Noah's Ark : Bible Stories

Bible Stories are a great way to introduce a child to the complexities of a major world religion. These books narrate the magical and miraculous stories of the Bible in a simple and engaging fashion, which help children understand and enjoy them.

The Resurrection of Noah

The Resurrection of Noah is also about our spiritual, mental, and biological heritage, and the progression and culmination of the Judeo-Christian-Islamic cycle, which we inherit. It is about our ancestors. On 5/2/00, as I was trying to produce a photo and blurb for the back cover, and finish The Resurrection of Noah, I received a very powerful vision which indicates that the Prophet Muhammad is the reincarnation

of Moses. That realization and outlook is not consciously included in selections of this book that include I Am That Jew, Just Like You, We Listen to The Blood of Ancestors, or Am I the Reincarnation of Thomas Jefferson? Likewise, on 8/4/99, I began receiving information which indicates that I am the reincarnation of Thomas Jefferson. After I decided to include that information in the book in March, 2000, I subsequently decided to include excerpts from the Bible and Qur'an that include references to, and explanations about reincarnation, life and death. Khalim tells Noah, "We are African descendants of the red (brown, black) original peoples starting with Adam. Adam means "Red; Man Of Red Earth," he says. And we are among the ancestral lands of our ancestors, the Fox, the Sauk, and the Illini." The Fox, or Meshwaki are known as The Red Earth People, possibly an uninterrupted and direct line of descendants from Adam. "You are the 10th King in the line from Adam of Red Men, called Prophet-kings, Philosopher-priests....(We are at the threshold of The Millennium. And we are completing the cycle of events starting with Adam (aka Jesus). The time that we live in is known as The Judgment, or The Harvesting. It is fitting for us to be here at the Harvest Time."Note: Thomas Jefferson is also the reincarnation of Caliph Umar, the 2nd Caliph. This discovery was made during meditation at about 1:15 P.M. on 1/17/2016. A display screen appeared, similar to that noted elsewhere - twice: and the "Yes" answer was displayed in red ink.

Fascinating action along with the salvation message always found in books by Jack Chick.

Empty Tomb, Apotheosis, Resurrection

Back cover: In this work, John Granger Cook argues that there is no fundamental difference between Paul's conception of the resurrection body and that of the Gospels; and, the resurrection and translation stories of antiquity help explain the willingness of Mediterranean people to accept the Gospel of a risen savior.

D'Ark Resurrection

Heaven burns brightest just before man devours it. Legend, Saint or Monster? Which would you be if given a second chance at eternal salvation? Would you give your life for King, Country and God? Follow this Legendary heroine's rise from the ashes to follow a dark path to recapture her stolen salvation. Listen to her words and then decide if you could rise to the task. No greater love, nor greater hope than heavens grace and the love of my Lord. I bless the whisper of God's saints in my ears and the courage of the Archangel Michael in my heart. My failure of courage left me with one regret. That I let faintness blow fallacies from lips ere this day fell. Faith restored my courage and I did speak plainly in truth at the last. A king hearkened, legions followed and God smiled brightly on my simpleness. Restored to God's final grace and salvation at hand, if not how I imagined, I would not utter fear or pain to those who sparred my words for own ends. I looked diligently into the eyes of judge, jury and executioner, Coin his God and Power his lustful faith. I, but asked for one simple comfort. A cross. One I could hold close in the end. Given me a simple cross from a humble soldier to comfort my few moments left at hand. It proved my most treasured gift, my greatest strength and in the end, my eternal folly. Chains held as only steel can. Prayer my final thoughts, my vision unfettered by tears as flame steamed them clear ere they fell. Tears I did see in my humble soldier and in the true man of God in my fore view. High aloft was held a church cross to supplant my simple gift. I gazed upon it in futile attempt to protect the twigs bound with simple threads with the weak flesh of my hands. As anguish claimed me, I uttered my cries for heavens ears not caring who else would also heed them. "Jesus! Jesus! Jesus!" Nineteen years are not adequate to allow one such as I the comprehension of weakened folly. Time doth teach much as it reaches into the dismal darkness of futures bleakness, these lessons are etched irrevocably on the soul, whether one wills it or no.

