Shakespeare's Comedy of Love's Labour's Lost

Love's Labour's Lost is one of William Shakespeare's early comedies, believed to have been written in the mid-1590s for a performance at the Inns of Court before Queen Elizabeth I. It follows the King of Navarre and his three companions as they attempt to swear off the company of women for three years in order to focus on study and fasting. Their subsequent infatuation with the Princess of France and her ladies makes them forsworn. In an untraditional ending for a comedy, the play closes with the death of the Princess's father, and all weddings are delayed for a year. The play draws on themes of masculine love and desire, reckoning and rationalisation, and reality versus fantasy.

Shakespeare's Comedy of Love's Labour's Lost

Read & Co. Classics presents this new beautiful edition of William Shakespeare's comedy, "Love's Labour's Lost". Featuring a specially commissioned new biography of William Shakespeare, it is a must for Shakespeare enthusiasts and newcomers alike. "Love's Labour's Lost", revolves around Ferdinand, King of Navarre, and his three companions, who enter a pact in which they swear to avoid women for three years. This oath is tested to its limits when the Princess of France arrives with her company of ladies. The young men subsequently lose their resolves, resulting in an unexpected, comical twist. William Shakespeare (1564 - 1616) was an English playwright, poet, and actor. He is considered to be the greatest writer in the English language and is celebrated as the world's most famous dramatist.

Love's Labours Lost

Excerpt from Shakespeare's Comedy of Love's Labour's Lost The earliest edition of Love's Labour's Lost (or Love's Labours Lost, as Mr. Furnivall believes we should write it) that has come down to us is a quarto published in 1598, with the following title-page (as given in the Chamb. ed.): A | Pleasant

| Conceited Comedie | called, | Loues labors lost. | As it was presented before her Highnes | this last Christmas. Shakespeare's Comedy of Love's Labour's Lost

Love's Labour's Lost was one of Shakespeare's early comedies. It tells the story of the King of Navarre and his three companions (Lords Berowne, Dumaine, and Longaville) who, in an attempt to spend three years studying and fasting, decide to avoid the company of women. This is all thwarted however with the arrival of the Princess of France and her court ladies. Setting up camp outside the court (due to the King having imposed a ban on women inside), the Princess and her companions stir feelings of love in the men. The play is notable for the inclusion of the longest word in all of Shakespeare's plays: honorificabilitudinitatibus. One of the main themes of Love's Labour's Lost, is that of masculine desire, which throughout the play is deferred and confused. The earliest recorded performance of this play was in 1597, before Queen Elizabeth.

Love's Labour's Lost

Excerpt from Shakespeare's Comedy of Love's Labour's Lost Malone in 1594. Furnivall is inclined to make the date 1588 and White probably not later than 1588. Love's Labour's Lost Annotated

When Ferdinand, the king of Navarre, and his companions swear off of the company of women for three years in order to study and fast, they find themselves wholly unprepared for the lack of female company. And when the Princess of France and her ladies arrive, Ferdinand and his lords find themselves beguiled by the beautiful women with comedic consequences. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennialClassics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Love's Labour's Lost

Love's Labour's Lost is one of William Shakespeare's early comedies, believed to have been written in the mid-1590s for a performance at the Inns of Court before Queen Elizabeth I. It follows the King of Navarre and his three companions as they attempt to swear off the company of women for three years in order to focus on study and fasting. Their subsequent infatuation with the Princess of France and her ladies makes them forsworn. In an untraditional ending for a comedy, the play closes with the death of the Princess's father, and all weddings are delayed for a year. The play draws on themes of masculine love and desire, reckoning and rationalisation, and reality versus fantasy. Though first published in quarto in 1598, the play's title page suggests a revision of an earlier version of the play. While there are no obvious sources for the play's plot, the four main characters are loosely based on historical figures. The use of apostrophes in the play's title varies in early editions, though it is most commonly given as *Love's Labour's Lost*. Shakespeare's audiences were familiar with the historical personages portrayed and the political situation in Europe relating to the setting and action of the play. Scholars suggest the play lost popularity as these historical and political portrayals of Navarre's

court became dated and less accessible to theatergoers of later generations. The play's sophisticated wordplay, pedantic humour and dated literary allusions may also be cause for its relative obscurity, as compared with Shakespeare's more popular works. *Love's Labour's Lost* was rarely staged in the 19th century, but it has been seen more often in the 20th and 21st centuries, with productions by both the Royal Shakespeare Company and the National Theatre, among others. It has also been adapted as a musical, an opera, for radio and television and as a musical film.

