The Silver Coin #8

When an executive at a 1960s stock brokerage acquires a collection of antiques, the gap between the haves and the have-nots becomes painfully clear. The price of THE SILVER COIN keeps going up, even as the fortune of its owner plummets. The next chapter in the hit horror anthology from JOSHUA WILLIAMSON, VITA AYALA, RAM V, MATTHEW ROSENBERG, and MICHAEL WALSH lands on shelves this month.

Hell Sonja #1

Welcome to HELL...SONJA. She's the Queen of Damnation. She lords over the fiery pit of eternal hunger and suffering. But now, she's had enough of this evil s**t. She will bind together lost souls, and rove the multiverse to fill Hell's belly with only the most deserving of its punishment. If someone so wicked is beset upon you, if you're desperate enough, if no one else can help, maybe your prayer will be heard by...HELL SONJA. By CHRISTOPHER HASTINGS (Deadpool, Gwenpool) and PASQUALE QUALANO (Sonjaversal)!

Rogue Sun #1

Yesterday: New Orleans' greatest hero, ROGUE SUN, was murdered. Today: rebellious teenager DYLAN SIEGEL discovers that Rogue Sun was his estranged father, Marcus—and that he's inherited his father's mantle. Tasked with protecting our world from the forces of the supernatural—and solving his father's murder—Dylan will be forced to come to terms with the man he's spent the majority of his life hating. From acclaimed writer RYAN PARROTT (Mighty Morphin, Power Rangers, Dead Day) and rising star artist ABEL (Harley Quinn, Crimes of Passion) comes A SUPERNATURAL MURDER MYSTERY that explores the complicated bond between father and son and cements itself squarely in a corner of the IMAGE COMICS SUPERHERO UNIVERSE!

Batman: Killing Time (2022-) #1

Three villains, one Dark Knight, and a deadly heist gone wrong. Catwoman, the Riddler, and the Penguin join forces to pull off the greatest robbery in the history of Gotham City. And their prize? A mysterious and priceless artifact in the secret possession of Bruce Wayne! But, as the events unfold, what fun is a heist without a bloody double cross or two? The blockbuster team of Tom King and David Marquez bring an epic, white-knuckled, action-packed tale of a young Batman desperate to recover his most prized possession from a host of violent rogues before the clock strikes the Killing Time...

Ultramega by James Harren #1

A cosmic plague has spread, transforming everyday people into violent, monstrous kaiju. Only the Ultramega—three individuals imbued with incredible powers—hold the line against this madness. Their battles level cities and leave untold horror in their wake. Now, the final reckoning approaches for the

Ultramega...but is this a war they can even win? Fight monsters and stand with humanity in this new Skybound original from the greatest artist of his generation, JAMES HARRIS (RUMBLE, BPRD) and Eisner Award-winning colorist DAVE STEWART. Each issue is extra-sized, with a 60-page debut that can barely contain its giant heroes, creatures, and devastation!

Elementals

The official behind-the-scenes companion book to Matt Reeves' *The Batman*. *The Art of The Batman* is the official behind-the-scenes illustrated tie-in book to the highly-anticipated Matt Reeves (Cloverfield, Dawn of the Planet of the Apes, War for the Planet of the Apes) film, coming to theaters March 4, 2022. Set during Batman's second year as a crime fighter, this unique, noir-inspired take on the Dark Knight serves as a return to the character's roots and stars Robert Pattinson as Bruce Wayne, Zoë Kravitz as Selina Kyle/Catwoman, Paul Dano as The Riddler, Jeffrey Wright as Commissioner Gordon, and Colin Farrell as The Penguin. Readers will get an insider's look at the film's production process through character designs, vehicle and gadget designs, and background paintings, alongside original commentary and interviews from the filmmakers, cast, production designer, and conceptual artists.

The Art of the Batman

Sister Maria has recruited two horny drug-fueled weirdos to stop the apocalypse. Their names? Jesus and Satan. Can these biblical frenemies help this nun with a gun defeat an army of pissed off mythological gods? Only one thing's for sure -- it's gonna be a wild ride. Collecting the controversially-contagious Holy F*ck #1-4.

Holy F*ck

Far Sector's Jo Mullein's first meeting with the rest of the Green Lantern Corps gets delayed when something causes the Central Power Battery to explode. Now faced with lost Lanterns across the cosmos and an unknown threat still stalking the Corps, Jo must team with Teen Lantern to uncover the truth and save the other Lanterns. Green Lantern Vol. 1: Invictus collects Future State: Green Lantern #1-2 and Green Lantern #1-4.

