THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine' Hal Elrod, author of The Miracle Morning In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: * TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. * ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. * PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls "intentional living": making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. *** This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. ***

Are you hoping to reignite the passion in your relationship? Join Clifford and Joyce Penner as they share the time-tested secrets to finding fulfillment in your marriage. Clifford, a licensed clinical psychologist, and Joyce, a registered nurse and clinical nurse specialist, have been married for forty years--and they know firsthand that there are countless barriers that can get in the way of experiencing love and commitment, from anger or a lack of respect to external tension. But these obstacles don't have to last forever. In *The Gift of Sex*, the Penners give you the tools you need to move past those barriers and embrace marriage as God intended it. This revised and updated version of *The Gift of Sex* features a new introduction, new illustrations, a section on addictions and the Internet, and a timely discussion on sexually transmitted diseases and their consequences. It also asks and answers key questions about biblical marriage, including: How does sex fit into God's design for marriage? Why did God create men and women to think about sex differently? How can I light the spark in my relationship again? Whether you're newlyweds or you've been married for decades, *The Gift of Sex* is a timeless guide to discovering the sexual fulfillment that you and your spouse deserve.

The Bullet Journal Method

A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of *Making Marriage Work*. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. *The Man's Guide to Women* offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

The Gift of Sex

THE DUKAN DIET is a unique 4-step programme, combining two steps to lose your unwanted weight and two steps to keep it off for good: Step 1: Attack. For 2-7 days eat as much as you want of 72 protein-rich foods. Step 2: Cruise. Continue eating the protein-rich foods with the addition of 28 vegetables. Step 3: Consolidation. Add fruit, bread, cheese and starchy foods, and 2 celebration meals a week, allowing 5 days for every pound lost. Step 4: Stabilisation. Eat what you like without regaining weight by following 3 simple rules, including the famous 'protein Thursdays'. Devised by Dr Pierre Dukan, a French medical doctor who has spent his career helping people to lose weight permanently, THE DUKAN DIET is the culmination of thirty-five years' clinical experience. Without any of the usual marketing hype, THE DUKAN DIET swept across France, championed by the people who had successfully lost weight following the diet. It is now estimated that the Dukan community numbers over 5 million people in France. Easy to follow with no calorie counting, THE DUKAN DIET offers clear simple guidelines, menu planners and delicious recipes for long term success. Beyond its immense success in France, THE DUKAN DIET has been adopted by 20 countries and translated into 10 languages. Many international observers agree that this is the method most likely to put a stop to the world's weight problems. For more information visit www.dukandiet.co.uk.

The Man's Guide to Women

'Raucous, page-turning, head-spinning, and side-splitting... Gonzo Girl will suck you in and take you on ride' Piper Kerman, author of *Orange Is The New Black* Alley Russo is a recent college grad desperately trying to make it in the gruelling world of New York publishing, but like so many who have come before her, she has no connections and has settled for an unpaid magazine internship while slinging drinks on Bleecker Street just to make ends meet. That's when she hears the infamous Walker Reade is looking for an assistant to replace the eight others who have recently quit. Hungry for a chance to get her manuscript onto the desk of an experienced editor, Alley jumps at the opportunity to help Reade finish his latest novel. After surviving an absurd three-day 'trial period' involving a .44 magnum, purple-pyramid acid, violent verbal outbursts, brushes with fame and the law, a bevy of peacocks, and a whole lot of cocaine, Alley is invited to stay at the compound where Reade works. For months Alley attempts to coax the novel out of Walker page-by-page, all while battling his endless procrastination, vampiric schedule, Herculean substance abuse, mounting debt, and casual gunplay. But as the job

begins to take a toll on her psyche, Alley realises she's alone in the Colorado Rockies at the mercy of a drug-addicted literary icon who may never produce another novel-and her fate may already be sealed.

