When She Woke

Hannah Payne is a RED. Her crime: MURDER. And her victim, says the state of Texas, was her unborn child.

When She Woke

Bellwether Prize winner Hillary Jordan's provocative new novel, *When She Woke*, tells the story of a stigmatized woman struggling to navigate an America of a not-too-distant future, where the line between church and state has been eradicated and convicted felons are no longer imprisoned and rehabilitated but chromed—their skin color is genetically altered to match the class of their crimes—and then released back into the population to survive as best they can. Hannah is a Red; her crime is murder. In seeking a path to safety in an alien and hostile world, Hannah unknowingly embarks on a

path of self-discovery that forces her to question the values she once held true and the righteousness of a country that politicizes faith.

Mudbound

NOW A MAJOR MOTION PICTURE STARRING CAREY MULLIGAN, GARRETT HEDLUND & MARY J. BLIGE When Henry McAllan moves his city-bred wife, Laura, to a cotton farm in the Mississippi Delta in 1946, she finds herself in a place both foreign and frightening. Henry's love of rural life is not shared by Laura, who struggles to raise their two young children in an isolated shotgun shack under the eye of her hateful, racist father-in-law. When it rains, the waters rise up and swallow the bridge to town, stranding the family in a sea of mud. As the Second World War shudders to an end, two young men return from Europe to help work the farm. Jamie McAllan is everything his older brother Henry is not and is sensitive to Laura's plight, but also haunted by his memories of combat. Ronsel Jackson, eldest son of the black sharecroppers who live on the farm, comes home from war with the shine of a hero, only to face far more dangerous battles against the ingrained bigotry of his own countrymen. These two unlikely friends become players in a tragedy on the grandest scale.

Woke

'The book everyone's talking about' The Times (Book of the Year) 'Titania McGrath is a genius' Spectator (Book of the Year) 'Beautiful classic satire' Ricky Gervais 'Hilarious . . . the most artful form of subtle parody' Joe Rogan 'Just as Bridget Jones was the embodiment of the anxiety-ridden Nineties feminist, a creation whose diary entries encapsulated all our hopes, fears and failures, so Titania McGrath is her millennial successor, a girl every bit as lost and confused, every bit as accurately observed - and equally, catastrophically, hilarious.' Sarah Vine, Daily Mail In *Woke*, Titania McGrath demonstrates how everybody can play their part in the pursuit of social justice. As a millennial icon on the forefront of online activism, Titania is uniquely placed to guide her readers through the often bewildering array of terminology and concepts that constitute twenty-first-century 'wokeness'. These new ideas often leave the general public bemused, particularly if they don't read the Guardian. Being woke is actually much easier than people think. As Titania demonstrates, anyone can be an activist. By simply adding a rainbow flag to your Facebook profile, or calling out an elderly person who doesn't understand what 'non-binary' means, you can change the world for the better. Indeed, social media has now made it possible to show how virtuous you are without having to do anything at all. Timely and indispensable, Titania's step-by-step guide will help you to become the woke person you need to be in an increasingly progressive world. In a non-patronising manner, Titania will explain why you are wrong about everything and how to become more like her.

Stay Woke, Kids!

Are immigrants taking our jobs, or are they all slobs? What does 'I'm colourblind' mean and why does it make no sense? And just how can you spot a Karen from a mile away? This illustrated collection of verse tackles these issues and more. This is a delightfully caustic and refreshing book that will have readers thinking deeply and laughing out loud.

She Woke to Darkness

A pulp writer tumbles into a mystery after an encounter at an awards banquet For more than a decade, Brett Halliday has made a living chronicling the adventures of the hard-nosed private detective Mike Shayne. At the banquet for the 1953 Edgar Awards, Halliday is dismayed to find the pulp field overrun by hacks who think X-rated smut and blood-soaked gore are enough to make a mystery. He's about to head home when he meets Elsie Murray, a beautiful author who appreciates a good whodunit—and who has enough of her own troubles to fill a thousand paperbacks. When Elsie is found murdered in her hotel room, the police suspect the last man she was seen with. Halliday is in a jam, and he knows better than anyone else that the only man who can save him is Mike Shayne. *She Woke to Darkness* is the 24th book in the Mike Shayne Mysteries, but you may enjoy reading the series in any order.

