The Magician of Dublin

An aging wizard is ready to join the Universe and finish his life in peace, when a magical scream travels through Ireland to reach him, and bring him back to the world and Dublin. Paul Sparrow must revisit his previous life and gifts to face a new danger.

The Magician

"The Magician opens at the turn of the twentieth century in a provincial German city where the young boy, Thomas Mann, grows up with a conservative, conventional father and a Brazilian mother, exotic and unpredictable, who will never fit in. He hides both his artistic aspirations and his homosexual desires from this father, and his sexuality from everyone. He longs for the charismatic, beautiful, rich, cultured young Jewish man, but marries his twin sister. He longs for a boy he sees on a beach in Venice and writes a novel about him. He has six children. He is the most successful novelist of his time. He wins the Nobel Prize and is expected to lead the condemnation of Hitler. His oldest daughter and son share lovers. They are leaders of Bohemianism and of the anti-Nazi movement. This stunning combination of German propriety and Bohemian revolution goes hand in hand for decades. We see the rise of Hitler, the forced exile of a swath of German writers and artists, Mann's narrow escape to America, his sojourn at Princeton, along with fellow exile Einstein, and his final move to LA in the late 40s where he presided

over an astonishing community of writers, artists and musicians, including Brecht and Shoenberg, even as his children court tragedy. To call this a portrait of an artist is both reductive and true-it is a novel about a character and a family, fiercely engaged by the world, profoundly flawed, and as flamboyant as it's possible to be"--

Oofle Dust The Story of Albert Le Bas Ireland's Foremost Magical Entertainer

Oofle Dust is the story of Albert le Bas, the softly spoken Irishman who was acknowledged as one of the world's most outstanding magicians. A man at the apex of the ancient and honoured craft of magic.

The Magician

Ashes to ashes . . . California: The book of Abraham the Mage holds the secret of eternal life - a secret more dangerous than any one man should possess. Dr. John Dee is two pages away from the knowledge that would bring the Dark Elders into ultimate power - and could mean the destruction of the world as we know it. Two people stand in his way: Josh and Sophie Newman. Paris: Time is running out for Nicholas Flamel and his wife Perenelle. Every day they spend without the book, they age one year: their magic becomes weaker and their bodies more frail. Niccolo Machiavelli, immortal author and celebrated art collector, works for Dee and is in hot pursuit of them - Flamel knows there's no time to lose and Sophie must learn about Fire Magic... Josh and Sophie are the world's only hope. If they don't turn on each other first.

The Encyclopedia of Magic and Alchemy

A comprehensive illustrated reference guide with more than 400 entries on the subjects of magic and alchemy.

Print and Party Politics in Ireland, 1689-1714

This book is the first full-length study of the development of Irish political print culture from the Glorious Revolution of 1688-9 to the advent of the Hanoverian succession in 1714. Based on extensive analysis of publications produced in Ireland during the period, including newspapers, sermons and pamphlet literature, this book demonstrates that print played a significant role in contributing to escalating tensions between tory and whig partisans in Ireland during this period. Indeed, by the end of Queen Anne's reign the public were, for the first time in an Irish context, called upon in printed publications to make judgements about the behaviour of politicians and political parties and express their opinion in this regard at the polls. These new developments laid the groundwork for further expansion of the Irish press over the decades that followed.

Bandol Wine and the Magic of Mourvèdre

Bandol is more than just an idyllic tourist town on the French Riviera. It is a French wine appellation, and the only one where the Mourvèdre grape is dominant. Andrew James spent two years in Bandol studying this magical grape, visiting cellars and interviewing winemakers. He tells the stories of celebrity residents from D.H. Lawrence to Katherine Mansfield, pristine beaches, peacocks in the vineyards, post-harvest parties and 20-year old bottles of rosé. More than 50 wine producers, big and small, are introduced with detailed tasting notes and reports on how the wines are made. The author's 25 favourite bottles from Bandol are also presented with photographs and food pairing recommendations.

