MacMillan; Madrid by Paul M. Buzinski; Requiem For A Life by Tony Macy-Perez; Fun On The Bayou by Vivian Neuwirth; Grave Concerns by Susan E. Sneeringer; Cut Short by Jonathan Zungre; The ABC Slump by Ernest Curcio; and many more!

The Best Plays from the Strawberry One-Act Festival

*Discusses the legends and controversies surrounding Montezuma's life and death, and the conquest of the Aztec Empire by Cortes *Describes the Aztec Empire, the city of Tenochtitlan, and the human sacrifice rituals. *Includes pictures of historic art depicting Montezuma and important people, places, and events. "Cortés and all of us captains and soldiers wept for him, and there was no one among us that knew him and had dealings with him who did not mourn him as if he were our father, which was not surprising, since he was so good. It was stated that he had reigned for seventeen years, and was the best king they ever had in Mexico, and that he had personally triumphed in three wars against countries he had subjugated. I have spoken of the sorrow we all felt when we saw that Montezuma was dead. We even blamed the Mercederian friar for not having persuaded him to become a Christian." - Bernal Díaz del Castillo Nearly 500 years after his death and the demise of his empire, Moctezuma II is the most famous ruler of the most famous civilization in the New World, the Aztec. For centuries the legends surrounding his life and the conquest of the Aztecs by Hernan Cortes have fascinated readers and historians alike. Moctezuma was born around 1466 in the legendary Aztec city of Tenochtitlan and into the ruling family of the Aztec Confederacy. In the Nahuatl language, his name means "Angry Lord" or "Strong Armed Lord," and he was the ninth ruler of the Aztecs, who called their leaders tlatoani. Though he is the best known ruler of the Aztec today, he was actually the second Aztec tlatoani to bear the name Moctezuma, after he assumed the throne from his uncle. The Spanish conquest of the Aztec and some of the myths and legends surrounding it have made his name (and variations of it like Montezuma) instantly recognizable around the globe, his life is shrouded in mystery; Bernal Diaz del Castillo's The Conquest of New Spain and Miguel Leon-Portilla's translation of the Aztec observation of the conquest, The Broken Spears, recorded but a few details about the last Aztec ruler's life. Also, these two sources are only concerned with the circumstances surrounding the Spanish conquest of the Aztecs and therefore only deal with the very end of Moctecuma II's life and reign. Thus, his early life largely remains a mystery. So what is known about the famous Aztec ruler? Naturally, there is still a fierce debate over what happened during the conquest of the Aztec, and one of the most controversial episodes of the conquest was Moctezuma's death. But all of the sources agree that Moctezuma - sometimes called Moctezuma the Younger - generally possessed a reputation as a valiant warrior and was considered a courageous combat leader among his people. Myths and legends have helped fill in the blanks, regardless of their accuracy, and many of them have since become the best known details of Moctezuma's life. The Last Emperor of the Aztecs chronicles the life and legacy of the famous ruler and examines the myths, legends and historical accounts in an attempt to separate fact from fiction. Along with pictures of famous art depicting important people, places, and events, you will learn about Moctezuma II like you never have before.

The Last Emperor of the Aztecs

Did you know that the Aztecs sacrificed 500 to 700 people every year in order to satisfy Gods? For many years, the Aztecs have captured our imaginations. Stories from the original European invaders combined with unique, awe-inspiring ruins and legends that speak of palaces of gold create an image of Aztec society defined by grandeur, wealth, and splendor. But who exactly were the Aztecs? Where

did they come from? How did they rise to control such a wide expanse of land? And if they were so powerful, how was it possible for them to fall from power and dominance just three years after contact was first made with the Spaniards? These are just some of the questions that this new captivating history book aims to answer. In *Aztec History: A Captivating Guide to the Aztec Empire, Mythology, and Civilization* you will discover topics such as: Where Did the Aztecs Live? The Truth About Who the Aztecs Really Were Remarkable Insights into Government, City-States, and Expansion The Arrival of the Spanish and the Decline of the Empire A Day in the Life of an Aztec Citizen The Sovereign, the Dignitaries, and the Nobles Agriculture and Diet Religion Shocking Discoveries of Human Sacrifice And much, much more! Get the book now to learn more about the Aztecs!