When She Woke She Was an Open Field

*Finalist for the Charlotte Mew Prize These poems have an incredibly beautiful and painful landscape. The body becomes the field splayed open, as does memory, as does love, as does language. The imagery of the body is sensual and electric and you can feel the speaker risking so much as they

turn from one line to another. -Natalie Diaz, judge of the Charlotte Mew Prize Hillary Brown's *When She Woke She Was an Open Field* are poems written on the surface of the body to be felt in the reverberations of our bones. They are necessary poems written in these times to remind us of our humanity. This is the perilous work of poetry. They are not easy to read and even more difficult to write. These are poems of unflinching bravery, full of complications and difficult truths. -Truong Tran "Remember your landmarks," writes Hilary Brown, whose poems are at once lyric imperatives and stirring invocations, all of them asking us to reckon with the body of our landscape and vice versa. *When She Woke She Was an Open Field* arrives with a fresh and clear voice that invites its reader to remember they are always already a viewer, a visitor, a voyeur, too. Brown writes the best kind of short poem-careful in its lyricism and reckless with imagistic surprise-& this collection is nothing if not a memorable landmark. -Meg Day "Cleave" means both to cut something in half and to hold fast to a body or object we hold dear. Hillary Brown's poems investigate the remade female self after brain surgery: an operation that cleaves her vision of herself and the world, but also allows her to imagine a self more fully cleaved to the world she inhabits, where the tongue becomes a "prickly pear/ blossom open/ for rain," and any anonymous young woman can still "be fearless, full to bursting, free." -Paisley Rekdal Hilary Brown is one of those poets who doesn't look away. Who invites you to stare and meets your eyes with her own always steady gaze-even when the world is unsteady, full of loss and all the slow death capitalism has on offer. These poems provide something else, aching bright and sharp. They sing the queer body, the disabled body. They know about not having enough to eat, about country roads, about church and how to live through it. These poems know, most of all, "There's power in there, holding / the discomfort of it close." -Stephanie Young

She Woke and Rose

Poetry. Women's Studies. "Autumn Royal is unafraid to spark light in the darkest of places. The poems in this impressive debut collection illuminate the uneasy space of the body, the tomb of emotional memory, the ugliness of misogyny, the abyss of consumerism and the violent desire for communion. As announced by the eponymous and final poem, this collection ultimately represents the exciting awakening and rise of a new poet." Maria Takolander"

The Problem with Everything

A NEW YORK TIMES 100 NOTABLE BOOKS OF 2019 SELECTION From "one of the most emotionally exacting, mercilessly candid, deeply funny, and intellectually rigorous writers of our time" (Cheryl Strayed, author of *Wild*) comes a seminal new book that reaches surprising truths about feminism, the Trump era, and the Resistance movement. You won't be able to stop thinking about it and talking about it. In the fall of 2016, acclaimed author Meghan Daum began working on a book about the excesses of contemporary feminism. With Hillary Clinton soon to be elected, she figured even the most fiercely liberal of her friends and readers could take the criticisms in stride. But after the election, she knew she needed to do more, and her nearly completed manuscript went in the trash. What came out in its place is the most sharply-observed, all-encompassing, and unputdownable book of her career. In this gripping new work, Meghan examines our country's most intractable problems with clear-eyed honesty instead of exaggerated outrage. With passion, humor, and most importantly nuance, she tries to make sense of the current landscape—from Donald Trump's presidency to the #MeToo movement and beyond. In the process, she wades into the waters of identity politics and intersectionality, thinks deeply about the gender wage gap, and tests a theory about the divide between Gen Xers and millennials. This signature work may well be the first book to capture the essence of this era in all its nuances and contradictions. No matter where you stand on its issues, this book will strike a chord.

