Download your copy now and embark on a meaningful journey through Anne's poignant reflections.

THE DIARY OF A YOUNG GIRL

This informative edition examines the important literary work of writer Anne Frank, whose meticulous diaries, which were kept and updated during her time in hiding, remain a haunting and necessary reminder of the ravaging effects of hatred. Readers are provided with a biographical sketch of Anne Frank, a series of essays that tackle the significance of her diaries as Holocaust documents, and a collection of modern thought on genocide in the twenty-first century.

Genocide in Anne Frank's The Diary of a Young Girl

In 1940, after Germany invaded the Netherlands, Anne and her family couldn't leave the country, so they decided to hide in a warehouse in an attempt to escape the persecution of Jews by the Nazis. For over two years, Anne wrote in her diary with an awareness that was extremely mature for her age. She detailed her experiences and insights while she and her family were in hiding, living in a constant fear of being arrested. The Diary of Anne Frank' is a record of her understanding of the war and showcases her incredible storytelling abilities in such horrific circumstances. In 1944, the Franks were found and sent to concentration camps. Anne died before she turned 16, and her father, Otto Frank, was the only family member to survive the Holocaust. After the War, Otto returned to Amsterdam, where he found his daughter's diary and then published it as The Diary of a Young Girl. The Diary of Anne Frank is among the most enduring documents of the twentieth century. Since its publication in 1947, it has been read by tens of millions of people all over the world. It remains a beloved and deeply admired testament to the indestructible nature of the human spirit.

THE DIARY OF ANNE FRANK

This abridged version of Anne Frank's Diary has been taken from the definitive edition which restores substantial material omitted from the original edition. Anne Frank emerges as more human and more spirited than ever before.

The Diary of a Young Girl

*Includes quotes from Anne Frank's diary about life, love, religion, persecution, and more. *Includes pictures of important people and places in Anne Frank's life. *Includes a Bibliography for further reading. "I want to be useful or bring enjoyment to all people, even those I've never met. I want to go on living even after my death! And that's why I'm so grateful to God for having given me this gift, which I can use to develop myself and to express all that's inside me!" - Anne Frank's diary entry for April 5, 1944 Anne Frank is one of the most famous individuals of the 20th century for the worst possible reason. Joseph Stalin is often quoted as saying one death is a tragedy and a million is a statistic, and while plenty of people might argue with the sentiment expressed, there's no question that Anne Frank in many ways became the face of the Holocaust. Among the millions of victims killed in the Holocaust, there were certainly a countless number of 15 year old Jewish girls who lost their mothers, their sisters, and their own lives in Nazi concentration camps. While they were destined to become a footnote of history for anyone outside of their loved ones, Anne Frank has indeed gone on living after death thanks to the

diary she kept during World War II and the year she and her family spent hiding from the occupying Nazi forces in Amsterdam. Given the journal as a 13th birthday present, Anne dutifully wrote in it from June 1942-August 1944, with the last entry coming just a few days before her family was arrested. Anne and her sister Margot were transported to the Bergen-Belsen concentration camp, where both young girls died of typhus just a month before the war in Europe would end. Anne's father Otto managed to survive at Auschwitz and made his way back to Amsterdam after the war, only to learn that his wife and two young daughters had died at Bergen-Belsen. Upon his return, however, one of the men who had helped the Frank family hide gave Otto his daughter's diary and notes, greatly surprising the father who had not realized how perceptive his young daughter had been. Once Otto had it published, Anne Frank's diary became one of the best known and critically acclaimed works of the 20th century. During the two years Anne had kept a diary, her entries covered every aspect of a typical teenage girl's life, but set against the unforgiving reality of Nazi occupation and her family's attempt to hide. The diary vividly portrays the thoughts of an innocent girl who is well aware of her surroundings, even as she struggles to come to grips with them, and yet she manages to convey an eternal optimism and belief in the good of mankind. In addition to providing an important firsthand account of a critical period of history, the diary entries are both devastating and uplifting, often at the same time. As Dutch historian Jan Romein noted about the diary in the immediate aftermath of World War II, "This apparently inconsequential diary by a child, this 'de profundis' stammered out in a child's voice, embodies all the hideousness of fascism, more so than all the evidence of Nuremberg put together." *A Young Girl and Her Diary: The Life and Legacy of Anne Frank* chronicles Anne's short life and tragic fate, but it also celebrates her writings and enduring legacy. Along with pictures of important people and places, you will learn about Anne Frank like you never have before, in no time at all.