Make the most of your next road trip with these essential tips and tricks for planning the ultimate epic adventure. During COVID-19, we've all had to find different ways to travel. From the disruptions of airlines to the possibility of many travel restrictions at your destination, the car has become a more attractive (and safer) option. One part Bushcraft 101 and one part vacation planning workbook, *The Road Trip Survival Guide* provides guidance for new road trippers as well as essential tips and tricks for even the most experienced roadsters including: -How to organize your car for trips -Packing lists for different types of vacations, from city breaks to outdoor adventures -How to develop the perfect road trip itinerary that will suit the whole family -Recipes and recommendations for the best car snacks (easy access and less mess!) -Tips and tricks for making your trip more eco-friendly -How to reroute a road trip gone wrong -And more! *The Road Trip Survival Guide* is a must-have for anyone planning a vacation. Perfectly designed to fit in a glove box or back-seat pocket, you can now stop dreaming, hit the open road, and start experiencing the perfect road trip.

The Road Trip Survival Guide

Rene Perez has the ability to stop time. In fact, time stops as soon as you start reading one of his short stories. You find yourself transported into the minds and lives of people you thought you didn't know. Suddenly they are your best friends. They live in Texas. Most of them are Hispanic. But their problems are universal. Like Alfredo, driving home from Dallas to Greenton with the body of his friend "Frankie" Ochoa in the back of his hearse and his son Ramon ready to drive if Alfredo's eyesight fails again. Or Joey, just back from basic training and ready to ship out with his Marine platoon. He's having beers with his best friend J.R. at Flojo's, a bar outside of Greenton run by Liz and Vicente, "the toughest couple in town." Or Benny, who drops into Flojo's for the first time in years and finds his one-time friend Gumby drinking himself into oblivion. Turns out Gumby's luck is even worse than Benny's. Or Virginia, the schoolteacher who's trying to become better educated in the hope that her son who went to Stanford will come back home to Corpus Christi. Or Eric, who spent all his money on two flashy wheels for his car and put them both on the passenger side so that they'll impress everyone on the sidewalk as he passes. Or Andy, who breaks into a home he's always wanted to see from the inside. You'll want to know them all. And you will count yourself fortunate to have met them.

Highway Construction Practices in the State of Arizona

Who is Itzamna? What is Xolotl? Why are myths so important in our lives? Myths are a rich source of history. People use them to make sense of our world. Even before myths were written down, people

told and retold the stories of the gods and goddesses of their homeland. Readers of Mayan and Aztec Mythology will learn the history of myths, as well as their deeper meaning. From the Aztec feathered serpent god Quetzalcoatl to the Mayan rain god Chac, this book helps kids understand the myths that shape and direct people's lives. Abdo & Daughters is an imprint of Abdo Publishing, a division of ABDO.

Along These Highways

The first translation of a previously unknown Aztec codex and its initiatory teachings for 2012 • Discloses the potential for great spiritual awakening offered at the end of the Aztec calendar cycle • Presents the only existing English-language transcription of the Aztec codex, with line-by-line commentary • Contains the epic poetry and metaphysical insights of Beat poet Marty Matz (1934–2001) In 1961 an unknown Aztec codex was revealed to Beat poet and explorer Marty Matz by a Mazatec shaman in the mountains of Oaxaca, Mexico. Originally intended for dramatic performance, this codex presents a profound metaphysical teaching describing how the end of time will bring about a visionary ascent. At the behest of his Mazatec teacher, Matz transcribed this pictorial codex into a literary form that would preserve its initiatory teachings and reveal its secret meanings to a wider audience. Pyramid of Fire is an epic poem that provides a vehicle to transport the initiate into the higher realms of consciousness. It represents a barely surviving thread of teachings that have been passed down in secret since the time of the Spanish Conquest. Revealed are the techniques by which man is transported to the stellar realm after death via the solar energy within what the ancients called the "serpent of consciousness." Line-by-line commentary by Matz and John Major Jenkins provides insights into the perennial philosophy contained in the codex and its relevance to our times.

Mayan and Aztec Mythology

An offbeat look at past civilisations Focusing on the unusual, this new series explores ancient worlds and cultures from a very different point of view. Did you know that one of the greatest Viking warriors was called Thorbjorn the Feeble? Or that a Roman tournament once involved 10,000 gladiators and 11,000 wild animals? Each book contains a table of contents, a glossary and an index.