Beauty Sleep

"ONCE UPON A TIME" IS TIMELESS The Princess Aurore has had an unusual childhood. Cursed at birth, Aurore is fated to prick her finger at the age of sixteen and sleep for one hundred years -- until a prince awakens her with a kiss. So, to protect her, Aurore's loving parents forbid any task requiring a needle. Unable to sew or embroider like most little princesses, Aurore instead explores the castle grounds and beyond, where her warmth and generosity soon endear her to the townspeople. Their devotion to the spirited princess grows as she does. On her sixteenth birthday, Aurore learns that the impending curse will harm not only her, but the entire kingdom as well. Unwilling to cause suffering, she will embark on a quest to end the evil magic. The princess's bravery will be rewarded as she finds adventure, enchantment, a handsome prince, and ultimately her destiny

Welcome to the Woke Trials

In 2013, Julie Burchill wrote a mischievous piece in the Observer to defend her friend Suzanne Moore. Burchill had not anticipated the vitriolic reaction that her words would provoke. She was pursued by the outrage mob, and there were even calls in the British House of Commons for her to be fired from her job. After that, Burchill - now known as "the dark star of Fleet Street" - was lucky to be to writing online blog pieces for the Spectator. Welcome to the Woke Trials is part-memoir and part-indictment of what happened to Julie Burchill between then and now, as the regiments of the woke took over journalism. It is also a characteristically irreverent and entertaining analysis of the key elements of a continuing and disturbing phenomenon - all told with the common touch and rampant vulgarity that has made Burchill a household name. Raised in a communist household and a lifelong Labour Party voter, Burchill also makes the case for a progressive future politics, a time when we see ourselves as a common humanity with similar hopes and dreams rather than a childish world of villains and victims. As she argues, the day we awake from our sleepwalking cannot come too soon.

She Woke Me Up So I Killed Her

A major figure in 20th-century arts and letters, Paul Bowles was also an accomplished literary translator who cultivated a special interest in European and Latin American surrealist authors. *She Woke Me Up So I Killed Her* gathers Bowles' short translations into a single volume, reflecting his love for language as well as his painstaking efforts to craft superior translations. Bowles's taste is as always impeccable, but also prescient. For example, in 1945, Jorge Luis Borges was unknown in the United States, having published only a few stories in South American journals. Given the editorship of an issue of *View*, Bowles selected *Las Ruinas Circulares* for inclusion, introducing this seminal author to Western readers and arguably initiating the Borges craze that began in the 1960s. Other important writings in this collection include *Hebdomeros* by Giorgio de Chirico and *White Man's Son* by Denise Moran.

And Then She Woke Up

Katie Jones has woken from a deep, amnesic sleep. At 41 years of age, she came to the sudden, shocking realisation that she had been abused as a child. Katie now faced her greatest challenge of all: to go back to sleep to ease the pain, or to step into the woods and embrace the ominous shadows. It was here that Katie called out to the part of her she needed most: her inner child. Together they navigated their way through the bewilderment to emerge the other side as the heroes in their journey. *And Then She Woke Up: How to RESTORY Your Life*, will stir and awaken your inner child and inspire you to follow Katie's courageous footsteps into the woods. With the wounds and scars depicting her journey, Katie emerges from the forest with the greatest gift of all: the power and autonomy to RESTORY her life. Katie's honest and raw writing will empower you to do the same so that you too can create your own Happily Ever After.

In Five Years

Perfect for fans of *Me Before You* and *One Day*—a striking, powerful, and moving love story following an ambitious lawyer who experiences an astonishing vision that could change her life forever. Where do you see yourself in five years? When Type-A Manhattan lawyer Dannie Cohan is asked this question at the most important interview of her career, she has a meticulously crafted answer at the ready. Later, after nailing her interview and accepting her boyfriend's marriage proposal, Dannie goes to sleep knowing she is right on track to achieve her five-year plan. But when she wakes up, she's suddenly in a different apartment, with a different ring on her finger, and beside a very different man. The television news is on in the background, and she can just make out the scrolling date. It's the same night—December 15—but 2025, five years in the future. After a very intense, shocking hour, Dannie wakes again, at the brink of midnight, back in 2020. She can't shake what has happened. It certainly felt much more than merely a dream, but she isn't the kind of person who believes in visions. That nonsense is only charming coming from free-spirited types, like her lifelong best friend, Bella. Determined to ignore the odd experience, she files it away in the back of her mind. That is, until four-and-a-half years later, when by chance Dannie meets the very same man from her long-ago vision. Brimming with joy and heartbreak, *In Five Years* is an unforgettable love story that reminds us of the power of loyalty, friendship, and the unpredictable nature of destiny.

