'Prince Otto: A Romance' is a tale of love, honor, and political intrigue set in a tiny country in 19th-century Germany. When Prince Otto evades his escort and enters the neighboring country of Gerolstein, he finds himself in the midst of a revolutionary plot to expand the borders of his own country. As he struggles to navigate the treacherous political landscape and confront his own faults of character, he also finds love in the most unexpected of places. This novel, written by Robert Louis Stevenson, is a masterpiece of 19th-century literature and a must-read for anyone who enjoys historical fiction.

Prince Otto, a Romance

In this romantic adventure novel set in a fictional European country, Prince Otto must navigate the treacherous political landscape of a country on the brink of revolution, all while falling in love with the beautiful Princess of Grunewald. With themes of revolution, romance, and political intrigue, Prince Otto is a must-read for fans of classic adventure stories. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Prince Otto A Romance

Differentiated book- It has a historical context with research of the time-Prince Otto, a Romance by Robert Louis Stevenson. is a novel written by Robert Louis Stevenson, first published in 1885. The novel was written largely during 1883, in France where he was recovering from a respiratory illness. A listless prince from a small and remote estate is the victim of intrigues - palatial. In the midst of romances and other adventures, the protagonist becomes aware of his essential role for the future of his people. Stevenson refers to Prince Otho as "my hardest endeavor"

Prince Otto, a Romance (Annotated)

Reproduction of the original.

Prince Otto, a Romance

Robert Louis Balfour Stevenson (Edinburgh, Scotland, November 13, 1850-Vailima, near Apia, Samoa, December 3, 1894) was a British novelist, poet, and essayist. His legacy is a vast work that includes travel chronicles, adventure and historical novels, as well as lyrics and essays. He is mainly known for being the author of some of the most classic adventure and fantasy stories in youth literature, such as *Treasure Island*, the adventure novel *Kidnapped*, the historical novel *The Black Arrow* and the popular horror novel *The Stranger*. *Case of Dr. Jekyll and Mr. Hyde*, dedicated to the subject of split personality phenomena and which can be classified as a psychological horror novel. Several of his novels continue to be very famous, and some of them have been taken to 20th century cinema several times, partly adapted for children. His essay work, brief but decisive in what refers to the structure of the modern novel of adventures, was also important. He was highly valued in his time and continued to be so after his death.

Prince Otto

Robert Louis Stevenson is a famous Scottish writer and many of his novels are well known and have been adapted for film and television. This compendium is a collection of his seven best novels. *Treasure Island* (1883) is his famous pirate story, featuring buried treasure and adventure on the high seas. *Prince Otto* (1885) is an action romance set in the fictional Germanic state of Grunewald. *The Strange Case of Dr Jekyll and Mr Hyde* (1886), features a benevolent and intelligent doctor who turns into a monster after drinking a drug intended to separate good from evil. *Kidnapped* (1886) is a historical novel centred on a boy called David Balfour's during the Jacobite troubles in Scotland. *The Black Arrow: A Tale of the Two Roses* (1888) is a historical romance and adventure novel set during the Wars of the Roses. *The Master of Ballantrae* (1889), is a breathtaking tale of revenge, set in Scotland, America, and India. *Catriona* (1893), also known as *David Balfour*, is a sequel to *Kidnapped*, and tells of David Balfour's further adventures. These stories are exciting and masterful, a great addition to any bookshelf.

