The Underground Man

When a chance encounter makes him a witness to the abduction of a child, private detective Lew Archer can't help but be drawn into the case, pursuing a trail that leads all too quickly to murder. While forest fires rage in the hills around Los Angeles, threatening the homes of some of the city's wealthiest families, Archer unearths a hidden history of failed marriages, runaway children, and a man's life consumed by a search for the father who abandoned him. Ross Macdonald's Lew Archer mysteries rewrote the conventions of the detective novel with their credible, humane hero, and with Macdonald's insight and moral complexity won new literary respectability for the hardboiled genre previously pioneered by Dashiell Hammett and Raymond Chandler. They have also received praise from such celebrated writers as William Goldman, Jonathan Kellerman, Eudora Welty and Elmore Leonard.

The Underground Man

As a mysterious fire rages through an affluent community in Southern California, Lew Archer tracks a missing--and possibly kidnapped--child and uncovers an entire secret history of wayward parents, wounded offspring, and murder.

The Galton Case

Almost twenty years have passed since Anthony Galton disappeared, along with a suspiciously streetwise bride and several thousand dollars of his family's fortune. Now Anthony's aging and very rich mother wants him back and has hired Lew Archer to find him. What turns up is a headless skeleton, a boy who claims to be Galton's son, and a con game whose stakes are so high that someone is still willing to kill for them.

The Goodbye Look

Lew Archer has been hired to investigate a burglary at the mission-style mansion of Irene and Larry Chalmers. The prime suspect, their son Nick, has a talent for disappearing, and they are a family with money and memories to burn.

Notes from Underground

The underground man has always felt like an outsider. He doesn't want to be like other people, working in the 'ant-hill' of society. So he decides to withdraw from the world, scrawling a series of darkly sarcastic notes about the torments he is suffering. Is he going mad? Or is it the world around him that is insane? The Underground Man

One of the most acclaimed novels of recent times, *The Underground Man* is the fictionalised diary of a deeply eccentric English aristocrat. The duke has just completed a network of tunnels beneath his estate. His health is failing, but his imagination seems to know no bounds. And while he spends more time underground and retreats ever deeper into the darker corners of his house there are some ghosts that demand to be acknowledged and some memories which insist on making themselves known.

I Who Have Never Known Men

A work of fantasy, *I Who Have Never Known Men* is the haunting and unforgettable account of a near future on a barren earth where women are kept in underground cages guarded by uniformed groups of men. It is narrated by the youngest of the women, the only one with no memory of what the world was like before the cages, who must teach herself, without books or sexual contact, the essential human emotions of longing, loving, learning, companionship, and dying. Part thriller, part mystery, *I Who Have Never Known Men* shows us the power of one person without memories to reinvent herself piece by piece, emotion by emotion, in the process teaching us much about what it means to be human.

Notes from the Underground and Other Stories

A collection of Dostoevsky's short stories, including *Notes From The Underground* which is considered to be one of the first works of existential literature.

The Road to Wigan Pier

The Road to Wigan Pier is Orwell's 1937 study of poverty and working-class life in northern England.

Secret Rendezvous

'A gorgeously entertaining, provocative book' *Chicago Tribune* It is 4am when the ambulance comes to take the man's wife away - although no-one has called it, and there is nothing wrong with her. As he sets out to find her, he finds himself in the corridors of a vast underground hospital, where he encounters sinister medics, freakish sexual experiments and the unmistakable feeling of being watched. Even when he is suddenly appointed as the hospital's chief of security, reporting to a man who thinks he is a horse, he will not give up his search. *Secret Rendezvous* is a nightmarish satire of bureaucracy, medicine and modern life. 'Reads as if it were the collaborative effort of Hieronymus Bosch, Franz Kafka and Mel Brooks' *Chicago Sun Times*

The Black Ball

'If he only knew what it was, he would fix it; he would kill this mean thing that made Mama feel so bad.' Belonging and estrangement intertwine in these four lyrical short stories from the the author of *Invisible Man*. *Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series*, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space.