Seven Husbands of Evelyn Hugo

THE SUNDAY TIMES BESTSELLER AND TIKTOK SENSATION SOON TO BE A NETFLIX FILM
'Riveting, heart-wrenching and full of Old Hollywood glamour' BuzzFeed 'This wildly addictive journey

of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama' PopSugar From the author of Daisy Jones & The Six in which a legendary film actress reflects on her relentless rise to the top and the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband has left her, and her professional life is going nowhere. Regardless of why Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn's story near its conclusion, it becomes clear that her life intersects with Monique's own in tragic and irreversible ways. The Seven Husbands of Evelyn Hugo is a mesmerizing journey through the splendour of old Hollywood into the harsh realities of the present day as two women struggle with what it means and what it costs to face the truth.

The Other Side of Dark

EDGAR AWARD WINNER For fans of Gillian Flynn, Caroline Cooney, and R.L. Stine comes The Other Side of Dark from four-time Edgar Allen Poe Young Adult Mystery Award winner Joan Lowery Nixon. Stacy wakes up in a hospital room, in a body she doesn't recognize. Her mother is dead—murdered—and Stacy is recovering from a gunshot wound. She is the sole eyewitness to the crime, but she has only a shadowy memory of the killer's face. Will Stacy be able to regain a clear memory of that fateful day before the killer reaches her? The Other Side of Dark is one of Joan Lowery Nixon's most intriguing, suspenseful, and dramatic mysteries. "The compelling premise...and Nixon's mastery of suspense are gripping." —Publishers Weekly "Tense and dramatic...[The Other Side of Dark has a] quick pace, and the determined protagonist should attract and hold readers." —School Library Journal

I Woke Up Dead at the Mall

Sixteen-year-old Sarah wakes up dead at the Mall of America only to find she was murdered, and she must work with a group of dead teenagers to finish up the unresolved business of their former lives while preventing her murderer from killing again.

Woke Fragility (a Parody!)

The Woke are transcendent. Never before has so much wisdom, knowledge, and virtue been embodied by a movement. But the movement is under attack. Nazis, white supremacists, men ... the threats are legion. If you're terrified, angry, or both by the fact that everywhere you turn, literally Hitler is staring back, this book is essential for your emotional survival. Topics covered include: - How white people should celebrate Halloween.- The danger of principles.- When science goes too far.- 21st-century policing.- Why you should always hire Woke! Woke Fragility is the field manual to winning over the moderate in your life. Techniques ranging from shouting "racist" at them, to changing the definition of "racist" to include them are covered in depth, as well as concrete demands on how America must be born again from today's dystopian ashes.

In the Dark We Forget

"A chilling, nerve-jangling journey into lost memories and unforgettable terrors. Sandra Wong knows what scares us all--and what we can never forget." --Tess Gerritsen, New York Times bestselling author of Listen to Me A jolting psychological suspense novel from an up-and-coming Chinese-Canadian crime writer about missing parents, a winning lottery ticket and the lies we tell ourselves in order to survive. Some things are better left forgotten . . . When a woman wakes up with amnesia beside a mountain highway, confused and alone, she fights to regain her identity, only to learn that her parents have disappeared--not long after her mother bought a winning \$47 million lottery ticket. As her memories painfully resurface and the police uncover details of her parents' mysterious disappearance, Cleo Li finds herself under increasing suspicion. Even with the unwavering support of her brother, she can't quite reconcile her fears with reality or keep the harrowing nightmares at bay. As Cleo delves deeper for the truth, she cannot escape the nagging sense that maybe the person she should be afraid

of...is herself. With jolting revelations and taut ambiguity, *In the Dark We Forget* vividly examines the complexities of family--and the lies we tell ourselves in order to survive.

