Secrets of Jerusalem's Temple Mount

Published by the Biblical Archaeology Society, this edition brings the best-selling "Secrets" book up to date with the latest research on the Temple Mount. Still concise, still affordable, it now contains new chapters on why we can rely on the description in Middot to describe the structure of Herod's Temple and a look at how model making can help us to understand what Solomon's Temple looked like. A unique feature of this new book is a tour of the Temple Mount guided by King Herod the Great. - Publisher.

The Jerusalem Temple Mount: A Compendium of Ancient Descriptions

Recounting the story of the Temple Mount of Jerusalem and revealing its many secrets, this book claims to expose the true historical origins and the real motives of such organizations as the Knights Templar and the Freemasons, and to present new evidence about the fate of the Ark of the Covenant.

Blood on the Mountain

The history behind the Copper Scroll and the true story of Jim Barfield's quest for its treasure. Whether the objects are of legend or history, certain ancient mysteries arrest the imaginations of every generation. These antiquities refuse to be forgotten by the human spirit—hidden sufficiently to evade discovery, but historically prominent enough to leave a smattering of clues. Many explorers have fallen prey to fortune's siren call, spending their lifetimes searching for the artifacts that promise to alter human history. The Copper Scroll Project is a relative newcomer to the modern treasure hunt. Part of the Dead Sea Scrolls collection, the Copper Scroll is unlike any of the leather and papyrus documents, though not simply for its copper plates. The relic reads like a coded map, listing dozens of hiding spots where tithes and vessels thought to be secreted from the Jewish Temple were stored for safekeeping. More

than fifty years after archaeologists found this unique artifact in a cave near Qumran, four adventurers have dared to chase after the scroll's priceless relics. "A unique introduction not only to a famous biblical mystery but to the world of American Christian interest in Israel, which remains opaque or bewildering to many outsiders, and is often caricatured."—Matti Friedman, author of *The Aleppo Codex* "Equal parts mystery, treasure hunt and erudite elucidation of biblical history."—Chanan Tigay, author of *The Last Moses* "Neese's narrative pacing and story-telling is masterful. She gets the political and religious nuances of contemporary Israel."—Elliot Jager, Jerusalem-based author and former editorial page editor at *The Jerusalem Post*

The Jerusalem Temple Mount Myth

With the background of the Jerusalem being discussed, it is meant to enlighten the people about the secret history of Jerusalem and its hidden culture. The materials being presented is the summary of the philosophers and historians of the world. Much of the history of Jerusalem enlightens the readers about what all happened at the Temple Mount and the City of David after the era of the fall of the Roman Empire after the discovery of the lost temples in Jerusalem. To begin the journey of the history of Jerusalem, the geography of Jerusalem is presented with the use of maps and visuals and the exact location of the places of historic and religious importance. One can be enlightened about the greatness of the place with the impressive display of the "Temple Mount" complex that is known by the Arabs as the Haram esh-Sharif also known as the Noble Enclosure with the display of the impressive walls. There is a comparison made about the prophecies and forecasts made by Jesus Christ who spoke about the destruction of the holy city of Jerusalem and the Temple.

The Copper Scroll Project

According to the Hebrew Bible, King Solomon built a Temple to the Lord in Jerusalem on a threshing floor that his father, King David, purchased from Araunah the Jebusite for 50 shekels of silver. "No other building of the ancient world," claims the *Anchor Bible Dictionary*, "either while it stood in Jerusalem or in the millennia since its final destruction has been the focus of so much attention throughout the ages." This stunning book, with its 160 illustrations, is a history of the Temple or Temples in Jerusalem from Solomon's time to the present. The book reads like an archaeological excavation, digging deeper and deeper at one site. Starting with a discussion of the Palestinian denial of a Jewish Temple, the book proceeds to explore the Islamic Dome of the Rock, the little-known Roman Temple of Jupiter, Herod's massive Temple Mount, the Temple built by the exiles returning from Babylon, and finally Solomon's Temple. With a lively and informative text to accompany the pictures, Jerusalem's Temple Mount is replete with archaeology, history, legends (Jewish, Christian, and Muslim), inscriptions, biblical interpretations, and forgeries.

