Spa Day for Zap the Senior Guinea Pig ***Satisfying Boar Cleaning Bonus*** - Spa Day for Zap the Senior Guinea Pig ***Satisfying Boar Cleaning Bonus*** by Saskia from Los Angeles Guinea Pig Rescue 1,439,909 views 2 years ago 23 minutes - <https://www.etsy.com/shop/TheUniverseReflected> Saskia and Scotty give Zap a Bath, Blow Dry, a Very Satisfying **Boar**, Cleaning, ...

The live begins with Guinea Pig Zap peeing and Saskia cleaning it up. Zap is a regular boarding customer at the L.A. Guinea Pig Rescue and Saskia and staff have grown very attached to him. It's not hard to see why.

Saskia Introduces Volunteer Scotty's from Scotty's Animals Scotty is the cameraman for this video and Scotty is going to give Zap a bath. Saskia recommends that you give your guinea pigs a bath at least twice a year. You can do it four times a year, and it really will make a difference, because guinea pigs are so prone to fungus. You can use generic head & shoulders, or a really good antifungal shampoo that I also like to use is Davis miconazole shampoo (Saskia uses it) and has A link with a list of everything she uses in the video description. It works great.

Saskia does a health check on Zap first before his up coming bath. It is actually raining outside there. California doesn't get very much rain so seeing it on our videos is not too common.

Saskia talks about putting a little bit of olive oil in his ears to help remove all the excess dead skin cells but not going into the ear canal.

Saskia says this is what guinea pig complaining sounds like and you can hear Zap complaining. He has a wheek to pick with Saskia.

Saskia is really checking Zap down good for parasites, because pigs can get them so easily and so fast. Saskia also uses ivermectin treatments every month. Ivermectin kills lice, mites, and internal parasites. An Saskia has a link in the video description for everything she uses on her videos. You can also use Ivermectin paste which you put a pea sized amount in their mouth if you have a small herd. Saskia said she learned about using ivermectin from a veterinarian . Saskia has a lot of experience with guinea pigs

Saskia shows us cleaning the pigs pocket. As they get older the skin around the scent marker weakens and poop can get stuck in the pocket on the perennial sack.

Saskia pulls out a sperm rod and cleans all around the pigs wiener

Scotty takes Zap for his bath and he shows us the set up he has to bathe the piggy in.

Saskia dispels a myth about bathing your guinea pigs with words to watch on the screen while we also watch and listen to Scotty as he bathes Zap. They have bathed well over 3000 guinea pigs in the past few years. This is Very good advice.

Scotty uses the blow dryer on Zap.

Zap looks absolutely Beautiful nice shiny coat. He looks very health for a six year old pig. Wow what a difference

Saskia does her famous Butt Cut, trimming the guinea pigs fur on his back end to make his fur look all nice

Saskia tell us how Zap used to have fungal foot and how she treated it and how much better it look now as she trims zaps nails

Scotty tells us about the Steptic powder which they use if they accidentally hit the quick when cutting

a piggies nails. It happens to even the best of them. They are currently out of steptic powder but what does Saskia does have is Mary's CBD balm which you can also use on yourself this is really great stuff.

Saskia talks about just how much the pig is peeing and leaking urine so Saskia is going to refer the customer to see the Dr. to figure out whats going on there. Saskia says it could possibly be a stone causing that. An they say good bye to us. Thank You Saskia and Scotty. This video is very helpful.

Neil Gibson the Gold King

The Motive

The Finding of the Pistol in Her Wardrobe

It Would Be a Cruel Deception To Pretend that You Are Not in Very Great Danger Give Me All the Help You Can Then To Get at the Truth I Will Conceal Nothing Tell Us Then of Your True Relations with Mr Gibson's Wife She Hated Me Mr Holmes She Hated Me with All the Fervor of Her Tropical Nature She Was a Woman Who Would Do Nothing by Halves and the Measure of Her Love for Her Husband Was the Measure Also of Her Hatred for Me It Is Probable that She Misunderstood Our Relations I Would Not Wish to Wronged Her

She Was a Woman Who Would Do Nothing by Halves and the Measure of Her Love for Her Husband Was the Measure Also of Her Hatred for Me It Is Probable that She Misunderstood Our Relations I Would Not Wish to Wronged Her but She Loved So Vividly in a Physical Sense that She Could Hardly Understand the Mental and Even Spiritual Tie Which Held Her Husband to Me or Imagined that It Was Only My Desire To Influence His Power to Good Ends Which Kept Me under His Roof I Can See Now that I Was Wrong Nothing Could Justify Me in Remaining Where I Was a Cause of Unhappiness That It Was Only My Desire To Influence His Power to Good Ends Which Kept Me under His Roof