Methodist Magazine (London, England : 1798)

• Noah holds a unique place in Biblical history as well as the history of all mankind. • In fact, in his day, he and his family were the only ones on Earth living for God, consequently, he and his family were spared respecting the Flood. • Consequently, the Ark that Noah was instructed by the Lord to build was

the largest ship ever constructed, up until a few years ago. • As well, there is a good possibility that the ship found high on Mt. Ararat is, in fact, Noah's Ark.

Six Lectures on the Ark of the Covenant

The Mystery of the Ark of Noah is written for the body of Christ. The book came out of the Holy Spirit's insight on the architecture of the Ark of Noah. Most Christians know that the Ark of Noah is a symbolic reflection of the Lord Jesus Christ. What is not known by many is that God had reasons for giving the specific design of the Ark to Noah. In all, God gave specifications on six major areas in the design of the Ark. Each of these specifications carries coded messages for the church. These messages are revealed and analyzed in this revelational book.

This Book of Updates is meant to be read only after first reading the Ark trilogy. The updates include new chapters, some corrections, additions to chapters in the trilogy, new finds that support our writings, book cover changes, and more on 2012. What one thing do the authors of the non-fiction trilogy, The Ark of Millions of Years, have in common with Joseph Smith, Columbus, Nostradamus, Freemasonry, the Knights of Columbus, the Rosicrucians, the Knight Templars, the mystery schools of Egypt and Babylon, King Solomon, King David, Moses, Abraham, Isaiah, and other Old Testament prophets back to Noah? The facts are clear; we all derived our esoteric knowledge from the same source. Read this book and discover the source. The knowledge was merely passed down through the ages till the present time in fulfillment of an ancient Jewish prophecy. The prophecy states that the knowledge of the one mystery would be restored right before the imminent return of the Savior. These books fulfill that prophecy. Kabbalists are still looking for the prophecy to be fulfilled. To those people we say...WAKE UP, it has been fulfilled. From whence did the knowledge of the Maya End Time date of December 21, 2012 come? Why did the ancient Maya end their long count calendar on that date? Is it the end of the world or a new beginning as some think? Could the ancient Maya be right? The answers are found within the covers of this book. Prepare for several surprises that may change your thinking about the upcoming date.

The Ark of Millions of Years Volume Four

The Bible is a story; the gospel is a message. But how does one lead to the other? Raiding the Lost Ark shows how covenants hold the key, and demonstrates how the gospel of salvation by grace alone grows naturally out of the story God tells. At the centre of Israel's worship was the tabernacle. At the centre of the tabernacle was a box: the Ark of the Covenant. Within the box was a covenant. Covenant dominates the Bible's story from start to finish, shaping the gospel, the church and the day-to-day experience of God's people. But for many of us, covenant is a lost concept. Raiding the Lost Ark seeks to recover the great news of Jesus Christ as Covenant King, demonstrating the natural flow from the story God tells to the gospel of grace. Along the way, it addresses hot topics, such as baptism in the Spirit, predestination and water baptism, showing how they all fit together in one covenant story to bring God's people into fullness of life under the Covenant King.

Searching for the Ark of the Covenant

David Childress, popular author and star of the History Channel's show Ancient Aliens, takes us on an incredible journey in search of the truth about (and science behind) the fantastic Biblical artifact known as the Ark of the Covenant. This object made by Moses at Mount Sinai—part wooden-metal box and part golden statue—had the power to create "lightning" to kill people, and also to fly and lead people through the wilderness. Featured in such popular movies as Raiders of the Lost Ark by Lucas and Spielberg, the Ark of the Covenant is probably the most mysterious object in the Old Testament—what was it? Was it an ancient electrical device? The Ark of the Covenant suddenly disappears from the Bible record and what happened to it is not mentioned. Was it hidden in the underground passages of King Solomon's temple and later discovered by the Knights Templar? Was it taken through Egypt to Ethiopia as many Coptic Christians believe? Childress looks into hidden history, astonishing ancient technology, and a 3,000-year-old mystery that continues to fascinate millions of people today.