The Dukan Diet

A visceral space thriller—perfect for fans of *Arrival* and *The Martian*—following the sole survivor of a catastrophic accident in space that leaves her drifting in the void with only the voice of her estranged husband, a NASA scientist, to guide her back to Earth. Commander Maryam “May” Knox awakes from a medically induced coma alone, adrift in space on a rapidly failing ship, with little to no memory of who she is or why she's there. Slowly, she pieces together that she's the captain of the ship, *Hawking II*; that she was bound for Europa—one of Jupiter's moons—on a research mission; and that she's the only survivor of either an accident—or worse, a deliberate massacre—that has decimated her entire crew. With resources running low, and her physical strength severely compromised, May must rely on someone back home to help her. The problem is: everyone thinks she's dead. Back on Earth, it's been weeks since *Hawking II* has communicated with NASA, and Dr. Stephen Knox is on bereavement leave to deal with the apparent death of his estranged wife, whose decision to participate in the Europa mission strained their marriage past the point of no return. But when he gets word that NASA has received a transmission from May, Stephen comes rushing to her aid. What he doesn't know is that not everyone wants May to make it back alive. Even more terrifying: she might not be alone on that ship. Featuring a twisting and suspenseful plot and compelling characters, *Across the Void* is a moving and evocative thriller that you won't be able to put down.

Gonzo Girl

This is a retelling of 'Pride and Prejudice', seen from Mr Darcy's point of view. Darcy writes about his feelings for everything that happened, before revealing a tantalising glimpse of his early married life with Elizabeth Bennet.

Across the Void

A collection of the stories, legends, and rituals surrounding Christmas, featuring colorfully illustrated lithographs. This festive follow-up to *The Little Book of Saints* and *The Little Book of Angels* explores the wonderful rituals and rich history surrounding Christmas. From the story of the nativity to the legends that have inspired beloved holiday traditions (like why Father Christmas arrives through the chimney), this collection includes Christmas customs from around the world. Beautifully illustrated with color lithographs taken from missals and prayer books, this joyful little book is a Christmas treasure for the whole family to gather around year after year.

Darcy's Diary

Theodor Seuss Geisel Honor Award winner! “What do you get when you cross a crusty alligator and a perky bird? A surprising friendship you'll be sure to cheer for. *Beak and Ally* is a warm, funny winner!” —Terri Libenson, author of the New York Times bestselling *Emmie & Friends* series A brand-new early reader graphic novel series about finding friendship in unexpected places! This fun and funny buddy comedy is perfect for fans of *Narwhal & Jelly*, emerging readers, and all kids who love comics. Ally the alligator is perfectly happy being alone . . . until one day a noisy bird named Beak lands on her snout. Beak thinks Ally is lonely and needs a friend. He has all sorts of friendship goals in mind, like riding bikes together, going to the movies together, and even solving mysteries together! But when a Long-Billed Party Pooper crashes Beak's nest-warming party, Ally decides to show Beak something important to her: sticking up for what's right.

The Little Book of Christmas

“Exceptional...a deliciously sinister glimpse into the duplicity of small-town lives and the ease with which people turn on each other when tragedy comes calling. Moretti's tale of jealousy and obsession is nothing less than dark magic. Witchery indeed.” —Kirkus Reviews, starred review Known for novels featuring “great pacing and true surprises” (Kirkus Reviews, starred review) and “nerve-shattering suspense” (Heather Gudenkauf, New York Time bestselling author), New York Times bestselling author Kate Moretti's latest is the story of a scandal-torn Pennsylvania town and the aftermath of a troubled girl gone missing. “Where did they come from? Why did they fall? The question would be asked a thousand times... Until, of course, more important question arose, at which time everyone promptly forgot that a