I Can See Now that I Was Wrong Nothing Could Justify Me in Remaining Where I Was a Cause of Unhappiness and Yet It Is Certain that the Unhappiness Would Have Remained Even if I Had Left the House Now Miss Dunbar Said Holmes I Beg You To Tell Us Exactly What Occurred that Evening I Can Tell You the Truth So Far as I Know It Mr Holmes but I Am in a Position To Prove Nothing and There Are Points the Most Vital Points Which I Can either Explain nor Can I Imagine any Explanation if You Will Find the Facts Perhaps

But I Am in a Position To Prove Nothing and There Are Points the Most Vital Points Which I Can either Explain nor Can I Imagine any Explanation if You Will Find the Facts Perhaps Others May Find the Explanation with Regard Then to My Presence at all Bridge that Night I Received a Note from Mrs Gibson in the Morning It Lay on the Table of the Schoolroom and It May Have Been Left There by Her Own Hand It Implored Me To See Her There after Dinner Said She Had Something Important To Say to Me and Asked Me To Leave an Answer on the Sundial in the Garden

And It May Have Been Left There by Her Own Hand It Implored Me To See Her There after Dinner Said She Had Something Important To Say to Me and Asked Me To Leave an Answer on the Sundial in the Garden if She Desired no-One To Be in Our Confidence I Saw no Reason for Such Secrecy but I Did as She Asked Accepting the Appointment She Asked Me To Destroy Her Note and I Burned It in the Schoolroom Great She Was Very Much Afraid of Her Husband Who Treated Her with a Harshness for Which I Frequently Reproached Him and I Could Only Imagine that She Acted in this Way because She Did Not Wish Him To Know of Our Interview

When I Left Her She Was Standing Still Shrieking Out Her Curses at Me in the Mouth of the Bridge Where She Was Afterwards Found within a Few Yards from the Spot and Yet Presuming that She Met Her Death Shortly after You Left Her You Heard no Shot No I Heard Nothing but Indeed Mr Holmes I Was So Agitated and Horrified by this Terrible Outbreak That I Rushed To Get Back to the Peace of My Own Room and I Was Incapable of Noticing Anything Which Happened You Say that You Returned to Your Room Did You Leave It Again before Next Morning Yes When the Alarm Came that the Poor Creature Had Met Her Death I Ran Out with the Others Did You See Mr Gibson

That Is Final Then Someone Came into Your Room and Placed the Pistol There in Order To Inculcate You It Must Have Been So and When It Could Only Have Been at Mealtime or Else at the Hours When I Would Be in the Schoolroom with the Children as You Were When You Got the Note Yes from that Time Onward for the Whole Morning Thank You Miss Dunbar Is There any Other Point Which Could Help Me in the Investigation I Can Think of None There Was some Sign of Violence on the Stonework of the Bridge a Perfectly Fresh Ship Just opposite the Body

However as We Neared Our Destination He Seated Himself Opposite to Me We Had a First-Class Carriage to Ourselves and Laying a Hand upon each of My Knees He Looked into My Eyes with the Peculiarly Mischievous Gaze Which Was Characteristic of His More Employed Moods Watson Said He I Have some Recollection That You Go Armed upon these Excursions of Ours It Was As Well for Him That I Did So for He Took Little Care for His Own Safety When His Mind Was Once Absorbed by a Problem so that More than once My Revolver Has Been a Good Friend in Need I Reminded Him of the Fact

Was As Well for Him That I Did So for He Took Little Care for His Own Safety When His Mind Was Once Absorbed by a Problem so that More than once My Revolver Has Been a Good Friend in Need I Reminded Him of the Fact Yes Yes I Am a Little Absent-Minded in Such Matters but Have You Your Revolver on You I Produced It from My Hip Pocket a Short Handy but Very Serviceable Little Weapon He Undid the Catch Shook Out the Cartridges and Examined It with Care It's Heavy Remarkably Heavy Said He Yes It's a Solid Bit of Work He Mused over It for a Minute Do You Know Watson Said He I Believe Your Revolver Is Going To Have a Very Intim Connection with the Mystery Which We Are Investigating My Dear Holmes You Are Joking no Watson I'M Very Serious

There Is a Test before Us if the Test Comes Off all Will Be Clear and the Test Will Depend upon the Conduct of this Little Weapon One Cartridge out Now We Will Replace the Other Five and Put on the Safety Catch so that Increases the Weight and Makes It a Better Reproduction I Had no Glimmer of What Was in His Mind nor Did He Enlighten Me but Sad Lost in Thought until We Pulled Up in the Little Hampshire Station We Secured a Ramshackle Trap and in a Quarter of an Hour Were at the House of Our Confidential