Dostoevsky

Joseph Frank's award-winning, five-volume *Dostoevsky* is widely recognized as the best biography of the writer in any language--and one of the greatest literary biographies of the past half-century. Now Frank's monumental, 2500-page work has been skillfully abridged and condensed in this single, highly readable volume with a new preface by the author. Carefully preserving the original work's acclaimed narrative style and combination of biography, intellectual history, and literary criticism, *Dostoevsky: A Writer in His Time* illuminates the writer's works--from his first novel *Poor Folk* to *Crime and Punishment* and *The Brothers Karamazov*--by setting them in their personal, historical, and above all ideological

context. More than a biography in the usual sense, this is a cultural history of nineteenth-century Russia, providing both a rich picture of the world in which Dostoevsky lived and a major reinterpretation of his life and work.

Notes from Underground and the Double

Collected here in Penguin Classics are two of Fyodor Dostoyevsky's shorter works, *Notes from Underground* and *The Double*, translated by Ronald Wilks with an introduction by Robert Louis Jackson. Alienated from society and paralysed by a sense of his own insignificance, the anonymous narrator of Dostoyevsky's groundbreaking *Notes from Underground* tells the story of his tortured life. With bitter irony, he describes his refusal to become a worker in the 'anthill' of society and his gradual withdrawal to an existence 'underground'. The seemingly ordinary world of St Petersburg takes on a nightmarish quality in *The Double* when a government clerk encounters a man who looks exactly like him - his double, perhaps, or possibly the darker side of his own personality. Like *Notes from Underground*, this is a masterly tragicomic study of human consciousness. Ronald Wilks's extraordinary new translation is accompanied here by an introduction by Robert Louis Jackson discussing these pivotal works in the context of Dostoyevsky's life and times. This edition also contains a chronology, bibliography, table of ranks and notes on each work. Fyodor Mikhailovich Dostoyevsky (1821-1881) was born in Moscow. From 1849-54 he lived in a convict prison, and in later years his passion for gambling led him deeply into debt. His other works available in Penguin Classics include *Crime and Punishment*, *The Brothers Karamazov*, *The Idiot* and *Demons*. If you enjoyed *Notes from Underground* and *The Double*, you might like Dostoyevsky's *Demons*, also available in Penguin Classics. 'Notes from Underground, with its mood of intellectual irony and alienation, can be seen as the first modern novel ... That sense of meaninglessness of existence that runs through much of twentieth-century writing - from Conrad and Kafka, to Beckett and beyond - starts in Dostoyevsky's work' Malcolm Bradbury

The Victim

Leventhal is a natural victim; a man uncertain of himself, never free from the nagging suspicion that the other guy may be right. So when he meets a down-at-heel stranger in the park one day and finds himself being accused of ruining the man's life, he half believes it. He can't shake the man loose, can't stop himself becoming trapped in a mire of self doubt, can't help becoming ... a victim.

Why Do You Wear a Cheap Watch?

'It was what we call in the trade a potato...' Tales of low-lives and grifters trying to make ends meet in pre-War Germany. Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space.

If Not Now, When?

"In Levi's writing, nothing is superfluous and everything is essential." —Saul Bellow A Penguin Classic In the final days of World War II, a courageous band of Jewish partisans makes its way from Russia to Italy, moving toward the ultimate goal of Palestine. Based on a true story, *If Not Now, When?* chronicles their adventures as they wage a personal war of revenge against the Nazis: blowing up trains, rescuing the last victims of concentration camps, scoring victories in the face of unspeakable devastation. Primo Levi captures the landscape and the people of Eastern Europe in vivid detail, depicting as well the terrible bleakness of war-ridden Europe. But finally, what he gives us is a tribute to the strength and ingenuity of the human spirit. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Green Man

Like all good coaching inns, The Green Man is said to boast a resident ghost: Dr Thomas Underhill, a notorious seventeenth-century practitioner of black arts and sexual deviancy. However, the landlord, Maurice Allington, is the sole witness to the renaissance of the malevolent Underhill. Led by an anxious desire to vindicate his sanity, Allington strives to uncover the key to Underhill's satanic powers. All while the skeletons in Allington's own cupboard rattle to get out.

