Lovecraft and Influence

Recognized as a major innovator in the weird story, H. P. Lovecraft (1890–1937) was an author whose influence was felt by nearly every writer of horror, fantasy, and science fiction in the second half of the twentieth century. Considered one of the leading writers of gothic horror, Lovecraft and his work continue to inspire writers today. In *Lovecraft and Influence: His Predecessors and Successors*, Robert H. Waugh has assembled essays that are vast in scope, ranging from the Bible through the Edwardian period and well into the present. This collection is devoted to authors whose work had an impact on Lovecraft—Alexander Pope, Jonathan Swift, Nathaniel Hawthorne, Edgar Allan Poe, and Lord Dunsany—and those who drew inspiration from him, including William S. Burroughs, Ramsey Campbell, Thomas Ligotti, and Stephen King. A fascinating anthology, *Lovecraft and Influence* will appeal to aficionados of classic horror, fantasy, and science fiction and those with an interest in modern authors whose works reflect and honor Lovecraft's enduring legacy.

What is American Literature?

An incisive, thought-provoking, and timely meditation, at once panoramic and synoptic, on American literature for an age of xenophobia, heightened nationalism, and economic disparity. The distinguished cultural critic Ilan Stavans explores the nation's identity through the prism of its books, from the indigenous past to the early settlers, the colonial period, the age of independence, its ascendance as a global power, and its shallow, fracturing response to the COVID-19 pandemic. The central motives that make the United States a flawed experiment - its celebration of do-it-yourself individualism, its purported exceptionalism, and its constitutional government based on checks and balances - are explored through canonical works like Mark Twain's *The Adventures of Huckleberry Finn*, Walt Whitman's *Leaves of Grass*, Emily Dickinson's poetry, F. Scott Fitzgerald's *The Great Gatsby*, the work of Langston Hughes, Zora Neale Hurston, and Toni Morrison, and immigrant voices such as those of Americo Paredes, Henry Roth, Saul Bellow, Isaac Bashevis Singer, Jhumpa Lahiri, and others. This is literary criticism at its best-informed: broad-ranged yet pungent and uncompromising.

Not Even Past

A timely, evocative, and beautifully written book, *Not Even Past* is essential reading for anyone interested in the Civil War and its role in American history.

The Devil's Dictionary

Reproduction of the original: *The Devil's Dictionary* by Ambrose Bierce

Two American Crusades

Here is the first in-depth analysis and comparison of U.S. policy in two seminal conflicts of our recent history: the Cold War and the Global War on Terrorism. Unlike previous publications, which deal with

each conflict separately, *Two American Crusades* treats the two as a seamless web, from the passions of the medieval Crusades through the long twilight struggle of the Cold War to the campaign against al Qaeda and ISIS stemming from the rise of radical political Islam. National security and foreign policy professionals, members of the academic community, and general readers alike will benefit from the insights revealed in this book that exert a profound influence on current international affairs and America's role. *Two American Crusades* also illustrates why a peace dividend continues to elude the United States. **REVIEWS and WORDS OF PRAISE** A history of American foreign policy that is sweeping in scope and penetrating in its analysis. *Two American Crusades* makes two original contributions. First, it surveys and compares America's role in the Cold War and the Global War on Terrorism. Second, it argues that U.S. policy was driven by a crusading impulse to promote its democratic values around the world, incurring a high cost in blood, treasure, and moral authority. *Two Crusades* concludes by stating that the war on terrorism is veering away from the battlefield as America retrenches, re-evaluates its role in the world, and pursues a less aggressive foreign policy. --Benjamin B. Fischer, former Chief Historian of the Central Intelligence Agency A sweeping and valuable examination of the America's two momentous struggles since World War II—the Cold War against the Soviet Union and the Global War on Terrorism against al Qaeda and other networks. Dr. Leighton provides a sobering account of these protracted conflicts and the legacies they left behind. --Seth G. Jones, Harold Brown Chair at the Center for Strategic and International Studies (CSIS) and author of *A Covert Action: Reagan, the CIA, and the Cold War Struggle in Poland*. A meticulously researched and convincingly argued work that makes a major contribution to our understanding of the past 75 years of American history. Many have written about the Cold War and, separately, the Global War on Terrorism. Dr. Leighton takes an innovative approach and treats the two as a seamless continuum. --Igor Lukes, Professor of History and International Relations, Boston University, and author of *On the Edge of the Cold War: American Diplomats and Spies in Postwar Prague*. The demise of the Soviet Union dovetailed with the advent of Islamic terrorism. Dr. Leighton expertly describes these conflicts, provides experienced analyses about the past, and projects the difficulties ahead. --Richard R. Valcourt, Editor-in-Chief Emeritus, *International Journal of Intelligence and CounterIntelligence* Academe has long kept the Cold War and the Global War on Terrorism in separate silos. Dr. Leighton breaks new ground by revealing the nexus between the two crusades. She critiques a US strategy that defeated the Soviet army in Afghanistan but left the Islamist fighters there free to wage a jihad against the United States. The result was 9/11, which in turn triggered the Global War on Terrorism. --Dr. Leif Rosenberger, Adjunct Professor at the Graduate School of Public and International Affairs, University of Pittsburgh, former Chief Economist at CENTCOM and PACOM, and author of *Economic Statecraft and US Foreign Policy: Reducing the Demand for Violence*.