Green Lantern Vol. 1: Invictus

New creative team! Start of a new story arc as Batman leaves Gotham! "Abyss" part one! As Gotham celebrates surviving Fear State, Batman retreats alone into the darkness. But when he learns of a mystery involving Batman Inc., it forces the Caped Crusader to leave Gotham for a brand-new adventure! Thrills, chills, and international intrigue await! The Dark Knight begins a new story with superstar artist Jorge Molina and new writer Joshua Williamson!

Batman (2016-) #118

Strange Terrors was a pre-comic code horror comic series. Popular but short lived, this series was published by St. John publications who at one time was a giant of the comic book industry. St. John Publications was an American publisher of magazines and comic books. During its short existence (1947-58), St. John's comic books established several industry firsts. Founded by Archer St. John (1904-55), the firm was located in Manhattan at 545 Fifth Avenue. After the St. John comic books came to an end in 1958, the company continued to publish its magazine line into the next decade. This book has been image enhanced to give the reader a comic as it was, freshly published more than fifty years ago and contains stories from two complete issues.

Strange Terrors

Jonathan Kent has experienced a lot in his young life. He's traveled the galaxies with his Kryptonian grandfather and lived in the future with the Legion of Super-Heroes, who were intent on training him for the day his father, Clark Kent, could no longer be Superman. There is a hole in the Legion's history that prevents Jon from knowing exactly when that will happen, but all signs point to it being very soon. It's time for the son to wear the cape of his father and bear the symbol of hope that has told the world who Superman really is. Join writer Tom Taylor (Nightwing, DCEased) and artist John Timms (Infinite Frontier) as they usher in a whole new era for the House of El! Also, "Tales of Metropolis" continues. Jimmy Olsen gathers his misfit heroes, including Ambush Bug and Gangbuster, to find out who the Projectress really is and why she set her sights on Bibbo!

Superman: Son of Kal-El (2021-) #1

The hunt for a long-missing costumed crimefighter has led investigator Jake Stevens down one blind alley after another, yielding only a scant handful of clues and a trail of dead bodies pointing to Stevens himself. Jake no longer knows who to trust, but he knows his business, and he races to place the final piece in the puzzle before the police take him down. But is it too late for the truth to save him?

Cloaked #4

In this environmental thriller graphic novel with a supernatural twist, Dee must find out what happened to her missing twin. An amazing mystery filled with strange creatures, high school drama, and family, this darkly illustrated book shows us that monsters are all around us. There are monsters in the woods. Something supernatural is lurking in the woods. While out searching for her missing sister and desperately trying to find any possible clues to her whereabouts, Dee discovers something . . . isn't quite right . . . in the woods. Dee soon finds herself in the middle of a battle to save the pinelands, and she's finding more suspects, and more questions, than answers. As time goes on, there is only one thing she knows for certain: there are monsters among us. But they aren't who you should be afraid of . . .

Fly by Night

One of the deadliest villains in the DCU returns: Parallax! Things continue to twist and turn for John Stewart, Guy Gardner and Kilowog as they come face to face with their greatest enemy--the man who destroyed the Green Lanterns. Meanwhile, Green Arrow struggles to find a way to stop Parallax as the JLA, the JSA and the Teen Titans join the fight!

Green Lantern: Rebirth (2010-) #4

"FULL THROTTLE DARK," Part One Ten years after the world is plunged into an everlasting night that turns all living creatures into monstrous shades, the only way to survive is to stay close to artificial light. Enter Valentina "Val" Riggs, a skilled ferryman who transports people and goods along deadly unlit roads with her heavily illuminated eighteen wheeler. This March, legendary creators SCOTT SNYDER (Dark Knights: Death Metal, WYTCHEs) and TONY S. DANIEL (Batman, Deathstroke) unveil horrors beyond any shade in this extra-sized first issue.

Nocterra #1

Deep cosmic terror waits in the center of a dream-like winter. It is 1887. Eulalie Dubois is offered a small fortune to deliver a package through the wilderness to a nameless town. Lost in a relentless winter storm, Eulalie soon finds something sinister lurks in the forest, seeking what she carries. LET THE BLACK STARS GUIDE YOUR WAY. The year is 1887 and a storm brews. Eulalie Dubois has spent her entire life tending to her family's trapline, isolated from the world. A chance at freedom comes in the form of a parcel that needs delivering to a nameless town north of the wilderness. Little does Eulalie know, something sinister hides in those woods and it yearns for what she carries. A chilling historical cosmic horror tale of survival from the deranged minds of Lonnie Nadler (The Dregs, Marvelous X-Men) and debut artist Jenna Cha. Collects the complete five issue series. Perfect for fans of Something is Killing the Children, Harrow County, Alan Moore's Providence, and fans of horror.

