Seri 4 Sahabat: Menulis Huruf Tegak Bersambung

Menulis huruf tegak bersambung atau menulis halus memiliki banyak manfaat bagi anak. Ketika anak menulis dengan tangan, sensori motorik halus, sentuhan, dan visual anak akan aktif secara bersamaan. Proses penggoresan garis tegak yang tebal dan garis miring yang tipis pada huruf tegak bersambung melatih anak tentang ketegasan, kelembutan, dan ketekunan. Karena itu, sekalipun zaman saat ini sudah digital, tidak ada salahnya kita tetap mengajarkan anak cara menulis huruf tegak bersambung. Proses menulis halus untuk menghasilkan huruf yang saling bersambung dilakukan tanpa perlu mengangkat pensil. Ini berbeda dengan menulis balok yang mengharuskan anak acap kali mengangkat pensilnya. Sehingga menulis pun jadi lebih lambat, sementara anak juga lebih mudah lelah. Kelak, jika terbiasa menulis halus, anak tetap bisa menulis cepat tanpa menghilangkan kerapian dan keindahan tulisannya. Tentu saja kerapian dan keindahan tulisan mustahil dicapai dalam waktu singkat. Jadi, butuh pelatihan kontinyu untuk mendapatkan hasil yang baik. Tidak susah mengajari anak menulis halus, hanya dibutuhkan ketekunan berlatih dan suasana belajar yang menyenangkan. Secara teknis, pembelajaran bisa dimulai dari menjiplak, meniru, lalu menulis ulang tulisan biasa menjadi tulisan tegak bersambung. Secara materi, bisa mulai dari menulis satu suku kata, satu kalimat, dan rangkaian cerita. Buku ini menyajikan materi latihan menulis huruf tegak bersambung, mulai dari latihan kelenturan tangan, lalu dilanjutkan dengan variasi menulis suku kata dan kata per Tahap akhir adalah menulis cerita atau kalimat menggunakan huruf tegak bersambung. Buku ini juga dilengkapi dengan bonus pattern tulis halus (tiga garis) yang dapat diunduh dan digunakan sebagai panduan belajar menulis.

Pertanyaan apa dan kenapa bukan hanya milik kanak-kanak. Orang tua pun sering bertanya mengenai masalah-masalah dalam pengasuhan, terutama saat menentukan batasan-batasan perilaku yang terkait dengan disiplin dan interaksi. Apakah saya mengasuh terlalu keras atau terlalu lembut? Apakah ini merupakan perilaku yang wajar dalam perkembangan anak atau menyimpang? Sebelum menjawab itu, kiranya orang tua perlu memahami dua prinsip pengasuhan yaitu, memahami usia anak dan watak anak, yang akan dijelaskan dalam buku ini. Orang tua adalah dunia tempat anak bercermin. Tak jarang, orang tua menjadi sensitif ketika perilaku anak dikaitkan dengan refleksi diri. Ketika perilaku anak dikaitkan dengan penyikapan orang tua saat melakukan pengasuhan. Bagaimanapun, tangan kita turut membentuknya menjadi ia seperti hari ini. Untuk itu buku 123 Red-alerts Perilaku Anak ini hadir untuk membantu orang tua mengamati pertumbuhan dan perkembangan buah hati. Buku ini terdiri dari beberapa kategori: red-alert pada anak balita, red-alert dalam komunikasi dan interaksi, red-alert di bidang akademis/sekolah, dan red-alert terkait gangguan psikis. Ini cerita waktu gue kecil dulu. Dulu, iya dulu banget. Waktu gue masih baru belajar cebok sendiri, waktu gue masih lapor nyokap kalo mau pipis, waktu gue masih belum bisa nulis tegak bersambung. Gue lupa tepatnya, tapi kejadian itu terjadi sekitar waktu gue kelas dua SD, waktu kantor nyokap gue lagi mengadakan semacam rekreasi ke suatu pantai di Bali. Entah kenapa, di suatu pagi buta gue mendadak bangun. Dan, gak tau kenapa, gue yang masih bocah itu keluar kamar hotel dan berjalan ke pantai. Beberapa saat setelah berjalan di pinggir pantai, gue mendengar suara. Bukan suara angin, bukan pula suara desiran ombak. Bukan suara kuntulanak juga, keles! Itu suara yang membuat gue terkenang hingga sekarang. Suara nyanyian dari seorang gadis kecil berbaju biru yang menyanyikan lirik lagu soundtrack film kartun Chibi Maruko-chan sambil menggenggam baling-baling bambu yang berputar tertiu angin... suara cinta pertama gue. Bagi yang belum kenal sama gue, nama gue Saga. Gue tau nama gue gak umum di telinga orang-orang Indonesia, tapi plis gak usah dibahas lebih dalam. Cukup tahu aja. Salam kenal, ya! Salam kenal penuh cinta...