Stay Woke

The essential guide to understanding how racism works and how racial inequality shapes black lives, ultimately offering a road-map for resistance for racial justice advocates and antiracists When #BlackLivesMatter went viral in 2013, it shed a light on the urgent, daily struggles of black Americans to combat racial injustice. The message resonated with millions across the country. Yet many of our political, social, and economic institutions are still embedded with racist policies and practices that devalue black lives. *Stay Woke* directly addresses these stark injustices and builds on the lessons of racial inequality and intersectionality the Black Lives Matter movement has challenged its fellow citizens to learn. In this essential primer, Tehama Lopez Bunyasi and Candis Watts Smith inspire readers to address the pressing issues of racial inequality, and provide a basic toolkit that will equip readers to become knowledgeable participants in public debate, activism, and politics. This book offers a clear vision of a racially just society, and shows just how far we still need to go to achieve this reality. From activists to students to the average citizen, *Stay Woke* empowers all readers to work toward a better future for black Americans.

Don't Burn This Country

A guide for anyone who wants to revive the American dream while the woke mob tries to burn down the country. You don't have to be a conspiracy theorist to see that something dark is happening in America. Just look around: Massive corporations monitor our every move. The Thought Police stand ready to cancel any who dare think for themselves. Brainwashed activists openly attack the American experiment. The dystopian future we've been warned of is here. Dave Rubin has been on the front lines of the culture wars for years. Now, he offers tactics you can use to protect yourself from today's authoritarian rule—from resisting the grip of Big Tech to staying sane in a post-truth world. What's more, he offers a vision for the next generation of patriots who will need to face the future head-on, holding fast to their values and creating a meaningful life no matter how frenzied and fabricated the news of the day is. In order for free-thinking people to thrive in this era of woke lunacy, we need to step up and create freedom for ourselves. While exposing Progressive lies and offering practical advice you can employ right now, this book is a call for Americans to live the freest life possible—and a roadmap for saving the greatest country in the history of the world.

Eva

Eva's hospital room looks out onto the skyscrapers of a huge city, but since waking up from her coma she only dreams of trees Thirteen-year-old Eva opens her eyes to find herself in a hospital, her body paralyzed while it heals from a devastating accident. Her mother says that Eva will be able to move her hands and face soon and that everything is going to be fine, but something in her voice tells Eva it's not that simple. The doctors give Eva a keyboard that turns her typing into speech and controls a mirror that rotates to look around the room and out the window—every direction except back at her bed. What are the doctors trying to hide from her? And why, in an overpopulated world where humans have tamed all the wild places, does Eva keep dreaming of a forest she's never seen? This ebook features an illustrated personal history of Peter Dickinson including rare images from the author's collection.

Woke At Work

"Woke at Work" is a comprehensive guide to help you effectively navigate in the corporate world and take ownership of your career progression. It is a great preparation manual for those aspiring to have a corporate career, and a valuable resource if you are in the early years of your career journey, or feeling stuck in a junior role - wanting to move into a new or more senior position. Through 32 chapters and eight core sections, various workplace scenarios and insights are presented, with guidance and strategies to empower you to make wise moves and advance your career. About the Author, Joy Omoregie is a passionate motivator and an accredited performance coach. She has over 15 years' experience within the corporate world, working across the UK and Europe, as well as stints in Latin America and the Middle East so far. Her international career journey has enabled her to obtain and develop a wealth of valuable insights, which she shares through mentoring and coaching. She is passionate about people awakening to their powerful identity, stepping into greatness and living life fearlessly, making a positive impact.

