### What We Believe for Teens

What We Believe "Ok, so what do you know about Ellen White?" The question was fairly innocuous-a simple query about a historical person posed to a group of teenagers in a Bible class. I stood at the front of the room, ready to write their responses on the white board. What followed was a torrent of wild answers that scarcely seemed to be about the same person, or any person for that matter. To my great delight, the students rewarded me with a biographical sketch that belonged in a game of Mad Libs: "She hated bread." "Cheese is poison." "Stopped breathing during visions." "She was bazillion year old." "Wrote a lot of books." "Didn't like black pepper." "Didn't like tea." "She was hit by a rock." Seth pierce does it again! In Ellen White for Teens, he takes a challenging topic and explores it with insight, wisdom, and humor-in a language that teens will understand. Topics include the following Did Ellen Ever Make Mistakes? What's the Difference Between Her Books and the Bible? Are You Gonna Eat That? Ellen and Us, Seth writes, "My prayer is that you will become a friend of Ellen's. You may find her challenging, aggravating, beautiful, confusing, or inspiring-or all of these at the same time-but that's true of anybody we have a close relationship with. Above all, I hope you hear a voice that will point you to Jesus. Her voice matters, and I hope you can begin to hear it in the pages of this book." Book jacket.

### Ellen White for Teens

The results of a nationwide survey reveal what Christian teenagers from sixteen different denominations believe, covering opinions on the accuracy of the Bible, the Christ conspiracies, the Holy Spirit, prayer, and evangelism.

### Prophecies of Daniel for Teens

Written by Rebecca McLaughlin, Author of Confronting Christianity In a world of increasing ideological diversity, kids are being challenged to think through their own beliefs at an early age. Questions like How can you believe the Bible is true?; Why can't we just agree that love is love?; and Isn't Christianity against diversity? can seem like roadblocks for kids who are following Jesus, as well as for those who

might otherwise consider faith in Christ. In this helpful book—written both for Christian kids and for those who think Jesus is just a fairy tale character—Rebecca McLaughlin invites readers ages 12–15 to dig deep into hard questions for themselves and perhaps discover that the things that once looked like roadblocks to faith might actually be signposts.

### Prophecies of Revelation for Teens

Suddenly there’s a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. With Christina Lauren’s “uniquely hilarious and touching voice” (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love.

### The Jesus Survey

Who do Christian teens say Jesus is and what does he mean in their lives? The answers might surprise you. In *The Jesus Survey*, Mike Nappa shares the groundbreaking results of a nationwide survey of Christian teenagers from sixteen different denominations. He shares his discoveries of how core beliefs about Jesus--and the Holy Spirit, prayer, evangelism, and more--influence the way a teen actually experiences God personally and offers ideas for helping teens overcome faulty perceptions. Pastors, youth pastors, parents, and educators will find in *The Jesus Survey* both an enlightening and invaluable tool for understanding the faith of teens around them and a guide for helping teens nurture an authentic, satisfying, and vibrant relationship with Christ.

### 10 Questions Every Teen Should Ask (and Answer) about Christianity

"Why mess around with Catholicism when you can have your own customized religion?" Fed up with his parents' boring old religion, agnostic-going-on-atheist Jason Bock invents a new god -- the town's water tower. He recruits an unlikely group of worshippers: his snail-farming best friend, Shin, cute-as-a-button (whatever that means) Magda Price, and the violent and unpredictable Henry Stagg. As their religion grows, it takes on a life of its own. While Jason struggles to keep the faith pure, Shin obsesses over writing their bible, and the explosive Henry schemes to make the new faith even more exciting -- and dangerous. When the Chutengodians hold their first ceremony high atop the dome of the water tower, things quickly go from merely dangerous to terrifying and deadly. Jason soon realizes that inventing a religion is a lot easier than controlling it, but control it he must, before his creation destroys both his friends and himself.

### We Believe

Between 40 and 50 per cent of Adventist youth leave the church in their 20s. Why? How can we keep them? How can we win them back? This book is the culmination of a magnificent obsession. For more than ten years Roger Dudley traced the lives of 1500 teenagers as they grew up and, often, grew disillusioned. Refusing to let them leave in peace, Dudley bombarded them with questionnaires. Many of them answered. This is their story. Dudley puts faces on the statistics by focusing in on individual case studies. He cites the heart-wrenching testimony of desperately lonely people surrounded by uncaring members. They want to belong, to be needed, to be heard, to be loved. They made some mistakes. We share their pain and their dreams, and feel the dissonant cadences of their troubled hearts. Some who never left explain what kept them in the church. Many who left want to return. "Without God, life is hell," wrote one. If you want to know what the youth of your church are not telling you, read this

book. It includes the responses of a group of kids who were asked to design the ideal church, and an appendix explaining the causes of "adolescent heresy," the conflict spawned by the teenage struggle for autonomy.

### Get Out of Your Mind and Into Your Life for Teens

When disaster strikes during an international Pathfinder Camporee, fifth-grade prankster Peter Paul Pappenfuss heeds the lessons about courage he has been hearing and heroically rescues some fellow campers.

### Sticking Up for What I Believe

My name is Jaquelle, and I'm a teenager. I like football movies, sushi, and dark chocolate. But the biggest, most crucial, most significant thing about me is that my life's task is to follow Jesus. He is the One who changed my life. That's what this book is about. It's for teenagers eager to reject the status quo and low standards our culture sets for us. It's for those of us who don't want to spend the adolescent years slacking off, but rather standing out and digging deep into what Jesus says about following him. This book will help you see how the truth about God changes everything—our relationships, our time, our sin, our habits, and more—freeing us to live joyful, obedient, and Christ-exalting lives, even while we're young.

### The Power of a Praying Teen

Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this "good news"? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the "good news" is much, much better than we ever imagined. Love wins.

### Man Quest

In this unique combination of personal history, interviews, and social science, a young millennial shares surprising reasons that youthful rebellion isn't inevitable and points the way for raising healthy, grounded children who love God. Teen rebellion is seen as a cultural norm, but Rebecca Gregoire Lindenbach begs to differ. In *Why I Didn't Rebel*--based on a viral blog post that has been read by more than 750,000 people--Lindenbach shows how rebellion is neither unavoidable nor completely understood. Based on interviews with her peers and combining the latest research in psychology and social science with stories from her own life, she gives parents a new paradigm for raising kids who don't go off the rails. Rather than provide step-by-step instructions on how to construct the perfect family, Lindenbach tells her own story and the stories of others as examples of what went right, inviting readers to think differently about parenting. Addressing hot-button issues such as courtship, the purity movement, and spanking--and revealing how some widely-held beliefs in the Christian community may not actually help children--*Why I Didn't Rebel* provides an utterly unique, eye-opening vision for raising kids who follow God rather than the world.

### Believe-it-or-not

Young people are walking away from the church and those still in the church often struggle with indifference about their faith. But it doesn't have to be this way. It's time for a revolution, a holy uprising. A riot. With passion and authenticity, teen author Sara Barratt calls on her generation to reject apathy and embrace a daring, costly faith. Not content with safe religion that demands nothing of us, Sara shows teens how they can stop giving in to the status quo and devote themselves fully to Christ, following him no matter what their friends do or the culture around them does. She challenges them to give everything over--their comfort zones, their time, their loyalties, their pride--and discover that in losing control they are gaining the life that was meant for them all along. Love Riot is a battle cry from one teen to another to embrace a life of wholehearted commitment and relentless abandon for Christ . . . no matter the cost.