NOTES FROM THE UNDERGROUND

Notes from the Underground by Feodor Dostoevsky PART I UNDERGROUND* *The author of the diary and the diary itself are, of course, imaginary. Nevertheless it is clear that such persons as the writer of these notes not only may, but positively must, exist in our society, when we consider the circumstances in the midst of which our society is formed. I have tried to expose to the view of the public more distinctly than is commonly done, one of the characters of the recent past. He is one of the representatives of a generation still living. In this fragment, entitled "Underground," this person introduces himself and his views, and, as it were, tries to explain the causes owing to which he has made his appearance and was bound to make his appearance in our midst. In the second fragment there are added the actual notes of this person concerning certain events in his life. --AUTHOR'S NOTE. I I am a sick man.... I am a spiteful man. I am an unattractive man. I believe my liver is diseased. However, I know nothing at all about my disease, and do not know for certain what ails me. I don't consult a doctor for it, and never have, though I have a respect for medicine and doctors. Besides, I am extremely superstitious, sufficiently so to respect medicine, anyway (I am well-educated enough not to be superstitious, but I am superstitious). No, I refuse to consult a doctor from spite. That you probably will not understand. Well, I understand it, though. Of course, I can't explain who it is precisely that I am mortifying in this case by my spite: I am perfectly well aware that I cannot "pay out" the doctors by not consulting them; I know better than anyone that by all this I am only injuring myself and no one else. But still, if I don't consult a doctor it is from spite. My liver is bad, well--let it get worse! I have been going on like that for a long time--twenty years. Now I am forty. I used to be in the government service, but am no longer. I was a spiteful official. I was rude and took pleasure in being so. I did not take bribes, you see, so I was bound to find a recompense in that, at least. (A poor jest, but I will not scratch it out. I wrote it thinking it would sound very witty; but now that I have seen myself that I only wanted to show off in a despicable way--I will not scratch it out on purpose!) When petitioners used to come for information to the table at which I sat, I used to grind my teeth at them, and felt intense enjoyment when I succeeded in making anybody unhappy. I almost did succeed. For the most part they were all timid people--of course, they were petitioners. But of the uppish ones there was one officer in particular I could not endure. He simply would not be humble, and clanked his sword in a disgusting way. I carried on a feud with him for eighteen months over that sword. At last I got the better of him. He left off clanking it. That happened in my youth, though. But do you know, gentlemen, what was the chief point about my spite? Why, the whole point, the real sting of it lay in the fact that continually, even in the moment of the acutest spleen, I was inwardly conscious with shame that I was not only not a spiteful but not even an embittered man, that I was simply scaring sparrows at random and amusing myself by it. I might foam at the mouth, but bring me a doll to play with, give me a cup of tea with sugar in it, and maybe I should be appeased. I might even be genuinely touched, though probably I should grind my teeth at myself afterwards and lie awake at night with shame for months after. That was my way.

In a Lonely Place

Dix Steele is back in town, and 'town' is post-war LA. His best friend Brub is on the force of the LAPD, and as the two meet in country clubs and beach bars, they discuss the latest case: a strangler is preying on young women in the dark. Dix listens with interest as Brub describes their top suspect, as yet unnamed. Dix loves the dark and women in equal measure, so he knows enough to watch his step, though when he meets the luscious Laurel Gray, something begins to crack. The American Dream is showing its seamy underside.

How Green Was My Valley

"How Green Was My Valley" is Richard Llewellyn's bestselling -- and timeless -- classic and the basis of a beloved film. As Huw Morgan is about to leave home forever, he reminisces about the golden days of his youth when South Wales still prospered, when coal dust had not yet blackened the valley. Drawn simply and lovingly, with a crisp Welsh humor, Llewellyn's characters fight, love, laugh and cry, creating an indelible portrait of a people.

The Eternal Husband

A rich and idle man confronts his dead mistress's husband in this psychological novel of duality. Powerful and accessible, it offers a captivating and revealing exploration of love, guilt, and hatred.

Penguin Modern Classics: The Complete List

'A classic is a book which has never exhausted all it has to say to its readers' from *Why Read the Classics?* by Italo Calvino Penguin Modern Classics have been shaping the reading habits of generations since 1961. This 50th anniversary catalogue offers a complete list of all the titles in print across the Modern Classics list, from Chinua Achebe to Stefan Zweig via George Orwell and everything else in between. It also contains Italo Calvino's inspiring essay on what makes a classic a classic.

