The Collected Short Stories of Roald Dahl

(Book Jacket Status: Jacketed) The only hardcover edition of Roald Dahl's stories for adults, the "Collected Stories" amply showcases his singular gifts as a fabulist and a born storyteller. Later known for his immortal children's books, including "Charlie and the Chocolate Factory, James and the Giant Peach, "and "The BFG, "Dahl" also had a genius for adult short fiction, which he wrote throughout his life. Whether fictionalizing his dramatic exploits as a Royal Air Force pilot during World War II or concocting the ingeniously plotted fables that were dramatized on television as "Tales of the Unexpected," Dahl was brilliant at provoking in his readers the overwhelming desire to know what happens next--and at satisfying that desire in ways that feel both surprising and inevitable. Filled with devilish plot twists, his tales display a tantalizing blend of macabre humor and the absurdly grotesque. From "The Landlady," about an unusual boardinghouse that features a small but very permanent clientele, to "Pig," a brutally funny look at vegetarianism, to "Man from the South," in which a fanatical gambler does his betting with hammer, nails, and a butcher's knife, Dahl's creations amuse and shock us in equal measure, gleefully reminding us of what might lurk beneath the surface of the ordinary.

Learn about the legacy of Wonka in this new book from the #1 New York Times bestselling series.

What Is the Story of Willy Wonka?

The inspiration for the major motion picture musical prequel, *Wonka*, starring Timothée Chalamet, Olivia Colman, Keegan-Michael Key, Rowan Atkinson, Sally Hawkins, and Hugh Grant This stunning deluxe edition of Roald Dahl's beloved *Charlie and the Chocolate Factory* features: • A new introduction by Lev Grossman, the #1 New York Times bestselling author of *The Magicians* • Cover art by the award-winning cartoonist Ivan Brunetti • The original interior art from the 1964 first edition • French flaps and deckle-edged paper Twice turned into a feature film, *Charlie and the Chocolate Factory* is a delectable classic about a child's dreams and the eccentric chocolate-maker who makes them come true. When Willy Wonka's hallowed chocolate factory holds a worldwide contest awarding tours to the lucky, five children emerge as winners, including a glutton, a gum-chewing nitwit, a spoiled brat, and a TV addict. Only Charlie Bucket, the story's earnest hero, stands to win the exotic riches of Wonka's empire—if he avoids the pitfalls of his fellow contestants and stays true to his heart. Ingenious and entertaining, *Charlie and the Chocolate Factory* is a true modern classic by one of the most beloved storytellers of our time. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Charlie and the Chocolate Factory

Twenty wickedly anarchic tales from the master of the unpredictable, chosen from his bestsellers *Over to You*, *Someone Like You*, *Kiss Kiss* and *Switch Bitch*. Stylish, outrageous and haunting, they explore the sinister side of the human psyche with unexpected outcomes. There's the wife who serves up a murderous new dish to her husband, the gambler who collects little fingers from losers, the sound machine that can hear grass scream, and the night-time seduction that has macabre consequences, to name a few.

The Best of Roald Dahl

The star and creative force behind *Mr. Show* and *Arrested Development* pens his "first and final book, chronicling his meteoric rise and abysmal fall in the literary world." After a decade spent in isolation in the Ugandan jungles thinking about stuff, David Cross has written his first book. Known for roles on the small screen such as "never-nude" Tobias Funke on *Arrested Development* and the role of "David" in *Mr. Show With Bob And David*, as well as a hugely successful stand-up routine full of sharp-tongued rants and rages, Cross has carved out his place in American comedy. Whether deflating the pomposity of religious figures, calling out the pathetic symbiosis of pseudo-celebrity and its leaching fandom, or merely pushing the buttons of the way-too-easily offended P.C. left or the caustic, double-standard of the callous (but funnier) right, Cross has something to say about everyone, including his own ridiculous

self. Now, for the first time, Cross is weaving his media mockery, celebrity denunciation, religious commentary and sheer madness into book form, revealing the true story behind his almost existential distaste of Jim Belushi ("The Belush"), disclosing the up-to-now unpublished minutes to a meeting of Fox television network executives, and offering up a brutally grotesque run-in with Bill O'Reilly. And as if this wasn't enough for your laughing pleasure in these troubled times, some of the pieces splinter off with additional material being created online in exclusive video and animated web content created solely for the book-a historical first (presumably)! With a mix of personal essays, satirical fiction posing as truth, advice for rich people, information from America's least favorite Rabbi and a top-ten list of top-ten lists, *I Drink for a Reason* is as unique as the comedian himself, and cannot be missed.