Noah's Ark and the Great Flood

British history records that there were two major migrations from the near east into Britain in antiquity. One was the fleet migration from Syria led by Albyne around 1560 BC, and the other was the second fleet migration from the Trojan Dardanelles areas in Western Turkey led by Brutus around 504 BC. Ancient alphabet inscriptions and other tangible and written records show that the second migration was that of the Ten Tribes of Israel. The same ancient Alphabet is found all the way along the British migration routes from Palestine, to Assyria, through Asia Minor to the Aegean and to Etruscan Italy and Rhaetian Switzerland. In Britain the Ten Tribes were known as the Khumry. This research began in 1976 some 31 years ago and it has met with nothing but opposition and obstruction. Around 1360 BC Moses has the fabulous box called the Ark of the Covenant made. This holy box was the national talisman of the Hebrew nation. It was revered as the place of the presence of the god Yahweh and the most holy thing belonging to the Hebrew nation. A series of events that included the Ark being seen as an invincible means of military success and in one disaster being captured by the Philistines ended when King David placed the Ark in the care of the family of Obed Edom, and he took the Ark to Jerusalem around 975 BC along with the family of Obed Edom. The next King was Solomon and he built a celebrated temple in Jerusalem to house the Ark, where annually the high priest entered the holy of holies chamber to serve the divine box. Nothing much is said of the Ark until c.790 BC the Judean King Ahaziah attacked the Israelite King Jehoshaphat and was totally defeated. The victorious Jehoshaphat then went to Jerusalem where he took everything from the palace and everything from the temple, and he also took away the family of Obed Edom who are the family mentioned several times in the Bible as guardians of the Ark. Therefore, Jehoshaphat removed the Ark from Jerusalem and took it north to Samaria. Nothing is said in the Biblical record of the Ark being anywhere near Jerusalem after this event in circa 790 BC. In 740-736 BC the Judean King Ahaz paid a huge bribe to the Assyrian Emperor Tiglathpileser III to attack King Pekah of Ten Tribe Israel, and as a result Israel was totally crushed by the Assyrian army. A large number of Israelite nobles and leaders were immediately deported north to areas around Harran from where the patriarch Abraham has begun his migrations. In successive campaigns by the Assyrian emperors Shalmaneser IV, Sargon II, and Sennacherib great numbers of the Israelite nation were deported north and up into the areas north of Harran. In 702 BC Sennacherib recorded how he deported 200, 120 people in one mass exodus. The Assyrian records unmistakably and persistently call the Ten Tribes as the Khumry. It is a virtual certainty that these deported Ten Tribes took the Ark with them from Israel. Sennacherib was murdered by two of his sons in c. 687 BC and civil war convulsed the Assyrian Empire and as the heir Esarhaddon fought the murders the massed Ten Tribes took the opportunity to move westwards across both the upper branches of the "Y" shaped Euphrates river as described in the Book of Esdras II. They moved slowly and unstoppably through Siasia Minor and the Greeks recorded their migration as that of the Kimmerio-Khumry. There is a record of the Khumry having the Ark with them on this journey from north of Assyria through Asia Minor and to the Dardanelles. Finally around 650 BC the nation split into two and one half migrated to Italy whilst the other half remained in the areas around Byzantium until circa 504 BC when they gathered on the island of Lemnos before sailing to Britain in the fleets. An inscribed stone that was found on Lemnos in 1876 and now in the Athens museum that records this gathering and the intent to sail to Britain. Either the Ark was taken to Etruscan Italy in circa 650 BC or it remained near the Dardanelles until around 504 BC before being brought into Britain. The fact is that the Greal or Holy Greal is simply a record, and a comparison would be that the Bible, the Koran, the American Declaration of Independence, or the Two Tablets brought down the mountain by Moses, would all be greals. Britain is the land of the Holy Greal. The search was begun to locate the Ark in Britain and this proved to be relatively straightforward but technically different. The persistent ancient legend in the area north of Cardiff is that a great chest lies buried and this chest is guarded by two Cigfrangawr - Giant Ravens. It is not difficult to perceive that this great chest is the Ark that has two golden Cherubim- fearsome dragons figures. What emerged was that these had been a direct transfer of culture from Israel to Britain and all across the hills of South Wales there are gigantic mounds, and these huge mounds are named and set out in a pattern to mirror the pattern of the major stars in the heavens. Then there are several ancient tales that tell of the great plants moving on their orbits and being in conjunction with the main stars of the various constellations. The journeys of the planets- seen as moving and not fixed stars- are tracing out routes that can be followed around the Star t Mound Maps on the ground. In short our British ancestors left us clear records of where to go. The Ark is at a place where the giant mound marks the star Regulus in Leo the Lion, the Judean emblem. The ancient place name is The Enclosure of the Ark and the central area is The Place of Worship. The top of the large hillock has clearly been molded by the hand of man, and satellite photography showed spoil heaps tumbling down the slopes from a tunnel excavated