Science Fusion in Contemporary Mexican Literature

Science Fusion draws on new materialist theory to analyze the relationship between science and literature in contemporary works of fiction, poetry, and theater from Mexico. In this deft new study, Brian Chandler examines how a range of contemporary Mexican writers “fuse” science and literature in their work to rethink what it means to be human in an age of climate change, mass extinctions, interpersonal violence, femicide, and social injustice. The authors under consideration here—including Alberto Blanco, Jorge Volpi, Ignacio Padilla, Sabina Berman, Maricela Guerrero, and Elisa Díaz Castelo—challenge traditional divisions that separate human from nonhuman, subject from object, culture from nature. Using science and literature to engage topics in biopolitics, historiography, metaphysics, ethics, and ecological crisis in the age of the Anthropocene, works of science fusion offer fresh perspectives to address present-day sociocultural and environmental issues.

The Devil's Dictionary

A collection of barbed definitions by one of America's most caustic humorists.

The Devil's Dictionary

The caustic aphorisms collected in "The Devil's Dictionary" helped earn Ambrose Bierce the epithets Bitter Bierce, the Devil's Lexicographer, and the Wickedest Man in San Francisco. The words he shaped into verbal pitchforks a century ago--with or without the devil's help--can still draw blood today.

The Collected Works of Ambrose Bierce, the Devil's Dictionary;

The enlarged devil's dictionary

Winner of the 2016 Pulitzer Prize for History From the winner of two Pulitzer Prizes and a National Book Award, a brilliant biography of Gen. George Armstrong Custer that radically changes our view of the man and his turbulent times. In this magisterial biography, T. J. Stiles paints a portrait of Custer both deeply personal and sweeping in scope, proving how much of Custer's legacy has been ignored. He demolishes Custer's historical caricature, revealing a volatile, contradictory, intense person—capable yet insecure, intelligent yet bigoted, passionate yet self-destructive, a romantic individualist at odds with the institution of the military (he was court-martialed twice in six years). The key to understanding Custer, Stiles writes, is keeping in mind that he lived on a frontier in time. In the Civil War, the West, and many areas overlooked in previous biographies, Custer helped to create modern America, but he could never adapt to it. He freed countless slaves yet rejected new civil rights laws. He proved his heroism but missed the dark reality of war for so many others. A talented combat leader, he struggled as a manager in the West. He tried to make a fortune on Wall Street yet never connected with the new corporate economy. Native Americans fascinated him, but he could not see them as fully human. A popular writer, he remained apart from Ambrose Bierce, Mark Twain, and other rising intellectuals. During Custer's lifetime, Americans saw their world remade. His admirers saw him as the embodiment of the nation's gallant youth, of all that they were losing; his detractors despised him for resisting a more complex and promising future. Intimate, dramatic, and provocative, this biography captures the larger story of the changing nation in Custer's tumultuous marriage to his highly educated wife, Libbie; their complicated relationship with Eliza Brown, the forceful black woman who ran their household; as well as his battles and expeditions. It casts surprising new light on a near-mythic American figure, a man both widely known and little understood.