Secret History of Jerusalem

An illustrated history of Jerusalem's controversial Temple Mount, a site sacred to Jews, Muslims, and Christians alike

Jerusalem's Temple Mount

The author purports to show that the place originally believed to be the site of the Holy Temple Mount in Jerusalem is not the site at all. He raises other questions and concerns about theology and beliefs among the three major religions that play out in this debate: Judaism, Christianity and Islam.

Faith and Fury

Blood on the Mountain is the first book to recount the full story and reveal the many secrets of The Temple Mount of Jerusalem. It is a tale of bloodshed, human greed and depravity, unparalleled in history. Today the Mount is a walled complex with at its centre the famous Dome of the Rock, which covers a small area of exposed mountain known as the As Sakhra or Foundation Stone. Traditionally the birthplace of monotheism, where Abraham prepared the sacrifice of Isaac, the stone is believed to mark the location of King Solomon's Temple which contained the Ark of the Covenant. Solomon's Temple was destroyed by the Babylonians in 586 BC, and the Second Temple, built by Herod, became the focal point for much of Jesus' ministry. The As Sakhra is also sacred to Muslims as the place where Muhammed ascended into heaven on his night-time journey from Mecca. But despite such spiritual associations, the Temple Mount remains historically the most violently disputed single location

on earth; more human blood has been spilt per square metre of its surface than at any other man-made human location in known civilisation, and as the Millennium draws to a close, and militant religious attitudes harden in Israel, the threat of renewed human bloodshed, on a massive scale, persists. This is a revelatory book, containing a central line of detection which unfolds on many levels of history, archaeology and faith. The story contains some of the most famous characters of history: King David, King Muhammad and Lawrence of Arabia. Blood on the Mountain exposes the true historical origins, and the real motives which lie behind the activities and involvement of such organisations as the Knights Templar and the Freemasons, and reveals new evidence about the physical properties and fate of the Ark of the Covenant.

Jerusalem's Temple Mount

Veteran author Ilene Cooper explores the turbulent history of one of Jerusalem's most sacred sites in this timely, illustrated nonfiction offering, *Faith and Fury: The Temple Mount and the Noble Sanctuary*. Towering over the Old City of Jerusalem is a place where worlds meet, conflict arises, and history changes. Known to Jews as the Temple Mount, it was once the site of the great temples built by Solomon and Herod. To Muslims, it is the Noble Sanctuary and home to one of the most sacred buildings in the Muslim world, the Dome of the Rock. Venerated by Jews, Muslims, and Christians alike, it attracts pilgrims and tourists from around the world—and is the focus of the bitter and intractable conflict between Israel and the Arab world that dominates today's news.

Blood on the Mountain

Rose Guide to the Temple is the only Christian book on the Temple in Jerusalem with clear plastic overlays that allow you to “see inside” the Jerusalem temple and has over 150 temple pictures, illustrations, diagrams, and charts, many of which have never published before, and covers the important events and people in the history of the Temple from Abraham to modern day! *Rose Guide to the Temple* is a full-color Christian book that provides a complete, easy-to-understand overview of the history of the Temple in Jerusalem. Based on the most up-to-date discoveries, this book explains the biblical and historical background of the temple in Jerusalem. The author is archaeologist and professor Dr. Randall Price, who has spent more than 30 years exploring the Holy Land and studying the Temple Mount in Jerusalem. Bonus! Temple Poster by National Geographic shows a new digital model of the Herodian Temple Mount throughout time! Covers Important Events and People in the History of the Temple from Abraham to Modern Day. Includes 4 sections, as follows: Section 1: God's Sanctuary before the Temple (Pre-temple Sanctuaries) Section 2: The First Temple in Jerusalem (The First Temple's Construction, Design, and Destruction) Section 3: The Second Temple in Jerusalem (Zerubbabel's and Herod's Temples) Section 4: The Modern Temple Mount and Future Temple (Ezekiel's Temple)