Beauty Woke

Beauty Woke is a powerful story of pride and community, told with bold lyricism and the heart of a fairy tale. Readers looking for a next-generation Sleeping Beauty will fall in love with the vivid art and lyrical text. For fans of Woke Baby and Dreamers. Beauty is a Puerto Rican girl loved and admired by her family and community. At first, she's awake to their beauty, and her own—a proud Boricua of Taíno and African descent. But as she grows older, she sees how people who look like her are treated badly, and she forgets what makes her special. So her community bands together to help remind her of her beautiful heritage.

Woke Parenting

How do you raise your kids to be feminist, anti-racist, gender-inclusive, self-compassionate, and with strong respect for boundaries and consent in a society that offers mixed messages on all these things—especially when none of this was part of your own upbringing? How can you prepare the next generation to find joy and stability and also cope with economic instability, police brutality, political polarization, militant nationalism, and environmental disaster? Parents and therapists Dr. Faith Harper and Bonnie Scott have written a parenting guide for the 21st century. Drawing from their own experiences raising diverse, politically-active young people, this book will help you raise a new generation of civil rights leaders and activists who will change the world for the better—all while maintaining your own separate identity and relationships, and without losing your mind.

Woke Up Lonely

"Intricately imagined and timely . . . Maazel is an entertaining writer with a dry, droll sense of humor." —The New York Times Book Review, Editor's Choice * Shortlisted for the Believer Book Award * Fiona Maazel's Woke Up Lonely follows a cult leader, his ex-wife, and the four people he takes hostage. It's about loneliness in America, North Korea, espionage, a city underneath Cincinnati, cloud seeding, and eavesdropping. It's also a big, sweeping love story.

When Emily Woke Up Angry

Waking up in a bad mood, Emily imitates the angry movements of several animals until she meets a frog who jumps for joy.

Woke, Inc.

AN INSTANT NEW YORK TIMES BESTSELLER! A young entrepreneur makes the case that politics has no place in business, and sets out a new vision for the future of American capitalism. There's a new invisible force at work in our economic and cultural lives. It affects every advertisement we see and every product we buy, from our morning coffee to a new pair of shoes. "Stakeholder capitalism" makes rosy promises of a better, more diverse, environmentally-friendly world, but in reality this ideology championed by America's business and political leaders robs us of our money, our voice, and our identity. Vivek Ramaswamy is a traitor to his class. He's founded multibillion-dollar enterprises, led a biotech company as CEO, he became a hedge fund partner in his 20s, trained as a scientist at Harvard and a lawyer at Yale, and grew up the child of immigrants in a small town in Ohio. Now he takes us behind

the scenes into corporate boardrooms and five-star conferences, into Ivy League classrooms and secretive nonprofits, to reveal the defining scam of our century. The modern woke-industrial complex divides us as a people. By mixing morality with consumerism, America's elites prey on our innermost insecurities about who we really are. They sell us cheap social causes and skin-deep identities to satisfy our hunger for a cause and our search for meaning, at a moment when we as Americans lack both. This book not only rips back the curtain on the new corporatist agenda, it offers a better way forward. America's elites may want to sort us into demographic boxes, but we don't have to stay there. Woke, Inc. begins as a critique of stakeholder capitalism and ends with an exploration of what it means to be an American in 2021—a journey that begins with cynicism and ends with hope.

Joan Is Okay

A wry and insightful portrait of contemporary life, this is the much-anticipated follow-up to the award-winning novel *Chemistry*.

Before I Fall

A bestselling summer read as heartbreaking as *The Lovely Bones* and as gripping as Jenny Downham's *Before I Die*. **Now a major Netflix movie starring Zoey Deutch, Halston Sage, Logan Miller, Kian Lawley* 'Gossip Girl meets Groundhog Day' Grazia 'Tender, funny and raw' Marie Claire 'A clever, funny, insightful and utterly addictive novel' Daily Mail 'Compelling and poignant, a truly memorable read' Closer They say 'live every day as if it's your last' - but you never actually think it's going to be. At least I didn't. The thing is, you don't get to know when it happens. You don't remember to tell your family that you love them or - in my case - remember to say goodbye to them at all. But what if, like me, you could live your last day over and over again? Could you make it perfect? If your whole life flashed before your eyes, would you have no regrets? Or are there some things you'd want to change...? 'This book will take your breath away' She 'A beautifully written and outrageously weepy tale' Daily Mirror

