The Summer is Ended and We are Not Yet Saved

A horror novella from award-winning Canadian writer, Joey Comeau.

The Summer We Saved the Bees

For Wolf, saving the planet means first saving his family from self-inflicted disaster. Wolf's mother is obsessed with saving the world's honeybees, so it's not too surprising when she announces that she's taking her Save the Bees show on the road—with the whole family. Wolf thinks it's a terrible plan, and not just because he'll have to wear a bee costume—in public. He likes his alternative school and hates the idea of missing weeks of classes. His teenage stepsister doesn't want to leave her boyfriend, and one of his little half sisters has stopped talking altogether, but Wolf's mom doesn't seem to notice. She's convinced that the world is doomed unless ordinary people take extraordinary action. It isn't until the kids take some drastic action of their own that she is forced to listen when Wolf tells her that dragging the family around the province in a beat-up Ford panel van may not be the best idea she ever had.

The Summer We Got Free

At one time a wild young girl and a brilliant artist, Ava Delaney changes dramatically after a violent event that rocks her entire family. Once loved and respected in their community and in their church, they are ostracized by their neighbors, led by their church leader, and a seventeen-year feud between the Delaneys and the church ensues. Ava and her family are displaced from the community even as they continue to live within it, trapped inside their creaky, shadowy old house. When a mysterious woman arrives unexpectedly for a visit, her presence stirs up the past and ghosts and other restless things begin to emerge. And something is reignited in Ava: the indifferent woman she has become begins to give way to the wild girl, and the passionate artist, she used to be. But not without a struggle that threatens her well-being and, ultimately, her life. Winner of the 2013 Lambda Literary Award for Debut Fiction.

The Summer I Saved the World . . . in 65 Days

It's summertime, and thirteen-year-old Nina Ross is feeling kind of lost. Her beloved grandma died last year; her parents work all the time; her brother's busy; and her best friend is into clothes, makeup, and boys. While Nina doesn't know what "her thing" is yet, it's definitely not shopping and makeup. And it's not boys, either. Though . . . has Eli, the boy next door, always been so cute? This summer, Nina decides to change things. She hatches a plan. There are sixty-five days of summer. Every day, she'll anonymously do one small but remarkable good thing for someone in her neighborhood, and find out: does doing good actually make a difference? Along the way, she discovers that her neighborhood, and her family, are full of surprises and secrets. In this bighearted, sweetly romantic novel, things may not turn out exactly as Nina expects. They might be better. Praise: Finalist for the Golden Sower Award (Nebraska) Nominated for the Pennsylvania Young Reader's Choice Awards Nominated for the Sunshine State Young Readers Award (Florida)

What We Found in the Corn Maze and How It Saved a Dragon

When three kids discover a book of magic spells that can only be cast during a few short minutes a day, they'll need all the time they can get to save a dying magical world, its last dragon, and themselves. An ordinary day turns extraordinary when twelve-year-old Cal witnesses his neighbor Modesty summon a slew of lost coins without lifting a finger. Turns out she has a secret manual of magic spells . . . but they only work sometimes. And they're the most boring spells ever: To Change the Color of a Room, To Repair a Chimney, To Walk With Stilts, To Untangle Yarn. Useless! But when Cal, his friend Drew, and Modesty are suddenly transported to the world the spells come from—a world that's about to lose its last dragon—they'll have to find a way to use the oddly specific incantations to save the day, if only they can figure out when magic works. From the inventive mind of Henry Clark comes a hilariously wacky adventure about magic, friendship, a lookout tower come to life, a maze in the shape of a dragon, an actual dragon named Phlogiston, and lots and lots of popcorn.

To Save a Life

Book only - based on the screenplay of the theatrical movie. Includes additional scenes not shown in the film. Addresses real-life challenges of teens and their choices. Communicates the concept that we are never more like Jesus than when we are reaching out to the lonely and hurting. Powerful novel that makes a heart impact.

We'll Always Have Summer

The summer after her first year of college, Isobel "Belly" Conklin is faced with a choice between Jeremiah and Conrad Fisher, brothers she has always loved, when Jeremiah proposes marriage and Conrad confesses that he still loves her.

Olivia Saves The Circus

It's show-and-tell time at Olivia's school and she's telling her class about the time she went to the circus and all the performers were sick... so Olivia had to do everything. She tamed the lions, balanced on stilts, juggled and even played the clown. 'Was that true?' Olivia's teacher asks. 'Quite true,' says Olivia. 'Are you sure Olivia?' 'To the best of my recollection,' she says.