Faith and Fury: The Temple Mount and the Noble Sanctuary: The Story of Jerusalem's Most Sacred Space

One of the splendours of the Augustan age, the great temple at Jerusalem occupied an area four times larger than the Acropolis. Even before this period the site had already seen much building. Here the authors have created a sourcebook on the cisterns, subterranean chambers and conduits of the Haram al-Sharif. Public and archival sources have been gathered together and original plans and drawings were re-examined, in order to enable other scholars to make use of this rich resource.

Rose Guide to the Temple

In this thoroughly provocative book, the late Eugene Seach made a detailed study of the intractable mystery of the Jerusalem temple. Using historical sources and ingenious detective work, Seach suggested that the cherubim in Solomon's temple were portrayed in a copulatory embrace. Aware that this thesis was not entirely novel, the author built a substantial case in its favor and traced the influence of the atonement (at-one-ment) theology behind the concept through the periods of Israel's wisdom school, into the New Testament and Gnostic sources, up through the Middle Ages.

Below the Temple Mount in Jerusalem

No book is better suited to the study, understanding, and development of the manmade plateau that is the focus of the world's interest the Temple Mount in Jerusalem than *The Quest*. Ritmeyer's experience as architect of the Temple Mount Excavations following the Six-Day War, coupled with his exploration

of parts of the mount now hardly accessible and his doctoral research into the problems of the Temple Mount make him singularly qualified for the task. The Quest has large, readable font and is profusely illustrated with hundreds of full-color maps, plans, drawings and photographs. Inside, there are vivid views of the Holy Temple in Jerusalem through the ages and superb reconstructions of Temple Mount architecture. The Quest includes amazing discoveries and verification of biblical accounts. "

The Temple of Jerusalem with the History of the Temple Mount. [Illustr.]

In 70 AD, the Roman emperor Vespasian and his son Titus plundered the great Temple of Jerusalem, claiming for themselves a priceless hoard. The golden candelabrum, silver trumpets, the bejeweled Table of the Divine Presence—the central icons of the Jewish faith—were cast adrift in Mediterranean lands and exposed to centuries of turbulent history and the rule of four different civilizations. Only an intriguing trail of clues remains to betray the treasure's ever-changing destiny—a trail eminent archaeologist Dr. Sean Kingsley has followed on one of the most remarkable quests of this or any other age: the search for the final resting place of God's gold.

A Great Mystery

A fully illustrated history of the Temple of Solomon • Examines the Temple of Solomon in the Hebrew Scriptures, the New Testament, and Apocryphal writings • Explores its role in the founding of Freemasonry, the legends of the Knights Templar, the doctrines of the Kabbalah, and the teachings of Islam • Explains the sacred nature of the Temple Mount--the site of the Temple of Solomon--and the secrets that may still be hidden there • Richly illustrated, including many photos and images from rare archives

The spiritual heart of many esoteric societies, the Temple of Solomon was located atop the Temple Mount in Jerusalem, a site venerated by the three great monotheistic religions as the intersection of Divine and human. Built by King Solomon at the peak of ancient Israel's power, the Temple of Solomon housed the golden Ark of the Covenant in its Holy of Holies, a sacred chamber where one could communicate directly with God. Centuries after the temple's destruction, the Temple Mount was used as the headquarters for the Knights Templar during the Crusades, and countless legends have come down through the centuries about the secrets they may have uncovered there, including discovery of the Holy Grail or the Ark of the Covenant. Richly illustrated with biblical and Masonic illustrations, photographs, and ancient and modern paintings--many from rare archives--this book explores the Temple of Solomon in the Hebrew Scriptures, the New Testament, and Apocryphal writings as well as its role in the founding of Freemasonry, the legends of the Knights Templar, the doctrines of the Kabbalah, and Muhammad's visionary journey from the Temple Mount through the heavens. Seeking to understand the powerful desire of many religions and secret societies to re-create the temple through ritual and prayer, James Wasserman explains why it was built, the magical forces King Solomon may have used in its creation, what its destruction meant for Jews and Christians alike, and why the Knights Templar as well as several modern secret societies named their orders after it. Detailing the sacred architecture of this perfectly proportioned mystical edifice through words and art, the author reveals the Temple of Solomon as the affirmation of God's presence in human affairs, the spiritual root of Western culture, and an important monument to the Divine nearly forgotten in today's secular times but sorely needed to bridge the divide between our ancient past and our spiritual future.

