Biography of Mary Baker Eddy's Healing Practice

The Practice of Christian Science

Mark Twain

S It's about Gaining a True Sense of that Spirituality That Was at the Source at the Heart of Jesus Healing Practice and So It's Not Just Intellectually Understanding Something but It's Imbibing the Spirit of these Teachings and Then Living Them in Your Life Ii Haven't Said Enough Tonight about How Love Is Really the Heart and Soul of Christian Science That's How Mary Baker Eddy Characterized It and So Many Experiences of Healing That I've Had in My Life What Has Really Been the Turning Point for Me Was Not Just Gaining a Deeper Understanding of God's You Know Unconditional Love for Me but Also the Need for Me To Express that Love toward Others

In Thought We Find Ourselves Over To Go Able To Overcome a Sense of Pain and You Know that's Not Always Easy To Do because Fear Can Seem To Be So All-Consuming There's a Beautiful Statement in Scripture That Says There Is no Fear in Love but Perfect Love Casts Out Fear and It's that Perfect

Love That Love of God towards each One of Us that Is What Casts Out Fear and as We Feel that Fear Diminishing in Our Lives We Will Begin To Feel the Breaking Up of Pain

And It's that Perfect Love That Love of God towards each One of Us that Is What Casts Out Fear and as We Feel that Fear Diminishing in Our Lives We Will Begin To Feel the Breaking Up of Pain and the Dissolution of Disease That Transformation of Thought That Comes but I've Thought for Example One of the Things We Can Do with the Claim of in Curability Is Spend More Time a Hallowing God's Name Jesus Includes that in the Lord's Prayer Hallowed Be Thy Name He Says in the Second Line of that Prayer Well I've Often Thought that It's Only God's Name That Needs To Be Revered But It's God's Nature the Divine Nature That Actually Has a Course in Your Life Actually Is Written into Your Very Being So Spend More Time Getting To Know God's Name and in Fact One of the Most Brilliant Aspects of Mary Baker Eddy's Writings Is the Way that She Defines God and Brings Out the Divine Nature in Very Specific Ways So When You're Praying You Can Begin To Apply these Ideas in Your Prayers Just Very Quickly Her Definition of God in the Glossary of Science and Health God the Great I Am the All-Knowing All-Seeing all Acting all Wise all Loving

So as You Gain a Clearer Understanding of Your Perfect Relationship to God Thought Is Transformed and with the Transformation of Thought Comes Healing Okay Can You Speak on the Subject of Salvation and of Eternal Life Thank You for Asking that Question Again Christian Science Is Not It's Not Primarily about Physical Healing Mary Baker Eddy Wrote that the Emphatic Purpose of Christian Science Is the Healing of Sin Is the the Understanding of Salvation That's that's the Intent of of Christian Science because that's the Intent of Christ Jesus Teachings

So if We're on a Course That Is a Mistake in Course We've Got an Off Course from Expressing that Natural Spirituality that that Spiritual Love That Is Our Nature as God's Children Well It's the Christ the Divine Nature That's Bringing Us Back On Course as We Follow the Christ We Find Salvation and It's the Salvation from Ignorance That from the Misconceptions of Life That Really Are the the Cause of all Human Suffering so Salvation Is in Mary Baker Eddy's Work She Would Describe It as Life Truth and Love God Understood and Demonstrated as Supreme Over All so that's Really a Sense of Salvation Is this this Deep Understanding of Divine

And It's Actually She She Saw this Ability To Interpret the Bible Spiritually as Evidence of a Promise Jesus Made of the the Spirit of Truth or the Comforter That In in Scripture in the New Testament It's Known as the Second Coming of Christ if You Think of that First Coming or that Full Coming in Jesus Life Where He Taught Things to this Handful of Students that Second Coming Being that Spiritual Awakening Where that Grand or Understanding of What He Taught that He Said Would Come through the Holy Spirit Were through the Divine Comforter Well When You Look at Statements like Genesis to 6 There Went Up a Mist from the Earth

Between the Spiritually Clear-Eyed View of Life and this Hazy View that We Can't Quite See Clearly You Know Jesus Spoke of Himself as the Light of the World We Can Think of the Christ as the Light That Ever-Present Light in Consciousness that Light of Truth in Our Own Thought That Clears Up the Fog Clears Up the Mist and that Clarity in Thought Is What Brings Healing so I Would I Would Encourage You Actually Open Up Mary Baker Eddy's Work Science and Health and It's in Her Key to the Scriptures Where She Includes an Entire Chapter on the Book of Genesis

And that's a Good Place for Me To End Just To Encourage all of You if You're Interested To Log On to Christian Science Comm and You Will Find an Online Bookstore You'll Find that the To Read Her Writings Online You'll Find Many Magazines and Resources Including Other Talks like this That Will Give You You Know Great Insight into You Know Furthering Your Own Understanding of Spiritual Healing Also Let's Um Let's Spend a Moment You Know Thanking Our Our Sponsors Again and and and Don't Forget To Go to the Website That Has Been Set Up