Custer's Trials

The Devil's Dictionary is a collection of satirical aphorisms by Ambrose Bierce from 1911, gathering mostly blackly humorous or sarcastic definitions for about 1000 words. Although only a small portion of his work has been thoroughly received, Bierce, with the sarcastic, blackly humorous, often cynical narrative tone of his short texts, is considered, along with Edgar Allan Poe, to be the master of the uncanny short story, influencing authors such as Ernest Hemingway. Gröls Classics - English Edition

Frederick Schiller Faust (May 29, 1892 - May 12, 1944) was an American author known primarily for his thoughtful and literary Westerns under the pen name Max Brand. Faust (as Max Brand) also created the popular fictional character of young medical intern Dr. James Kildare in a series of pulp fiction stories. Faust's Kildare character was subsequently featured over several decades in other media, including a series of American theatrical films by Paramount Pictures and Metro-Goldwyn-Mayer (MGM), a radio series, two television series, and comics. Faust's other pseudonyms include George Owen Baxter, Evan Evans, George Evans, David Manning, John Frederick, Peter Morland, George Challis, and Frederick Frost.

The Devil's Dictionary

A New York Times Notable Book of 2020 How do we read William Faulkner in the twenty-first century? asks Michael Gorra, in this reconsideration of Faulkner's life and legacy. William Faulkner, one of America's most iconic writers, is an author who defies easy interpretation. Born in 1897 in Mississippi, Faulkner wrote such classic novels as *Absalom, Absalom!* and *The Sound and The Fury*, creating in Yoknapatawpha county one of the most memorable gallery of characters ever assembled in American literature. Yet, as acclaimed literary critic Michael Gorra explains, Faulkner has sustained justified criticism for his failures of racial nuance—his ventriloquism of black characters and his rendering of race relations in a largely unreconstructed South—demanding that we reevaluate the Nobel laureate's life and legacy in the twenty-first century, as we reexamine the junctures of race and literature in works that once rested firmly in the American canon. Interweaving biography, literary criticism, and rich travelogue, *The Saddest Words* argues that even despite these contradictions—and perhaps because of them—William Faulkner still needs to be read, and even more, remains central to understanding the contradictions inherent in the American experience itself. Evoking Faulkner's biography and his literary characters, Gorra illuminates what Faulkner maintained was “the South's curse and its separate destiny,” a class and racial system built on slavery that was devastated during the Civil War and was reimagined thereafter through the South's revanchism. Driven by currents of violence, a “Lost Cause” romanticism not only defined Faulkner's twentieth century but now even our own age. Through Gorra's critical lens, Faulkner's mythic Yoknapatawpha County comes alive as his imagined land finds itself entwined in America's history, the characters wrestling with the ghosts of a past that refuses to stay buried, stuck in an unending cycle between those two saddest words, “was” and “again.” Upending previous critical traditions, *The Saddest Words* returns Faulkner to his sociopolitical context, revealing the civil war within him and proving that “the real war lies not only in the physical combat, but also in the war after the war, the war over its memory and meaning.” Filled with vignettes of Civil War battles and generals, vivid scenes from Gorra's travels through the South—including Faulkner's Oxford, Mississippi—and commentaries on Faulkner's fiction, *The Saddest Words* is a mesmerizing work of literary thought that recontextualizes Faulkner in light of the most plangent cultural issues facing America today.

