Gurdjieff on Energy 1/30/1923 Priore

large muscles consume less energy

if a man suffers from chronic tension

we cannot get more energy

the only way out - economize the energy we have

a man's sleep is nothing else than interrupted connections between centers

Memory, attention, observation is nothing more than observation of one center by another

deep sleep comes when the connections between centers are broken

there are different degrees between our waking state and sleep

Deep states of sleep are the same for all, but intermediate degrees are often subjective

the purpose of sleep is achieved only when all the connections between the centers are broken

Deep sleep is a state when we have no dreams or sensations

if the machine is in good order, it needs very little time to manufacture that quantity of matter for which sleep is intended

82 Advices from Gurdjieff for his daughter. - 82 Advices from Gurdjieff for his daughter. by Michael Garland 143,037 views 10 years ago 9 minutes, 12 seconds

Intro

Always finish what you have begun.

Organize what you have disorganized

Do not seduce

Do not establish useless friendships.

Do not follow fashions

Do not sell yourself

Do not complain.

Do not proselytize your work or ideas.

Do not keep useless objects.

Justify yourself to no one, and keep your own counsel.

When someone asks your opinion about something or someone, speak only of his or her qualities.

Look directly, and do not hide yourself

If you decide to work to help others, do it with pleasure.

If you are hesitating between doing and not doing, take the risk of doing

Never brag about amorous adventures

Never glorify your weaknesses.

Obtain things in order to share them

and a devil appears, make the devil meditate

Now Most Medieval Books with Illustrations Are Complete Which Makes It Difficult To Survey the Progression of the Production of a Miniature and a Miniature Being a Framed and Freestanding Picture or Illustration but I'M Going To Show You Four Images from a Book Called the Douse Apocalypse Apocalypse Is an Illustrated Version of the Last Book of the New Testament the Revelation or Apocalypse the Vision of St John of the Last Days Running Up to the Last Judgement in the Second Coming of Christ and Which Lives Today in the Bodley in in Oxford and Was Interestingly Never Finished It Was Made in the 12 60s in London It's another Court Manuscript

And You Didn't Want To Be Using Sticky Gums or Burnishing the Gold and Run the Risk of Spoiling Your Precious Pigments Are You Gilded First and Here We've Got Gold Leaf Gold That's Been Hammered to Leaf like Thinness between Sheets of Parchment and this Book Has Gold Leaf Applied Directly onto a Layer of Gum or Glue That's Been Painted onto the Parchment so the Gold Is Relatively Flat but You Can if You Look at the Initial from a Worcester Cathedral Library Manuscript Here of the Late 12th Century

This Is Normally a Kind of Plaster or Gesso Which Has Been Colored with a Pink or Red Pigment so that You Build Up Your Cushion of Pigment and the Gold When It's Laid on the Top Appears Thicker than It Really Is and It Also Catches the Light Spectacularly and Sparkles Red Is Chosen as a Ground because Rather like in Panel Painting Where You Tend To Put a Sticky Red Bowl under Your Gilding It Endow the Gold with a Warmth Which Is Lacking if It's Put Straight onto White Parchment and There Is another Way of Preparing Gold

But if I Could You Would Find that the Little Phrase Down Here Which Begins Eed a's Will Be the First Line of the Text Panel on the Next Page and this Signals to the Binder That this Is the End of the Previous Gathering and It Goes with the Next Gathering Which Has the Opening Words at the Top That Are as the Same as the Catch Word Down Here So Having Assembled Your Gatherings or Choirs Which Sometimes Are Numbered Rather than Given Catch Words as in this Instance in the Correct Order You Then Stitched with Linen Thread across the Spine of the Gatherings To Keep Them Together

Usually from Heavy Woods like Beech or Oak Intended To Keep Springy Parchment Leaves As Flat as Possible and these Boards Were the Covers for the Book so You Threaded Your Thongs through the Tunnel Grooves You Peg Them into Place Where They Emerge from the Board and You Are Left with a Sandwich of Parchment Gatherings with a Board on either Side a Flat Spine Punctuated by the Ridges of the Leather Thongs and the Next Decision Was How To Cover the Board's this Depended

on the Function of Your Book the Illustration on the Left Shows You a Schoolbook a Scholarly 12th Century and Texts from Flanders
And You Are Left with a Sandwich of Parchment Gatherings with a Board on either Side a Flat Spine Punctuated by the Ridges of the Leather Thongs and the Next Decision Was How To Cover the Board's this Depended on the Function of Your Book the Illustration on the Left Shows You a Schoolbook a Scholarly 12th Century and Texts from Flanders Which Lives Today in the Chained Library at Hereford Cathedral Which Is Why It Has the Chain Attached to It That Was To Stop the Cannons at Harrow Food from Wandering Off Absent Mindedly with Books from the Library and Here because this Is a Utilitarian Volume the Boards Have Simply Been Covered with Leather Stretched over the Board's Glued in Place and Then the Leather Has Been Stamped
Gurdjieff - Rare Remarkable - Gurdjieff - Rare Remarkable by AENSCHOOL 291,018 views 13 years ago 5 minutes, 54 seconds - George Ivanovitch Gurdjieff - parts of the only moving images (film, footage) of G.I.Gurdjieff 1947-49. Fourth Way. Movements.