Seven Robert Louis Stevenson Novels, Complete and Unabridged

You shall seek in vain upon the map of Europe for the bygone state of Gr newald. An independent principality, an infinitesimal member of the German Empire, she played, for several centuries, her part in the discord of Europe; and, at last, in the ripeness of time and at the spiring of several bald diplomatists, vanished like a morning ghost. Less fortunate than Poland, she left not a regret behind her; and the very memory of her boundaries has faded. It was a patch of hilly country covered with thick wood. Many streams took their beginning in the glens of Gr newald, turning mills for the inhabitants. There was one town, Mittwalden, and many brown, wooden hamlets, climbing roof above roof, along the steep bottom of dells, and communicating by covered bridges over the larger of the torrents. The hum of watermills, the splash of running water, the clean odour of pine sawdust, the sound and smell of the pleasant wind among the innumerable army of the mountain pines, the dropping fire of huntsmen, the dull stroke of the wood-axe, intolerable roads, fresh trout for supper in the clean bare chamber of an inn, and the song of birds and the music of the village-bells—these were the recollections of the Gr newald tourist. North and east the foothills of Gr newald sank with varying profile into a vast plain. On these sides many small states bordered with the principality, Gerolstein, an extinct grand duchy, among the number. On the south it marched with the comparatively powerful kingdom of Seaboard Bohemia, celebrated for its flowers and mountain bears, and inhabited by a people of singular simplicity and tenderness of heart. Several intermarriages had, in the course of centuries, united the crowned families of Gr newald and Maritime Bohemia; and the last Prince of Gr newald, whose history I purpose to relate, drew his descent through Perdita, the only daughter of King Florizel the First of Bohemia.

Prince Otto

Robert Louis Stevenson (born Robert Lewis Balfour Stevenson; 13 November 1850 - 3 December 1894) was a Scottish novelist, poet and travel writer, most noted for *Treasure Island*, *Kidnapped*, *Strange Case of Dr Jekyll and Mr Hyde*, and *A Child's Garden of Verses*. Born and educated in Edinburgh, Stevenson suffered from serious bronchial trouble for much of his life, but continued to write prolifically and travel widely in defiance of his poor health. As a young man, he mixed in London literary circles, receiving encouragement from Andrew Lang, Edmund Gosse, Leslie Stephen and W. E. Henley, the last of whom may have provided the model for Long John Silver in *Treasure Island*.

Prince Otto, a Romance by Robert Louis Stevenson

Prince Otto

Large Print Edition! Complete and unabridged!

Prince Otto, a Romance

Robert Louis Stevenson (1850–1894) was a Scottish novelist, poet, travel writer, and essayist. He was a celebrity during his lifetime for works like “Strange Case of Dr. Jekyll and Mr. Hyde” and “Treasure Island.” Now he is one of the most translated authors in the world. Unlike many other Stevenson’s novels, “Prince Otto” is a love story. Because of the royal responsibilities, Prince Otto and his wife start to lose interest in each other. The web of palace conspiracies and discord, they both change drastically. The masks fall off, revealing their real characters and intentions.

Prince Otto, a Romance

Prince Otto: A Romance is a novel written by Robert Louis Stevenson, first published in 1885. The novel was largely written during 1883. Stevenson referred to Prince Otto as "my hardest effort," one of the chapters was rewritten eight times by Stevenson and once by his wife. This novel is full of romance, chivalry, kindness, politeness and forgiveness.

Prince Otto

Prince Otto: A Romance is a novel written by Robert Louis Stevenson, first published in 1885. The Master of Ballantrae: A Winter's Tale is a book by the Scottish author Robert Louis Stevenson, focusing upon the conflict between two brothers, Scottish noblemen whose family is torn apart by the Jacobite rising of 1745.

Prince Otto - Large Print Edition

Robert Louis Stevenson's third full-length novel--unlike his many others--is a love story. Because of their royal responsibilities and lifestyle, Prince Otto and his wife have grown apart. Caught up in a web of palace conspiracies and strife, Otto and Serafina change, and their facades fall away, revealing the real people underneath.

Prince Otto

Prince Otto: A Romance is a novel written by Robert Louis Stevenson, first published in 1885. The novel was largely written during 1883. Stevenson referred to Prince Otto as "my hardest effort"

Prince Otto (Annotated)

At last, after so many years, I have the pleasure of re-introducing you to 'Prince Otto, ' whom you will remember a very little fellow, no bigger in fact than a few sheets of memoranda written for me by your kind hand. The sight of his name will carry you back to an old wooden house embowered in creepers; a house that was far gone in the respectable stages of antiquity and seemed indissoluble from the green garden in which it stood, and that yet was a sea-traveller in its younger days, and had come round the Horn piecemeal in the belly of a ship, and might have heard the seamen stamping and shouting and the note of the boatswain's whistle.