The Quest

This is the most up-to-date book on sites and discoveries in Jerusalem and an excellent and enriching guidebook for touring the Holy City. The book also reveals sites and places which are not widely known, including beauty spots, buildings with a special history, rare observation points, and archeological discoveries. With its help one can also discover places which are off the beaten track and about the existence of which even veteran Jerusalemites are amazed to learn. The book yields a great deal of valuable information about the development of Jerusalem. About its contrasts, about the meeting of the three monotheistic faiths, a city in which the old and the new meld into a marvellous harmony and walking in it is an inspirational experience Jerusalem, in addition to the wealth of synagogues, churches, monasteries, mosques and historic buildings in its 3.000 year history, is also a city of intensive culture and is becoming increasingly modernized with a light railway system, a Calatrava bridge, tunnels, modern access roads and new railway stations. Simultaneously with the modernization of the city much intensive archeological excavation is being carried out. The book describes discoveries in the City of David, finds on the Temple Mount, cemeteries from the First Temple period, the Roman Cardo and the Madaba Map. citadels from the days of the last Kings of Judea and from the time of Judah

the Maccabee, and so on. The book is written clearly and concisely and is lavishly illustrated with spectacular photographs. It was written in the course of the author's walking tours and with constant updating. Dr. Adam Ackerman has written 21 textbooks covering the history of the Holy Land, Zionism and Jerusalem, which have appeared in numerous editions. He has a regular column in the Israeli press on "Sites in Jerusalem" and is a much sought after and exciting lecturer. Tribute was paid to Dr. Ackerman in recognition of his work at a special ... [long field truncated].

The Mystery of the Temple Mount

Sovereignty over the Temple Mount in Jerusalem is one of the most difficult problems in the ongoing Israeli-Palestinian conflict. Although it is a present-day bone of contention, its roots go back into the distant past. Israelites, Christians, and Muslims had fought over this holy site, and built on it a succession of shrines. The book leads the reader into the intricate history, geography, and politics of this unique site. It relates the roots of its holiness, describes the succession of temples built on it, and explains how in the twentieth century its sanctity became intertwined with the national aspirations of both Jews and Arabs. It explains why the Temple Mount is considered the holiest site for the Jews, and how it became holy also to the Muslims. The book also explores the role of evangelical Christians, who, alongside a segment of the Jewish population, see the Temple Mount as the center of messianic aspirations, fed by the myriad of Jewish, Christian, and Muslim legends and myths which evolved around it. The book is richly illustrated with photographs, sketches, maps, and plans.

God's Gold

The first modern guide to the Temple Mount for visitors of all religions. The authoritative text of JERUSALEM: THE TEMPLE MOUNT contains priceless information and is richly documented with detailed maps, plans and stunningly evocative reconstructive illustrations.,

The Temple of Solomon

The year is 1290--twilight of the Crusades. War-weary Knight Templar, Jonathan St. Clair, is garrisoned in the port city of Acre and more interested in learning Kabbalah than fighting Moslems. He possesses an ancient scroll with a cryptic inscription, the key to unlocking the secrets of Jerusalem's Temple Mount. But none of the Jewish scholars in Acre can decipher the inscription. And time is running out. Acre will soon come under siege, and the one man able to decipher the scroll's meaning, Rabbi Samuel of Baghdad, has been targeted for assassination. Deep in enemy territory, St. Clair apprentices himself to Rabbi Samuel as they travel to Jerusalem, risking everything to fulfill their shared and sacred destiny as guardians of the Temple Mount.