The Book of Disquiet

Real and imagined undergrounds in the late nineteenth century viewed as offering a prophetic look at life in today's technology-dominated world. The underground has always played a prominent role in human imaginings, both as a place of refuge and as a source of fear. The late nineteenth century saw a new fascination with the underground as Western societies tried to cope with the pervasive changes of a new social and technological order. In *Notes on the Underground*, Rosalind Williams takes us inside that critical historical moment, giving equal coverage to actual and imaginary undergrounds. She looks at the real-life invasions of the underground that occurred as modern urban infrastructures of sewers and subways were laid, and at the simultaneous archaeological excavations that were unearthing both human history and the planet's deep past. She also examines the subterranean stories of Verne, Wells, Forster, Hugo, Bulwer-Lytton, and other writers who proposed alternative visions of the coming technological civilization. Williams argues that these imagined and real underground environments provide models of human life in a world dominated by human presence and offer a prophetic look at today's technology-dominated society. In a new essay written for this edition, Williams points out that her book traces the emergence in the nineteenth century of what we would now call an environmental consciousness—an awareness that there will be consequences when humans live in a sealed, finite environment. Today we are more aware than ever of our limited biosphere and how vulnerable it is. *Notes on the Underground*, now even more than when it first appeared, offers a guide to the human, cultural, and technical consequences of what Williams calls “the human empire on earth.”

Notes on the Underground, new edition

FROM THE AWARD-WINNING TRANSLATORS RICHARD PEVEAR AND LARISSA VOLOKHONSKY Dostoevsky's genius is on display in this powerful existential novel. The apology and confession of a minor mid-19th-century Russian official, *Notes from Underground*, is a half-desperate, half-mocking political critique and a powerful, at times absurdly comical, account of man's breakaway from society and descent 'underground'.

Notes From Underground

Excerpt from *Underground Man* The whole of Tarde is in this little book. He has put into it along with a charming fancy his genialness and depth of spirit, his ideas on the influence of art and the importance of love, in an exceptional social milieu. This agreeable daydream is vigorously thought out. On reading it we fancy we are again seeing and hearing Tarde. In order to indulge in a repetition of the illusion, a pious friendship has desired to clothe this fascinating work in an appropriate dress. Kleinzeit

The essential guide to twentieth-century literature around the world For six decades the Penguin Modern Classics series has been an era-defining, ever-evolving series of books, encompassing works by modernist pioneers, avant-garde iconoclasts, radical visionaries and timeless storytellers. This reader's companion showcases every title published in the series so far, with more than 1,800 books and 600 authors, from Achebe and Adonis to Zamyatin and Zweig. It is the essential guide to twentieth-century literature around the world, and the companion volume to The Penguin Classics Book. Bursting with lively descriptions, surprising reading lists, key literary movements and over two thousand cover images, The Penguin Modern Classics Book is an invitation to dive in and explore the greatest literature of the last hundred years.

The Penguin Modern Classics Book

Daniel Karlin has selected poetry written and published during the reign of Queen Victoria, (1837-1901). Giving pride of place to Tennyson, Robert Browning, and Christina Rossetti, the volume offers generous selections from other major poets such as Arnold, Emily Bronte, Hardy and Hopkins, and makes room for several poem-sequences in their entirety. It is wonderful, too, in its discovery and inclusion of eccentric, dissenting, un-Victorian voices, poets who squarely refuse to 'represent' their period. It also includes the work of Elizabeth Barrett Browning, George Meredith, James Thomson and Augusta Webster.

The Penguin Book of Victorian Verse

This is the only novel that Conrad set in London, and it communicates a profoundly ironic view of human affairs. The story is woven around an attack on the Greenwich Observatory in 1894. Verloc, a Russian spy who is also working for the police, is ostensibly a member of an anarchist group in Soho.

The Secret Agent

'The general uncertainty as to what is really happening makes it easier to cling to lunatic beliefs' Biting and timeless reflections on patriotism, prejudice and power, from the man who wrote about his nation better than anyone. Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. The Outsider

Most significant of the Russian novelist's early stories (1846) offers a straight-faced treatment of a hallucinatory theme. Golyadkin senior is a powerless target of persecution by Golyadkin junior, his double in almost every respect. Familiar Dostoyevskan themes of helplessness, victimization, scandal-beautifully handled in small masterpiece.

