A Marcelli Wedding

This omnibus edition features two fan favorite romances by New York Times bestselling author Susan Mallery's beloved Marcelli sisters series.

A Marcelli Wedding

For the Marcelli sisters of California wine country, the season is ripe for romance in this first book of the Marcelli Sisters of Pleasure Road series. A party planner extraordinaire, Katie Marcelli loves her big, boisterous family—even when their chronic matchmaking drives her crazy! In the Marcelli household, fine wine and good food are as celebrated as true love, so when her eighteen-year-old sister announces her engagement, Katie promises her the perfect wedding. There's only one hitch: the father of the groom, Zach Stryker, who is adamantly opposed to his son marrying so young. Now, despite her instant attraction to the handsome, arrogant attorney, Katie must approach with caution. Zach, who hired Katie for a major fund-raiser, holds the fate of her business in his hands—and how can she trust a man who is willing to break her sister's heart? It will take a passionate battle of wills to determine if wedding bells will ring for a Marcelli bride, and to unlock the deepest desires—for family, love, and home—inside a strong-willed man's heart.

The Sparkling One

USA Today bestselling author Susan Mallery returns to the idyllic setting of her sensual Marcelli sisters trilogy—California wine country, where love and laughter flow, and where an unlikely couple discovers the one thing their hearts hunger for most: a place to call home. The rebel of the Marcelli family, Joe never joined his sisters Katie, Francesca, and Brenna in running the winery business. Instead, he chose a life of military service. But now that this handsome, headstrong former Navy SEAL has received a new, undercover assignment—protecting none other than the commander in chief's daughter—he finds himself stationed back at the California vineyard he defiantly left behind. First-daughter Darcy Jensen has been placed in hiding at the Marcelli Winery after surviving a kidnapping attempt, and

now it's Joe's job to keep the fearful, fiery beauty out of harm's way. Begrudgingly, Joe heeds his presidential order—until "babysitting" Darcy proves to be the greatest pleasure he's ever known. How can Joe protect Darcy from danger, when he's falling dangerously in love? And can Darcy trust that Joe's intentions are true when no one else's have ever been?

The Marcelli Bride

New York Times bestselling author Susan Mallery sweeps readers back to California wine country, where love and laughter abound, and a regal visitor rekindles desire in one unsuspecting Marcelli sister. A smart, independent woman with a gorgeous four-year-old son, Mia Marcelli lost her one true love. Four years ago, while working undercover for the CIA, she watched Diego, the father of her unborn child, perish before her very eyes—crumbling the world around her. But one morning she awakens to find Diego lying next to her, alive and well with an unbelievable confession: he is really Rafael, Prince of Calandria, and he had been working covertly on the same mission when they met—his death had been staged. Utterly stunned, Mia is wary and delighted—she may have suffered a broken heart, but her breathtakingly handsome lover is back to reignite the passion that existed between them. Little does she know that Rafael has returned to give his newfound son a proper upbringing back in Calandria—even if it means seducing Mia into marriage. But when Rafael finds himself truly falling for this luscious beauty, he must decide between his royal duties and the woman who has claimed his heart.

The Marcelli Princess

The Marcelli Sisters of Pleasure Road series continues follows the three sisters as a secret threatens to rock their perfect world. Francesca Marcelli married at eighteen—right on schedule, according to her warm, colorful family, who have always said a beauty like Francesca need never worry about finding love. But a few years later, finding herself on her own with a wide-open future ahead of her, she pursues her educational passions—and a risky romance with playboy CEO Sam Reese. Delighted by Francesca's interest in a no-strings relationship, Sam suddenly finds himself needing her outside the bedroom when a secret from his past lands on his doorstep. But Francesca soon has a secret of her own to tell—a bombshell that will force the diehard bachelor to show his true colors. Is marriage in Sam and Francesca's future? Only if she can persuade him that home truly is where the heart finds happiness.

Together they devised a bold escape plan. They knew the odds, for Mexico had 'la ley de fuga', the law of escape. It was not illegal to try to escape from prison, as long as the would-be escapee did no violence against people and destroyed no state property. But if they caught him, they killed him. So any would-be escapee had one and only one chance. The choices were either freedom or death. Read about how Dwight Worker ran this gauntlet to join Pancho Villa and become only the second person to escape from Lecumberri.

The Rancher and the Runaway Bride Part 2 (36 Hours, Book 20)

"At various times, homosexuality has been considered the noblest of loves, a horrible sin, a psychological condition or grounds for torture and execution. David F. Greenberg's careful, encyclopedic and important new book argues that homosexuality is only deviant because society has constructed, or defined, it as deviant. The book takes us over vast terrains of example and detail in the history of homosexuality."—Nicholas B. Dirks, New York Times Book Review

"The" Satires of Juvenal,.

"A remarkable book, in which Forsythe uses his thorough knowledge of the ancient evidence to reconstruct a coherent and eminently plausible picture which in turn illuminates early Roman society more immediately than any other category of evidence is able to do. Forsythe displays his impressive ability to demonstrate to what extent and why the tradition that dominates the extant historical narratives is not credible."—Kurt Raaflaub, author of *The Discovery of Freedom in Ancient Greece* "An excellent synthetic treatment of early Roman history found in both modern literary and archaeological materials."—Richard Mitchell, author of *Patricians and Plebeians*

Kiss Me At Christmas: Marry Me at Christmas (Fool's Gold) / A Kiss in the Snow (Fool's Gold)

In two short romances set under Montana skies, Abby's wedding is disrupted by her childhood sweetheart and lady wrangler Sierra changes her mind about love.

The Construction of Homosexuality

Negotiating the Art of Fatherhood in Late Medieval and Early Modern Italy examines contested notions of fatherhood in written and visual texts during the development of the mercantile economy in fourteenth- and fifteenth-century Italy. It analyzes debates about the household and community management of wealth, emotion, and trade in luxury "goods," including enslaved women, as moral questions. Juliann Vitullo considers how this mercantile economy affected paternity and the portraits of ideal fatherhood, which in some cases reconceived the role of fathers and in others reconfirmed traditional notions of paternal authority.
