A Compendium of the Law of Real and Personal Property

Reprint of the original, first published in 1856.

Compendium of the Law of Real and Personal Property ...

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

A Compendium of the Law of Real and Personal Property Primarily Connected with Conveyancing

Excerpt from A Compendium of the Law of Real and Personal Property: Connected With Conveyancing; For the Use of Students and Practitioners The object of the following attempt, which was commenced many years ago, is, to supply a want which the writer has personally and very greatly felt ever since the time when he commenced the study of the law. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in

the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

A Compendium of the Law of Real and Personal Property

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

A Compendium of the Law of Real and Personal Property

Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

A Compendium of the Law of Real and Personal Property Primarily Connected with Conveyancing

What type of right is a property right? How are items of property classified for legal purposes? In this revised edition of *Personal Property Law*, Michael Bridge provides answers to these fundamental questions of property law. His critical analysis includes new material on insolvency, in particular the anti-deprivation principle and the *pari passu* rule, as well as comprehensive accounts of recent case law (*OBG v Allan*, *Yearworth*, and *Datastream*), and statutory developments. Widely considered to be the best short introduction to English personal property law, Bridge constructs an authoritative and systematic summary of this complex field for readers approaching the subject for the first time. It focuses on the acquisition, loss, transfer, and protection of interests in personal property law, and specific topics include: ownership and possession; treatment of the separate contributions of the common law and equity to modern personal property law; discussion of modes of transfer; the means of protecting property interests; the resolution of disputes concerning title to personal property; the grant of security interests, and the issues arising out of the transformation and mixing of tangible personal property.
