Intro

Michael got a little upset

The girl entered the office

The girl replied

Michael rejoiced

She didnt see the wallet

I dont want to call the police

The worst thing about the company

You should be the CEO

Michael summoned a lawyer

I didnt know what to do

I already got my financial aid

I refused to sign it

I have to stop him

Michael interrupted the lawyer

The date went great

Im going on a date with a girl

I finally met a decent girl

I need to fire him urgently

Not today

Dont ask me

The son asked

The father replied calmly

What happened to Valerie

The man suddenly said

Michael was getting very nervous

Holding out his hand to Valerie

Is that why

I have a right to know

You still have to educate your grandchildren

You're fully recovered now