The Diary of a Young Girl

This translation of one of the most endearing documents of the 20th century captures Anne's youthful spirit and restores original material omitted by Anne's father--details about Anne's emerging sexuality and the often stormy relations between Anne and her mother. Major media attention.

The Diary of Anne Frank

This is the devastating, "unwritten" final chapter of *Anne Frank: The Diary of a Young Girl*, a book which has become a symbol for millions of the horror of the Holocaust. Anne made her last diary entry on August 1, 1944. Four days later she and her family were arrested by the Nazis and deported to concentration camps, where Anne perished some seven months later.

A Young Girl and Her Diary

Adapted from *Anne Frank: The Diary of a Young Girl*, edited by Otto Frank, winner of the 1956 Pulitzer Prize, Tony Award, Critics Circle Award, and virtually every other coveted prize of the theatre. During the Nazi occupation of the Netherlands Anne Frank began to keep a diary on June 14, 1942, two days after her 13th birthday, and twenty two days before going into hiding with her mother, father, sister, and three other people. The group went into hiding in the sealed-off upper rooms of the annex of her father's office building in Amsterdam. The sealed-off upper-rooms also contained a hidden door which the Franks would hide in during the parts when Nazi soldiers were investigating the buildings for harbored Jews. They remained hidden for two years and one month, until their betrayal in August 1944, which resulted in their deportation going to Nazi concentration camps.

The Diary of a Young Girl Anne Frank

A timeless story rediscovered by each new generation. *The Diary of a Young Girl* stands without peer. For both young readers and adults it continues to bring to life this young woman, who for a time survived the worst horror the modern world had seen - and who remained triumphantly and heartbreakingly human throughout her ordeal. For those who know and love Anne Frank, *The Definitive Edition* is a chance to discover her anew. For readers who have not yet encountered her, this is the edition to cherish.

The Last Seven Months of Anne Frank

"In celebrating the spirit of optimism that shines through the thoughts and dreams of one extraordinary thirteen-year-old during the darkest of times, Bernard Kops has created a dramatic masterpiece" (Time

Out) "This play has been a catalyst in stimulating young people not only to question the past but also to confront the very real issues of racism today." (Jenny Culank, Artistic Director of Classworks Theatre, Cambridge) In 1942 Anne Frank, a young Jewish girl, was forced into hiding with seven others in a secret annexe in Amsterdam. *Dreams of Anne Frank* vividly brings her story to life in a poignant and highly charged drama. Using actors, movement and song Bernard Kops re-imagines and explores Anne Frank's hidden world, a world in which she lived, fell in love and dreamed of freedom. *Dreams of Anne Frank* won the 1993 Time Out award for best children's production and has been performed around the world. Commentary and notes by Bernard Kops

The Diary of Anne Frank

Plain and chubby, Cathy (dubbed "Cat" by Misty, Star, and Jade) has always had problems. Her mother always told her to hide her figure and she has lived her life shrouded in secrets, ashamed of who she is. But when she finally demands the truth, she finds that her secrets are the most shocking and dark of all four girls.

Anne Frank The Diary of a Young Girl

*Includes quotes from Anne Frank's diary about life, love, religion, persecution, and more. *Includes pictures of important people and places in Anne Frank's life. *Includes a Bibliography for further reading. The Diary of a Young Girl

Desde su encierro en el Anexo secreto, Ana Frank sueña con convertirse en escritora. Ella nunca lo supo, pero su famoso diario ha dado la vuelta al mundo, ha sido traducido a varios idiomas y se considera uno de los testimonios más genuinos del Holocausto. Por desgracia, Ana Frank murió muy joven y su diario quedó inconcluso, pero entre sus páginas todavía permanecen atrapados sus anhelos juveniles de amor, libertad y trascendencia.