Summer We Saved the Bees

One girl, two boys and the summer that changed everything.

The Summer I Turned Pretty

In Jenny Han's follow-up to *The Summer I Turned Pretty*, Belly finds out what comes after falling in love. Now available in paperback!

It's Not Summer Without You

Arianna and Jefferson's love is true but will it be enough? Ari who comes from a loving home with a family who has had more than their share of difficulties, is faced with possibly losing the love of her life. All she dreams of is growing old and having children with Jeff, but a family history and a conniving Rebecca could shatter that dream. Trying to support Jeff and cope with all the truths and possibilities of her own destiny may prove to be more than one person can handle. Jeff's dream is to raise horses on his ranch in Mason with the only woman who has ever filled his heart and soul. But he's running the risk of losing her by trying to be the man he knows he should be by taking on his responsibilities. He's completely bewitched by the passionate and ever outspoken Ari, but needs to do right for the child that could possibly be his. Despite all the odds stacked against them can their relationship be.....SAVED? Contains adult content.

The Summer I Saved the World... in 65 Days

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

Saved

Savannah, Georgia is one of the most haunted places in the United States, a fact Jennifer Strange has become all too aware of since moving there to live with her sister after their father's disappearance. Ghosts love her. They haunt her and everyone around her. Now they seem to want her to do something for them. Just what she's not sure but she better figure it out before they force her to join them. Cat's amazing illustrations bring the ghosts and demons of her fictional world to eerie and beautiful life, harkening back to the style of SCARY STORIES TO TELL IN THE DARK. With the success of Madeleine Roux's *ASYLUM* and Ransom Riggs' *MISS PEREGRINE'S HOME FOR PECULIAR CHILDREN*, it seems a perfect time to do an illustrated YA horror novel.

A Little Life

In an Alabama town in the early 1950s during the last polio summer before the Salk vaccine, ten-year-old Tabitha "Tab" Rutland is about to have the time of her life. Although movie theaters and pools have been closed to stem the epidemic, Tab, a tomboy with a passion for Roy Rogers, still seeks adventure with her best friend Maudie May, "the lightest brown colored person" she knows. Now as they meddle with the local bootlegger, Mr. Jake, row out on the Tennessee River to land the biggest catfish ever, and snoop into the town's darkest secrets, Tab sets out to be a hero...and comes of age in an unforgettable confrontation with human frailty, racial injustice, and the healing power of love.

Jennifer Strange

The first in a spicy and unforgettable rom-com duology from #1 New York Times bestseller and tik tok favorite Tessa Bailey, in which a Hollywood "It Girl" is cut off from her wealthy family and exiled to a

small Pacific Northwest beach town... where she butts heads with a surly, sexy local who thinks she doesn't belong. Piper Bellinger is fashionable, influential, and her reputation as a wild child means the paparazzi are constantly on her heels. When too much champagne and an out-of-control rooftop party lands Piper in the slammer, her stepfather decides enough is enough. So he cuts her off, and sends Piper and her sister to learn some responsibility running their late father's dive bar... in Washington. Piper hasn't even been in Westport for five minutes when she meets big, bearded sea captain Brendan, who thinks she won't last a week outside of Beverly Hills. So what if Piper can't do math, and the idea of sleeping in a shabby apartment with bunk beds gives her hives. How bad could it really be? She's determined to show her stepfather—and the hot, grumpy local—that she's more than a pretty face. Except it's a small town and everywhere she turns, she bumps into Brendan. The fun-loving socialite and the gruff fisherman are polar opposites, but there's an undeniable attraction simmering between them. Piper doesn't want any distractions, especially feelings for a man who sails off into the sunset for weeks at a time. Yet as she reconnects with her past and begins to feel at home in Westport, Piper starts to wonder if the cold, glamorous life she knew is what she truly wants. LA is calling her name, but Brendan—and this town full of memories—may have already caught her heart. As seen on E!Online, PopSugar, CNN, EliteDaily, Vulture, Buzzfeed, Bustle, the Nerd Daily, PARADE, LA Magazine, Country Living, USA Today, and more!

My Last Days as Roy Rogers

'Ingenious' – Huffington Post.

It Happened One Summer

John McMillan was only eight years old when his mother died and he was ripped, without warning, from his sheltered world of books and gentility. Now on his aunt's run-down tenant farm in southern Alabama, abused by his alcoholic uncle, and completely bereft, John longs for escape--his only hope for survival. He's about to get his wish in a way no one could ever predict....A twist of fate will bring John to the Bend, a black settlement that has become a refuge for outcasts, where he'll join Tuway, a black man who helps others leave the South and find a new life in Chicago. But neither will be ready for the brutal confrontation about to change their lives, challenge the prejudice of an era, inspire the courage of a people, and most of all, touchingly reveal the secrets of one boy's heart.

