Step by Step Guide: Starting a Bee Hive with boxed bees Tutorial Beginners Guide - Step by Step

Guide: Starting a Bee Hive with boxed bees Tutorial Beginners Guide by Our Old Farm House 167,962 views 6 years ago 19 minutes - This is the first time I started a **beehive**, from a box of **bees**.. I take you through step by step to show you that anyone can do it.

remove tracheal mites

shaking the bees down into the chamber just in case

using my hand as a brush

move over all of the other existing frames

lay your equipment right next to the hive

set up the new hive and unbox

drop the brood frames

dropping one of the frames from the other hive

take off the top little wooden panel

pry out the feed

proceed to shake the bees

laid it by the front of the hive

fill up the hive

set up their feeding

pulling the two top brood frames