thousand birds fell on the town of Mount Oanoke at all." In a quiet Pennsylvania town, a thousand dead starlings fall onto a high school baseball field, unleashing a horrifying and unexpected chain of events that will rock the close-knit community. Beloved baseball coach and teacher Nate Winters and his wife, Alecia, are well respected throughout town. That is, until one of the many reporters investigating the bizarre bird phenomenon catches Nate embracing a wayward student, Lucia Hamm, in front of a sleazy motel. Lucia soon buoys the scandal by claiming that she and Nate are engaged in an affair, throwing the town into an uproar...and leaving Alecia to wonder if her husband has a second life. And when Lucia suddenly disappears, the police only to have one suspect: Nate. Nate's coworker and sole supporter, Bridget Harris, Lucia's creative writing teacher, is determined to prove his innocence. She has Lucia's class journal, and while some of the entries appear particularly damning to Nate's case, others just don't add up. Bridget knows the key to Nate's exoneration and the truth of Lucia's disappearance lie within the walls of the school and in the pages of that journal. Told from the alternating points of view of Alecia, Nate, Lucia, and Bridget, *The Blackbird Season* is a haunting, psychologically nuanced suspense, filled with Kate Moretti's signature "chillingly satisfying" (Publishers Weekly) twists and turns.

Beak & Ally #1: Unlikely Friends

'This lovely, quirky novel will appeal to fans of Miranda July and Sheila Heti' Red Ottila McGregor is thirty years old and has decided it's time to sort her life out. She's going to quit drinking, stop cheating and finally find true happiness. Easy, right? Getting in the way of this plan are: 1. Grace, her best friend, who believes self-improvement is for people in their forties. 2. Mina, her sister, who is mentally ill, and it might be Ottila's fault. 3. Thales, the Greek guy who works in the hospital cafeteria – probably the best, most dangerous person Ottila's ever met. Told through a scrapbook of emails, receipts, therapy transcripts and other ephemera, this is an infectious one-off of a novel that makes you wince and laugh in equal measure.

The Blackbird Season

"From the author of *The Red Address Book* Sofia Lundberg comes a captivating story about overcoming shame and guilt, about finding oneself and the truth-and in doing so, learning how to love"--

So Happy It Hurts

'Tense, intriguing and memorable. I couldn't put it down' Sophie Hannah *THREE CHILDREN WENT OUT TO PLAY. ONLY TWO CAME BACK.* The Flower Girls. Laurel and Primrose. One convicted of murder, the other given a new identity. Now, nineteen years later, another child has gone missing. And the Flower Girls are about to hit the headlines all over again...

A Question Mark Is Half a Heart

Jeden chlapec, jeden drak, sv t dobrodružství. Fantasy bestseller Eragon z pera patnáctiletého Christophera Paoliniho, který nadchl miliony tenáYo po celém sv t . Vypráví pYíb h chudého farmáYského chlapce který najde v Dra ích horách modrý kámen, z n hož se vyklube dra í mlád - Safira. Spolu se vydají na nebezpečnou cestu královstvím ovládaným králem, jehož zlo nezná mezí. Dokáže Eragon naplnit své pYedur ení a pYevzít bYím legendárních Dra ích jezdců? Osud království možná leží v jeho rukou ... První tetralogie Odkaz Dra ích jezdců.

The Flower Girls

Welcome to SoHo at the onset of the eighties: a gritty, not-yet-gentrified playground for artists and writers looking to make it in the big city. Among them: James Bennett, a synaesthetic art critic for *The New York Times* whose unlikely condition enables him to describe art in profound, magical ways, and Raul Engales, an exiled Argentinian painter running from his past and the Dirty War that has enveloped his country. As the two men ascend in the downtown arts scene, dual tragedies strike, and each is faced with a loss that acutely affects his relationship to life and to art. It is not until they are inadvertently brought together by Lucy Oliason?a small town beauty and Raul's muse?and a young orphan boy sent mysteriously from Buenos Aires, that James and Raul are able to rediscover some semblance of what they've lost.

Eragon

The best aerial technique won't land 21-year-old Thora James her dream role in *Amour*—a sexy new acrobatic show on the Vegas strip. Thora knows she's out of her element the second she meets *Amour*'s leading performer. Confident, charming and devilishly captivating, 26-year-old Nikolai Kotova lives up to his nickname as the "God of Russia." When Thora unknowingly walks into the crosshairs of Nikolai's after-show, her audition process begins way too soon. Unprofessional. That's what Nik calls their "non-existent" relationship. It's not like Thora can avoid him. For one, they may be partners in the future--acrobatic partners, that is. But getting closer to Nik means diving deeper into sin city and into his dizzying world. Thora wants to perform with him, but when someone like Nikolai attracts the spotlight wherever he goes—Thora fears that she's destined to be just background to his spellbinding show. This sexy and exhilarating New Adult Romance can best be described as *Cirque du Soleil* meets the steamy, athletic romance of *Center Stage*.