The Magician of Lublin

Caught between his eagerness to win fame and fortune as a performer and his reluctance to give up his easy life of pleasure, a late-nineteenth-century Polish magician and holy man finds himself on the brink of disaster.

What does it mean to be alive? What is it worth to stay alive? Ireland, 1890: two ruthless immortals prowl the theatre district in search of food for their 'Angel'. Ancient, pitiless and caring for none but their own twisted family, they will stop at nothing to maintain their grip on life. A seamstress, the young man who loves her and a penniless American magician soon find themselves imprisoned in a snow-bound country estate, the latest additions to the family's warped collection. Here, they are nothing but food, nothing but entertainment, and soon they will be nothing at all. Many miles from their homes and fighting for survival, Tina, Joe and Harry will come to understand that far more is at stake than their lives. 'Ireland's answer to J.K. Rowling ... at the forefront of Irish fantasy writing' Sunday Independent

Catalogue of the Library of the Peabody Institute of the City of Baltimore ...

The Magic of Wolves explores a wide array of mythologies from around the world, demonstrating how humans have both understood and interacted with wolves - sometimes figures of admiration, sometimes seen as terrifying and savage. These sacred stories give insights not only into our own nature but also into the nature of wolves themselves. This book also considers practical issues in pagan ritual, and how people have communicated with wolf spirits and turned to them as ancestral figures. Blending zoology, mythology, sociology, psychology and theology, this text aims to give a broad overview of how wolves and their relationships to humans can be understood. Chapters cover topics such as the lupine legends of Ancient Rome, Classical Greece, the Norse, the Celts, India and Japan. Whether you are passionate about wolves, lycanthropes, mythology or magic, there will be something here for you.

The Magic of an Irish Cottage

Looking past the apparent lack of a sustainable Irish display culture, this book demonstrates that there is a very full story to tell of the way Ireland displayed its art from the late eighteenth to the early twentieth century. Ireland on Show analyzes the impact of the display of art as a significant political and cultural feature in the make-up of nineteenth-century Ireland - and in how Ireland was viewed beyond its own shores, in particular in Great Britain and the United States. Fintan Cullen directs much-needed critical attention and analysis to a subject that has been largely overlooked from an Irish perspective. This study moves beyond museums, to address the range of art institutions in Irish cities that displayed art, from the Royal Hibernian Academy, founded in the 1820s, to Hugh Lane's Municipal Art Gallery, opened in Dublin in 1908. Throughout, the book explores the battle between the display of a unionist ethos and a nationalist point of view, a constant that resurfaces over the period. By highlighting the tension between unionist and nationalist viewpoints, Cullen uses the display of art to investigate the complexities of Irish cultural life before the founding of the Free State.

Resonance

This book charts the history of modern magic across India, China and Japan, analyzing representations in the cultural imagination of the West.

The Magician

Broadway stage manager, director, and teacher Steven Adler discusses the history of the Royal Shakespeare Company (RSC). During six years of research, Adler attended more than 40 RSC productions. The text is based largely upon interviews with more than 60 members of the Company, including actors, directors, stagehands, designers, producers, stage managers, craftspeople, and administrators. Coverage includes theater facilities, budgeting, producing, directing, designing, and acting. c. Book News Inc.

The Magic of Wolves

Winner of the David Cohen Prize for Literature 2021. From the highly acclaimed author of Brooklyn, Colm Tóibín's first collection of poetry explores sexuality, religion and belonging through a modern lens. Fans of Colm Tóibín's novels, including The Magician, The Master and Nora Webster, will relish the opportunity to re-encounter Tóibín in verse. Vinegar Hill explores the liminal space between private experiences and public events as Tóibín examines a wide range of subjects – politics, queer love, reflections on literary and artistic greats, living through COVID, memory and a fading past, and facing mortality. The poems reflect a life well-travelled and well-lived; from growing up in the town of Enniscorthy, wandering the streets of Dublin and Barcelona, and crossing the bridges of Venice to

visiting the White House, readers will travel through familiar locations and new destinations through Tóibín's unique lens. Within this rich collection of poems written over the course of several decades, shot through with keen observation, emotion and humour, Tóibín offers us lines and verses to provoke, ponder and cherish.