Prince Otto: A Romance, The Master of Ballantrae: A Winter's Tale & The Pocket R.L.S.: Being Favourite Passages from the Works of S

Treasure Island Prince Otto is a collection of two classic adventure novels: Treasure Island and Prince Otto by Robert Louis Stevenson. Treasure Island is a coming-of-age tale set in the Caribbean Sea, full of pirates, gold, and treachery. Prince Otto is a political satire set in a fictional European kingdom,

full of romance, plotting, and humor. Both stories showcase Stevenson's talents as a storyteller and his mastery of different genres. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. Prince Otto

You shall seek in vain upon the map of Europe for the bygone state of Grünewald. An independent principality, an infinitesimal member of the German Empire, she played, for several centuries, her part in the discord of Europe; and, at last, in the ripeness of time and at the spiring of several bald diplomatists, vanished like a morning ghost. Less fortunate than Poland, she left not a regret behind her; and the very memory of her boundaries has faded. It was a patch of hilly country covered with thick wood. Many streams took their beginning in the glens of Grünewald, turning mills for the inhabitants. There was one town, Mittwalden, and many brown, wooden hamlets, climbing roof above roof, along the steep bottom of dells, and communicating by covered bridges over the larger of the torrents. The hum of watermills, the splash of running water, the clean odour of pine sawdust, the sound and smell of the pleasant wind among the innumerable army of the mountain pines, the dropping fire of huntsmen, the dull stroke of the wood-axe, intolerable roads, fresh trout for supper in the clean bare chamber of an inn, and the song of birds and the music of the village-bells—these were the recollections of the Grünewald tourist. North and east the foothills of Grünewald sank with varying profile into a vast plain. On these sides many small states bordered with the principality, Gerolstein, an extinct grand duchy, among the number. On the south it marched with the comparatively powerful kingdom of Seaboard Bohemia, celebrated for its flowers and mountain bears, and inhabited by a people of singular simplicity and tenderness of heart. Several intermarriages had, in the course of centuries, united the crowned families of Grünewald and Maritime Bohemia; and the last Prince of Grünewald, whose history I purpose to relate, drew his descent through Perdita, the only daughter of King Florizel the First of Bohemia. That these intermarriages had in some degree mitigated the rough, manly stock of the first Grünewalds, was an opinion widely held within the borders of the principality. The charcoal burner, the mountain sawyer, the wielder of the broad axe among the congregated pines of Grünewald, proud of their hard hands, proud of their shrewd ignorance and almost savage lore, looked with an unfeigned contempt on the soft character and manners of the sovereign race. The precise year of grace in which this tale begins shall be left to the conjecture of the reader. But for the season of the year (which, in such a story, is the more important of the two) it was already so far forward in the spring, that when mountain people heard horns echoing all day about the north-west corner of the principality, they told themselves that Prince Otto and his hunt were up and out for the last time till the return of autumn. At this point the borders of Grünewald descend somewhat steeply, here and there breaking into crags; and this shaggy and trackless country stands in a bold contrast to the cultivated plain below. It was traversed at that period by two roads alone; one, the imperial highway, bound to Brandenau in Gerolstein, descended the slope obliquely and by the easiest gradients. The other ran like a fillet across the very forehead of the hills, dipping into savage gorges, and wetted by the spray of tiny waterfalls. Once it passed beside a certain tower or castle, built sheer upon the margin of a formidable cliff, and commanding a vast prospect of the skirts of Grünewald and the busy plains of Gerolstein. The Felsenburg (so this tower was called) served now as a prison, now as a hunting-seat; and for all it stood so lonesome to the naked eye, with the aid of a good glass the burghers of Brandenau could count its windows from the lime-tree terrace where they walked at night.