The Mysteries of Jerusalem

A spellbinding history of the hidden world below the Holy City—a saga of biblical treasures, intrepid explorers, and political upheaval “A sweeping tale of archaeological exploits and their cultural and political consequences told with a historian’s penchant for detail and a journalist’s flair for narration.” —Washington Post In 1863, a French senator arrived in Jerusalem hoping to unearth relics dating to biblical times. Digging deep underground, he discovered an ancient grave that, he claimed, belonged to an Old Testament queen. News of his find ricocheted around the world, evoking awe and envy alike, and inspiring others to explore Jerusalem’s storied past. In the century and a half since the Frenchman broke ground, Jerusalem has drawn a global cast of fortune seekers and missionaries, archaeologists and zealots, all of them eager to extract the biblical past from beneath the city’s streets and shrines. Their efforts have had profound effects, not only on our understanding of Jerusalem’s history, but on its hotly disputed present. The quest to retrieve ancient Jewish heritage has sparked bloody riots and thwarted international peace agreements. It has served as a cudgel, a way to stake a claim to the most contested city on the planet. Today, the earth below Jerusalem remains a battleground in the struggle to control the city above. Under Jerusalem takes readers into the tombs, tunnels, and trenches of the Holy City. It brings to life the indelible characters who have investigated this subterranean landscape. With clarity and verve, acclaimed journalist Andrew Lawler reveals how their pursuit has not only defined the conflict over modern Jerusalem, but could provide a map for two peoples and three faiths to peacefully coexist.

The Temple of Jerusalem

Jewish dreams of a third temple on Temple Mount seem thwarted by the Islamic shrine the Dome of the Rock, or Qubbat As-Sakhrah. But was this where the biblical temples ever actually stood? What if this was never the correct site? What if there is nothing to prevent the temple being built on its actual correct site, the site known through the ages as the Place? Adam, Melchizedech, Abraham, Isaac, Jacob, David, and many more through to Jesus and the apostles all have this in common: their lives and ministries centred around and related to what had become known as the Place. What is the Place? Where is it? And what is its extraordinary meaning and significance? Take a captivating narrative journey of discovery from Adam to John as the mystery of the Place unfolds.

Contested Holiness

After selling his Silicon Valley company, Alex Kalman spends two years wondering what to do with his life. Then a deathbed request from his estranged grandfather sends Kalman on a quest that takes him from Washington's corridors of power to ancient passages under Jerusalem's Temple Mount. Finally, Americans, Arabs, and Israelis agree on something--the need to stop Alex Kalman. "A terrific battle of wit and wills. Highly recommended for fans, like me, of action, history, secrets, and conspiracies." Steve Berry, the New York Times bestselling author of *The Lincoln Myth* and *The King's Deception* "Tightly woven, lightning-paced, and touching the heart, Temple Mount tells a story as old as time and as current as today's headlines." Cara Black, the New York Times bestselling author of the Aimée Leduc Series "Is it possible that the Ark of the Covenant is still somewhere under Jerusalem, waiting for discovery? Temple Mount made me believe. Silicon Valley meets Raiders of the Lost Ark--a sharp, pacy thriller that's also a perfect armchair escape." Joseph Finder, the New York Times bestselling author of *Suspicion and Paranoia*