Ireland on Show

There are no clear demarcation lines between magic, astrology, necromancy, medicine, and even sciences in the pre-modern world. Under the umbrella term 'magic,' the contributors to this volume examine a wide range of texts, both literary and religious, both medical and philosophical, in which the topic is discussed from many different perspectives. The fundamental concerns address issues such as how people perceived magic, whether they accepted it and utilized it for their own purposes, and what impact magic might have had on the mental structures of that time. While some papers examine the specific appearance of magicians in literary texts, others analyze the practical application of magic in medical contexts. In addition, this volume includes studies that deal with the rise of the witch craze in the late fifteenth century and then also investigate whether the Weberian notion of disenchantment pertaining to the modern world can be maintained. Magic is, oddly but significantly, still around us and exerts its influence. Focusing on magic in the medieval world thus helps us to shed light on human culture at large.

Conjuring Asia

Part of the Magic: A Collection of Disney-Inspired Brushes with Greatness is a book of remarkable and wildly entertaining anecdotal stories told through the lens of an entertainment industry insider. Author Bambi Moé enjoyed a twenty-year career at The Walt Disney Company in charge of all aspects of music for Walt Disney Television Animation. Her name, vocation, and background gave her exceptional access to pop culture and entertainment giants. The book takes readers on a nonstop ride and keeps them riveted throughout extremely candid encounters shared here for the first time. Moé's fascinating true stories provide a rare insight into the creative process associated with music in animation and give readers a historical reference to The Walt Disney Company's burgeoning direct-to-video empire. Her career exemplifies the rewards often associated with hard work, perseverance, integrity, and the ability to recognize potential in others. Often the only woman in a male-dominated work environment, Moé's success will inspire young readers interested in pursuing a career in entertainment. Part of the Magic invites readers to consider their own stories and recognize their own universality. Like a photo that captures life's moments and teaches us lessons, each of Moé's brushes with greatness serves as a reminder that we are all connected by reason of our own humanity. Her joy extends far beyond the original encounter and multiplies in the retelling of these stories.

The Magic of Ireland

More than fifty specialists have contributed to this new edition of volume 2 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available, and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.

Rough Magic

This fictional account of the legend of Cuchulainn recreates such events as the mission of Saint Patrick, the Viking invasion, the trickery of Henry II that led to England's establishment in Ireland, the failed rebellion of 1798, and the Great Famine.

Fifty Years in the Magic Circle

This Selected Poems gathers together work published between 1991 and 2016 from collections that have been lauded, awarded and widely translated, collections that have gained a large audience and a considerable reputation, nationally and internationally, for one of Ireland's foremost poets and most distinctive voices. A great deal has changed in the world in the arc of time covered by these poems, and those changes are noted and considered by poems that are remarkable for their clear-eyed witness.

Meehan's devotion to, and mastery of, her craft, has always been one of the key signatures of her work, as has been her immersion in her beloved native Dublin. In her Selected Poems we see this and more -- her uncompromising engagement with the politics of gender and class, her love of the natural world and her grief at what threatens it, her holistic and visionary impulse to bless the creation, to be grateful for her place in it.

Fifty Years in the Magic Circle; Being an Account of the Author's Professional Life ... and Adventures as a Magician, Necromancer, and Ventriloquist ... Illustrated with Numerous Engravings, and a Portrait of the Author, Etc

"This superb collection of eighteen plays has long been needed. It provides a sound and solid introduction to the rich field of modern Irish drama, and should be as delightful to the private reader as it will be useful for university classes."--Journal of Irish Literature Contents: Spreading the News and The Gaol Gate-- Lady Gregory; On Baile's Strand and the Only Jealousy of Emer--W.B. The Church Advocate