The Double

Invisible Man is a milestone in American literature, a book that has continued to engage readers since its appearance in 1952. A first novel by an unknown writer, it remained on the bestseller list for sixteen weeks, won the National Book Award for fiction, and established Ralph Ellison as one of the key writers of the century. The nameless narrator of the novel describes growing up in a black community in the South, attending a Negro college from which he is expelled, moving to New York and becoming the chief spokesman of the Harlem branch of "the Brotherhood"

Invisible Man

This overview of McCarthy's published work to date, including: the short stories he published as a student, his novels, stage play and TV film script, locates him as a iconoclastic writer, engaged in deconstructing America's vision of itself as a nation with an exceptionalist role in the world. Introductory chapters outline his personal background and the influences on his early years in Tennessee whilst each of his works is dealt with in a separate chapter listed in chronological order of publication.

Cormac McCarthy and the Myth of American Exceptionalism

It is 1938 and the prospect of war hangs over every London inhabitant. But the city doesn't stop. Everywhere people continue to work, drink, fall in love, fight and struggle to get on in life. At the lodging-house at No.10 Dulcimer Street, Kennington, the buttoned-up clerk Mr Josser returns home with the clock he has received as a retirement gift. The other residents include faded actress Connie; tinned food-loving Mr Puddy; widowed landlady Mrs Vizzard (whose head is turned by her new lodger, a self-styled 'Professor of Spiritualism'); and flashy young mechanic Percy Boon, whose foray into stolen cars descends into something much, much worse ... Includes an introduction by Ed Glinert, as well as explanatory footnotes.

London Belongs to Me

"Poetic musings on a life well-lived—one that is still moving forward, always creating, always luminous. This isn't your typical autobiography. Garfunkel's history is told in flowing prose, bounding from present to past, far from a linear rags-to-riches story." —Bookreporter "It's hard to imagine any single word that would accurately describe this book . . . an entertaining volume that's more fun to read than a conventional memoir might have been." —The Wall Street Journal "A charming book of prose and poetry printed in a digitalized version of his handwriting . . . witty, candid, and wildly imaginative . . . A highly intelligent man trying to make sense of his extraordinary life." —Associated Press From the golden-haired, curly-headed half of Simon & Garfunkel, a memoir (of sorts)—moving, lyrical impressions, interspersed throughout a narrative, punctuated by poetry, musings, lists of resonant books loved and admired, revealing a life and the making of a musician, that show us, as well, the evolution of a man, a portrait of a life-long friendship and of a collaboration that became the most successful singing duo in the roiling age that embraced, and was defined by, their pathfinding folk-rock music. In *What Is It All but Luminous*, Art Garfunkel writes about growing up in the 1940s and '50s (son of a traveling salesman, listening as his father played Enrico Caruso records), a middle-class Jewish boy, living in a redbrick semi-attached house on Jewel Avenue in Kew Gardens, Queens. He writes of meeting Paul Simon, the kid who made Art laugh (they met at their graduation play, *Alice in Wonderland*; Paul was the White Rabbit; Art, the Cheshire Cat). Of their being twelve at the birth of rock'n'roll ("it was rhythm and blues. It was black. I was captured and so was Paul"), of a demo of their song, *Hey Schoolgirl* for seven dollars and the actual record (with Paul's father on bass) going to #40 on the charts. He writes about their becoming Simon & Garfunkel, ruling the pop charts from the age of sixteen, about not being a natural performer but more a thinker, an underground man. He writes of the hit songs; touring; about being an actor working with directors Mike Nichols ("the greatest of them all"), about choosing music over a PhD in mathematics. And he writes about his long-unfolding split with Paul, and how and why it evolved, and after; learning to perform on his own . . . and about being a husband, a father and much more.

What Is It All but Luminous

Bataille's first novel, published under the pseudonym 'Lord Auch', is still his most notorious work. In this explicit pornographic fantasy, the young male narrator and his lovers Simone and Marcelle embark on a sexual quest involving sadism, torture, orgies, madness and defilement, culminating in a final act of transgression. Shocking and sacrilegious, *Story of the Eye* is the fullest expression of Bataille's obsession with the closeness of sex, violence and death. Yet it is also hallucinogenic in its power, and is one of the erotic classics of the twentieth century.

