Intro

Add sugar & yeast in warm milk, & allow to bubble up

You must use wheat flour, and NOT all purpose flour.

Add beaten eggs

Now add the yeast & milk

Add only half of the melted vegetable shortening

Do not substitute with butter.

Cut parchment paper in squares to rest your donoughts

Flour the surface. You can use allpurpose flour.

Super soft dough.

Allow to proof until double the size

Add some vanilla

Perfect...

Always try a small piece first.

Place with the parchment paper to avoid deflating.

Super light and perfectly golden.

Place on a cooling rack

What is a Corporate Resolution?

Corporate resolutions include most formal actions and decisions approved by your board of directors
Corporate Resolutions are valuable as they establish the actions taken by, and on behalf of, the corporation.

As a general rule all records, resolutions, and meeting minutes of your corporation should be kept in your Corporate Minute Book as preserving these official documents long term is useful in the event that the actions of the Board of Directors are ever challenged or need to be proven.

Not all actions taken by the board need to be recorded on a corporate resolution

A corporate resolution is a legal document and should follow a certain standard structure.

A properly-drafted corporate resolution documents the presentation of the business matter being voted on

the details of the decision, the date and how it was made

and includes the signatures of those who voted, such as the board of directors or members.

A corporate resolution often doesn't need to be a complex document

but it's legally binding and part of the official corporate records

Therefore, it's a best practice to use a legally approved template

a corporate resolution should be reviewed and approved by an attorney who understands

The biggest electoral year in history: Will democracy survive 2024? | DW News - The biggest electoral year in history: Will democracy survive 2024? | DW News by DW News 633,561 views 1 month ago 33 minutes - 2024 is the biggest electoral year in history, with people heading to the polls in dozens of countries. This is DW's preview to the ...

A battle of the system: Democratization once seemed unstoppable — but now authoritarianism is on the rise. Will 2024 be the year democracy gets a vote of confidence, or eats itself alive?

The world votes: How does democracy work?

Taiwan: A win for democracy? A split vote in Taiwan won't ease geopolitical pressure, but the elections themselves are part of the systemic struggle between autocracy and democracy.

India: Is majority rule enough? Prime Minister Narendra Modi is expected to secure a third term in office. But amid accusations of discrimination toward minorities, is gaining majority support good enough for good democracy?

Can South Africa revive its democratic dream? 2024 marks thirty years since the end of the racist apartheid regime in South Africa. Amid falling turnout and voter frustration, can a push to rejuvenate South African democracy work?

Mexico: Change for good? Mexico is set to get its first woman president in 2024. But amid allegations of backsliding under the outdoing leader, will this change help turn things around?

Will **European democracy**, vote itself out of office?

Will the US resign from democracy's top job? Donald Trump is expected to make a comeback in the 2024 presidential race. Could a possible return imperil the future of democracy in the US and beyond?

Will democracy survive? Democracy stands on shaky ground in 2024. Is it still the right system for

the challenges of this century?