I Drink for a Reason

This collection of short stories from the author of *Birds of a Lesser Paradise* depicts the forgotten lives of women who almost achieved fame and notoriety, including Lord Byron's illegitimate daughter, Oscar Wilde's niece and Edna St. Vincent Milay's sister. 30,000 first printing.

Charlie and the Chocolate Factory

It's been over 55 years since Roald Dahl's classic "*Charlie and the Chocolate Factory*" hit bookshelves across the world and yet continues to be one of the most sought-after children's novels. The book was adapted into a movie in 1971 with Gene Wilder in the titular role. The story follows the adventures of five lucky children who win Golden Tickets to visit the magical Chocolate Factory set up by Willy Wonka. The factory is full of surprises and one that leaves onlookers amused! Willy decides to open the doors of his factory to 5 young children for a once in a lifetime experience. Charlie Bucket, one of the main protagonists of the movie, lives with his parents and grandparents in a humble household. They belong to a financially backward community and have cabbage soup on most days. The Golden Ticket that Charlie wins is hidden inside one of Wonka's famous chocolate bars, leaving his grandfather ecstatic! But before he wins his ticket, Augustus Gloop wins the first coveted Golden Ticket. He is an overweight kid who is often at the receiving end of jokes since he loves stuffing his mouth with food. The first girl who wins the ticket is Veruca Salt, an obnoxious kid who throws tantrums to get what she wants. Violet Beauregarde is the other one and an over-enthusiastic girl who ends up turning into a giant blueberry at the factory. Mike Teavee is the fifth child to win the ticket and is eliminated from the factory after he jumps into the television. From chocolate fountains to wallpapers that taste like fruits, Wonka puts out brilliant chocolate/candy themed inventions. My personal favorite must be the three-course gum and giant Gummy Bears! In case you are wondering what I'm talking about, read on to find out more!

Etheldreda the Ready

Jessie Mansergh (nee Bell), later Mrs. George de Horne Vaizey (1856 or 1857-1917) was an English author who wrote thirty-three books, and many short stories and magazine articles.

Baldy of Nome

Esther (nee?) Birdsall Darling was the American author of: Baldy of Nome (1913) and Navarre of the North (1935). Baldy knew that something was wrong. His most diverting efforts had failed to gain the usual reward of a caress, or at least a word of understanding; and so, dog-like to express his sympathy, he came close beside his friend and licked his hand. Always, before, this had called attention to the fact that Baldy was ready to share any trouble with the boy-but to-day the rough and grimy little hand, stiff and blue from the cold, did not respond, and instead only brushed away the tears that rolled slowly down the pinched cheeks. Sometimes the slight body shook with sobs that the boy tried manfully to suppress; but when one is chilled, and tired and hungry, and in the shadow of a Great Tragedy, the emotions are not easy to control.

The Magic Soap Bubble (Illustrated Edition) (Dodo Press)

David (Magie) Cory (1872-1966) was an American author. His works include: Billy Bunny and His Friends (1917), Billy Bunny and Uncle Bull Frog (1920), Little Jack Rabbit and the Squirrel Brothers (1921), Little Indian (1922), Star Boy (1922), The Cruise of the Noah's Ark (1922), Little Jack Rabbit and Mr. Wicked Wolf (1923), The Magic Umbrella (1923), The Wind Wagon (1923), White Otter (1932), Star Maiden (1935) and Lone Star (1936).

Little Tales of the Desert

"Mary was worried. To-morrow would be Christmas. Christmas! a day always spent close to New York City, that place where Santa Claus obtained all the contents of his wonderful pack. Here she was, out in the heart of the great Arizona Desert. Her little head was sorely puzzled over many things. Around her were sand, rocks and mountains; no snow, no ice, save on the tops of the distant peaks. How was Santa to draw his gift-laden sleigh over barren stretches of sage brush and sand? Besides, he surely would be far too warm, with his heavy fur coat and cap, to say nothing of the poor reindeer who could scarcely live in such a country. "

The Lives of the Saints

A comprehensive illustrated guide to the dodo: its history, natural history, and its literary and cultural legacy. The extinction of the dodo from the shores of Mauritius followed closely on the arrival of Dutch and Portuguese sailors on the island in the 16th century. Using a diverse number of sources, the author describes the behaviour and myths surrounding this unusual and iconic bird. The first three chapters investigate the dodo's natural history through the use of historical documents, illustrations, paintings, old drawings and literary sources. Its behaviour is examined in the quotes from 16 of the written reports by travellers to the island, and the anatomy of the dodo is investigated from the bone records kept by anatomists and naturalists from the 16th to the 19th centuries. The mythology surrounding the dodo has grown ever since it became extinct. Lewis Carroll's use of the dodo in Alice's Adventures in Wonderland elevated the bird to iconic status and sparked a spate of Dodo characters in newspapers, adverts and cartoons.

