The Mountain Kingdom. A Narrative of Adventure. [With Illustrations.]

Mark the Mountain Guide is the first in a new series of books written by Mark Seaton, a mountain guide who lives and works in the European Alps. The book is endorsed by the International Mountain Guide Association and features an introduction by mountaineer Sir Chris Bonington. It's a beautiful morning at the Marmot Mountaineering School when an enormous avalanche blocks the path back to High Alp Village. How will the students ever get home? Join Mark and his friends on their exciting journey as they slide over Grumpy Gorge, trek across Sorbet Glacier and scale the Applestrudelhorn. The book features a play section, packed with facts and tips on safe mountaineering. Perfect for little adventurers! To watch a video of Mark the Mountain Guide, [click here](#)

Bhutan

Nicknamed 'Mountain Man' by the Sunday Telegraph, James Forrest is the record-breaking adventurer who climbed every mountain in England and Wales in just six months – the fastest ever time. Solo and unsupported, he walked over 1,000 miles and ascended five times the height of Everest during his 446-peak challenge. And he did it all on his days off from work, proving it is possible to integrate an epic adventure into your everyday life. From collapsing tents and horrific storms to near-fatal mountaineering mishaps, James endured his fair share of hardship out in the hills. But the good times far outweighed the bad. He slept wild under the stars, met eccentric locals, and exchanged the 21st century social media bubble for a simpler, more peaceful existence. What did he learn along the way? That life is more fulfilling when you switch off your phone and climb a mountain. Readers will be inspired and motivated

by James's amazing adventure, and so the book concludes with a section on how YOU can achieve your next adventure – whether it's something to get the kids involved in at half term, a fun challenge to tackle solo or with friends, or, like James's, a record-breaking attempt of epic proportions, James will guide you through everything you need to do to plan and execute your adventure, as well as give you some great ideas too.

The Unofficial Guide to Walt Disney World with Kids 2016

Capture the spirit of adventure with Hunter's top-selling series, the Adventure Guides. With over 45 titles, this unique series offers the perfect mix of conventional travel book and guide for today's active traveler. And, whether "adventure" means an adrenalin-pumping hang-gliding or parasailing trip or a relaxing afternoon of beachcombing and hiking, the Adventure Guides are sure to meet your needs.

The Unofficial Guide to Walt Disney World with Kids 2015

This guidebook shows the vast range of activities available in the mountains surrounding Chamonix. With routes for several different pursuits including walking, trail running, mountain biking, road cycling, via ferratas, rock climbing, mountaineering and bouldering, it is a comprehensive collection of everything this popular region has to offer. All the routes and activities range in difficulty, from easy strolls for all abilities to moderate rock climbs and glacier hikes, which require either technical skills or a professional guide. Families, groups of friends and mountaineers looking for a 'rest day' or a change to what they're used to will all find something to whet their appetites here. Chamonix has long been a dream destination for mountain adventures and its environment is ideal for such a varied list of activities. This guide allows you to enjoy its spectacular views and renowned summits in many different ways or by mixing and matching your favourites.

The Unofficial Guide to Disneyland 2012

This history-rich region offers some of Italy's classic landscapes - pole-straight cypress trees lining dusty farm roads, rolling hills that stretch as far as the eye can see, fields of vibrant sunflowers, medieval villages perched on rocky spurs above crashing surf. Visit them all with this comprehensive guide that helps you explore the very best places. A largely untouched coastline and protected wild areas only add to the appeal of this top vacation destination. Regional chapters take you on an introductory tour, with stops at museums, historic sites and local attractions. Places to stay and eat; transportation to, from and around your destination; practical concerns; tourism contacts - it's all here! Detailed regional and town maps feature walking and driving tours. Then come the adventures - fishing, canoeing, hiking, rafting, llama trips and more. Never galloped along a beach on horseback, trekked up a mountain, explored ancient sites? Also includes extensive lists of recommended outfitters, with all contact details - e-mail, website, phone number and location. Adventure Guides are about living more intensely, waking up to your surroundings and truly experiencing all that you.