horizontally to underground chambers. Five very ancient drainage systems of the type used in antiquity to drain and keep chambers dry are clearly evident/ Amazingly the Above sea Levels readings of satellite photography proved absolutely that the top 60 feet of this low dome shaped hill is a man-made construction. This is unassailable, incontrovertible, and absolute scientific proof of the highest order. Ground penetrating radar and other methods shows at least two underground chambers, and deep reading g electronic metal detection identifies a large non-ferrous box of around four feet + long and two feet + wide. This is the precise size of the Ark of the Covenant. An approach has been made to the Welsh National Assembly and hopefully something positive will at last be done to restore Khumric British heritage, cultures, and history.

"The authors have, perhaps through their scientific backgrounds, avoided the trap of so many in this genre. They have combined all the facts with clarity. They have provided practical tools and knowledge with which the individual person can reach their maximum potential, and thus may have shown us a way to get out of this alive." -The Scientific Journal "Dr. Agnew is a great explorer. He brings back evidence from places no one has seen in thousands of years. One afternoon, I shared in his journeys like a little boy waiting for stories around the campfire. I wish I could go with him on his next voyage." -Hanny el Zeini (author of Omm Sety's Egypt) This is the consummate work on the End Times. Something more urgently important than terrorism or warfare is looming on the horizon. It is 2012. Global warming and natural disasters are linked to this date. Old Testament prophets foresaw this date as an End Time cataclysm where a third of the Earth will perish. Modern religionists believe it is the coming day of rapture. Ancient civilizations left irrefutable messages in stone and legend that the Earth itself will make a dimensional shift. Earth's magnetic tetrahedrons are being energized as never before in anticipation of her prophesied 2012 appointment with destiny. Many cycles of time expire in 2012. Why? The research within the covers of this book will open your eyes even as ours were opened. It appears humans have been handed one roadmap through ancient prophets that leads to the end of the human race. This book unlocks the secret for hundreds of millions of people who know that many are called, but few choose. The authors have assembled the finest proof in the universe to empower human beings for a collective choice. We have the power to choose a different future for the universe. Can we actually walk away from Armageddon and become the star explorers we were meant to be? Is there any chance we will get out of the 2012 End Times alive? Yes, read the book and choose a new future for planet Earth. This is the final book in what may be the most comprehensive trilogy on 2012 ever written, also called The End Time Books. You will receive the tools and the information you need to understand your full potential. You are only limited by your dreams and your fear. Let's get started. The authors are available for public speaking at book clubs, expos, conferences, television and radio interviews. They are among the hardest working authors in the business and want to make sure everyone has a chance to hear these words. The Story of Noah's Ark\