The Saddest Words: William Faulkner's Civil War

Amitava Kumar's *Every Day I Write the Book* is for academic writers what Annie Dillard's *The Writing Life* and Stephen King's *On Writing* are for creative writers. Alongside Kumar's interviews with an array of scholars whose distinct writing offers inspiring examples for students and academics alike, the book's pages are full of practical advice about everything from how to write criticism to making use of a kitchen timer. Communication, engagement, honesty: these are the aims and sources of good writing. Storytelling, attention to organization, solid work habits: these are its tools. Kumar's own voice is present in his essays about the writing process and in his perceptive and witty observations on the academic world. A writing manual as well as a manifesto, *Every Day I Write the Book* will interest and guide aspiring writers everywhere.

Every Day I Write the Book

The Devil's Dictionary is a satirical dictionary written by American Civil War soldier, journalist, and writer Ambrose Bierce consisting of common words followed by humorous and satirical definitions. The lexicon was written over three decades as a series of installments for magazines and newspapers.

The Devil's Dictionary 19 Century Book : Illustrated Edition

The Devil's Dictionary is a satirical dictionary written by American Civil War soldier, journalist, and writer Ambrose Bierce consisting of common words followed by humorous and satirical definitions. The lexicon was written over three decades as a series of installments for magazines and newspapers.

The Devil's Dictionary-(Annotated)

An abridged and illustrated version of the original masterpiece by the acerbic American satirist Ambrose Bierce (b. 1842), addressed, in the author's own words, to 'enlightened souls who prefer dry wines to sweet, sense to sentiment, wit to humor and clean English to slang'. Bierce was a journalist specializing in sharp satire, and also a writer of war and ghost stories, some with a distinctive Western flavor.

Illustrated Devil's Dictionary

Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

The Devil's Dictionary

EXAMPLES: Conservative (n.) A statesman who is enamored of existing evils, as distinguished from the Liberal, who wishes to replace them with others. Egotist (n.) A person of low taste, more interested in himself than in me. Lawyer (n.) One skilled in circumvention of the law.

The Devil's Dictionary by Ambrose Bierce, Fiction, Classics, Fantasy, Horror

A veteran of some of the bloodiest battles of the Civil War, Ambrose Bierce went on to become one of the darkest and most death haunted of American writers, the blackest of black humorists. This volume gathers the most celebrated and significant of Bierce's writings. In the *Midst of Life* (Tales of Soldiers and Civilians), his collection of short fiction about the Civil War, which includes the masterpieces "An Occurrence at Owl Creek Bridge" and "Chickamauga," is suffused with a fiercely ironic sense of the horror and randomness of war. *Can Such Things Be?* brings together "The Death of Halpin Frayser," "The Damned Thing," "The Moonlit Road," and other tales of terror that make Bierce the genre's most significant American practitioner between Poe and Lovecraft. *The Devil's Dictionary*, the brilliant lexicon of subversively cynical definitions on which Bierce worked for decades, displays to the full his corrosive wit. In *Bits of Autobiography*, the series of memoirs that includes the memorable "What I Saw of Shiloh," he recreates his experiences in the war and its aftermath. The volume is rounded out with a selection of his best uncollected stories. Acclaimed Bierce scholar S. T. Joshi provides detailed notes and a newly researched chronology of Bierce's life and mysterious disappearance. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Ambrose Bierce: The Devil's Dictionary, Tales, & Memoirs (LOA #219)

The Devil's Dictionary: Large Print By Ambrose Bierce in a mysterious way," commonly with the property of another. Spring beckons! All things to the call respond; The trees are leaving and cashiers abscond. Phela Orm ABSENT, adj. Peculiarly exposed to the tooth of detraction; vilified; hopelessly in the wrong; superseded in the consideration and affection of another. To men a man is but a mind. Who cares What face he carries or what form he wears? But woman's body is the woman. O, Stay thou, my sweetheart, and do never go, But heed the warning words the sage hath said: A woman absent is a woman dead. Jogo Tyree ABSENTEE, n. A person with an income who has had the forethought to remove himself from the sphere of exaction.