Tuesday Nights in 1980

A boy on the edge of adolescence fears his mother might be a robot; a psychotically depressed woman is entrusted with taking her niece and nephew trick-or-treating; a reluctant dad brings his baby to a coke-fueled party; a teenage boy tries to prevent his mother from putting his estranged father's dogs to sleep. Ranging from a youth arts camp to an aging punk band's reunion tour, from a dystopian future where parents no longer exist to a ferociously independent bookstore, the stories in this collection revolve around the endlessly complex, frequently surreal system that is family.

Amour Amour

In a stunning follow-up to his much-heralded masterpiece, *Kalooki Nights*, acclaimed author Howard Jacobson has turned his mordant and uncanny sights on Felix Quinn, a rare-book dealer living in London, whose wife Marisa is unfaithful to him. All husbands, Felix maintains, secretly want their wives to be unfaithful to them. Felix hasn't always thought this way. From the moment of his first boyhood rejection, surviving the shattering effects of love and jealousy had been the study of his life. But while he is honeymooning with Marisa in Florida an event occurs that changes everything. In a moment, he goes from dreading the thought of someone else's hands on the woman he loves to thinking about nothing else. Enter Marius into Marisa's affections. And now Felix must wonder if he really is a happy man. *The Act of Love* is a haunting novel of love and jealousy, with stylish prose that crackles and razor-sharp dialogue, praised by the *London Times* as "darkly transgressive, as savage in its brilliance, as anything Jacobson has written." It is a startlingly perceptive, subtle portrait of a marriage and an excruciatingly honest, provocative exploration of sexual obsession.

Last Day on Earth

"Inside this mesmerizing tale of sexual desire and discovery, naive newlyweds Henry and Effie are honeymooning in Cape May, N.J., in 1957, tentatively navigating intimacy. Then they meet Clara and Max, hard-partying lovers who dazzle the innocent pair until they've lost more than their virginity. Cheek's sensual first novel leaves you wanting more." – PEOPLE "Henry and Effie's honeymoon is meant to be their introduction to the pleasures of the body, but in the company of Clara and her promiscuous cohort they lose all track of boundaries. A dozy, luxurious sense of enchantment comes over the story, until the rude awakening at its finale.... Cape May does something better than critique or satirize: It seduces." – The Wall Street Journal Cape May is a raw, provocative portrayal of a young 1950s couple on the cusp of a sexual awakening, and the temptations that upturn their honeymoon and reshape their marriage. In this erotic and intimate debut novel, a naïve southern couple is exposed to a group of raucous, debauched urbanites. Arriving for their honeymoon in Cape May, New Jersey, during the off season, Henry and Effie are startled to find the beach town deserted. The abandoned homes and desolate beaches make them shy of each other, and, isolated in their new marriage, they decide to cut their trip short. But before they leave, they encounter their glamorous, sensual neighbors and become swept up by their drama. Clara, a beautiful socialite who feels her youth slipping away; Max, a wealthy playboy and Clara's lover; and Alma, Max's aloof, mysterious, and evocative half-sister, to whom Henry is irresistibly drawn. Slowly, agonizingly, these deeply-flawed, profoundly human characters pull Henry and Effie out of themselves and expose them to a side of desire they never expected. While they discover new truths in each other and in their marriage, the empty beach town becomes their playground. And as they sneak into the vacant summer homes, go sailing, walk naked under the stars, make love, and drink an enormous amount of gin, Henry and Effie slip from innocence into betrayal, with irrevocable consequences. Seductive and moving, this is a novel about

marriage, love, raw sexuality, and the ways in which desire and betrayal can reverberate endlessly throughout our lives.