He Said in Answer to My Remark You Have Seen Me Miss My Mark before Watson I Have an Instinct for Such Things and Yet It Has Sometimes Played Me False It Seemed a Certainty When First It Flashed across My Mind in the Cell at Winchester but One Drawback of an Active Mind Is that One Can Always Conceive Alternative Explanations Which Would Make Our Scent a False One and Yet and Yet Well Watson We Can but Try as He Walked He Had Firmly Tied One End of the String the Handle of the Revolver We Had Now Reached the Scene of the Tragedy

This He Secured to the Other End of His Line of String and He Hung It over the Parapet of the Bridge so that It Swung Clear above the Water He Then Stood on the Fatal Spot some Distance from the Edge of the Bridge with My Revolver in His Hand the String Being Taught between the Weapon and a Heavy Stone on the Father Side Now for It He Cried at the Words He Raised the Pistol to His Head and Then Let Go His Grip

In an Instant It Had Been Whisked Away by the Weight of the Stone Had Struck with a Sharp Crack against the Parapet and Had Vanished over the Side into the Water It Had Hardly Gone before Holmes Was Kneeling beside the Stonework and a Joyous Cries Showed that He Had Found What He Expected Was There Ever a More Exact Demonstration He Cried See Watson Your Revolver Has Solved the Problem as He Spoke He Pointed to a Second Chip of the Exact Size and Shape of the First

You Will Of Course Get a Grappling Hook and You Will Easily Restore My Friends Revolver You Will Also Find beside It the Revolver String and Weight with Which this Vindictive Woman Attempted To Disguise Her Own Crime and To Fasten a Charge of Murder upon an Innocent Victim You Can Let Mr Gibson Know that I Will See Him in the Morning When Steps Can Be Taken for Miss Dunbar's Vindication Late that Evening as We Sat Together Smoking Our Pipes in the Village in Homes Gave Me a Brief Review of What Had Passed I Fear Watson Said He that You Will Not Improve any Reputation Which I May Have Acquired by Adding the Case of the Thor Bridge Mystery to Your Annals

Miss Dunbar Was Her Rival in a Physical or in a Merely Mental Sense Seems To Have Been Equally Unforgivable in Her Eyes No Doubt She Blamed this Innocent Lady for All those Harsh Dealings and Unkind Words with Which Her Husband Tried To Repel Her to Demonstrative Affection Her First Resolution Was To End Her Own Life Her Second Was To Do It in Such a Way as To Involve Her Victim in a Fate Which Was Worse Far than any Sudden Death Could Be We Can Follow the Various Steps Quite Clearly and They Show a Remarkable Subtlety of Mind a Note Was Extracted Very Cleverly from Miss Dunbar Which Would Make It Appear that She Had Chosen the Scene of the Crime in Her Anxiety that It Should Be Discovered She Somewhat Overdid It by Holding It in Her Hand to the Last but this Alone Should Have Excited My Suspicions Earlier than It Did

It is read by Greg Wagland.

Scotland Yard Inspector

I Can't Help Thinking that Your Evidence Is Not Complete Lestrade Knew My Friend Too Well To Disregard His Words He Laid Down His Pen and Looked Curiously at Him What Do You Mean Mr Holmes Only that There Is an Important Witness Whom You Have Not Seen Can You Produce Him I Think I Can Then Do So I Will Do My Best How Many Constables Have You There Are Three within Call Excellent Said Holmes May I Ask if They Are all Large Able-Bodied Men with Powerful Voices I Have no Doubt They Are Though I Fail To See What Their Voices Have To Do with It Perhaps I Can Help You To See that and One or Two Other Things As Well Said Holmes Kindly Summon Your Men and I Will Try Five Minutes Later Three Policemen Had Assembled in the Hall

In the Outhouse You Will Find a Considerable Quantity of Straw Said Holmes I Will Ask You To Carry in Two Bundles of It I Think It Will Be of the Greatest Assistance in Producing the Witness Whom I Require Thank You Very Much I Believe You Have some Matches in Your Pocket Watson Now Mr Lestrade I Will Ask You all To Accompany Me to the Top Landing as I Have Said There Was a Broad Corridor There Which Ran outside Three Empty Bedrooms

We Were all Marshaled by **Sherlock Holmes**, the ...