The Devil's Dictionary: Large Print

"The Damned Thing" is a horror short story written by Ambrose Bierce. It first appeared in Tales from New York Town Topics on December 7, 1893. The story begins in Hugh Morgan's cabin, where local men have gathered around the battered corpse of Hugh Morgan to hold an inquest concerning his death. What was it? (Source: Wikipedia)

The lexicon was written over three decades as a series of installments for magazines and newspapers.

The Devil's Dictionary:Classic Edition(Annotated Edition)

The Devil's Dictionary is a satirical dictionary written by American Civil War soldier, journalist, and writer Ambrose Bierce consisting of common words followed by humorous and satirical definitions. The lexicon was written over three decades as a series of installments for magazines and newspapers.

The Devil's Dictionary : an Annotated Edition

The Devil's Dictionary was begun in a weekly paper in 1881, and was continued in a desultory way at long intervals until 1906. In that year a large part of it was published in covers with the title The Cynic's Word Book, a name which the author had not the power to reject or happiness to approve. To quote the publishers of the present work:"This more reverent title had previously been forced upon him by the religious scruples of the last newspaper in which a part of the work had appeared, with the natural consequence that when it came out in covers the country already had been flooded by its imitators with a score of 'cynic' books-The Cynic's This, The Cynic's That, and The Cynic's t'Other. Most of these books were merely stupid, though some of them added the distinction of silliness. Among them, they brought the word 'cynic' into disfavor so deep that any book bearing it was discredited in advance of publication."

The Devil's Dictionary by Ambrose Bierce

The Devil's Dictionary is a satirical dictionary written by American Civil War soldier, journalist, and writer Ambrose Bierce consisting of common words followed by humorous and satirical definitions. The lexicon was written over three decades as a series of installments for magazines and newspapers.

The Devil's Dictionary

ABASEMENT, n. A decent and customary mental attitude in the presence of wealth or power. Peculiarly appropriate in an employee when addressing an employer.

A Companion to the American Short Story

Ambrose Gwinnett Bierce was an American editorialist, journalist, short-story writer and satirist. Today, he is best known for his short stories, An Occurrence at Owl Creek Bridge and his satirical dictionary, The Devil's Dictionary. The dictionary offers reinterpretations of terms in the English language and also which lampoon religious and political doublespeak. Examples: LAWYER One skilled in circumvention of the law. FUTURE, n. That period of time in which our affairs prosper, our friends are true and our happiness is assured.

The Devils Dictionary

Ambrose Gwinnett Bierce (June 24, 1842 - 1914?) was an American editorialist, journalist, short-story writer and satirist. Today, he is best known for his short story, An Occurrence at Owl Creek Bridge and his satirical dictionary, The Devil's Dictionary. The sardonic view of human nature that informed his work - along with his vehemence as a critic - earned him the nickname, "Bitter Bierce." Despite his reputation as a searing critic, however, Bierce was known to encourage younger writers, including the poet, George Sterling and the fiction writer, W. C. Morrow. In 1913, Bierce traveled to Mexico to gain a firsthand perspective on that country's ongoing revolution. While traveling with rebel troops, the elderly writer disappeared without a trace.

The Devil's Dictionary

The Devil's Dictionary is a satirical "reference" book written by Ambrose Bierce.

The Complete Original Devil's Dictionary

Bierce was considered a master of pure English by his contemporaries, and virtually everything that came from his pen was notable for its judicious wording and economy of style. He wrote in a variety of literary genres. In addition to his ghost and war stories, he also published several volumes of poetry. His Fantastic Fables anticipated the ironic style of grotesquerie that became a more common genre in the 20th century.

The devil's dictionary. 1911

"The Damned Thing" is a horror short story written by American Civil War soldier, wit, and writer Ambrose Bierce. It first appeared in Tales from New York Town Topics on December 7, 1893.[1]Summary"The Damned Thing" is written in four parts, each with a comical subtitle. The story begins in Hugh Morgan's cabin, where local men have gathered around the battered corpse of Hugh Morgan to hold an inquest concerning his death. William Harker, a witness to the death, enters and is sworn in by the coroner to relate the circumstances. William reads a prepared statement about a hunting and fishing outing undertaken with Morgan