Keluarga adalah inspirasi cerita yang tak ada habisnya. Menulis cerita keluarga juga menjadi cara untuk mengekalkan ingatan dan kenangan, nilai dan panduan, pada generasi selanjutnya. Menulis cerita keluarga, bagi sebagian orang, juga menjadi cara untuk menyembuhkan diri. Dengan bercerita, penerimaan dan kedamaian bisa

mereka temukan. Cerita-cerita keluarga yang ditulis dengan jujur dalam buku ini akan memberikan rasa hangat kepada siapa pun yang membaca. Pada akhirnya, ini adalah cerita tentang manusia dengan segala gejolak dan hiruk pikuknya. Maximum Impact is an affirmation of the importance of communication by America's local boards of education and superintendents. The book is based on principles developed in our professional roles as authors, a district superintendent, educational researcher, broadcast journalist, public affairs and social media director and government spokesperson. Each chapter - highlighting critical aspects of team communication by boards of education and the superintendent - is grounded in our work and experience. Our belief in communication as a tool for district transformation leads us to focus on dynamics between school leaders and the need to deploy a strategic communication strategy, a first book in today's literature. We endeavor to help boards of education and superintendents - aspiring, novice or veteran - to recognize the vital nature of communication in the governance and leadership of public education, now and in the future. With the call for more transparency in government, including public education, we offer our primary target audience of school leaders with new principles of communication that will help them to engage the community, employees and stakeholders in helping to make their school district successful!

Maximum Impact

Dating back to the days of the Wild West, Salinas has had a violent history. From the late 1890s, when the first night watchmen patrolled the streets on foot and without training or weapons, to the state-of-the-art department of 2005, the exceptional men and women who framed the early department are the subjects of many of the legends told in this history. Mae Eisemann was the first policewoman in Salinas and the first female to have a foot patrol in California. As such, she forged the way for other females in law enforcement. The rise of a detective division, the many personalities of the different chiefs, politics and finance are all part of the history of the Salinas Police Department. Most of these stories have never been told outside the department and with their telling comes a responsibility to the memory of fallen officers, an enlightenment for those who serve today, and an opportunity for healing for many families. Filled with both comedic and tragic episodes, the book details the history not only of the department, but of her officers and non-sworn personnel through the years. Recounting the many heroic acts of officers, it also tells of personal tragedy and gives a voice to those who are unable to tell their stories themselves. As the granddaughter of the title character in this book, Lisa Eisemann had heard

stories about her grandmother for many years. Although Mae Eisemann died less than one year before her birth, Lisa Eisemann kept yellowed newspaper clippings about cases her grandmother worked in the 1940s. From a young age, Eisemann knew she wanted to follow in her grandmother's footsteps and received a B.A. degree in Criminology and Sociology before attending graduate school, where she studied Forensic Science. Licensed as a private investigator in 1995, Eisemann became interested in researching the history of the police department, particularly as it related to her grandmother's position as the first female police officer. Encouraged by the department's interest in a historical yearbook, she was able to research and write a book not only about Mae Eisemann, but one which included all the characters of the police department from the time it was authorized in 1903. Lisa Eisemann is married to now retired homicide detective Joe Gunter, whom she met while investigating a murder for the defense. Both are experts in crime scene processing and gangs. The two continue to live in Salinas with their daughter, Terrin, who plans to become a police officer and hopes to work as a canine unit someday. Eisemann also owns the Salinas School of Dance, where she teaches ballet, tap, jazz and Irish dancing to hundreds of students each week. As the director of the Spirit of Salinas Irish Dancers, she and her team have traveled to Ireland to compete in a world level competition.