The Summer We Came To Life

An exceptionally moving story of triumph against all odds, set during World War II. Nine-year-old Ada has never left her one-room flat. Her mother is too humiliated by Ada's twisted foot to let her outside. So when her little brother Jamie is shipped out of London to escape the war, Ada doesn't waste a minute—she sneaks out to join him. So begins a new adventure for Ada, and for Miss Susan Smith, the woman who is forced to take in the two children. As Ada teaches herself to ride a pony, learns to read, and watches for German spies, she begins to trust Susan—and Susan begins to love Ada and Jamie. But in the end, will their bond be enough to hold them together through wartime? Or will Ada and her brother fall back into the cruel hands of their mother? This masterful work of historical fiction is equal parts adventure and a moving tale of family and identity—a classic in the making. Kimberly Brubaker Bradley has written several historical novels for children and young adults, including the bestselling Newbery Honor Book *The War that Saved My Life*. She lives on a farm in Tennessee with her husband and two young children. 'Achingly lovely...Nuanced and emotionally acute, this vivid tale from the wartime home front will have readers ages 10-14 wincing at Ada's stumbles and rejoicing to the point of tears in her victories.' *Wall Street Journal* 'Ada's voice is brisk and honest; her dawning realizations are made all the more poignant for their simplicity... Things come to an explosive head, metaphorically and literally. Ignorance and abuse are brought to light, as are the healing powers of care, respect and love. Set against a backdrop of war and sacrifice, Ada's personal fight for freedom and ultimate triumph are cause for celebration.' *STARRED review* Kirkus 'Proving that her courage and compassion carry far more power than her disability, Ada earns self-respect, emerges a hero, and learns the meaning of home.' *STARRED review* Publishers Weekly 'Bradley presents this episode in Britain's history in a form that young readers will appreciate, learn from and enjoy: a moral tale wrapped up in an adventure story...A moving and uplifting read.' BookMooch 'A beautifully written and very moving book, bound to be an instant classic...A beautiful story of hope and family.' Booktopia 'Heartwarming...A delightful WWII story with a totally winning protagonist.' Paper Fury 'Comforting in its familiarity...Ada's voice is honest and authentic and true...It's a lovely little novel to curl up with on a rainy day, that took me back to

the novels I read and loved as a child.' Steph Bowe 'Ada's transformation from an angry young woman into a confident lady is imaginatively drawn.' Australian Women's Weekly 'A moving and captivating story.' Best Middle Fiction Books of 2016, Readings 'A stunning story that will pluck you into its events and carry you along to its brilliant ending as if you were a feather on a strong, steady breeze.' School Magazine 'A touching story that can be read by all ages, The War that Saved My Life is deserving of the awards it has won and been nominated for. It is a book that shows a different side to the war, and will hopefully become a much-loved classic in years to come.' Book Muse

The War that Saved My Life

THE NEW YORK TIMES BESTSELLER* THE UNMISSABLE TIKTOK SENSATION* OVER 1.6 MILLION COPIES SOLD WORLDWIDE Grumpy, small-town barber + hopelessly romantic runaway bride = great big bust ups, all the tension and lots of steamy encounters! Escaping her seemingly perfect wedding, Naomi Witt arrives in rough-around-the-edges Knockemout, Virginia, running to the rescue of her estranged twin, Tina. Too bad for Naomi her evil twin hasn't changed at all. After helping herself to Naomi's car and cash, Tina leaves her with something unexpected: the 11-year-old niece she didn't know she had. Now she's stuck in town with no job, no plan, no home and a whole lot of extra responsibility. There's a reason local barber Knox doesn't do complications or high-maintenance women, especially not the romantic ones. But since Naomi's life imploded right in front of him, the least he can do is help her out of her jam. And just as soon as she stops getting into trouble, he can leave her alone and get back to his peaceful, solitary life. At least that's the plan, until their lives begin to entwine in ways they never imagined . . . *New York Times bestseller, 18 weeks from October 2022 - February 2023* *With 78.9 million views on #thingswenevergotover as of April 2023* 'I laughed. I cried. I laughed while I cried, and I definitely blushed' Book Addict

