The Truth about the Lords

"The Word is for the engrafting; the Sacraments are for the confirming of faith. The Word brings us to Christ; the Sacrament builds us up in Him. The Word is the font where we are baptized with the Holy Ghost; the Sacrament is the table where we are fed and cherished. The Lord condescends to our weakness. Were we made up all of spirit, there would be no need of bread and wine. But we are compounded creatures. Therefore God, to help our faith, not only gives us an audible word but a visible sign. Things taken in by the eye work more upon us than things taken in by the ear. So, when we see Christ broken in the bread and, as it were, crucified before us, this more affects our hearts than the bare preaching of the Word."

The Truth about the Lords

Thomas Watson was one of the more intense and serious Puritan preachers of his time and was noted for his deep analysis of the primary texts of Christianity. In this book he explores the importance of the meaning of the Lord's Prayer, shining new light on that familiar piece of liturgy. His writing manages to be both spiritually rewarding and intellectually satisfying at the same time.

The Lord's Prayer

Authoritative yet accessible historical overview of Christian Sunday worship In this book noted Christian historian Justo Gonzalez tells the story of how and why Christians have worshiped on Sunday from the earliest days of the church to the present. After discussing the views and practices relating to Sunday in the ancient church, Gonzalez turns to Constantine and how his policies affected Sunday observances. He then recounts the long process, beginning in the Middle Ages and culminating with Puritanism, whereby Christians came to think of and strictly observe Sunday as the Sabbath. Finally, Gonzalez looks at the current state of things, exploring especially how the explosive growth of the church in the Majority World has affected the observance of Sunday worldwide. Readers of this book will rediscover the joy and excitement of Sunday as the early church celebrated it and will find inspiration in an age of increasing indifference and hostility to Christianity."

A Very New Pamphlet Indeed

For more than forty years, I have had the privilege of sharing the truths of God's Word with one thought in mind and that was to help simplify a believer's Christianity. Very shortly after I accepted Christ Jesus as my Lord and Savior, I had a well-meaning brother in the Lord caution me: "Be careful that no one tries to convince you that you need to speak in tongues. That's from the devil." The very same week, I had another well-meaning brother inform me: "If you don't speak in tongues, you're not even saved." Someone else said I had to pray the Lord's Prayer every day, another said I had to take communion every week, another said I had to kneel when I pray, another said I had to raise my hands, another said I had to be baptized before my salvation became real. Something was wrong. God can't be that complicated. I got before the Lord and simply prayed: "Lord, you are not a God of extremes. Please make Christianity easy for me," and down through years He has honored that prayer. The "Simplicity of Christ" is designed to help the unbeliever, the new believer, or anyone who is searching for a purpose for their life, understand that God had a plan from the very beginning of time, and that every man, woman, and child who accepts Christ as their Savior has a significant role in that plan. God is a God of revelation. He never intended to keep His plan secret. The book looks at how He revealed His plan, and the reason Christ had to come and die, through the concepts of the Covenant, the Tabernacle in the Wilderness, and the Feasts of Israel. It also takes the reader on a journey through the process the Lord had to take me through in order for the simplicity of His plan to become functional in my everyday life. The book is designed to break down the denominational barriers that keep the believer from truly experiencing the freedom and joy that is found in a personal relationship with the Lord of lords.

Evidence Before Lords Committees for Privileges and Before the House &c

Okay..in my first book "MARCH OF THE COOKIE CUTTERS" I gave you reality- and only half of you could handle it. Some could grasp it, and others had to bail out back into their little fantasy world. Most of you were okay with it until it got to the part that you, yourselves, were guilty of..then you jettisoned out of the picture. You'd think that by now you'd be sick of the 'America the Great' bull@#\$% DEGREES that they're jamming down your throat. Only half of you actually are, however. It's time for you to wake up and realize what we have become. In this book "THE LORDS OF NOTHING" I'm going to give you

your medicine in the candy. I'm going to give it to you in sci-fi form, instead. You people love fantasy; maybe you can grasp it in this form this easier. If you want the truth about what we are..and you have the guts--then read my books. So many of you don't want to be told what to do. You're so worried about socialism. You forget something..and that is that 'The Socialist in the Sky'...God, Himself, will judge you for everything that you do. Oh--by the way..the women that are hooking up with the massive influx of garbage men that are here now in massive numbers--WERE THE LAST LINE OF DEFENSE THAT HAS FALLEN TO PREVENT THESE IDIOTS FROM REPRODUCING MORE OF THEMSELVES Bad dads mean bad kids..period. You women complain that there aren't enough good men. Correct..there isn't a lot of good men. So who are these 100 million women married to? Why----let's see--duh---oh I get it..the bad ones Ta da What a profound thought on my part--huh? Two stupid parents are not better than one good parent.. as you have already sadly found out. What part of your life is quality? Is it the one where you go to work, and wear the 'Urban Gimp Suit' (cliche business suit)? Is it the part where you spend one half of an hour eating dinner with family? Is it the part right after that when you go into separate rooms to worship the decadence of the now maligned format of the 'Plasma Gods' (TV sets)? Is it when you go to sleep and 'dream' about great conquests? Most of this country's great victories are someone else's on a TV screen.. because most of you have made no life of your own. We've traded ethics, nobility and morals for superficial entertainment and money. Time to take back the country. This is my second venture into writing. My first book "MARCH OF THE COOKIE CUTTERS" was embraced by those with vision, and denied and scoffed at by those that were actually living out that lifestyle, themselves. The truth about the reality of their situation was too scary a place for them to go to. I am nearing the 'Big 50' now and my convictions for writing these ideas are stronger than ever. There have simply been too many visionaries out there that have seen the truth about what we have become..and all too clearly. I continue to be totally honest with you people--with zero coloration of the sad facts that are at hand. I promised myself in the beginning to never waver from the truth, and I will forever uphold to that principle. Luckily for me I do not have to deal with the large contingency of these perpetrators in my personal life. I am surrounded by, or have surrounded myself by the very good people that we still have.. Thank God Nothing of which I write about is based on any bitterness from personal experiences. I have a great family, and I have great friends. However, the problem people that I write about are now in massive numbers. My books are an attempt to dispel the myths and false mist that so many of us now exist in. So many of us are now just clone-copies of everybody else. We have almost forgot how to be sincere. We are losing our way. We must try to get back on the right track, and make America the great nation that it once was.
