What Makes a Good Law School Teacher

Biggest Surprise

The General Discussion

The Arizona Citizens Clean Elections Act

Strict Scrutiny

Because Your Job Is To Look at that Statute and To Try To Figure Out What It Means Putting Aside whether You Think It's a Good or Bad Statute Your Job Is To Try To Figure Out What Congress Meant To Do When It Passed the Statute and To Resolve Ambiguities and and and and Fill Gaps in the Way That You Think Congress Would Have Intended To Do So because Congress Is the Decision-Making Body Here and You Know this this the Same Thing Is True although in a Somewhat Different Way because of the More Open-Ended Provisions When You'Re Dealing with Constitutional

What Matters Is Is I Mean We Have a Very Distinctive Constitution with a Very Distinctive Set of Provisions and that Nothing that another Country Does Is Going To Settle that Question on the Other Hand I Think that There Are some People Who Would Say Well You Can Never Sight of a Foreign Case or You Can Never At All Refer to What a Foreign Court Has Done and and that Seems Long to Me As Well that You Know in in Just the Same Way That You Might Cite a Law Review Article because the Law Review Article Has a Good Idea in It You Might Cite a Foreign Precedent

But in Fact There Is no Law That Says that You Can't See an Arm of Eight the Reason You Can't See in Our Moving Is because the Industry Itself Has Decided that You Shouldn't Be Able to and the Video Game Industry Has Decided the Exact Same Thing and the Question in the California Case Which Is a Question That Has Not Come Up in the Movies because There Are no Such Laws Is whether in Addition to a Voluntary Rating System the State Can Come and Input Various Restrictions on but It's a Great Question We Have Time for a Couple More Questions but I Have To Follow the Microphone Over Here as Solicitor General You Were Handed Position To Argue It Which May or May Not Have Agreed with Your Own Position How Did You Handle that

As Solicitor General You Were Handed Position To Argue It Which May or May Not Have Agreed with Your Own Position How Did You Handle that Well I Had a Job To Do You Know and and that Job Was To Represent the Interests of the United States and There Are a Whole Set of Rules and and Traditions That That Enable the Solicitor General To Figure Out What the Interests of the United States Are in a Particular Case and as You Say Sometimes though that's that's Not the Position that that I Myself Would Have Favored and Not the Position That I Would Have Reached

And in My Descent I Said that the Parties Did Have Standing Which Means a Right To Sue a Right To Bring a Claim Saying that There Was an Establishment of Religion so as a Judge I Said There Was Standing but I Have no Doubt that if I Had Been Solicitor General I Would Have Taken the Position of this That the Solicitor General in Fact Took Which Was To Argue that There Was no Standing because that Is Consistent with a Whole Tradition That the Solicitor General's Office Has with Respect to a Cases Involving Standing and that's Just You Know that's the Job You Take Your When Somebody Asks You To Be Solicitor General if You Can't Do that You Shouldn