The Act of Love

THE TWELFTH INSTALLMENT OF THE MUCH-LOVED ISABEL DALHOUSIE SERIES It is summer in Edinburgh and Isabel Dalhousie is once again caught between 'gossip' and significant rumour. It is none of her business that Patricia, the mother of her son Charlie's little friend Basil, is estranged from Basil's father, or that the woman has a somewhat brazen attitude to childcare. And yet, it is curious. Isabel, however, has much else on her mind as editor of the 'Review of Applied Ethics'. Along with the work involved for its impending next issue, she really needs to get her house in order and tend to the demands of her niece, Cat. Thankfully, the arrival of Antonia, the exuberant Italian au pair, will take care of urgent chores. And the hiring of Claire, a diligent if unsettlingly beautiful new assistant at the 'Review', surely means that Isabel can breathe, at least a little. But her sharp observation and assured role as confidante soon have Isabel doubting all her recent decisions. What's more, her instinct to help others may have put her in real danger. In her desire to run both a smooth household and working life, has she simply created more chaos? Perhaps the quiet side of passion is, after all, the best side on which to be? The Quiet Side of Passion is the twelfth book in the series, but you may enjoy reading the series in any order.

Cape May

Discussion of problems in the union between the Bruderhof and the Hutterites.

The Quiet Side of Passion

An NPR and Kirkus Reviews Best Book of the Year A Library Journal Best Thriller of the Year "A gamechanger. Nick Mason is one of the best main characters I've read in years."—Harlan Coben From New York Times-bestselling, two-time Edgar-award-winning author Steve Hamilton comes an unforgettable new hero, a man who will walk out of prison and into a harrowing double life that is anything but free. Nick Mason has already spent five years inside a maximum security prison when an offer comes that will grant his release twenty years early. He accepts—but the deal comes with a terrible price. Now, back on the streets, Nick Mason has a new house, a new car, money to burn, and a beautiful roommate. He's returned to society, but he's still a prisoner. Whenever his cell phone rings, day or night, Nick must answer it and follow whatever order he is given. It's the deal he made with Darius Cole, a criminal mastermind serving a double-life term who runs an empire from his prison cell. Forced to commit increasingly more dangerous crimes, hunted by the relentless detective who put him behind bars, and desperate to go straight and rebuild his life with his daughter and ex-wife, Nick will ultimately have to risk everything—his family, his sanity, and even his life—to finally break free.

Jean Vanier

"A ... debut set in 1920s rural Alabama following Roscoe T. Martin, a prideful electrician sent to prison after his illegal siphoning of electrical state power for his wife's family's farm leads to an innocent man's death"--

The Second Life of Nick Mason

The Sunday Times bestselling author of Every Dark Corner returns with an exclusive novel celebrating ten years of Karen Rose's thrillers in the UK. MONSTER IN THE CLOSET reunites readers with characters from Karen Rose's bestselling Baltimore series. A mother is dead, and now her killer hunts the child that witnessed the brutal crime... Private Investigator Clay Maynard locates missing children for clients, but has nearly given up hope of finding his own daughter, cruelly stolen from him by his ex-wife twenty-three years ago. Equine therapist Taylor Dawson has chosen to intern at Daphne Montgomery-Carter's stables so that she can observe the program's security director - her father, Clay Maynard. Trying to reconcile the wonderful man she's getting to know with the monster her mother always described, Taylor never expects to become the target of a real monster, the man who murdered the mother of the little girls she works with at the stable. Neither does she expect to fall for Ford Elkhart, Daphne's handsome son, who is dealing with his own demons. As family and friends gather for a wedding, Taylor starts to imagine a permanent life in Baltimore. But not if the real monster gets to her first...