Everyone in the world is familiar with the Great Pyramid in Egypt, but only a few realize it was ordained by the hand of God. The prophet Isaiah tells us it's an altar and a witness for the one true God. Josephus, the Jewish historian, says it was built by the children of Seth before the great flood. Egyptian legend calls it the "Pillar of Enoch" after the Patriarch who walked with God. Early Jewish writings, Egyptian hieroglyphs, and ancient historians provide clues to the secrets within the Great Pyramid. But first you must ask yourself, what is Truth? Are you willing to set aside your preconceptions to understand the Truth? The Middle of the Earth: Genesis in Egypt reveals astonishing truths that can transform our world and beckon all who read it to the call of Christ. Western civilization has pushed God out of the picture and filled us with false ideas. Author Allen Austin urges you to reject the false absurdities and embrace our true history. It lies in the middle of the earth.

it was this son who removed the Ark from Jerusalem because of the disobedience of the people of Israel.

Resurrection

Letje takes control of The Commorancy and immediately realizes she is out of her depth. Luckily she has help, albeit of the rather odd, and somewhat unexpected kind. Years pass, but as she finally begins to learn the secrets of her new home everything begins to unravel. Timelines become twisted, life loses its focus, and dreams of butterflies threaten to overcome reality. There is something else -- a man, hiding in the shadows, playing with lives that are more precious with each passing year. Bird perches on Letje's ruined shoulder, steel-hard talons digging deeply into the scar tissue, once more amused by the games of man. His family grows. One will Awaken.

The Resurrection: Fact or Fiction?

ALL FIVE BOOKS IN THE COMMORANCY SERIES AVAILABLE AS A COMPLETE COLLECTION (Over 360,000 Words!) Orientation: Nobody noticed as it swept around the globe - until billions began to die. Then it got a name: The Lethargy. Everyone just gave up, all interest in life relentlessly gnawed away. Marcus was different - he became something else: Awoken. A man able to bend reality to his will and peel back the layers of the complex world he found himself alone in. His only true desire was to help safeguard mankind's future, so The Commorancy was constructed - a fabled safe haven for those lucky enough to get an invitation after passing his strict and convoluted entry requirements. But there are those out to ensure humanity is wiped from the planet entirely, led by a tattooed red man that will stop at nothing. Three hundred years living a life that was never meant to be means that Marcus' grip on reality is becoming severely warped. When fifteen year old Letje finally gets her invitation she finds herself completely out of her depth. Haughty goats, an almost mythical man obsessed with changing his clothes at every available opportunity, and doors that go whoosh don't help her situation as the very future of mankind hangs in the balance. Contamination: The Contamination begins as Varik, along with his tattooed acolytes, threaten not only the fabled Commorancy but the very future of humanity. Marcus, centuries old and getting more eccentric by the day, tries to fight a descent into madness while ensuring he protects the guests he had to so rudely disturb from the sanctuary of their Rooms.

Letje, the youngest of the guests, finds herself overwhelmed as she tries to Awaken amid the bizarre behavior of Marcus and the breathtaking architecture of The Commorancy - the last bastion of hope for the few people that actually care if the human race survives or perishes. Evacuation: Marcus leads the group away from The Commorancy but his state of mind is fraying at an alarming rate. Attacks from Varik's church and encounters with the the dregs of humanity threaten their progress, but help from those thought lost forever might improve their chance of survival. Letje learns more about love, loss, and what she is capable of than she had ever thought possible. Things don't go according to plan and soon Letje and her companions find themselves caught in a dream-life just like the rest of the dwindling population. It's a fight for survival, not only for personal sanity and freedom, but for the very future of humanity. Son of Bird watches from above, amused by the games of man; just like his father.