From the internationally bestselling author of London and Sarum -- a magnificent epic about love and war, family life and political intrigue in Ireland over the course of seventeen centuries. Like the novels of James Michener, The Princes of Ireland brilliantly interweaves engrossing fiction and well-researched fact to capture the essence of a place. Edward Rutherfurd has introduced millions of readers to the human dramas that are the lifeblood of history. From his first bestseller, Sarum, to the #1 bestseller London, he has captivated audiences with gripping narratives that follow the fortunes of several fictional families down through the ages. The Princes of Ireland, a sweeping panorama steeped in the tragedy and glory that is Ireland, epitomizes the power and richness of Rutherfurd's storytelling magic. The saga begins in pre-Christian Ireland with a clever refashioning of the legend of Cuchulainn, and culminates in the dramatic founding of the Free Irish State in 1922. Through the interlocking stories of a wonderfully imagined cast of characters -- monks and noblemen, soldiers and rebels, craftswomen and writers -- Rutherfurd vividly conveys the personal passions and shared dreams that shaped the character of the country. He takes readers inside all the major events in Irish history: the reign of the fierce and mighty kings of Tara; the mission of Saint Patrick; the Viking invasion and the founding of Dublin; the trickery of Henry II, which gave England its foothold on the island in 1167; the plantations of the Tudors and the savagery of Cromwell; the flight of the "Wild Geese"; the failed rebellion of 1798; the Great Famine and the Easter Rebellion. With Rutherfurd's well-crafted storytelling, readers witness the rise of the Fenians in the late nineteenth century, the splendours of the Irish cultural renaissance, and the bloody battles for Irish independence, as though experiencing their momentous impact firsthand. Tens of millions of North Americans claim Irish descent. Generations of people have been enchanted by Irish literature, and visitors flock to Dublin and its environs year after year. The Princes of Ireland will appeal to all of them -- and to anyone who relishes epic entertainment spun by a master.

Vinegar Hill

Written by the master magician himself, this fascinating work reveals the secrets behind how Houdini escaped numerous death-defying stunts and exposed a variety of fake spiritualists. He also gives instructions for 44 eye-catching stage tricks, as well as other fascinating material. 155 illustrations.

Magic and Magicians in the Middle Ages and the Early Modern Time

Josh, king of Ulster held a feast in Armagh. King Leon, king of Leprechaun land held a feast at the same time. Leon was 6 and a half inches tall, half an inch taller than the rest of his people. He boasted and said. "Have you ever seen a king superior to me?" They all said they had not but David hearing such boasting laughed out loud. The king stopped choking with rage. "Why do you laugh" he said. "Because I know of one province in Ireland and if one of them cam alone here tonight he could take from you and your people all your wealth. David was arrested but said to the king "as a result of the hands placed on me here tonight you will be forced to spend one year in Armagh and you will not leave it until you have left the best of your wealth and jewels behind with the Ulster king. Misfortune will befall because

I will be kept in the house of Josh the Daring. I will swim in a goblet of wine and be almost drowned. Give me three days and three nights and I will go to Armagh and if I do not bring back proof you can do with me what you will. David goes to Armagh and returns with Aodh a dwarf in Ulster but a giant in Leprechaun land. King Leon has to spend a year in Ulster and the leprechauns declare war on Ulster to get him back. They dry up the wells, dry out the cattle so they have no milk and cut the ears off the heads of corn. A magic horse coloured yellow with purple legs. He can travel by land, sea and air. The horse extends by the number of people on his back. Josh, king of Ulster held a feast in Armagh. King Leon, king of Leprechaun land held a feast at the same time. Leon was 6 and a half inches tall, half an inch taller than the rest of his people. He boasted and said. "Have you ever seen a king superior to me?" They all said they had not but David hearing such boasting laughed out loud. The king stopped choking with rage. "Why do you laugh" he said. The Wizard of Oz