Pyramid of Fire: The Lost Aztec Codex

Excerpt from Mexican Vistas: Seen From Highways and Byways of Travel Mexican Vistas: Seen from Highways and Byways of Travel was written by Harriott Wight Sherratt in 1899. The Aztecs

If you are curious about how the extraordinary Aztecs lived and ran their empire, then keep reading! The remarkable Aztecs formed a vast, organized empire renown for military prowess, expansive trade, intriguing culture, and ingenious agriculture - all from an island in a swamp. But where was their mysterious homeland of Aztlan? How did they ascend to dominance in the Valley of Mexico? Explore the mesmerizing origins of the Aztecs, discover how a wandering desert tribe came to rule much of present-day Mexico, and investigate the spectacular - albeit somewhat depraved - culture that set their civilization apart. This easy-to-read, comprehensive, and engaging history of the Aztec Empire will unlock the little-known and awe-inspiring stories and culture of a legendary people. This well-researched and authoritative presentation, accompanied by striking illustrations, brings the Aztec civilization to life. Here are some of the fascinating questions you will explore: What secrets have recent archaeological finds uncovered about the Aztecs and other Mesoamerican cultures? How did the startling cultures that existed before the Aztecs influence them? What made these pre-existing cultures famous? What prophecies propelled the Mexica into their empire-building destiny and formed their self-identity? Why did the Mexica build their astonishing city on an island in the middle of a lake? How did it grow into one of the largest cities in the world at that time? Was their mysterious homeland of Aztlan a real place? If so, where was it? What's this story about an eagle on a cactus eating a

rattlesnake? How did the Mexica turn the tables to rule over the tribes that once dominated them? What intrigue led to the coalition armies and the Triple Alliance? How did the Aztecs form their extensive network of power and organize their far-flung city-states? What were their mythology and religion like? Did they actually practice human sacrifice? How did they use their stunning sculptures and brilliant artwork as a type of propaganda? Were they really one of the first civilizations to require education for all classes and both boys and girls? What did they eat? Was it anything like present-day Mexican food? How did the common people live? What did they do for fun? What did the Aztecs do when the Spaniards landed in their territory? How did conquistador Hernán Cortés cunningly form alliances with the Aztecs' enemies? And much, much more! Scroll up and click the "add to cart" button to learn more about the incredible Aztecs!

Mexican Vistas

*Includes pictures *Includes Spanish accounts of the Aztec's human sacrifices *Includes footnotes and a bibliography for further reading "They strike open the wretched Indian's chest with flint knives and hastily tear out the palpitating heart which, with the blood, they present to the idols...They cut off the arms, thighs and head, eating the arms and thighs at ceremonial banquets. The head they hang up on a beam, and the body is...given to the beasts of prey." - Bernal Diaz, a Spaniard who described the Aztec's human sacrifice From the moment Spanish conquistador Hernan Cortés first found and confronted them, the Aztecs have fascinated the world, and they continue to hold a unique place both culturally and in pop culture. Nearly 500 years after the Spanish conquered their mighty empire, the Aztecs are often remembered today for their major capital, Tenochtitlan, as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals. Ironically, and unlike the Mayans, the Aztecs are not widely viewed or remembered with nuance, in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire's dominance less than a century before the Spanish arrived. While the Mayans are remembered for their astronomy, numeral system, and calendar, the Aztecs have primarily been remembered in a far narrower way, despite continuing to be a source of pride to Mexicans through the centuries. As a result, even though the Aztecs continue to interest people across the world centuries after their demise, it has fallen on archaeologists and historians to try to determine the actual history, culture, and lives of the Aztecs from the beginning to the end, relying on excavations, primary accounts, and more. That said, more is known about Aztec religious practices than any other aspect of their culture, mostly because the major element in the public ceremonies was focused on human sacrifice. The rituals were apparently so gruesome that they horrified even the Spanish, who were not exactly known for their gentility when it came to war and religious fervor. A Spaniard named Bernal Diaz described what happened at one religious ceremony: "They have a most horrid and abominable custom which truly ought to be punished and which until now we have seen in no other part, and this is that, whenever they wish to ask something of the idols, in order that their plea may find more acceptance, they take many girls and boys and even adults, and in the presence of these idols they open their chests while they are still alive and take out their hearts and entrails and burn them before the idols, offering the smoke as sacrifice. Some of us have seen this, and they say it is the most terrible and frightful thing they have ever witnessed." Naturally, Cortés and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism. The Spanish used the Aztec's religious practices as a justification for Cortés' conquest, but even though the Spanish attempted to burn as much as they could, plenty of information about Aztec mythology also survived. The Mythology and Religion of the Aztec examines the history and legacy of the religion practiced by the famous Mesoamerican empire. Along with pictures and a bibliography, you will learn about Aztec religion and mythology like you never have before, in no time at all.

Highway Construction Practices in the State of New Mexico

Who were the Aztecs and where did they live? What games did the Aztec children play? Find the answers to these fascinating questions -- and many more -- in this beautifully illustrated volume. Children will find out how the Aztecs lived, what their homes were like, why their gods played such a major role in their lives, and why and how they fought battles and invaded other lands. They'll discover Aztec household goods, food, clothes, weapons, customs and ritual artifacts, writings, and many other things. The back cover forms an exciting fold-out game which lets readers rewrite history when they take on the roles of Montezuma and Cortes as they battle in a final conquest for the Aztec lands. Also included are a pictorial map of the Aztec lands and a fold-out time line.