Things We Never Got Over

"Twenty-four-year-old truck stop waitress and single mother Catherine Wright has simple goals: to give her five-year-old daughter a happy life and to never again be the talk of the town in Balsam, Pennsylvania--population two thousand outside of tourist season. And then one foggy night, on a lonely road back from another failed attempt at a relationship, Catherine saves a man's life. It isn't until after the police have arrived that Catherine realizes exactly who it is she has saved: Brett Madden, hockey icon and media darling"--

The Summer We Turned Green

The first novel-writing guide from the best-selling Save the Cat! story-structure series, which reveals the 15 essential plot points needed to make any novel a success. Novelist Jessica Brody presents a comprehensive story-structure guide for novelists that applies the famed Save the Cat! screenwriting methodology to the world of novel writing. Revealing the 15 "beats" (plot points) that comprise a successful story--from the opening image to the finale--this book lays out the Ten Story Genres (Monster in the House; Whydunit; Dude with a Problem) alongside quirky, original insights (Save the Cat; Shard of Glass) to help novelists craft a plot that will captivate--and a novel that will sell.

Until It Fades

'Hope Jahren asks the central question of our time: how can we learn to live on a finite planet? The Story of More is thoughtful, informative and - above all - essential' Elizabeth Kolbert, author of The Sixth Extinction Hope Jahren is an award-winning geobiologist, a brilliant writer, an inspiring teacher, and one of the seven billion people with whom we share this earth. In The Story of More, Jahren illuminates the link between human consumption habits and our imperiled planet. In short, highly readable chapters, she takes us through the science behind the key inventions - from electric power to

large-scale farming and automobiles - that, even as they help us, release untenable amounts of carbon dioxide into the atmosphere. She explains the current and projected consequences of greenhouse gases - from superstorms to rising sea levels - and the actions that all of us can take to fight back. At once an explainer on the mechanisms of warming and a lively, personal narrative given to us in Jahren's inimitable voice, *The Story of More* is the essential pocket primer on climate change that will leave an indelible impact on everyone who reads it.

The Life and Letters of Mrs. Phoebe Palmer

This middle-grade graphic novel for fans of *Roller Girl* and *Smile* introduces Jamila and Shirley, two unlikely friends who save each other's summers while solving their neighborhood's biggest mysteries. Jamila Waheed is staring down a lonely summer in a new neighborhood--until she meets Shirley Bones. Sure, Shirley's a little strange, but both girls need a new plan for the summer, and they might as well become friends. Then this kid Oliver shows up begging for Shirley's help. His pet gecko has disappeared, and he's sure it was stolen! That's when Jamila discovers Shirley's secret: She's the neighborhood's best kid detective, and she's on the case. When Jamila discovers she's got some detective skills of her own, a crime-solving partnership is born. The mystery of the missing gecko turns Shirley and Jamila's summer upside down. And when their partnership hits a rough patch, they have to work together to solve the greatest mystery of all: What it means to be a friend.

Save the Cat! Writes a Novel

It's summertime, and thirteen-year-old Nina Ross is feeling kind of lost. Her beloved grandma died last year; her parents work all the time; her brother's busy; and her best friend is into clothes, makeup, and boys. While Nina doesn't know what "her thing" is yet, it's definitely not shopping and makeup. And it's not boys, either. Though . . . has Eli, the boy next door, always been so cute? This summer, Nina decides to change things. She hatches a plan. There are sixty-five days of summer. Every day, she'll anonymously do one small but remarkable good thing for someone in her neighborhood, and find out: does doing good actually make a difference? Along the way, she discovers that her neighborhood, and her family, are full of surprises and secrets. In this bighearted, sweetly romantic novel, things may not turn out exactly as Nina expects. They might be better. CALEB I came to the lake to be left alone, to lick my wounds. I wasn't counting on neighbors and I especially wasn't counting on her. Lucie was a little kid the last time I was here. Now she's grown-and God, did she ever grow up-with two little kids of her own. She's everywhere I look, no matter how hard I try to avoid her. I'd forgotten all the things I used to want, used to dream about. She's reminding me...and making me want every last one of them again. LUCIE From the moment I first saw Caleb when I was six, I knew he belonged to me. And I knew I'd have to save him-because how else does the girl nobody wants win over the boy beloved by all? Nothing about his life or mine has gone to plan. He's isolated and miserable. I've got a vindictive ex and more problems than I can count. But what hasn't changed is this: it still feels like he's mine. And I still think I may need to save him.