Story of the Eye

'Underground Man' is a science-fiction novel written by Gabriel Tarde. It is a post-apocalyptic story of an Earth destroyed by a new Ice Age. Humanity must rebuild a new civilization underground. The choice is made to lay the foundation of their utopia on music and art. Tarde is best-remembered today for

being a sociologist, criminologist and social psychologist who conceived sociology as based on small psychological interactions among individuals (much as if it were chemistry), the fundamental forces being imitation and innovation.

Underground Man

'So the club rose, the blood came down, and his bitterness and his anguish and his guilt were compounded.' Drawing on Baldwin's own experiences of prejudice in an America violently divided by race, these searing essays blend the intensely personal with the political to envisage a better world. Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space.

The Red Pony

Young Jody Tiflin lives on his father's California ranch. He is thrilled when his father gives him a red pony, and later promises him the colt of a bay mare. Both these gifts bring joy to Jodi's life - but tragedy soon follows. As Jodi begins to learn the harsh lessons of life and death, he starts to understand what growing-up and becoming an adult really means.

The Red Pony and Other Stories

Semi-autobiografisch verhaal over een Amerikaanse plattelandsjongen in wiens leven paarden een grote rol spelen. Voor de hogere klassen voortgezet onderwijs.

The Red Pony

Drifters in search of work, George and his childlike friend Lennie, have nothing in the world except the clothes on their back - and a dream that one day they will have some land of their own. Eventually they find work on a ranch in California's Salinas Valley, but their hopes are dashed as Lennie - struggling against extreme cruelty, misunderstanding and feelings of jealousy - becomes a victim of his own strength. Tackling universal themes of friendship and shared vision, and giving a voice to America's lonely and dispossessed, *Of Mice and Men* remains Steinbeck's most popular work, achieving success as a novel, Broadway play and three acclaimed films.

The Red Pony

Set in England, Africa and Italy this collection of Steinbeck's World War II news correspondence was written for the New York Herald Tribune in the latter part of 1943.

The Red Pony & Other Stories

In Monterey, on the California Coast, Sweet Thursday is what they call the day after Lousy Wednesday, which is one of those days that's just naturally bad. Returning to the scene of CANNERY ROW, the weedy lots, junk heaps and flop houses of Monterey, Steinbeck once again brings to life the denizens of a netherworld of laughter and tears. The book is in many ways a statement about Steinbeck's greatest theme: the common bonds of humanity and love which make goodness and happiness possible.

The long Valley

Ethan Allen Hawley has lost the acquisitive spirit of his wealthy forebears. Scarred by failure, Ethan works as a grocery store clerk. But his wife is restless, his teenage children troubled and hungry for material comforts. Then a series of unusual events reignites Ethan's ambition.

The Red Pony

When Kino, an Indian pearl-diver, finds 'the Pearl of the world' he believes that his life will be magically transformed. He will marry Juana in church and their little boy, Coyotito, will attend school. Obsessed by his dreams, Kino is blind to the greed, fear and violence the pearl arouses in him and his neighbours. Written with lyrical simplicity *The Pearl* explores the secretive nature of man, the depths of evil within, and the consequences of rebellion.

Of Mice and Men

This text is a collection of Steinbeck's rendition of stories heroic, romantic and tragic from Malory's *Morte D'Arthur* which chronicle the life of Arthur, from his mysterious birth through battles and adventures to his establishment as king.

Once There Was a War

A Penguin Classics Deluxe Edition of Steinbeck's brilliant short novels Collected here for the first time in a deluxe paperback volume are six of John Steinbeck's most widely read and beloved novels. From the tale of commitment, loneliness and hope in *Of Mice and Men*, to the tough yet charming portrait of people on the margins of society in *Cannery Row*, to *The Pearl*'s examination of the fallacy of the American dream, Steinbeck stories of realism, that were imbued with energy and resilience. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Sweet Thursday

In 1960, when he was almost 60 years old, John Steinbeck set out to rediscover the United States, feeling he might have lost touch with its sights sounds and the essence of its people. This book describes his travels in a pick-up truck across nearly 40 states with his dog Charlie, a French poodle.