Shakespeare's Comedy of Love's Labour's Lost

Excerpt from *Love's Labour's Lost* Critics have dealt harshly with *Love's Labour's Lost*, and commentators - it may be for that reason - neglectfully. 'In this play,' says Johnson, 'which all the editors have concurred to censure, and some have rejected as unworthy of our Poet, it must be confessed that there are many passages mean, childish and vulgar; and some which ought not to have been exhibited, as we are told they were, to a maiden queen.' He adds, however, a saving clause - 'But there are scattered, through the whole, many sparks of genius; nor is there any play that has more evident marks of the hand of Shakespeare.' Dryden had classed it, in his *Defence of the Epilogue*, among the plays 'which were either grounded on impossibilities, or at least so meanly written that the comedy neither caused you mirth nor the serious part your concernment' - relegating, we assume, *Love's Labour's Lost* to the second of these categories. Hazlitt, the avowed impressionist, confesses, 'If we were to part with any of the author's comedies it would be this.' To the good Gervinus it 'gives the idea of an excessively jocular play': and even to Brandes Shakespeare seems here to bury himself in the follies he attacks and 'is still too inexperienced to realise how he thereby inflicts upon the spectator and the reader the full burden of their tediousness.' All this bewilders us who would, if only for its poetry, rank *Love's Labour's Lost* well above *The Two Gentlemen of Verona* or *The Comedy of Errors*, its nearest

competitors among Shakespeare's juvenile efforts. But, though bewildered, we dissent point-blank, and specially from the epithet 'mean.' Love's Labour's Lost by William Shakespeare

The sparkling repartee between the fair visitors from France and their hosts in Navarre, whose vow to study out of sight of woman is quickly broken, makes Love's Labour's Lost one of the most delightful and stageworthy of Shakespeare's comedies. This edition offers a number of new readings of difficult and disputed passages, together with some suggestions about the way in which the play's notorious

`tangles' may have come about. The text is based on the quarto of 1598 and takes full account of the extensive scholarly study which that text has received over recent years. It offers a fascinating insight into Shakespeare's mode of composition, improvisation, and revision.

Love's Labour's Lost

Love's Labour's Lost is one of William Shakespeare's early comedies, believed to have been written in the mid-1590s for a performance at the Inns of Court before Queen Elizabeth I. It follows the King of Navarre and his three companions as they attempt to forswear the company of women for three years of study and fasting, and their subsequent infatuation with the Princess of France and her ladies. In an untraditional ending for a comedy, the play closes with the death of the Princess's father, and all weddings are delayed for a year. The play draws on themes of masculine love and desire, reckoning and rationalization, and reality versus fantasy. It has also been adapted as a musical, an opera, for radio and television and as a musical film.

Shakespeare's Comedy of Love's Labour's Lost

LOVES LABOURS LOSTA most excellent reason exists for Kenneth Branagh making the decision to turn William Shakespeare's Love's Labour's Lost into a musical comedy when he adapted it for the screen. (Although critics and the dozen or so people who actually paid to get into a theater to watch it may disagree.) Even without Branagh's transformation of the play into a 1930s Hollywood-style musical, Love's Labour's Lost could quite accurately be termed the Bard's attempt at writing a Broadway-style musical comedy since a faithful presentation of the intact play with no cuts produces more singing than any other of his plays. That being said, it is worth pointing out that Branagh's filmed version of Love's Labour's Lost released in 2000 was the first feature film version of the play and not only was the setting updated by several centuries, but roughly two-thirds of the text was cut and additional characters not found in the original. While the film was a flop, that failure is not likely placed on those changes since perhaps more than any Shakespeare play, Love's Labour's Lost seems to be directed toward the specific aesthetic characteristics of Elizabethan courtiers. Very few people then, now or ever have any real ability to relate to the aesthetic demands of those attending Renaissance court. As a result, this very early effort by Shakespeare--perhaps his first attempt at a comedy--has never been particularly popular once production of Shakespeare's plays moved outside the environs of the aristocracy and into the theater of the people from the Globe to the Cineplex.