The Story of More

An expert in business turnaround shares his inspiring approach to problem-solving: "A fascinating read" (Mitt Romney). Visionary leader Greg Brenneman believes that true business success and personal fulfillment are two sides of the same coin. The techniques that will grow your business will also help you achieve a rich, purposeful, and integrated life. Here, Brenneman takes what he's learned from turning around or tuning up many businesses—including Continental Airlines and Burger King—and distills it into a simple, clear, five-step roadmap that anyone can follow. He teaches you how to: *prepare a succinct Go Forward plan *build a fortress balance sheet *grow your sales and profits *choose all-star servant leaders *empower your team For more than thirty years, Brenneman has seen these steps

foster dramatic results in a variety of business environments. But he also came to realize that he could apply these same principles to improve his life and build a lasting moral legacy. He found he could make better decisions by carefully taking the most important facets of his life—faith, family, friendship, fitness, and finance—into consideration. Brenneman’s inspiring examples, from both his business and his life, demonstrate the astounding effects these steps can have when you apply them—right away and all at once.

Talking Book Topics

Now an original series on Hulu! **YOU NEVER FORGET YOUR WORST.** “A twisted modern love story” (Parade), *Tell Me Lies* is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn’t let go of. The one you’ll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she’s never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she’s quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy’s heart. Lucy knows there’s something about Stephen that isn’t to be trusted. Stephen knows Lucy can’t tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy’s and Stephen’s voices, *Tell Me Lies* follows their connection through college and post-college life in New York City. “Readers will be enraptured” (Booklist) by the “unforgettable beauties in this very sexy story” (Kirkus Review). With the psychological insight and biting wit of *Luckiest Girl Alive*, and the yearning ambitions and desires of *Sweetbitter*, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.

Shirley and Jamila Save Their Summer

“A radiant debut.”—Emily Henry, #1 New York Times bestselling author of *Book Lovers* **THE NEW YORK TIMES BESTSELLER!** Named One of the Hottest Reads of Summer 2022 by Today Parade PopSugar USA Today SheReads BuzzFeed BookBub Bustle and more! Six summers to fall in love. One moment to fall apart. A weekend to get it right. They say you can never go home again, and for Persephone Fraser, ever since she made the biggest mistake of her life a decade ago, that has felt too true. Instead of glittering summers on the lakeshore of her childhood, she spends them in a stylish apartment in the city, going out with friends, and keeping everyone a safe distance from her heart. Until she receives the call that sends her racing back to Barry’s Bay and into the orbit of Sam Florek—the man she never thought she’d have to live without. For six summers, through hazy afternoons on the water and warm summer nights working in his family’s restaurant and curling up together with books—medical textbooks for him and work-in-progress horror short stories for her—Percy and Sam had been inseparable. Eventually that friendship turned into something breathtakingly more, before it fell spectacularly apart. When Percy returns to the lake for Sam’s mother’s funeral, their connection is as undeniable as it had always been. But until Percy can confront the decisions she made and the years she’s spent punishing herself for them, they’ll never know whether their love might be bigger than the biggest mistakes of their past. Told over the course of six years and one weekend, *Every Summer After* is a big, sweeping nostalgic story of love and the people and choices that mark us forever.

The attacks against New York City and Washington, D.C., caused extensive death and destruction and triggered an enormous U.S. effort to combat terrorism. Some 2,750 people were killed in New York, 184 at the Pentagon, and 40 in Pennsylvania (where one of the hijacked planes crashed after the passengers attempted to retake the plane); all 19 terrorists died (see Researcher's Note: September 11 attacks). Police and fire departments in New York were especially hard-hit: hundreds had rushed to the scene of the attacks, and more than 400 police officers and firefighters were killed."]]},"thumbnail":{"thumbnails":{"url":"https://www.gstatic.com/youtube/img/information_panels/0911-EB.png","width":90,"height":90}},"sourceEndpoint":{"clickTrackingParams":"CN8DEMChAiITCMHhn8nN-4QDFecs8QUdY34LyQ==","commandMetadata":{"webCommandMetadata":{"url":"https://www.britannica.com/event/September-11-attacks","web-PageType":"WEB_PAGE_TYPE_UNKNOWN","rootVe":83769}},"urlEndpoint":{"url":"https://www.britannica.com/event/September-11-attacks","target":"TARGET_NEW_WINDOW"},"truncateParagraphs":true,"trackingParams":"CN8DEMChAiITCMHhn8nN-4QDFecs8QUdY34LyQ==","background":"INFO_PANEL_CONTENT_BACKGROUND_BLUE"},"paragraphMaxLines":3,"loggingDirec-