The Winter of Our Discontent

"Steinbeck is an artists; and he tells the stories of these lovable thieves and adulterers with a gentle and poetic purity of heart and of prose." —New York Herald Tribune A Penguin Classic Adopting the structure and themes of the Arthurian legend, John Steinbeck created a "Camelot" on a shabby hillside above the town of Monterey, California, and peopled it with a colorful band of knights. At the center of the tale is Danny, whose house, like Arthur's castle, becomes a gathering place for men looking for adventure, camaraderie, and a sense of belonging—men who fiercely resist the corrupting tide of honest toil and civil rectitude. As Nobel Prize winner Steinbeck chronicles their deeds—their multiple lovers, their wonderful brawls, their Rabelaisian wine-drinking—he spins a tale as compelling and ultimately as touched by sorrow as the famous legends of the Round Table, which inspired him. This edition features an introduction by Thomas Fensch. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Pearl

Ten-year-old Jody carefully grooms and trains the red pony colt his father has given him, only to face the possibility of losing him to sickness.

The Acts of King Arthur and His Noble Knights

Shocking and controversial when it was first published in 1939, Steinbeck's Pulitzer prize-winning epic remains his undisputed masterpiece. It tells of the Joad family who travel West in search of the promised land, and find only broken dreams.

The Short Novels of John Steinbeck

Part of the Penguin Orange Collection, a limited-run series of twelve influential and beloved American classics in a bold series design offering a modern take on the iconic Penguin paperback A Penguin Classic Winner of the 2016 AIGA + Design Observer 50 Books | 50 Covers competition For the seventieth anniversary of Penguin Classics, the Penguin Orange Collection celebrates the heritage of Penguin's iconic book design with twelve influential American literary classics representing the breadth and diversity of the Penguin Classics library. East of Eden The masterpiece of Steinbeck's later years, East of Eden is a sprawling epic in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence.

Travels with Charley

A Literature Kit. Steinbeck recalls four loosely connected episodes from his own childhood, weaving them together into an unforgettable classic. Growing up on a remote ranch in California, ten-year-old Jody Tiflin's life is forever changed when his father gives him a beautiful red pony. With the help of his father's hired hand, Billy Buck, Jody commits himself whole-heartedly to the raising of this wonderful colt. When the colt grows ill and dies, Jody's world is shattered, as is his faith in Billy Buck, who had assured the boy that the pony would recover. Jody's father promises him a colt which will soon be born to their mare that dies at the birth. The stories weave together in effortless fashion, chronicling the coming of age story of young Jody Tiflin

This reader's companion showcases every title published in the series so far, with more than 1,800 books and 600 authors, from Achebe and Adonis to Zamyatin and Zweig. It is the essential guide to twentieth-century literature around the world, and the companion volume to The Penguin Classics

Book. Bursting with lively descriptions, surprising reading lists, key literary movements and over two thousand cover images, The Penguin Modern Classics Book is an invitation to dive in and explore the greatest literature of the last hundred years.

The Gift

Roark is a bad man. His pig is a bad pig. They match in devilish temperament and violent deeds. Roark laughs at a drowned monk; his pig eats its own young and turns a boar sterile. As a spiteful tithe, the pig is given to the local monastery. The pig becomes a Christian. The pig is Saint Katy the Virgin. Fantastical and farcical, this short story parodies religious tropes and stereotypes. With a lively imagination and piercing wit, John Steinbeck delivers an absurd tale that amuses and entertains whilst asking powerful, revealing questions.

The Grapes of Wrath

Drifters in search of work, George and his childlike friend Lennie have nothing in the world except the clothes on their back - and a dream that one day they will have some land of their own. Eventually they find work on a ranch in California's Salinas Valley, but their hopes are dashed as Lennie becomes a victim of his own strength. Tackling universal themes of friendship and shared vision, and giving a voice to America's lonely and dispossessed, *Of Mice and Men* remains Steinbeck's most popular work, achieving success as a novel, Broadway play and three acclaimed films. With an introduction and study notes by Dr. Barbara Heavilin

East of Eden

The papers all said he was a fiend. I read all the papers. That's what they all said.' One of America's greatest writers explores mob violence, voyeurism and betrayal in these unforgettable tales of Californian life.