Work Like Any Other

An utterly gripping thriller perfect for fans of Dan Brown, Michael Crichton and Stephen King. The Anomaly will leave you breathless until the final page has been turned . . . THEY SOUGHT THE TRUTH. THEY FOUND A NIGHTMARE A team of explorers seek ancient treasures, hidden in a secret cave. At first it seems they will return empty handed. Then their luck turns. But the team's elation is short-lived as they become trapped there in the dark, with little possibility of escape. Then events take an even more terrifying turn. For not all secrets are meant to be found . . . 'Gripping, exciting, page-turning fun. I suspect Michael Crichton would have been happy to put his name to it' John Connolly 'Crackles with claustrophobic tension that had me holding my breath. Sharp dialogue, a dizzying central plot, and a real sense of dread throughout, I couldn't sleep until I'd finished reading, and then I couldn't sleep just thinking about it. I loved it' Sarah Pinborough, bestselling author of BEHIND HER EYES 'Brilliant. Thrilling, tense, dark, funny. Michael Crichton meets Indiana Jones' C. J. Tudor, author of THE CHALK MAN 'Smart, scary and beautifully written - a thriller filled equally with shivers and real heart. I absolutely loved it' Steve Mosby 'This is my kind of book. The suspense mounts slowly... slowly... Then the horror lingers for a long, long time' R. L. Stine 'Strap in for a break-neck, claustrophobic ride - The Anomaly is dark and deadly' James Swallow 'If you enjoy being scared witless, this is the book for you. A deftly written thriller that will give you second thoughts about turning out the lights' David Jackson 'A taut, take-no-prisoners thriller, lean and fast as an express train. Make no mistake: The Anomaly is the real deal' Lincoln Child, Number 1 New York Times Bestseller 'I LOVED The Anomaly. The most exciting, unputdownable book I've read in a long time' Mark Edwards 'Brilliant. A thrilling, horrifying, gripping page turner that you want to race through but at the same time don't want to end because you're enjoying it so much. Like Michael Crichton had written The Descent' Martyn Waites 'Michael Crichton meets Stephen King' is what was promised - and boy, does it deliver' Simon Lelic, author of RUPTURE and THE HOUSE

Monster In The Closet (The Baltimore Series Book 5)

Why was the Place de la Nation formerly called la Place du Trône? Has the Panthéon always been the resting place of great men? Who exactly decided where the Hôtel de Ville should stand? What saved the Eiffel Tower from destruction? Whose idea was it to turn the Tuileries into the capital's first public garden? What is the difference between the Assemblée Nationale and the Palais Bourbon? Complete with period engravings, this small album tells the history of Paris through its twenty arrondissements and its main monuments. Also available: My Little Paris ISBN 9782812304651 - \$19.95 Discover Paris by Metro ISBN 9782812305528 - \$19.95 Paris from Above ISBN 9782812312213 - \$14.00 My Sweet Paris ISBN 9782812311444 - \$19.95 Film Lover's Paris ISBN 9782812308413 - \$19.95 Paris for Men ISBN 9782812305825 - \$24.95 Paris by Bike ISBN 9782812308512 - \$19.90

The Anomaly

An exciting new talent, shortlisted for the 1997 Booker Prize, hailed as 'a triumph' by The Times, and a poignant observer of human hearts, foibles and follies. "There isn't a false note in the book, nothing but ravishing grace, wit and tender feelings.' Mail on Sunday

The Little Book of Paris

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px Verdana} As an art form, jewelry is defined primarily through its connection to and interaction with the body—extending it, amplifying it, accentuating it, distorting it, concealing it, or transforming it. Addressing six different modes of the body—Adorned, Divine, Regal, Transcendent, Alluring, and Resplendent—this artfully designed catalogue illustrates how these various definitions of the body give meaning to the jewelry that adorns and enhances it. Essays on topics spanning a wide range of times and cultures establish how jewelry was used as a symbol of power, status, and identity, from earflares of warrior heroes in Pre-Colombian Peru to bowknot earrings designed by Yves Saint-Laurent. These most intimate works of art provide insight into the wearers, but also into the cultures that produced them. More than 200 jewels and ornaments, alongside paintings and sculptures of bejeweled bodies, demonstrate the social, political, and aesthetic role of jewelry from ancient times to the present. Gorgeous new illustrations of Bronze Age spirals, Egyptian broad collars, Hellenistic gold armbands, Japanese courtesan hair adornments, jewels from Mughal India, and many, many more explore the various facets of jewelry and its relationship to the human body over 5,000 years of world history.

