Tim & Eric. It's anti-humour that's actually funny, sketches in which nothing is ever resolved, mini-stories that start at Point A and then seem to forget what they were even talking about. This is a book full of surprises." --Guillaume Morissette "Lydia Davis and Etgar Keret move in together and decide to adopt a son. They settle on Stephen Thomas. He has a pithy style and a funny bone. Years later, at the launch of his book *THE JOKES*, Stephen reads a little story. It packs a novel's worth of material into two short paragraphs. At the back of the room, sipping their red wine, Lydia and Etgar beam." --Neil Smith "Stephen Thomas writes little stories, but be wary of little things: they punch and expand and bruise and heal and break and reveal; they are revelatory. If you are an addict, the stories in Stephen Thomas's *THE JOKES* will be your next drug of choice. Not only can you not read just one, you must binge--and so you turn the page, blissful and aching." --Lily Hoang

Why the Long Joke?

This is a very silly book. If that's not your thing, then at least buy it for a wayward niece. Inside, you'll find thousands of ideas: dozens of stories, poems, diagrams, lists and cartoons, along with hundreds of jokes and approximations thereof. Is this the funniest book ever published? Well, that's very nice of you to suggest, but at least read it first. James Thomas, what wrote the book, is the elected President of Twitter. But don't let that put you off. He works hard at this nonsense, and has several other irons (books) in the fire (not literally). Why *The Long Joke?* is the consequence of several years of throwing away Brilliant Material in favor of Ultimate Stupidity. A difficult process, but as you'll see, the results speak for themselves. Inside you'll find countless nuggets of comedy bronze, including "How to Write a Sentence"; "Edgar Allan Poe Goes to a Music Festival"; and "The Three Letters from Saint Paul to the Venusians." Do not, also, miss the author's original illustrations, such as "Dinosaurs of the Future" and "How to Tell If You're Dead"--they're exactly as useful as they sound.

Winnie's Jokes

Why did Winnie give up tap dancing? She kept falling in the sink. What do you call Winnie when she's at the seaside? A sandwich. Whether you're a giggler or a chuckler, a groaner or a chortler, with jokes like these, this book will have you laughing out loud from start to finish!

Too Funny for Words

The irrepressible, hysterical, puntastical Tim Vine, star of stage and screen, treats all of us here in his first joke book. Packed full of zingers and hilarious illustrations, if this doesn't put a smile on your face, nothing will. What's not to like: The other day someone left a piece of plasticine in my dressing room. I didn't know what to make of it. I'm against hunting. I'm actually a hunt saboteur. I go out the night before and shoot the fox. I saw this bloke chatting up a cheetah. He was trying to pull a fast one. Black holes. I don't know what people see in them. So I fancied a game of darts with my mate. He said, 'Nearest the bull goes first.' He went 'Baah' and I went 'Moo'. He said 'You're closest.' Velcro. What a rip-off. Black Beauty. He's a dark horse. I've got a sponge front door. Hey, don't knock it.

VULGAR JOKES

Here's an accusation – Sherlock Holmes never deduced anything. When it comes to language, it all depends on what your definition of 'is' is. And one for the existentialists – you haven't lived until you think about death all the time. Daniel Klein and Thomas Cathcart take philosophy to task with flair and gusto in this wise and hilarious treasure of a book. Lively, original, and powerfully informative, *Plato and a Platypus Walk Into a Bar...* is an irreverent crash course through the great thinkers and traditions. It's philosophy for everyone, from the curious layperson to the professor who's seen it all. Klein and Cathcart have the knack of getting to the core of an issue in a crystal clear line, meaning there's more room for jokes – good jokes, clever jokes, jokes that'll have you laughing so hard the people nearby will shoot you strange looks. It's the philosophy class you wish you'd had and finally, it all makes sense!

Joke-tionary Jokes

Presents a collection of jokes for young readers, including one liners, knock knock jokes, and tongue twisters.

Jokes Told in Heaven about Babies

An unforgettable coming of age novel for fans of 13 Reasons Why, It's Kind of a Funny Story, and The Perks of Being a Wallflower. Fifteen-year-old Jeff wakes up on New Year's Day to find himself in the hospital—specifically, in the psychiatric ward. Despite the bandages on his wrists, he's positive this is all some huge mistake. Jeff is perfectly fine, perfectly normal; not like the other kids in the hospital with him. But over the course of the next forty-five days, Jeff begins to understand why he ended up here—and realizes he has more in common with the other kids than he thought. "With a sprinkling of dark humor and a full measure of humanness, Suicide Notes is quirky, surprising, and a riveting read." —Ellen Hopkins, author of The You I've Never Known and Love Lies Beneath "Like the very best teen novels, Suicide Notes is both classic and edgy, timeless and provocative." —Brent Hartinger, author of Geography Club "Makes a powerful emotional impact." —Publishers Weekly (starred review) "Jeff's wit and self-discovery are refreshing, poignant, and, at times, laugh-out-loud funny." —School Library Journal

From the stage of the Grand Ole Opry to concert halls around the world, and on television's Hee Haw and Prime Time Country, Cousin Minnie Pearl entertained fans and friends with her stories about Grinder's Switch and her jokes. Now you can recall the best of them, such as . . . This week we decided we'd better take Brother up to Nashville and try to get him a job. So I took him to one of the places and the man said he'd give Brother a job. He said, "I can start you at thirty dollars a week and in five years you'll get two hundred!" Brother said, "That's fine. I'll be back in five years!" Mr. Smith, a seventy-five-year-old multimillionaire, just married a young, beautiful eighteen-year-old girl. A friend asked, "How did you get an eighteen-year-old to marry you when you're seventy-five?" The man said, "I told her I was ninety-five!" Also included are memories of Minnie by . . . Porter Wagoner Ralph Emery Bill Anderson Johnny Russell Little Jimmy Dickens Jimmy C. Newman