A Literature Kit for The Red Pony by John Steinbeck

This classic collection of short stories serves as the ideal introduction to Steinbeck's work. Set in the idyllic Salinas Valley in California, where simple people farm the land and struggle to find a place for themselves in the world, these stories reflect many of the concerns key to Steinbeck as a writer; the tensions between town and city, labourers and owners, past and present. Included here are the celebrated tales, *THE MURDERER* and *THE CHRYSANTHEMUMS*.

The Short Novels of John Steinbeck

This collection of letters forms a fascinating day-by-day account of Steinbeck's writing of *EAST OF EDEN*, his longest and most ambitious novel. The letters, ranging over many subjects - textual discussion, trial flights of workmanship, family matters - provide an illuminating perspective on Steinbeck, the creative genius, and a private glimpse of Steinbeck, the man.

The Penguin Modern Classics Book

A Penguin Classic In his first novel to follow the publication of his enormous success, *The Grapes of Wrath*, Steinbeck's vision comes wonderfully to life in this imaginative and unsentimental chronicle of a bus traveling California's back roads, transporting the lost and the lonely, the good and the greedy, the stupid and the scheming, the beautiful and the vicious away from their shattered dreams and, possibly, toward the promise of the future. This edition features an introduction by Gary Scharnhorst. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Saint Katy the Virgin

The highly anticipated, unforgettable new story from the internationally bestselling, multi-award-winning author of *WONDER*. 'Thrillingly told . . . Palacio is a fantastic writer' *The Times* 'Perfection . . . A beautiful, funny, heart-twisting wonder of a book . . . A brilliant story of love and courage' *Wall Street Journal* When

Silas Bird wakes in the dead of night, he watches powerlessly as three strangers take his father away. Silas is left shaken, scared and alone, except for the presence of his companion, Mittenwool . . . who happens to be a ghost. But then a mysterious pony shows up at his door, and Silas knows what he has to do. So begins a perilous journey to find his father - a journey that will connect him with his past, his future, and the unknowable world around him. PONY is a breathtaking and powerful read, perfect for fans of Michael Morpurgo and Hannah Gold and destined to become a future classic.

Of Mice and Men

The Wayward Bus

Over the millennia, many great writers, from Pliny and Plutarch to C.S. Lewis and John Steinbeck, have addressed diverse canine themes in their work, usually in a broader, human context. Late in the 20th century it was conclusively established by modern science that all dogs, without exception, are descended from wolves. Viewed through the dynamic lens of this new model, the constantly evolving relationship between humankind and canines, both wild and domesticated, appears more complex and intertwined than ever before. This survey reviews what 20 selected authors from the Western tradition have had to say on the same subject matter leading up to our present times.

Winner of the 2021 Los Angeles Times Book Prize for Biography A Publishers Weekly Best Book of 2020 in Nonfiction A resonant biography of America's most celebrated novelist of the Great Depression. The first full-length biography of the Nobel laureate to appear in a quarter century, Mad at the World illuminates what has made the work of John Steinbeck an enduring part of the literary canon: his capacity for empathy. Pulitzer Prize finalist William Souder explores Steinbeck's long apprenticeship as a writer struggling through the depths of the Great Depression, and his rise to greatness with

masterpieces such as *The Red Pony*, *Of Mice and Men*, and *The Grapes of Wrath*. Angered by the plight of the Dust Bowl migrants who were starving even as they toiled to harvest California's limitless bounty, fascinated by the guileless decency of the downtrodden denizens of Cannery Row, and appalled by the country's refusal to recognize the humanity common to all of its citizens, Steinbeck took a stand against social injustice—paradoxically given his inherent misanthropy—setting him apart from the writers of the so-called "lost generation." A man by turns quick-tempered, compassionate, and ultimately brilliant, Steinbeck could be a difficult person to like. Obsessed with privacy, he was mistrustful of people. Next to writing, his favorite things were drinking and womanizing and getting married, which he did three times. And while he claimed indifference about success, his mid-career books and movie deals made him a lot of money—which passed through his hands as quickly as it came in. And yet Steinbeck also took aim at the corrosiveness of power, the perils of income inequality, and the urgency of ecological collapse, all of which drive public debate to this day. Steinbeck remains our great social realist novelist, the writer who gave the dispossessed and the disenfranchised a voice in American life and letters. Eloquent, nuanced, and deeply researched, *Mad at the World* captures the full measure of the man and his work.