The Aztec Empire: an Enthralling Overview of the History of the Aztecs, Starting with the Settlement in the Valley of Mexico

Aztec History The Aztec Empire did not recoil from the face of an impending doom, they struggled faithfully. Destined to emerge from their humble beginnings, it grew into a highly-complex devoted civilization refusing to live at the mercy of more neighboring powerful rulers. Their powerful pochteca combed the valley for luxury items while markets dotted their lands. Inside you will find... - Introduction - How the Aztecs Are Portrayed and How Their History Survives - Defining Moments and their Search to Expand and Save the World - Their Philosophy: its Impact on Social Life and How it Served the Kings - Conclusion Isolated from the Old World until the devastating Spanish conquest, the Aztec macehualtin (commoners) and nobles enhanced their positions while kings and relentless warriors dealt with the political realities of powerful dynasties and rivaling kingdoms. They developed a philosophy, an order and a society built on loyalty, stoic honor and sacrifice as they embraced the temporary nature of things. Investigate the era of the Fifth Sun and what defined the Aztecs and their relationship with the divine.

Can good detective work prevent an attack? Brace yourself for an inside view of a fight between good and evil.

Aztec Times

Read for FREE with Kindle Unlimited! Aztec Mythology: A Comprehensive Guide to Aztec Mythology including Myths, Art, Religion, and Culture Do you want to learn about Aztec Mythology? The Aztecs originated as a nomadic tribe in northern Mexico, arriving in Mesoamerica at the beginning of the 13th century. From their magnificent capital, Tenochtitlan, the Aztecs emerged as a dominant force in Mesoamerica, developing an intricate political and social system that brought many city-states under their control by the 15th century. Spanish conquistador Hernán Cortés and his forces captured Tenochtitlan in 1521, bringing an end to the Aztec civilization. The Aztecs are often remembered as a fierce and powerful empire, but they were also a people of great art and culture. The Aztecs were known as the "White People" (Aztlā) or the "People of the Sun" (Mēxihca). The origin of the name "Aztec" is uncertain, but it is believed to be derived from the name of the city of Aztlā, which the Aztecs believed was their ancestral home. The Aztecs were also known for their advanced calendar, their complex system of gods and goddesses, and their practice of human sacrifice. ACT NOW! Reports and Documents

*Includes pictures of Aztec art, ruins, and more. *Includes art depicting Montezuma and important people, places, and event in his life. *Describes daily life for the Aztecs, including the legendary city of Tenochtitlan and their infamous human sacrifice rituals. *Includes Hernan Cortés's Second Letter to Holy Roman Emperor Charles V, one of the most descriptive firsthand accounts of the Aztecs and Tenochtitlan. "Cortés and all of us captains and soldiers wept for him, and there was no one among us that knew him and had dealings with him who did not mourn him as if he were our father, which was not surprising, since he was so good. It was stated that he had reigned for seventeen years, and was the best king they ever had in Mexico, and that he had personally triumphed in three wars against countries he had subjugated. I have spoken of the sorrow we all felt when we saw that Montezuma was dead. We even blamed the Mercederian friar for not having persuaded him to become a Christian." - Bernal Díaz del Castillo From the moment Spanish conquistador Hernan Cortés first found and confronted them, the Aztecs have fascinated the world, and they continue to hold a unique place both culturally and in pop culture. Nearly 500 years after the Spanish conquered their mighty empire, the Aztecs are often remembered today for their major capital, Tenochtitlan, as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals. Ironically, and unlike the Mayans,