The Essence of the Thing

A dark, gripping coming-of-age tale that explores violence, friendship, family, and what it means to be a man Summer, Palermo, early 1980s. The air hangs hot and heavy. The Mafia-ruled city is a powder keg ready to ignite. In a boxing gym, a fatherless nine-year-old boy climbs into the ring to face his first opponent. So begins *On Earth as It Is in Heaven*, a sweeping multigenerational saga that reaches back to the collapse of the Italian front in North Africa and forward to young Davidù's quest to become Italy's national boxing champion, a feat that has eluded the other men of his family. But Davide Enia, whose layered, lyrical, nonchronological novel caused a sensation when it was published in Italy in 2012, has crafted an epic that soars in miniature as well. The brutal struggles for dominance among Davidù's all male circle of friends; his strict but devoted grandmother, whose literacy is a badge of honor; his charismatic and manipulative great-uncle, who will become his trainer—the vicious scenes and sometimes unsympathetic characters Enia sketches land hard and true. *On Earth as It Is in Heaven* is both firmly grounded in what Leonardo Sciascia liked to call "Sicilitude" - the language and mentality of that eternally perplexing island - and devastatingly universal. A meditation on physical violence, love and sex, friendship and betrayal, boxing and ambition, Enia's novel is also a coming-of-age tale that speaks - sometimes crudely, but always honestly - about the joys and terrors of becoming a man.

Jewelry

'There is no need of prophesying that Mr. Kelley will one day be among the best American short story writers. *Dancers on the Shore* proves that he already is' New York Herald Tribune In 1964, two years after the critically lauded release of his debut novel *A Different Drummer*, William Melvin Kelley published his first collection of short stories, *Dancers on the Shore*. Reissued in a new edition by riverrun, these seventeen stories expand Kelley's literary world, showcase his limitless imagination and spotlight his inimitable talent.

On Earth as It Is in Heaven

A haunting and unforgettable novel about love, loss, race, and desire in World War II—era America. On a sweltering day in August 1942, Frankie Washburn returns to his family's rustic Minnesota resort for one last visit before he joins the war as a bombardier, headed for the darkened skies over Europe. Awaiting him at the Pines are those he's about to leave behind: his hovering mother; the distant father to whom he's been a disappointment; the Indian caretaker who's been more of a father to him than his own; and Billy, the childhood friend who over the years has become something much more intimate. But before the homecoming can be celebrated, the search for a German soldier, escaped from the POW camp across the river, explodes in a shocking act of violence, with consequences that will reverberate years into the future for all of them and that will shape how each of them makes sense of their lives. With *Prudence*, Treuer delivers his most ambitious and captivating novel yet. Powerful and wholly original, it's a story of desire and loss and the search for connection in a riven world; of race and class in a supposedly more innocent era. Most profoundly, it's about the secrets we choose to keep, the ones we can't help but tell, and who—and how—we're allowed to love.

Dancers on the Shore

If you enjoyed *How to Keep a Secret*, don't miss Sarah Morgan's wonderful new summer read, *Family for Beginners*! * * * * Your fav authors love Sarah Morgan! 'Joyful, uplifting and overflowing with love' Cathy Bramley 'Comfort reading at its best' Veronica Henry

Prudence

In the summer we all fell in love By the winter we had fallen apart For Quinn and her sister, Fern, and brother, Reed, summer means working as counselors at their family's summer camp: months of bonfires, bunks, and friendships made and broken. But last summer was different. Last summer they all fell in love with the same boy – Dylan, their best friend since forever, suddenly seen through new eyes. Six months later and everything has changed. The summer camp is empty and covered in snow, and Quinn, Fern and Reed aren't speaking to each other anymore. Something happened that summer that tore them apart, and their memories won't let them forgive. *Wild Blue Wonder* is the gorgeous, achingly beautiful novel from Carlie Sorosiak, author of *If Birds Fly Back*.

