Native Life in South India; Being Sketches of the Social and Religious Characteristics of the Hindus

This selection of texts introduces students and researchers to the multi- and interdisciplinary field of mission history. The four parts of this book acquaint the readers with methodological considerations and recurring themes in the academic study of the history of mission. Part one revolves around methods, part two documents approaches, while parts three and four consist of thematic clusters, such as mission and language, medical mission, mission and education, women and mission, mission and politics, and mission and art. Critical Readings in the History of Christian Mission is suitable for course-work and other educational purposes.

Native Life in India; Being Sketches of the Social and Religious Characteristics of the Hindus

Describes the exceptional wealth of missionary archives and the major contributions they can make not only to the study of the processes of Christian evangelism and Western imperialism but also their value in documenting and analysing the nature of Western encounters with indigenous societies.
