Strategic Management: Competitiveness and Globalization, 3rd Canadian edition, contains a set of cases that represent a wide variety of important and challenging strategic issues presented in this edition of our book. We believe that this comprehensive selection of cases yields an exciting and contemporary setting for case analyses and presentations. All the case notes highlight the details of the case within the framework of the case analysis guide presented in the first part of this book. The structure of the Case Notes allows instructors to organize discussions along common themes and concepts. For example, each Case Note outlines the time frame, chapters most relevant to the company: URL, a case summary, teaching objectives, information available in the case, questions to guide discussion, and a chapter-by-chapter set of notes.