Black Stars Above

Writer Brian Michael Bendis reunites with artist David Marquez (Miles Morales, Iron Man, Batman/Superman) for a new, star-studded Justice League featuring Superman, Batman, the Flash, Hawkgirl, Aquaman, Hippolyta, new DC powerhouse Naomi, and...is that Black Adam?! Superman is leading the charge to reinvent the Justice League-and at the same time, a new, cosmic-powered threat arrives from Naomi's homeworld to rule the Earth! And in the backup story, dark days lie ahead for the new Justice League Dark. Zatanna and John Constantine take a road trip, only to discover horror around the bend as a friend-and sometime foe-is reborn in fire! A legend is destroyed, and another takes a terrible turn, as Merlin reveals the beginning of a new, blood-drenched plot for all humankind. So begins writer Ram V's new journey into the abyss with the Justice League Dark and artist Xermanico!

Justice League (2018-) #59

Tensions are sky-high in Gotham City following the events at Arkham Asylum, and public opinion and unrest are starting to boil over. The Dark Knight has his hands full juggling the investigation of the reappearance of an old enemy and the rise of a new gang in Gotham called the Unsanity Collective...Gotham City is getting more dangerous by the minute! Plus, in part one of "Legend of the Ghost-Maker," James Tynion IV and Ricardo Lopez Ortiz tell the most insane tale of action and adventure featuring Batman's frenemy Ghost-Maker! This one is not to be missed!

Batman (2016-) #107

Christopher Chance is a man on a deadline and working to solve a crime that might be unsolvable. Despite his better judgment, he's falling for his lead suspect, and her violent ex-boyfriend isn't happy about it. Oh, and that ex? He's a Green Lantern.

The Human Target (2021-) #3

Marvel Comics #1000

What trouble will your favorite Pokémon get into in this volume of four-panel comics? The fourth volume in the bestselling Pokémon dual activity and gag comic series, in a substantial brick book format. This volume of the best-selling series stars your favorite classic Pokémon: Pikachu, Bulbasaur, Squirtle, Charmander and Psyduck...to name just a few!

Pokémon Pocket Comics: Classic

This latest BLACK [AF] collected mini-series is written by breakout star Vita Ayala (X-Men: Children Of The Atom, Morbius, Bitch Planet, The Wilds) and rising star artist Liana Kangas (She Said Destroy). When a new drug called VANTA hits the streets, word is it's the hottest thing since Ecstasy. For regular people, it has all the highs and none of the lows of traditional drugs. There is some fine print, however - for empowered Black folks, the drug causes a total and violent loss of control. The Project sends Indigo to investigate, and it soon becomes apparent that this is more than just a new designer distraction for the masses. Indigo, together with former Detective Ellen Waters race to find the source of the substance poisoning their people, before it's too late! The superhero universe where only black people have super powers continues to expand, for the first time with a new creative team building onto the exciting world created by Kwanza Osajyefo, Tim Smith 3, Jamal Igle & Khary Randolph. Collects issues 1-4.

BLACK [AF]: Devil's Dye

With the fate of the world in the balance, Duncan must finally accept his role in the larger story. But has Gran trained him well enough to defeat the undead King of the Britons by himself?

Once & Future #6

When all of Batman's enemies begin acting out of character, the hero sets out to uncover the mastermind behind the strange phenomena.

Hush

Frank Miller brings Batman to New York City in his search for an arsenal of high-tech weapons and robots that use decapitated human heads as their brains. Antagonistic, confrontational and suspicious of each other, Spawn and Batman engage in violent battles before realizing they are both after the same villain. Grudgingly, they decide to work together. The person they seek has been kidnapping and decapitating the homeless for use in the robots, but that's only part of the plan: there is also a nuclear arsenal ready to be deployed. Will Spawn and Batman be able to foil the plan to destroy the world? It's a story filled with many twists and turns and a surprise ending that will affect Spawn for years afterward.

Image Comics Presents Spawn/Batman

Incredible artist Stanley "Artgerm" Lau has made a name for himself at Marvel Comics with a series of striking and instantly recognizable variant covers! His work has graced titles including ASTONISHING X-MEN, BLACK PANTHER, CAPTAIN MARVEL, MIGHTY THOR, SPIDER-GWEN, ABSOLUTE CARNAGE and more. Now Marvel proudly presents twelve gorgeous, full-color reproductions of some of his most iconic works from the House of Ideas - all in a stunning hardcover case.