Evacuation

The Resurrection of Jesus is one of the central beliefs of the Christian faith. This belief and teaching cut across all the Christian denominations. Hence, Paul teaches that if Christ had not risen from the dead, then we would have been the most foolish of all religious groups. But the fact that He, Christ, died and came back to life gives us the opportunity to glory in the resurrected Christ. The book, *The Power of the Resurrection*, is centered on the resurrection of Jesus, and the meaning that this resurrection has for us as individual Christians, who believe in the risen Lord. It is not a theological work aimed at defining the resurrection, nor is it a historical work aimed at tracing or verifying the veracity the resurrection. No. It is rather a faith lifting book on the basis of the resurrection story as we have it in the Christian bible. Just as Jesus rose from the dead in the midst of all the opposing tides, so shall those who trust in him rise above all opposing tides in their life. Jesus could not be stopped, so also by the grace of Him who rose from the dead; nothing is going to stop your upliftment and manifestation also. The resurrection shall be your experience in your daily life and at the end of time, he who raised Jesus from the dead shall give life to your own mortal body too. This is the argument of the book. Jesus, the son of God, came into the world for the love of humanity. His teachings were misunderstood, and so through the journey to Calvary, he was crucified and died on the cross on Calvary. Yes he died. The chief priests and the scribes and the Pharisees, in conjunction with Pilate, conspired against him. He was sentenced to death. He accepted the death willingly and lovingly. He died that we might be saved. Hence, his death brought salvation to the world. However, before he died, he promised the resurrection. He did not hide the fact of the resurrection. Openly he said, the son of man shall be delivered into the hand of sinners, he shall be put to death, but on the third day, he will rise again. In another place, he said, destroy this temple, and in three days, I shall raise it up, and there was misunderstanding again. The people thought he was referring to the physical temple, but from scripture, we know he was referring to his body rising from the dead. Thus he did spoke about the resurrection quite clearly. This is where this book hinges its weight. Because he promised the resurrection, after the execution, the chief priests and the soldiers, knowing what he was capable of doing, asked the permission of Pilate for the grave to be guarded till the third day. This is because he said on the third day, "I will rise again". They knew that it could happen. They said: this man who gave sight to the blind, who raised the dead (Lazarus and also Jairus' Daughter), who cleansed lepers, who casts out devils; this same man said on the third day I will rise again. And they concluded: if he should "rise again" from the dead, then it will be worse for us. Hence, they received the permission to guard the grave, to prevent any rising from the dead. Humanly speaking therefore, the resurrection would not have been possible. This is because they did

everything to prevent it. They put a very big stone to wedge the entrance, hence no coming out and no going in. More so, they stayed on guard with weapons to prevent any fraudulent act. They were prepared to kill again even if he should try to come out of the grave; that is, if he was able to overcome the wedging stone. Therefore, from the human point of view, it was impossible. By their calculation, they have overcome, they have conquered, and they have become victorious. But one thing they failed to understand was the statement of the Angel, which Jesus himself repeated to the apostles; that for men, it may be impossible, but not for God, because, for God, there is no impossibility. And so when the appo

They Rise

The following pages contain the substance of a discourse on the resurrection of the body, preached in Erie, PA, late in the fall of 1845. The occasion of the sermon was the introduction of numerous copies of a book written by George Bush, Professor of Hebrew in the New York University. The avowed object of the book is to overthrow the commonly received opinion of the resurrection of the body. These books were extensively circulated and read. Some embraced the new theory, others found their faith weakened by the bewildering speculations of the learned author. Under these circumstances, believing the error inculcated in the book to be fundamental; that it aimed a fatal blow at the very vitals of Christianity; that it led directly, in all its tendencies, to infidelity; a refutation was undertaken, and the following discourse, in three parts, delivered during three successive sabbaths. - Advertisement.

The Resurrection of the Dead

Is the Christian message of Jesus Christ and his resurrection true? Using ten lines of historical evidence, Dr. Craig defends the probability that Jesus was resurrected following his crucifixion. He examines the origin of the Christian movement, and more provocative subjects, such as the Shroud of Turin, parapsychological phenomena and hallucinations.