Prince Otto, a Romance

When she came again to herself, she was standing to the mid-leg in an icy eddy of a brook, and leaning with one hand on the rock from which it poured. The spray had wet her hair. She saw the white cascade, the stars wavering in the shaken pool, foam flitting, and high overhead the tall pines on either hand serenely drinking starshine; and in the sudden quiet of her spirit she heard with joy the firm plunge of the cataract in the pool. She scrambled forth dripping. In the face of her proved weakness, to adventure again upon the horror of blackness in the groves were a suicide of life or reason. But here, in the alley of the brook, with the kind stars above her, and the moon presently swimming into sight, she could await the coming of day without alarm.

Prince Otto, a Romance Robert Louis Stevenson

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Prince Otto

"Do you know that house?" I said, pointing to the "residencia." The gaunt peasant, who had just told me he had much frequented these mountains in former years, looked at me darkly and crossed himself. "Too well," he said. "It was there that one of my comrades sold himself to Satan; the Virgin shield us from temptation He has paid the price and is now burning in the reddest place in Hell " He then spoke words that had the ring of prophecy, leaving me shaking with terror. Which way to turn I knew not. But fate decided for me: for while still hesitating I beheld the veiled figure of a woman drawing nearer up the pathway . . . "Olalla" is the tale of an Englishman's search for romance in distant lands, by the author of "Kidnapped."

Treasure Island. Prince Otto

Extrait : Vous cherchiez en vain sur la carte d'Europe l'État de Grunewald. Principauté indépendante et membre infinitésimal de l'Empire d'Allemagne, ayant joué pendant quelques siècles son rôle dans les discordes européennes, elle disparut enfin à la maturité des âges et sous la baguette magique de certains diplomates d'aplomb, comme disparaît un spectre à l'aube. Moins fortunée que la Pologne, elle n'a légué aucun regret à la mémoire des hommes, et jusqu'au souvenir même de ses frontières s'est effacé...

Prince Otto

Otto is a prince of a small German court of the eighteenth century, His indolent character leads him to delegate all power to his wife Amélie-Séraphine, which in turn is influenced by the Prime Minister Baron Gondremark. The war of invasion to the near duchy of Gerolstein, will be the beginning of the end for the three.

Full Movie

The video is about a group of people on a ship who are planning to steal arms and kidnap a woman to force her into marriage.

A captain confronts a crew member about a stolen item and the crew member reveals a dark secret.

Queen Maria Antoinette discusses the Sirocco raid and her concern for personal safety with Count Amalfi and Baron Holstein.

Amalfi and his friend discuss their mission to save the queen and the risks they must take.

Discussing a plan to attack Holstein's headquarters and the palace, while also addressing loyalty and the Queen's safety.

Punishment and the Count of Amalfi leads to a revelation about an armed uprising.

The count is asked to intercede on behalf of the notorious mask, Sirocco, who is set to be hanged.

A ballet performance takes place during a conversation about hanging Sirocco, but the Count promises to free him.

Amalfi and the Baron discuss his performance, but their conversation is interrupted by news of

Sirocco's escape and an impending uprising.

The city is under martial law and the Queen plans to flee due to the impending revolution.

Queen Maria Carolina learns of the lies and betrayal surrounding her, leading to a dramatic escape from the palace.

Full Movie

A group of sailors and performers embark on a mission to Naples during a war.

A conversation between two individuals about a present and a stolen item.

A conversation between Amalfi and the Queen about the mention of Sirocco and the role of Baron Holstein in ensuring the Queen's safety.

A man and a woman discuss a meeting and a necklace.

The men discuss their plan to obtain arms and launch an attack on Holstein's headquarters and the palace.

A conversation about the Count of Amalfi and his potential as a husband takes an unexpected turn. The queen is weak and there is an armed uprising, so they plan to hang a man they haven't captured to break the back of the revolution.

The authorities discover that the arms in the cave are gone and decide to burn the place and hang several individuals involved in sedition.

During a ballet performance, a political prisoner named Sirocco escapes with other prisoners.

The city is under martial law and the Colonel takes control, ordering the occupation of strategic points and reinforcement of the arsenal.

Amalfi warns the Madam about the impending revolution and Holstein's lies.