Letters from all over England and abroad had to be brought and replies or orders sent. Decisions and movements were often affected by the threat of plague." "Firmly based on contemporary sources and complemented by a wealth of illustrative material, this new study will be immensely valuable to students

and scholars and yet its accessible style will appeal to the amateur and local historian and to those with a general interest in the Elizabethan period."--Jacket.

The Ampleforth Journal

Revised with Introduction and Additional Lives of English Martyrs, Cornish and Welsh Saints, and a full Index to the Entire Work The Lives of the Saints is a sixteen-volume collection of lives of the saints by Sabine Baring-Gould, first published between 1872 and 1877 by John Hodges, of London, and later republished in Edinburgh in 1914. The volumes are arranged according to the month of each saint's principal feast day. The Reverend Sabine Baring-Gould of Lew Trenchard in Devon, England, was an Anglican priest, hagiographer, antiquarian, novelist, folk song collector and eclectic scholar. His bibliography consists of more than 1240 publications, though this list continues to grow. His family home, the manor house of Lew Trenchard, near Okehampton, Devon, has been preserved as he had it rebuilt and is now a hotel. He is remembered particularly as a writer of hymns, the best-known being "Onward, Christian Soldiers"

Literary Nonfiction. California Interest. Women's Studies. Film. Memoir. **THE BIG LOVE** is a Hollywood nightmare. It tells the story of Errol Flynn--a fading, alcoholic movie star--and the underage dancer-actress Beverly Aadland. The narrator? Beverly Aadland's fame-worshiping mother Mrs. Florence Aadland, who spurs the relationship on. There is nothing subtle or sympathetic about this memoir: It is outrageous, grotesque, surreal, notorious--an intimate look at Hollywood exploitation and decay. On the one hand, **THE BIG LOVE** depicts the deterioration of Errol Flynn, an actor who is quickly losing relevance after years of playing irresistible swashbucklers in films such as *Captain Blood* (1935) and *The Adventures of Robin Hood* (1938). He is riddled with medical problems, drinking himself to death. On the other hand, there is Mrs. Florence Aadland, also an alcoholic, an uncultured stage mother psychotically pushing her daughter Beverly forward even at the cost of her own marriage. A bizarre, seedy time capsule of the 1950s, **THE BIG LOVE** is the long-lost literary sister of Barbara Payton's *I AM NOT ASHAMED*. And, after languishing out of print for years, it is ready to shock brand new audiences with its absurd humor, villainous characters, and sickly dissipation.

The Manors of Suffolk: Notes on Their History and Devolution;

The Bath Road by Charles G. Harper is about the history and fashion of travelers on the English Bath Road. Harper reflects on a variety of significant figures like George the Third and the Duke of Wellington. Excerpt: "The great main roads of England have each their especial and unmistakable character, not only as a result of the scenery through which they run but also in their story and in the memories which cling about them..."

Diary of a Wimpy Kid: Double Down (Diary of a Wimpy Kid Book 11)

Fourteen-year-old Haylah dreams of being a stand-up star, but when her friends thrust her into the spotlight, she's not confident a plus-sized girl like her belongs onstage. Haylah Swinton is pretty confident she's mastered making light of every situation from her mom's ugly boyfriend to classmates making unsolicited remarks on her figure. She logs all her best jokes in the hopes of one day busting out a fabulous set that will keep everybody laughing with her and not at her. After botching an open mic night, Haylah learns that her longtime crush, the impossibly cool Leo, is also into comedy. And when Leo provides her an opportunity to live vicariously by ghostwriting his sets for an upcoming festival, Haylah jumps at the chance. What a great way to get her material out there without totally bombing herself! But are Leo's intentions in Haylah's best interests? Despite warnings from her friends, Haylah's not ready to listen and she might just be digging herself deeper toward heartbreak. If Haylah's ever going to take center stage, first she'll need to find the confidence to put herself out there and strut like the comedy queen she truly is. This contemporary YA rom-com stars a strong, memorable heroine and features a story full of heart, humor, and relatable themes of body image, dreams, and self-esteem.