The Unofficial Guide Walt Disney World 2012

"I bought this travel guide out of curiosity when I went back home to visit my parents. I grew up in N.H., went to school at UCONN, and spent a lot of time in Massachusetts - so I am familiar with the area. Sometimes, when you live in a place, however, you take your home for granted and don't see the sights in your back yard. Traveling 1500 miles back home, however, I felt like I needed to get my moneys worth (the sure sign of a native east coaster). This book led me to some incredible old towns and restaurants and shops that I had missed while living there. I highly recommend the book. It was great to have it on my laptop because after work, I was able plan the remainder of my day in a snap." -- Amazon reviewer. "I've been toting Elizabeth L. Dugger's new Adventure Guide to Massachusetts & Western Connecticut around for about a month now, ever since I received it. I had all the best intentions of being the first reviewer to publish my commentary on the travel guide, but with one project after another eating up my hours, I'm not sure that I can claim that honor. I have, however, really bulked up my biceps by lugging the Adventure Guide around! In a word, the book is "massive," and before I ever lifted the cover, I was perplexed as to how Dugger could possibly have found enough bungee jumping-, cliff diving-, and vine swinging-type adventures in the stately and somewhat subdued states of Massachusetts and Connecticut to fill 496 pages! When I opened to page 113 to find a section on "Antique Shopping on Cape Cod," I was surprised and delighted to realize that the range of adventures Dugger suggests includes those that pose great danger only to my credit card balance. In the book's introduction, Dugger explains that adventure travel "doesn't have to mean hanging from a cliff by your fingernails." Her enormous catalog of exciting escapes includes family-friendly ideas, outdoor fun for people of all ages and abilities, out-of-the-ordinary sightseeing suggestions, and, of course, the full complement of hiking, biking, fishing, boating, and other recreational opportunities in central New England. "Adventure travel makes you feel alive, wakes you up to yourself as well as to your surroundings," Dugger explains. "Just being in open lands or along the coast, most of the time, can give you that get-away feeling. ...Adventure travel gets the blood flowing, the heart pumping." Also the author of the Adventure Guide to New Hampshire and the Adventure Guide to Vermont, Dugger quickly debunks the notion that Massachusetts is a tamer, less challenging playground than its mountainous northern neighbors. After a brief introductory section that includes a short history of Massachusetts, a map of and information on getting to the region, road rules, and safety information on such important topics as "avoiding bears," the book is broken up into six regional chapters: the Seacoast Region, Boston and Nearby Adventures, Central Massachusetts, the Pioneer Valley, the Berkshires, and the Litchfield Hills of Connecticut. Within each geographic section, adventures are organized in category groupings: On Foot, On Horseback, On Wheels, On Water, On Snow & Ice, and In the Air. Each chapter has information on Eco-Travel and where to Stay & Eat, as well. While the emphasis of this guide is decidedly on the outdoors and on planning a Massachusetts vacation that takes you to the lesser known attractions that the state offers, it is actually one of the most comprehensive and delightful guides to the region available. While many travel guides contain the obligatory paragraph on each historic attraction and sightseeing venue, the Adventure Guide to Massachusetts & Western Connecticut artfully leads the traveler to those awe-inspiring, stimulating, and unique excursions that are likely to make for a most

memorable trip. Detailed maps, black and white photos, cute graphics, and sidebars on special events, kid-friendly and accessible spots, recommended reading, and more

Underground Kingdom

The Unofficial Guide to Disneyland by Bob Sehlinger & Seth Kubersky makes Disneyland one of the most accessible theme parks in the world. With advice that is direct, prescriptive, and detailed, it takes the guesswork out of the reader's vacation. Whether they are at Disneyland for a day or a week, there is a plan for any group or family. They can enjoy the entertainment instead of spending their time in lines. Comprehensive information is presented in a way that permits easy comparisons and facilitates decision-making. Detailed plans and profiles of hotels, restaurants, and attractions are presented in "at-a-glance" formats, providing for effortless communication of the most salient information. Profiles are supplemented by indexes. In short, we've got a plan for every reader. The Unofficial Guide to Disneyland's research team is a multi-disciplinary group consisting, among others, of data collectors, computer scientists, statisticians, and psychologists. Their singular goal is to provide a guide that lets you get it right the first time, and every time. With their help, advice, and touring plans, readers have a one-up on anyone else not using The Unofficial Guide to Disneyland. The book is the key to planning a perfect vacation in a great destination location.

Adventures in Outer Space Film Guide

Save time and money with in-depth reviews, ratings, and details from the trusted source for a successful Disneyland vacation. How do some guests get on the big, new attraction in less than 20 minutes while others wait for longer than 2 hours—on the same day? Places to stay and eat; transportation to, from and around your destination; practical concerns; tourism contacts - it's all

here! Detailed maps feature walking and driving tours. Then come the adventures - both cultural and physical - from canoeing and hiking to taking dance or cooking classes. This unique approach allows you to really immerse yourself in the local culture.

The Unofficial Guide to Disneyland 2016

With nearly 13 million visitors in 2008, the original Disneyland park still ranks as one of America's Top 25 Visited Sites according to Forbes Traveler. Disneyland Park® continues to expand with new attractions based on the successful Pixar films- adding in 2009 the Finding Nemo Submarine Ride and planning a large expansion in the coming years based on the Pixar film Cars.

The Unofficial Guide: The Color Companion to Walt Disney World

The Art of Getting Lost will illuminate the details of dream trips, and inspiring readers to understand that adventure is not out of reach. Most of us face a couple of obstacles when it comes to living our Walter Mitty-esque adventure dreams: ideas of what to do, and concrete knowledge of how long those ideas will take. It's a long way from talking to some guy at the bar about his Grand Canyon Raft trip to going home and Googling a synopsis of how to make it happen, and then clicking around a guide company's website to find out if it takes three days or 30. But it won't be hard to flip through this book and get inspired.

The Unofficial Guide to Universal Orlando 2017

Alpine expert Kev Reynolds has spent fifty years exploring mountain landscapes and thirty writing about his experiences. Here he shares some of the high points of a full life as a wanderer and writer. Kev is the leading international authority on many mountain ranges, including the Pyrenees, many regions of the Alps and the Nepal Himalaya. As the author of numerous guides he has inspired many thousands of trekkers to follow in his footsteps. As a lecturer he regularly evokes the mood and majesty of the mountains to spellbound audiences. In this book Kev tells how he set off, aged 21, to explore the Atlas Mountains of Morocco - and never looked back. He abandoned his desk-bound local government job to pursue a life in the mountains, living and working in Britain, Austria and Switzerland before finding his true metier as a writer. These 75 stories capture the joy he has taken in exploring the Atlas Mountains, Pyrenees, Alps, Himalaya and 'Other Wild Places' again and again, meeting the local people and the mountain guides, experiencing the local food, faiths and lifestyle and watching the sun rise and set against some of the world's highest peaks from summit bivvies.