Marvel Portfolio: Artgerm

This book is for anyone who wants to learn about asexuality, and for Ace people themselves, to validate their experiences. Asexuality is often called The Invisible Orientation. You don't learn about it in school, you don't hear "ace" on television. So, it's kinda hard to be ace in a society so steeped in sex that no one knows you exist. Too many young people grow up believing that their lack of sexual desire means they are broken – so writer Molly Muldoon and cartoonist Will Hernandez, both in the ace community, are here to shed light on society's misconceptions of asexuality and what being ace is really like. This book is for anyone who wants to learn about asexuality, and for Ace people themselves, to validate their experiences. Asexuality is a real identity and it's time the world recognizes it. Here's to being invisible no more!

A Quick & Easy Guide to Asexuality

A young boy named Link must defeat evil at every turn on his long, perilous quest to find the Triforce and deliver it to Princess Zelda! The Legend of Zelda: Legendary Edition contains two volumes of the beloved The Legend of Zelda manga series, presented in a deluxe format featuring new covers and color art pieces by Akira Himekawa. The battle for Hyrule and the Sacred Realm has begun! A young boy named Link must defeat evil on his long, perilous quest to find the spiritual stones that hold the key to the Triforce, and deliver them to Zelda, princess of the land of Hyrule. Young Link embarks on a perilous quest to find three spiritual stones that hold the key to the Triforce, the wielder of which will rule the world! Link's plan is to deliver the stones to the Princess of the mystical land of Hyrule, Zelda. But obstacles abound and his long journey has only just begun!

The Legend of Zelda: Legendary Edition, Vol. 1

"From Bruce Banner's volatile upbringing to the fateful gamma bomb detonation that changed everything, to years of anger, smashing and just wanting to be left alone! He's been a hero...a hate figure...even a world-breaker. Now witness the biggest moments in the Hulk's history -- through the eyes of a single visionary storyteller! You'll never look at Bruce Banner the same way again!"--

Hulk: Grand Design Treasury Edition

Brand new stand-alone fantasy graphic novel of visionary sword and sorcery from Batman artist Dani A warrior with a name born of the black rage that filled her heart! In a world of swords and sorcery, the evil tyrant Rassau discovers that he is destined to be killed by a fearsome warrior called Beth. Together with his men, Rassau seeks Beth out, destroying her village and killing all held dear to her. With the aid of a former warrior - the blind Quido - Beth becomes a skilled fighter and sworn enemy of all that is evil! She will not rest until her people are avenged! This book contains both the original strip and the

brilliantly resurrected stories that have been masterfully guided by writer Alec Worley and DC Comic's newest star, the astonishing Greek artist, DaNi!

Black Beth

This essay sheds light on the future of the comic book industry and explicates how emerging technologies will revolutionize the comic book industry. Moreover, why comic books have become extremely expensive to collect is demystified in this essay. Furthermore, how to earn substantial money online so that you can afford to procure your own comic book collection is expounded upon in this essay. The future of the comic book industry will not only be characterized by dynamism as it continues to metaphorically evolve, but will also be eminently auspicious for customers and comic book artists. Technological advancements are profoundly changing the comic book industry and are rendering it all the more technology driven. The behemoth comic book industry shows no signs of decelerating anytime in the imminent future. "Comics and graphic novel sales had their best year ever in 2019, according to the annual report just released by ICv2 and Comichron, with sales topping \$1,210,000,000 in 2019" (MacDonald, 2020) in the North America market. "Overall sales were up 11% from 2018 in North America. The robust growth of graphic novels in bookstores led the way for the increase, but periodical sales in comics shops were also up. For the first time ever, book channel sales topped the direct market. Comic shop sales in 2018 were \$510,000,000 and were up to \$525,000,000 in 2019" (MacDonald, 2020). Customers relish reading graphic novels, especially since they can feature the contents of multiple comic books apart of a beloved comic book series. Graphic novels can also offer far more content to readers than single issue comic books. " 'The massive shift to graphic novels as the preferred format for comics continued in 2019, bringing sales in the book channel above the comic store channel in North America for the first time in the history of the medium'. Sales of graphic novels in the book channel, which includes chain bookstores, mass merchants, major online retailers, and Scholastic Book Fairs were once again driving the format" (MacDonald, 2020). The comic book industry is preordained to have a robust and lucrative future, especially as the popularity of superheroes grows worldwide. The rise in popularity of movies, video games, TV shows, and anime series based on comic books has culminated in precipitating the expansion of the comic book industry. Moreover, the release of more merchandise, such as new Marvel Legends Action Figures and more high quality Marvel Select Action Figures, based on comic book characters, has contributed to rekindling people's interest in superheroes. A growing interest in superhero characters among customers will allow the comic book industry to have a prosperous future. The future of the comic book industry will elicit far more than just single issue comic books. Graphic novels that feature the contents of multiple comic books that are apart of a beloved comic book series are apt to grow in popularity in the coming years. As the interest in comic book based media grows, more customers will take heed in dabbling into reading comic books or graphic novels that feature their favorite superhero characters. Customers love learning about the lore of their favorite comic book characters and are all the more inclined to read comic books when comic book based media leaves many of their pressing questions about their favorite comic book characters unanswered. In the coming years, more new superhero characters will be created and comic books will become rendered all the more accessible as more comic books become digitized. Furthermore, comic book series will be further expanded in the coming years which will allow the comic book industry to continuously offer new content to avowed comic book fans. In other words, the robust growth of the comic book industry in the coming years will be partially driven by its ability to produce more meritorious content that entices customers to dabble into reading more comic books or graphic novels.