Firefly Lane

Now a major Netflix series, *Firefly Lane* is an unforgettable coming of age story about friendship and betrayal, by Kristin Hannah, the bestselling author of *The Four Winds* and *The Nightingale*. It is 1974 and the summer of love is drawing to a close. Kate Mularkey has accepted her place at the bottom of the secondary school social food chain. Then, to her amazement, Tully Hart – the girl all the boys want to know – moves in across the street and wants to be her best friend. Tully and Kate became inseparable and by summer's end they vow that their friendship will last forever. For thirty years Tully and Kate buoy each other through life, weathering the storms of friendship, jealousy, anger, hurt and resentment. Tully follows her ambition to find fame and success. Kate knows that all she wants is to fall in love and have a family. What she doesn't know is how being a wife and a mother will change her. They think they've survived it all until a single act of betrayal tears them apart. But when tragedy strikes, can the bonds of friendship survive? Or is it the one hurdle that even a lifelong friendship cannot overcome? Continue *Firefly Lane*'s emotional journey with the sequel *Fly Away*. Praise for Kristin Hannah: 'Powerful and compelling' – Delia Owens, bestselling author of *Where the Crawdads Sing* 'Moving and unforgettable' – Christy Lefteri, bestselling author of *The Beekeeper of Aleppo* 'A classic storyteller' – Matt Haig, bestselling author of *The Midnight Library* 'A rich, compelling novel of love, sacrifice and survival' – Kate Morton 'A masterclass . . . This is a story that will stay with me for a long, long time.' – Karen Swan

Problems

Dark, raw, and very funny, *Problems* introduces us to Maya, a young woman with a smart mouth, time to kill, and a heroin hobby that isn't much fun anymore. Maya's been able to get by in New York on her wits and a dead-end bookstore job for years, but when her husband leaves her and her favorite professor ends their affair, her barely-calibrated life descends into chaos, and she has to make some choices. Maya's struggle to be alone, to be a woman, and to be thoughtful and imperfect and alive in a world that doesn't really care what happens to her is rendered with dead-eyed clarity and unnerving charm. This book takes every tired trope about addiction and recovery, "likeable" characters, and redemption narratives, and blows them to pieces. Emily Books is a publishing project and ebook subscription service whose focus is on transgressive writers of the past, present and future, with an emphasis on the writing of women, trans and queer people, writing that blurs genre distinctions and is funny, challenging, and provocative. Jade Sharma is a writer living in New York. She has an MFA from the New School.

A Friend of the Family

After his best friend's daughter, Laura, sets her sights on his son, Alec, Pete Dizinoff sees his plans for a perfect son not just unraveling but being destroyed completely and sets out to derail the romance.

Should We Stay or Should We Go

A best fiction book of 2021 for The Times 'Hilarious... Fiery phrases spit and crackle. Disgust expands and bursts into belly laughs... a very funny book' Sunday Times 'Thought-provoking, timely, and extremely funny' Metro

She Woke Up Married

Paris James has come to Las Vegas to take the sting off turning the dreaded "Three-O." But one glass of bubbly leads to another -- and when the redhead wakes up the next morning, she finds to her astonishment she's in bed with ... Elvis! The good news is it's the young, sexy Elvis. The bad news is there's a diamond ring on her finger. Sometime during the evening she actually married The King of Rock 'n' Roll! Well, what happened in Vegas better stay in Vegas, right? But not if Turner Pruitt has anything to say about it. Because years before he put on his first pair of blue suede shoes, Turner knew the real Paris ... She's running away, as usual, but he knows her deepest secrets, and as much as she struggles against love, Paris is going to need him by her side as she faces her demons head-on. Because this time, Paris James has met her match.