Stimulating and innovative, this new publishing product for school children offers the pleasure of reading together with the fun of colouring. The first pages retell in a fresh and modern way the incredible story of Dorothy, the girl from Kansas in the famous book for children by L. Frank Baum, and her dog Toto, suddenly projected into the fantastic world of Oz, where they will face many adventures before going back home. After reading the story, young readers may colour according to their own taste and imagination the beautiful drawings by Fabiana Attanasio, an artist specialised in illustrating children books and able to recreate the themes of the story in an original, sensitive and creative way. The incredible characters in the story, the wonderful environments of the Land of Oz and the Emerald City, but also funny and curious objects are drawn with a rich variety of details, allowing children to fill in the blanks in the pages with a thousand colours, expressing their creativity and having fun with pencils and pens. The book contains also a large poster to colour, which can easily be detached and hung in the children's room. ILLUSTRATOR: Fabiana Attanasio was born in Rome in 1985. She began her artistic career after leaving school, first in the field of comics, before dedicating herself completely to illustration. She graduated from the International School of Comics and is currently working with publishers in Italy and abroad. For White Star Kids she has illustrated the books The Sweet Side of Fairy Tales and Scary Recipes. With a poster 70 x 100cm

The Wizard of Oz Coloring Book

Last Oz book and one of the best. Glinda and the Wizard fight an evil witch to save Dorothy and Princess Ozma. Numerous black-and-white illustrations, 12 color plates by John R. Neill.

Glinda of Oz

This beloved children's classic tale is now available in an exclusive collector's edition, featuring beautiful cover art from artist Laci Fowler and decorative interior pages, making it ideal for fiction lovers, book collectors, and teachers. Delighting readers for more than 120 years, this time-honored classic is now available as a beautiful collector's edition. Whether you're buying it as a gift or for yourself, this remarkable edition features: A beautiful, high-end hardcover featuring Laci Fowler's distinctive hand-painted art Embossed cover art and gold foiling Decorative interior pages featuring pull quotes throughout Matching ribbon marker and gold page edges Part of a 4-volume collection including?Frankenstein,?The Great Gatsby, and?The Return of Sherlock Holmes The Wonderful Wizard of Oz: Makes a great gift for teachers, professors, educators, or librarians Is a great read aloud at bed

time for young readers or families The perfect gift for holidays, birthdays, family celebrations, or other gift giving occasions The Wonderful Wizard of Oz follows Kansas farmgirl Dorothy Gale and her dog Toto as a violent cyclone transports them to a faraway magical place called Oz, land of the Munchkins and witches. To make it home, Dorothy dons her famous slippers and must follow the Yellow Brick Road to seek help from the Great Wizard in the Emerald City. Soon she is joined by the Scarecrow, the Tin Woodman, and the Cowardly Lion, each on his own unique quest for a better self. Exploring the time-honored themes of good versus evil, the beauty of friendship, the value of self-sufficiency, and why home is where the heart is, this unique collector's edition presents L. Frank Baum's beloved tale of otherworldly adventures in a giftable new way.

The Wonderful Wizard of Oz (Pretty Books - Painted Editions)

The Wizard of Oz Coloring Book

The Wonderful Coloring of Oz For any Wizard of Oz fan, this is the perfect gift! This magical coloring book, The Wonderful Coloring of Oz, by Ben McDaniel takes colorists through The Wonderful Wizard of Oz. The Wonderful Wizard of Oz, written by L. Frank Baum, has inspired me to create this beautiful coloring book. Sixty-four, single sided pages, filled with whimsical characters and landscapes take you through this magical fairy tale scene by scene. All of the pages are in landscape orientation to be easily colored. Follow along on the yellow brick road. The Wonderful Coloring of Oz designs are printed single sided on 60# white paper. Which is great for gel pens, colored pencils, crayons, and brush pens. The coloring book size is 8.5" x 11" with single-sided designs. If this quality of paper isn't thick enough check out the Special Edition Print, which is coil-bound, on my website. This coloring book is designed for children and adults of any coloring skill level. Visit WoptydoApparel.com for the Wonderful Coloring of Oz printable PDF you can download and for the Special Edition copy. The Special Edition is coilbound with thicker paper. Let me know your thoughts on this book, so I can make the next coloring books that much better. What pages were your favorite? This coloring book was a lot of fun designing and inking all of the line work. As an independent artist, reviews and word of mouth is the highest quality of advertisement one can have. Thank you for supporting an Independent artist, my girlfriend, and my furry and feathery friends.