How To Keep A Secret

'No wonder she's been crowned Queen of Cosy Crime' Mail on Sunday
Toil and trouble in store for Agatha! Cotswolds inhabitants are used to bad weather, but the night sky is especially foggy as Rory and Molly Harris, the new vicar and his wife, drive slowly home from a dinner party in their village of Sumpton Harcourt. They struggle to see the road ahead - but then screech to a halt. Right in front of them, aglow in the headlights of their car, a body hangs from a lightning-blasted tree at the edge of town. But it's not suicide; Margaret Darby, an elderly spinster of the parish, has been murdered - and the villagers are bewildered as to who would commit such a crime, and why. Agatha Raisin rises to the occasion, delighted to have some excitement back in her life as if truth be told, she was getting bored of the long run of lost cats and divorces on the books. But Sumpton Harcourt is an isolated and unfriendly village, she finds a place that poses more questions than answers. And when two more murders follow the first, Agatha begins to fear for her reputation - and her life. That the village has its own coven of witches certainly doesn't make her feel any better... Praise for M. C. Beaton's Agatha Raisin series 'A Beaton novel is like The Archers on speed' Daily Mail 'Agatha is like Miss Marple with a drinking problem, a pack-a-day habit and major man lust. In fact, I think she could be living my dream life' Entertainment Weekly 'The detective novels of M C Beaton, a master of outrageous black comedy, have reached cult status' The Times

Wild Blue Wonder

Discover turn-of-the-century Vienna in this exploration of its most important protagonists, complete with sumptuous double-page reproductions across painting, sculpture, architecture, and design, as well as an essay by Rainer Metzger. Marking the centenary of the deaths of masters Klimt, Schiele, Wagner, and Moser, this collection joins the Austrian capital in its 2018 celebration of Modernism.

Agatha Raisin and the Witches' Tree

The perfect companion for the Bruegel year of 2019: an introduction to the famous painter through stunning large close-up details in a beautiful coffee table book. Flemish painter Pieter Bruegel the Elder (1525-1569), known for his beautiful landscapes and peasant scenes, is among the most popular artists in the history of Netherlandish painting. Reproducing all of Bruegel's best-known paintings, drawings and prints, this book reveals them as never before, in stunning large close-up details that showcase his mastery. Organized by his major themes - landscapes, daily life, biblical subjects and festive celebrations - it offers astonishing views of popular works of art such as Hunters in the Snow, Peasant Wedding and The Tower of Babel. The printings and drawings section includes his series on Sins and Virtues. Bruegel expert Manfred Sellink reveals how the painter introduced new subject matter into fine art and examines his use of landscape, perhaps the artist's greatest innovation.

Vienna 1900

Reproduces the artist's "One Hundred Aspects of the Moon" and explains the story behind each design. Includes a biography of Yoshitoshi.

Bruegel in Detail

A selection of nature's greatest imposters, tricksters and magicians. Whether to escape predators or to surprise their prey, the talented strategists of nature in The Champions of Camouflage survive using visual trickery and fascinating biology. Some simply change their clothing to suit the seasons, such as the willow ptarmigan who appears pure white in winter snow and golden-brown-red in the summer. Others, like the satanic leaf-tailed gecko who disguises itself amidst leaves to blend into its surroundings, are the same year-round but their appearance seamlessly blends them into the environment. Grasshoppers of the genus Paraphidnia and the African mantis *Popa spurca* perfectly imitate the small branches of trees, becoming virtually invisible to predators and prey. Some species use incredible stratagems to get rid of their enemies, of the frog *Physalaemus*, for example. When this amphibian is threatened, he turns his back to his opponent and shows his hindquarters on which is "painted" a pair of large black eyes. If the mask is not enough to intimidate the opponent, the fake eyes will emit an impressive "white secretion." That usually does the trick. The book is organized by the manner of camouflage: The Art of Camouflage Invisibility cloak Seasonal clothes Quick colors Changing Shapes Leaf imposters Moving twigs The watery art of disappearing Deception Game of Illusion At the masquerade ball In the eye of the beholder Trojan Horse Identity theft Bait and switch.