Rachel Mann writes with the voices of the characters involved in the biblical accounts of passion and resurrection, unafraid to explore the darkest aspects evoked by these events. A book to accompany you through the events of Easter and beyond. Rachel Mann is an Anglican priest and poet-in-residence at Manchester Cathedral.

The Resurrection in the New Testament

The resurrection is doubtless one of the most important doctrines of the Christian faith. Without it we are left with a Jesus who was merely a great teacher, ahead of his time, yet far from divine. With it, however, we have undeniable proof of His divinity and a rock-solid hope for the future. "The Resurrection: A Symposium" is a classic collection of essays by the theological heavyweights of the 19th century. Topics include the meaning of the resurrection for the saved and unsaved, defenses against common objections to the resurrection and the importance of the resurrection as the foundation of everything a Christian believes.

The Resurrection

The Resurrection of Humpty Dumpty is an account of the history of the New World Order, traced from ancient Atlantis to today. This book reveals the spiritual realities behind the phenomenon and shows how Humpty Dumpty, the earth, is about to be resurrected again from the ashes of the coming Third World War. The King of the World is the King of Humpty Dumpty, and is in a sense, Humpty Dumpty himself. This King of the World is the false King of the World. Christendom calls this King the Antichrist. We see that Humpty Dumpty is already among us.

The Son Rises

Resurrection is defined as "the act of rising from the dead." The Greek word used for resurrection in the Bible means "to stand up again." Everyone that has died or will die will be raised from the dead by God. All will "stand up again." Resurrection is a fact that is "assumed [taken for granted] in the Scriptures." The reality of resurrection does not have to be proven by God even though there are many who do not believe in the resurrection from the dead. The Scriptures appear to indicate that there are basically four resurrections, each resurrection consisting of at least two phases. First: There is the resurrection of Jesus, Himself. Second: There will be what the Bible calls resurrection of the "the first-fruit Christ," a resurrection that I consider one of the phases "the first resurrection." Third: There will be the resurrection of "those who are Christ's at His coming," the other phase of the first resurrection. Fourth: There is also the resurrection of what I call the "finish" or "conclusion." The resurrection at the "finish" or "conclusion" appears to be synonymous with the "resurrection ... of eternal judgment."

The Resurrection of Jesus Christ Historically and Logically Viewed

The preachers in Acts are Spirit-filled people who have one message to proclaim: the resurrection of the Lord Jesus. The themes of resurrection and Spirit converge at Pentecost when Peter boldly announces that the risen Christ has poured out the Holy Spirit. A new stage in redemptive history has arrived, but is it entirely new? As it turns out, the concept of resurrection is not new at all—it goes back much farther than many people realize and has its roots in the Pentateuch. At the same time, the Holy Spirit has advanced God's agenda from the very beginning. When these two eschatological themes meet on the lips of Peter at Pentecost, thousands suddenly realize who Jesus is. They acknowledge Luke's central teaching: Jesus is Lord and Christ. Resurrection and Spirit traces these two Lukan themes from the Pentateuch to Luke-Acts and invites the reader to discover a new depth of appreciation for Jesus, the Lord and Christ.