Anne Frank

A timeless story rediscovered by each new generation, *The Diary of a Young Girl* stands without peer. This graphic edition remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of Holocaust literature. For both young readers and adults *The Diary* continues to capture the remarkable spirit of Anne Frank, who for a time survived the worst horror the modern world has seen—and who remained triumphantly and heartbreakingly human throughout her ordeal. Includes extensive quotations directly from the definitive edition; adapted by Ari Folman, illustrated by David Polonsky, and authorized by the Anne Frank Foundation in Basel.

Anne Frank: The diary of a young girl. [Book review].

"Prose's book is a stunning achievement. . . . Now Anne Frank stands before us. . . a figure who will live not only in history but also in the literature she aspired to create." — Minneapolis Star Tribune In June, 1942, Anne Frank received a diary for her thirteenth birthday, just weeks before she and her family went into hiding from the Nazis in an Amsterdam attic. For two years, she described life in hiding in vivid, unforgettable detail and grappled with the unfolding events of World War II. Before the attic was raided in August, 1944, Anne Frank furiously revised and edited her work, crafting a piece of literature that she hoped would be read by the public after the war. And read it has been. In *Anne Frank*, bestselling author Francine Prose deftly parses the artistry, ambition, and enduring influence of Anne Frank's beloved classic, *The Diary of a Young Girl*. She investigates the diary's unique afterlife: the obstacles and criticism Otto Frank faced in publishing his daughter's words; the controversy surrounding the diary's Broadway and film adaptations, and the social mores of the 1950s that reduced it to a tale of adolescent angst and love; the conspiracy theories that have cried fraud, and the scientific analysis that proved them wrong. Finally, having assigned the book to her own students, Prose considers the rewards and challenges of teaching one of the world's most read, and banned, books. How has the life and death of one girl become emblematic of the lives and deaths of so many, and why do her words continue to inspire? Approved by both the Anne Frank House Foundation in Amsterdam and the Anne Frank-Fonds in Basel, run by the Frank family, *Anne Frank* unravels the fascinating story of a memoir that has become one of the most compelling, intimate, and important documents of modern history.

Dreams Of Anne Frank

Imagine if the boy in hiding with Anne Frank had survived the war... On 16 February 1944, Peter, Anne Frank's closest confidant in the Secret Annex, declared to her that if he got out alive, he would reinvent himself entirely; no one would ever know who he was, or where he had been. This is the story of what might have happened if the boy in hiding had survived the horror. After the war, Peter van Pels leaves liberated Europe and its ghosts behind him and makes for the United States, the land of self-invention; there, he flourishes in business, marries and raises a family. He lives in the present and plans for the future; for him, the past does not exist. But Peter's carefully constructed life is broken apart when *The Diary of a Young Girl* is published and becomes a sensation all over the world. As Anne Frank's words take on a strange and disturbing life of their own, enmeshed in bitter controversy and recrimination, Peter sees his past being adapted, distorted, argued over and endlessly reinterpreted, until the dissonance between his present and former lives sparks a crisis he cannot suppress. *The Boy Who Loved Anne Frank* is a compelling novel about the power of stories, the meaning of history and the possibility of coming to terms with an unbearable burden of memory. On February 16, 1944, Anne Frank recorded in her diary that Peter, whom she at first disliked but eventually came to love, had confided in her that if he got out alive, he would reinvent himself entirely. This is the story of what might have happened if the boy in hiding survived to become a man. Peter arrives in America, the land of self-creation; he flourishes in business, marries, and raises a family. He thrives in the present, plans for the future, and has no past. But when *The Diary of a Young Girl* is published to worldwide acclaim and gives rise to bitter infighting, he realises the cost of forgetting. Based on extensive research of Peter van Pels and the strange and disturbing life Anne Frank's diary took on after her death, this is a novel about the memory of death, the death of memory, and the inescapability of the past.

Anne Frank

Anne Frank's 'Diary of a Young Girl' is the most widely read work of non-fiction after the bible. Yet, there has never been an in-depth biography of the teenage writer who perished in the concentration camp of Bergen-Belsen. Here, Carol Ann Lee vividly recreates Anne's short life. Having exclusive access to a number of unpublished documents, she has captured Anne's complex and evolving character.

The diary of a young girl

Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic -- a powerful reminder of the horrors of war and an eloquent testament to the human spirit. In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

A Young Girl and Her Diary: the Life and Legacy of Anne Frank