When You Reach Me

Miranda's life is starting to unravel. Her best friend, Sal, gets punched by a kid on the street for what seems like no reason, and he shuts Miranda out of his life. The key that Miranda's mum keeps hidden for emergencies is stolen. And then a mysterious note arrives: 'I am coming to save your friend's life, and my own. I ask two favours. First, you must write me a letter.' The notes keep coming, and Miranda slowly realises that whoever is leaving them knows things no one should know. Each message brings her closer to believing that only she can prevent a tragic death. Until the final note makes her think she's too late.

With Malice

Wish you weren't here . . . When Jill wakes up in a hospital bed with her leg in a cast, the last six weeks of her life are a complete blank. All she has been told is that she was involved in a fatal accident while on a school trip in Italy and had to be jetted home to receive intensive care. Care that involves a lawyer. And a press team. Because maybe the accident . . . wasn't just an accident. With no memory of what happened or what she did, can Jill prove her innocence? And can she really be sure that she isn't the one to blame?

My First Little Book of Intersectional Activism

'Fabulously smart and entertaining . . . If virtue-signalling wokery drives you as nuts as it drives me, you will love it' Piers Morgan 'Required reading for anyone needing an antidote to the mass hysteria of humanity's latest religion' Entertainment Focus After the success of her debut *Woke: A Guide to Social Justice*, radical slam poet and intersectional feminist Titania McGrath has turned her talents to the realm of children's non-fiction. Aimed at activists from the age of six months to six years, Titania's book will help cultivate a new progressive generation. In a series of groundbreaking and poignant chapters, she will take you on a journey with some of the most inspiring individuals in history, such as Emmeline Pankhurst, Meghan Markle, Nelson Mandela, Hillary Clinton and Joseph Stalin. Praise for *Woke*: 'Beautiful classic satire' Ricky Gervais 'The latest genius twist in Britain's long tradition of satirical spoof' Daily Express 'Titania McGrath mercilessly satirises the Left's online umbrage brigade, the permanently offended, those who have taken on the role of policing thoughts and words to the point of absurdity' The Herald 'Hilarious' Evening Standard 'Hilarious' Spectator 'Hilarious' The Times 'Utterly unfunny' Peter Hitchens

Woke Gaming

From #Gamergate to the 2016 election, to the daily experiences of marginalized perspectives, gaming is entangled with mainstream cultures of systematic exploitation and oppression. Whether visible in

the persistent color line that shapes the production, dissemination, and legitimization of dominant stereotypes within the industry itself, or in the dehumanizing representations often found within game spaces, many video games perpetuate injustice and mirror the inequities and violence that permeate society as a whole. Drawing from groundbreaking research on counter and oppositional gaming and from popular games such as World of Warcraft and Tomb Raider, Woke Gaming examines resistance to problematic spaces of violence, discrimination, and microaggressions in gaming culture. The contributors of these essays seek to identify strategies to detox gaming culture and orient players and gamers toward progressive ends. From Anna Anthropy's Keep Me Occupied to Momo Pixel's Hair, Nah, video games can reveal the power and potential for marginalized communities to resist, and otherwise challenge dehumanizing representations inside and outside of game spaces. In a moment of #MeToo, #BlackLivesMatter, and efforts to transform current political realities, Woke Gaming illustrates the power and potential of video games to foster change and become a catalyst for social justice.

Charlotte Sometimes

'Suppose you got stuck in here, and Clare there in your time. Just suppose you did?' Charlotte Makepeace's first day at boarding school is a bewildering blur of unfamiliar faces, timetables, rules and lists. All the other girls know the routine – and each other. No one invites her into their exclusive circles of whispers and giggles. But on Charlotte's very first night something mysterious starts to happen. She wakes up in the same bed, in the same dormitory, in the same school. But something has changed. Somehow Charlotte has slipped forty years back in time... Includes exclusive material: In the Backstory you can learn what life was like during the First World War Vintage Children's Classics is a twenty-first century classics list aimed at 8-12 year olds and the adults in their lives. Discover timeless favourites from The Jungle Book and Alice's Adventures in Wonderland to modern classics such as The Boy in the Striped Pyjamas and The Curious Incident of the Dog in the Night-Time