the Aztecs are not widely viewed or remembered with nuance, in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire's dominance less than a century before the Spanish arrived. Naturally, Cortes and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism. While the Mayans are remembered for their astronomy, numeral system, and calendar, the Aztecs have primarily been remembered in a far narrower way, despite continuing to be a source of pride to Mexicans through the centuries. The Spanish conquest of the Aztec and some of the myths and legends surrounding it have made the name of its last emperor (and variations of it like Moctezuma and Montezuma) instantly recognizable around the globe. Still, Moctezuma II's life is shrouded in mystery; Bernal Diaz del Castillo's *The Conquest of New Spain* and Miguel Leon-Portilla's translation of the Aztec observation of the conquest, *The Broken Spears*, recorded but a few details about the last Aztec ruler's life. Also, these two sources are only concerned with the circumstances surrounding the Spanish conquest of the Aztecs and therefore only deal with the very end of Moctecuma II's life and reign. Thus, his early life largely remains a mystery. So what is known about the famous Aztec ruler? Naturally, there is still a fierce debate over what happened during the conquest of the Aztec, and one of the most controversial episodes of the conquest was Moctezuma's death. But all of the sources agree that Moctezuma - sometimes called Moctezuma the Younger - generally possessed a reputation as a valiant warrior and was considered a courageous combat leader among his people. Myths and legends have helped fill in the blanks, regardless of their accuracy, and many of them have since become the best known details of Moctezuma's life. *Montezuma and the Aztecs* chronicles the Aztecs' lives, religion, art, cities, and empire, in an attempt to better understand the once dominant civilization. It also chronicles the life and death of its famous ruler and examines the myths, legends and historical accounts in an attempt to separate fact from fiction. Along with pictures of famous art depicting important people, places, and events, you will learn about Montezuma and the Aztecs like you never have before.

Report

How did the Aztecs write? What were the floating gardens of Lake Texcoco? How was the Aztec game of *tlachtli* like our modern game of basketball? Each title in the *Understanding People in the Past* series is specially designed for the needs of the young researcher. Each book includes: Clear information about all aspects of Aztec civilization, supported by historical evidence Maps that place the civilization in its geographical context A timeline, ideas for further research, and a glossary that explains difficult words. Book jacket.

Aztec Civilization

"Can you imagine surviving in the rainforest? How did the Aztecs do it thousands of years ago and even develop a thriving civilization? This book explores the ... world of the Aztec Empire, from their gods and palaces to the secrets they carved into buildings. Readers also study Aztec artifacts, and piece together what they've learned to draw their own conclusions about each ... item"--Publisher description.

Foreign Agent

Widely considered one of the most important voices in the Chicano literary canon, José Antonio Burciaga was a pioneer who exposed inequities and cultural difficulties through humor, art, and deceptively simple prose. In this anthology and tribute, Mimi R. Gladstein and Daniel Chacón bring together dozens of remarkable examples of Burciaga's work. His work never demonstrates machismo or sexism, as he believed strongly that all Chicano voices are equally valuable. Best known for his books *Weedee Peepo*, *Drink Cultura*, and *Undocumented Love*, Burciaga was also a poet, cartoonist, founding member of the comedy troupe *Cultura Clash*, and a talented muralist whose well-known work *The Last Supper of Chicano Heroes* became almost more famous than the man. This first and only collection of Burciaga's work features thirty-eight illustrations and incorporates previously unpublished essays and drawings, including selections from his manuscript "The Temple Gang," a memoir he was writing at the time of his death. In addition, Gladstein and Chacón address Burciaga's importance to Chicano letters. A joy to read, this rich compendium is an important contribution not only to Chicano literature but also to the preservation of the creative, spiritual, and political voice of a talented and passionate man.

Arizona Highways

This case study is about the Aztecs of Central Mexico, a people who dominated a vast area of what is now Mexico by the time the Spanish conquistadors arrived in A.D. 1519, but who had humble beginnings as despised nomads. The story of the confrontation and the defeat of the Aztecs by the small force of Spaniards led by Hernan Cortes is told in the last chapter.

The Aztecs

This activity book features 25 projects such as making a surface survey of a site, building a screen for sifting dirt and debris at a dig, tracking soil age by color, and counting tree rings to date a find, teaches kids the techniques that unearthed Neanderthal caves, Tutankhamun's tomb, the city of Pompeii, and Tenochtitlan, capital of the Aztec empire. Kids will delight in fashioning a stone-age tool, playing a seriation game with old photographs of cars, "reading" objects excavated in their own backyards, and using patent numbers to date modern artifacts as they gain an overview of human history and the science that brings it back to life.

The Last Supper of Chicano Heroes

This book is dedicated to exploring the gods and goddesses that the Aztec people on the pre-Columbian American continent worshiped, and within the pages you will find subtopics like: The origins and influences on Aztec beliefs, or in other words: Where they got it all from. The most important themes in Aztec mythology. Gods and goddesses, and their background stories, from Aztec mythology. Aztec myths about the creation of the world. Details about the Aztec empire, their art, religion, and more. Legends about Aztec women who became goddesses after they died from childbirth. Aztec mythology is intricate, complex, and the ideals behind some of their mythological beliefs were often intertwined with real life events. This book will examine how both myth and fact contributed to the culture and traditions of the Aztecs, and how these influences and some stories continue to live on throughout the centuries. Add this book to cart now.