The Resurrection of the Dead

LIVE.... LIVE.... LIVE!!! Life is for the Living, so Live! Jesus shows up after the funeral and burial of Lazarus, where he finds Martha and Mary mourning over the death of their brother. Martha said to Jesus, "If you had been here, my brother would not have died. Jesus said to her, "Your brother will rise again." Martha said to Jesus, "I know my brother will rise again in the resurrection at the last day." Jesus said to her, "I AM The Resurrection, and The Life, he who believes in me though he were dead, yet will he live, and he who is alive and believes in me will never die." So, believe God while you are living. Show your beliefs by how you live. We should live our lives to live again. Know that it's not over when they do the eulogy. Why do we who know Christ weep as though we have no hope, and or as if we will never see our loved ones again who were believers? Of course, we cry and are sad, but as believers and followers of Christ, we have hope! The world has no hope. Jesus said, "I Am the Resurrection" he didn't say, he was going to be The Resurrection" so, why are we waiting to die to live? Do you believe there are Christians in the grave waiting on a trumpet as well as Jesus's return from heaven in order to live again? Resurrection is not an event, but a person! Jesus the Christ is the Resurrection! Those who died under the law (Old Testament) was taught they would go to paradise, and it's there that the Messiah would come to deliver them from the wicked and be set free and made worthy to go to heaven. Paradise was down, beneath the earth, not up, not in heaven. Jesus changed the game when he finished his work on earth. Things would never be the same again. Jesus the Christ defeated death, hell, and the grave, then went back up to the earth and entered his old dead body as the Resurrection! God's glory which is in the resurrection, glorified that fleshly body when he entered in and it became new and improved, a body without the curse from sin...having no limits. Jesus told his followers before he was executed that he would not leave them comfortless (meaning, you will not die and go to paradise waiting on the resurrection as an event to raise you from the dead.) You won't have to wait to see me after death, "I Am with you always." The introduction of a newly afforded kingdom right, is to be with the Lord immediately after death. Are they waiting in their graves for a trumpet or Jesus? As believers why are we looking up to the sky waiting on Jesus? The same Christ that was raised from the dead is alive and living in us! We are resurrected while we live. We have the resurrection living inside us. How can we have Christ in us and not the resurrection, when Jesus is the Resurrection? Jesus the Christ is the first to embody the new glorified body. When Jesus showed himself as the Resurrection, he was not even recognized by his own people. He walked through walls, sat down, and ate what his followers were eating and fellowshiped with them on several occasions. Included are my own personal experiences of leaving my physical body and going to a place only prepared by God. After my personal experiences, no one can ever convince me otherwise. My life has suffered because of what I witnessed and experienced. I've lost many relationships because people would rather believe the lies than the truth. Whether you believe or not, there is life after this life. Unfortunately, many do not have the opportunity to come back to tell it and even when they do, most people will not believe them. Heaven is Real! Life after death is REAL! So is RESURRECTION.

A Treatise on the Resurrection

Jesus said, "I am the Resurrection and the Life." Jesus is God's greatest victory and likewise he is the fulfillment of humanity's deepest longing. Because of the resurrection of Jesus a new age has dawned and life will never be the same again. What exactly did happen on Easter morning? Why did it impel the disciples to begin a journey which would transform the world? What does this mean to us, here where we live today? This book will help you understand what the Scriptures teach us about our own resurrection and how that hope gives purpose to everything that we do.

Risen Dust

This work covers ancient beliefs about life after death from Homer's Hades to ancient Jewish beliefs, from the Bible to the Dead Sea Scrolls and beyond. It examines early Christian beliefs about resurrection in general and that of Jesus in particular, beginning with Paul and working through to the start of the third century. It explores the Easter stories of the Gospels and seeks the best historical conclusions about the empty tomb and the belief that Jesus did rise bodily from the dead.

The Resurrection: A Symposium

This detailed and scholarly analysis of the biblical accounts of the resurrection of Jesus offers a fresh perspective on this central Christian belief. Bowen's careful exegesis sheds new light on the earliest references to the rising of Jesus and of Christians from the dead. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. The Resurrection of the Dead

When the Church gets lost in the maze of competing cultural agendas, its revolutionary message and life-giving influence are compromised and eventually consumed. This increasing marginalization is exactly what began to happen in the latter half of the twentieth century. Many say the answer is for the Christian community to seek a more prominent position in society, but respected teacher and best-selling author Dr. Robert L. Wise contends that we must confront the surrounding culture with a deeper understanding of Christ's resurrection. Only by recovering and sharing the resurrection of the living Lord can the Church reclaim the experience of the first believers, who found in the resurrection a doorway to personal redemption that, in turn, transformed society around them. The Son Rises is a fresh exploration of Jesus Christ's resurrection from the dead and His promise of continuing relationship with those who believe in Him.