The Successful Principal takes its reader through the arc of the principalship, beginning with teaching, moving on to promotion to the administrative office and how to achieve it, describing how to go about entry planning, going into depth about the challenges and opportunities the principal faces in leading a school, and moving into a focus on how to thrive as a principal while growing the skills of others. This is a book designed to give principals advice on how to do the job well. The book is buttressed by research where appropriate, and it pays particular attention to the principal's basic conundrum, which is this: while he/she is arguably the face and leader of the school, he/she is often the person with the least actual power in the system. The book takes a realistic look at the principal's power, opportunities, and structural and political limitations and then teaches its readers how successful principals find a way forward in spite of those challenges.

LOL at the GOP - Volume 3: Guns Don't Kill, Cars Don't Drive, and Ovens Don't Bake

School districts in the state of Connecticut have continued to make decisions surrounding whether school resource officers (SROs) have a place in their schools. Two previous studies, research from 2008 (ACLU) and 2019 (Hudson et al.) highlight outcomes associated with SROs, but little research is available unpacking the roles and responsibilities that make up the role. Considering how under-researched the position is and using Lipsky's Street-Level Bureaucracy (2010) as a framework to understand the SRO's complicated role as public servants, this quantitative study investigates what a school resource officer is and the expectations, roles, and responsibilities of the position. The research questions driving this study are: (1) What is the role of a Connecticut School Resource Officer? (2) What are the expectations and responsibilities of a Connecticut School Resource Officer? Inspired by the works of Ghavami et al. (2021), Fisher and Devlin (2020), and Kelly and Swezey (2015), this study uses survey research methods to collect data regarding the roles, responsibilities, and expectations of SROs from both building-level high school administrators and SROs in Connecticut. Survey questions were adapted from the 2019-2020 National Center for Education Studies School Survey on Crime and Safety, and Kelley and Swezey. Descriptive statistical methods were used to analyze the data and findings were categorized based on the TRIAD Model (teaching, mentoring, law enforcement) developed by the National Organization of School Resource Officers. Findings show the role of SROs in Connecticut public high schools who participated in this study mostly align with the TRIAD model despite a lack of policy or written documents detailing their roles and responsibilities. Suggestions for future research and recommendations for practitioners are provided.

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Second chances and opportunities in life are available to everyone. Situations are never permanent or in perceptual continuity. Circumstances change and evolve while wrong choices can become detrimental to salvage a situation. A good support system is required to achieve the desired positive outcome. Overcoming the negative impact of the environment is a collective effort. This book is pure fiction: it is a total figment of the imagination and creativity of the author. It delves into the issues of life relating to absentee parenthood, character defects, substance abuse, mental health issues, the recovery

processes, and other negative behavioral traits, including domestic violence and many more. The story line is interwoven to bring about nuggets of message and suspense.

A thorough overview of violence and crime in America's schools explores which solutions work and which don't, providing a framework for prevention at every level. Although it is major incidents like Columbine or Virginia Tech that grab the headlines, everyday occurrences of bullying, harassment, and physical intimidation in schools impact entire communities, driving kids out of public schools and destroying faith in public education. *Preventing Violence and Crime in America's Schools: From Put-Downs to Lock-Downs* provides educators, parents, law enforcement officials, and other youth-serving professionals with a unique perspective on the topic of school violence. More important, it offers solutions to the problems facing all schools when it comes to violence and safety. Two expert authors examine specifics relating to school violence, opportunities to prevent and intervene, and the importance of planning for a crisis. Most other books about school violence either highlight the research or highlight practitioner viewpoints. This revealing book presents both, balancing insights gained through real-world experiences with research on best practices. The result is a fuller understanding of the problem—understanding that will enable solutions.