Scott Pilgrim's Precious Little Card Game

Exploring image and imagination in conjunction with natural environments, the animal, and the human, this collection of essays turns the ecocritical and eco-compositional gaze upon comic studies. The comic form has a long tradition of representing environmental rhetoric. Through discussions of comics including *A.D.: New Orleans After the Deluge*, *We3*, *Concrete*, and *Black Orchid*, these essays bring the rich work of ecological criticism into dialogue with the multi-faceted landscape of comics, graphic novels, web-comics, cartoons, and animation. The contributors ask not only how nature and environment are portrayed in these texts but also how these textual forms inform how we come to know nature and environment--or what we understand those terms to represent. Interdisciplinary in approach, this collection welcomes diverse approaches that integrate not only ecocriticism and comics studies, but animal studies, posthumanism, ecofeminism, queer ecology, semiotics, visual rhetoric and communication, ecoseeing, image-text studies, space and spatial theories, writing studies, media ecology, ecomedia, and other methodological approaches.

Judge Dredd

This study explores how the definition of the medium, as well as its language, readership, genre conventions, and marketing and distribution strategies, have kept comic books within the realm of popular culture. Since comics have been studied mostly in relation to mass media and its influence on society, there is a void in the analysis of the critical issues related to comics as a distinct genre and art form. By focusing on comics as narratives and investigating their formal and structural aspects, as well as the unique reading process they demand, this study presents a unique contribution to the current literature on comics, and helps clarify concepts and definitions useful in studying the medium. (Ph.D. dissertation, University of Alberta, 1995; revised with new preface, bibliography, and index)

The Future Of The Comic Book Industry, How Emerging Technologies Will Revolutionize The Comic Book Industry, Why Comic Books Have Become Extremely Expensive To Collect, And How To Earn Money So That You Can Afford To Procure Your Own Comic Book Collection

NEW ARC: "THE BEAR" KELLY SUE DeCONNICK (BITCH PLANET, Captain Marvel) & EMMA RIOS (ISLAND, Dr. Strange) reunite for the continuing story of Deathface Ginny, Fox, and Sissy. The survivors of the battle against Death enter a new century, where they face fresh violence and the horrors of war.

EcoComix

The modern comic book shop was born in the early 1970s. Its rise was due in large part to Phil Seuling, the entrepreneur whose direct market model allowed shops to get comics straight from the publishers. Stores could then better customize their offerings and independent publishers could access national distribution. Shops opened up a space for quirky ideas to gain an audience and helped transform small-press series, from *Teenage Mutant Ninja Turtles* to *Bone*, into media giants. *Comic Shop* is the first book to trace the history of these cultural icons. Dan Gearino brings us from their origins to the present-day, when the rise of digital platforms and a changing retail landscape have the industry at a crossroads. When the book was first published in 2017, Gearino had spent a year with stores around the country, following how they navigated the business. For this updated and expanded paperback edition, he covers the wild retail landscape of 2017 and 2018, a time that was brutal for stores and rich for comics as an art form. Along the way he interviews pioneers of comics retailing and other important players, including many women; top creators; and those who continue to push the business in new directions. A revised guide to dozens of the most interesting shops around the United States and Canada is a bonus for fans.

Reading Comics

SCOOTERBOY!!! 1996. Scooterboy.com. Our design team member Paul McCallick produced a wonderful online comic called Scooterboy. It was so cool. Paul was very smart and the net was very slow back then. He devised a way for downloading the content while you were reading the first page. This meant your next page would just pop up and be ready. The perception of being very fast. Check it out! If you have a 14.4 or slower connection, you may want to go to the download page and pre-load all of the images for this episode. <http://scooterboy.com/episode5/download.html> We are looking for the Lost Scooterboy Episodes. If you see them please share! Thanks! Bradley Bartz Brad@Bartz.com
