

British Government Policy And Decolonisation 1945 63

[#british decolonisation](#) [#uk colonial policy 1945 1963](#) [#post war empire](#) [#british government strategy](#) [#colonial independence movements](#)

Explore the pivotal British government policy and its role in decolonisation from 1945 to 1963. This period marks the strategic shift in the UK's approach to its vast empire, detailing the economic, political, and social factors that shaped the move towards colonial independence. Understand the complex strategies employed during the post-war era that ultimately led to the dissolution of the British Empire.

But if It Benefits Everyone You Will Have those Standards and So It's Much Easier To Finance the Welfare State if the Middle Classes Are Involved in It if They Receive the Benefits for Which They Pay Taxes so You Get What You Pay for and You Don't Pay More than Your Neighbors Now Beverage Did Admit that There Would Be some People Who Just Couldn't Work under the System so You'D Have Public Assistance for those and that Would Be Means-Tested out of Taxation It'D Be some People He Regard a Small Proportion of What He Called Inadequate S-- Who Would Not Be Able To Work or

Won't It Be Wonderful after the War or the Beer Will Be Better and Quicker and More and There's Only One Thing I Would Like To Explore Why Didn't We Have this Old War before but this Is Very Unfair Beverage I Should Say Hated the Term Welfare State He Never Used It Didn't Like It He Said He What It Wasn't a Santa Claus State Something for Nothing the Phrase He Liked Was a Social Service State the Social So Didn't Like Welfare State because What He Meant Was that Everyone Should Be a Citizen Bit like New Labour's Vision and some Everyone Should Be a Citizen Now the Weaknesses of the System Even Then Were Quite Striking

So It Doesn't Have Middle-Class Support and that's Why There's Much More of a Political Constituency for Spending on the Health Service and on Education Which Already Where Almost Everyone Uses a Health Says Everyone Uses Much More of a Political Constituency for Spending on that Then There Is on Social Security Now a Beverage You May Say Also Made some Very Optimistic Assumptions about Human Beings and that's the Deepest Change I Think Occurred since the 1940s We Had a Dunkirk Spirit at the Time the End of Rationing Planning Solidarity all That's Gone Away the Idea of Service all Gone Away One of the Reasons Why I Bevin Was So Hostile To Charge in the Health Service Was He Said He'D Implied People Weren't Using It Responsibly He Said of Course the British People Be Responsible with the Health Service

And I'LI Just End with a Comment Bevin Made Rather Sad at the End of His Life He Died in 1960 and after Labor Had Lost the 1959 Election a Third One in a Row He Said the British Working-Class Had Its Historic Opportunity but It Missed It Is that Part of the History of What Might Have Happened in the Post-War Years that that Turning Which We Almost Took or Were We Going Not To Take that Turning Anyway in Other Words Worthy I the Assumptions of Socialism of Athlean Bends and Just So Contrary to Human Nature That They Would Never Have Been Fulfilled and We Would Have Moved in that Market Direction of Whatever the Results of the 1951 Election of Course That's an Unanswerable Decolonization: The End of Empire? - Professor Richard J. Evans - Decolonization: The End of Empire? - Professor Richard J.