That I Have an Excellent Reason for Everything That I Do You May Possibly Remember that You Chaffed Me a Little Summers Ago When the Sun Seemed on Your Side of the Hedge so You Must Not Grudge Me a Little Pomp and Ceremony Now Might I Ask You What's in that Window and Then To Put a Match to the Edge of the Straw I Did So and Written by the Draught a Coil of Gray Smoke Swirled down the Corridor while the Dry Straw Crackled and Flamed Now We Must See if We Can Find this Witness for You Lestrade Might I Ask You all To Join in the Cry of Fire

The Shout Must Have Run Over nor Would It Had Hardly Died Away When an Amazing Thing Happened a Door Suddenly Flew Open out of What Appeared To Be Solid Wall at the End of the Corridor and a Little Wizenened Man Dashed out of It like a Rabbit out of Its Burrow Capital Said Holmes Calmly Watson a Bucket of Water over the Straw That Will Do Lestrade Allow Me To Present You with Your Principle Missing Witness Mr Jonas Oldacre the Detective Stared at the Newcomer with Blank Amazement the Latter Was Blinking in the Bright Light of the Corridor and Peering at Us and at the Smouldering

Allow Me To Present You with Your Principle Missing Witness Mr Jonas Oldacre the Detective Stared at the Newcomer with Blank Amazement the Latter Was Blinking in the Bright Light of the Corridor and Peering at Us and at the Smouldering Fire It Was an Odious Face Crafty Vicious Malignant with Shifty Light Gray Eyes and White Lashes Was this Then Said Lestrade at Last What Have You Been Doing All this Time a Oldacre Gave an Uneasy Laugh Shrinking Back from the Furious Red Face of the Angry Detective I Have Done no Harm no Harm You've Done Your Best To Get an Innocent Man Hanged if It Wasn't for this Gentleman

I'M Sure Sir It Was Only My Practical Joke Oh a Joke Was It You Won't Find the Laugh on Your

Side I Promise You Take Him Down and Keep Him in the Sitting-Room till I Come Mr Holmes He Continued When They Had Gone I Could Not Speak before the Constables but I Don't Mind Saying in the Presence of Dr Watson that this Is the Brightest Thing That You Have Done Yet though It Is a Mystery to Me How You Did It You Have Saved an Innocent Man's Life and You Have Prevented a Very Grave Scandal Which Would Have Ruined My Reputation in the Force Holmes Smiled and Clapped Lestrade upon the Shoulder Instead of Being Ruined My Good Sir You Will Find that Your Reputation Has Been Enormous Lee Enhanced Just Make a Few Alterations

You Said It Was Final and So It Was in a Very Different Sense I Knew It Had Not Been There the Day before I Pay a Good Deal of Attention to Matters of Detail as You May Have Observed and I Had Examined the Hall and Was Sure that the Wall Was Clear Therefore It Had Been Put On during the Night but How Very Simply When those Packets Were Sealed Up Jonas Oldacre Got McFarlane To Secure One of the Seals by Putting His Thumb upon the Soft Wax It Would Be Done So Quickly and So Naturally that I Daresay the Young Man Himself Has no Recollection of It

Very Likely It Just So Happened and Oldacre Had Himself no Notion of the Use He Would Put It to Brooding over the Case in that Den of His It Suddenly Struck Him What Absolutely Damning Evidence He Could Make against McFarlane by Using that Thumb Mark It Was the Simplest Thing in the World for Him To Take a Wax Impression from the Seal To Moisten It in As Much Blood as He Could Get from a Pinprick and To Put the Mark upon the Wall during the Night either with His Own Hand or with that of His Housekeeper if You Examine among those Documents Which He Took with Him into His Retreat I Will Lay You a Wager That You'll Find the Seal with the Thumb Mark upon It

I Don't Think that Is Very Hard To Explain a Very Deep Malicious Vindictive Person Is the Gentleman Who Is Now Waiting Us Downstairs You Know that He Was Once Refused by McFarlane's Mother You Don't I Told You that You Should Go to Blackheath First and Norwood Afterwards Well this Injury as He Would Consider It as Rankled in His Wicked Scheming Brain and All His Life He Has Longed for Vengeance but Never Seen His Chance during the Last Year or Two Things Have Gone against Him Secret Speculation I Think and He Finds Himself in a Bad Way

He Might Throw all Pursuit off His Track and at the Same Time Have an Ample and Crushing Revenge upon His Old Sweetheart if He Could Give the Impression that He Had Been Murdered by Her Only Child It Was a Masterpiece of Villainy and He Carried It Out like a Master the Idea of the Will Which Would Give an Obvious Motive for the Crime the Secret Visit Unknown to His Own Parents the Retention of the Stick the Blood and the Animal Remains and Buttons in the Woodpile all Were Admirable It Was a Net from Which It Seemed to Me a Few Hours Ago that There Was no Possible Escape