Jerusalem

This book provides a backdrop to the Gospel scenes which depict the Lord Jesus moving through the Temple Courts, a place where he performed many of his most significant acts. Although the Temple complex that Jesus knew was a very different one to that rebuilt by the returning Jewish exiles from Babylon, the site retained the name of Second Temple. This was because its builder, the Edomite King Herod the Great, was not allowed by the religious Jewish authorities to make any substantial changes to the Temple building proper. However, in the vastly enlarged and embellished platform on which the Temple stood, Herod was able to express his passion and creative genius for building. Following a full description of this platform, the authors begin at the Holy of Holies, the central focus of the complex, and follow Jesus and his contemporaries through the great Sanctuary of Israel. Stopping off at many points along the way, they reflect on scenes such as the Presentation in the Temple, Jesus' visit at age twelve and the rending of the veil between the Holy and the Most Holy at his crucifixion. Their exploration is facilitated by the richly detailed reconstruction drawings that accompany the lively text.

The Rabbi's Knight

The author's new revelation is that the Old City of Jerusalem can be seen as one large temple, the original Temple of King Solomon. Using street maps of the Old City, legends of the Temple's original measurements, and the numerical laws of the ancient canon, he reveals an existing temple within the streets of Jerusalem. The essence of the temple is its plan, which contains the key to forgotten knowledge, the blueprint by which the universe was made, and the lost canon that provided laws and standards.

Under Jerusalem

*Includes pictures *Includes Biblical accounts describing the Temple *Includes a bibliography for further reading "In the four hundred and eightieth year after the Israelites came out of Egypt, in the fourth year of Solomon's reign over Israel, in the month of Ziv, the second month, he began to build the temple of the Lord." - 1 Kings 6:1 "In the year that king Uzziah died. I saw the LORD sitting upon a throne high and lifted up, and His train filled the hekhal (sanctuary)." - Isaiah 6:1 There was not any one entity more central to the Yahwistic Judean religion during the monarchy than the temple of Solomon. It symbolized the presence of YHWH in the nation, as well as his enduring protection of the nation and the Davidic royal throne. Judean worshippers directed their prayers toward the Solomonic temple, and eventually, the Judean prophets and theologians declared that this was the only legitimate location where priests could perform sacrifices and other religious rites for YHWH. Its significance can be seen most clearly in the dramatic cognitive dissonance experienced by the Judeans in Babylonian captivity

after the destruction of the temple, which had been so central to their religious conception that they had great difficulty reconciling its destruction with their continued belief in YHWH at all. The Temple and the Biblical descriptions of it have fascinated people for centuries and led to all kinds of conjecture and imagination. In addition to countless works of art, Isaac Newton tried to make a model of it in his writings, and he wrote about the temple extensively. Even Freemasons give a nod to Solomon's Temple by calling their meeting places temples as well. That said, the Temple remains an enduring mystery due to conflicting accounts and descriptions of it in the Bible, and some scholars have even put forth theories that the structure was not originally designed to serve religious purposes in the first place. The Temple Mount remains the holiest place in Judaism over 2,000 years later, and due in part to that religious sensitivity and the current placement of the Al-Aqsa mosque there, archaeological work is almost nonexistent. As a result, some have continued to question whether Solomon's Temple ever actually existed, pointing not only to lack of physical evidence but also the fact that contemporary Jewish literature aside from the Bible makes no mention of it. The political tensions between the modern state of Israel and the Palestinians have also made the temple and all of Jerusalem contentious issues. The Temple of Solomon: The History of the Jerusalem's First Jewish Temple discusses the history, mystery and controversy surrounding the temple, examining the Bible and historical record in an attempt to separate fact from fiction. Along with pictures and a bibliography, you will learn about Solomon's Temple like never before, in no time at all.

The Place

An old friend summons dashing linguistics professor Thomas Lourds to Jerusalem to examine an ancient text. But Iran's Supreme Leader, Ayatollah Ali Khamenei, also wants the same document. Khamenei and many others believe that the book contains a secret that will allow its owner to rule all of Islam and wage a Global Jihad the likes of which has never been seen before. Arriving in Jerusalem, Lourds discovers that his friend has been murdered and his apartment ransacked. With the help of Miriam Abata, a beautiful Iranian-American Jewish graduate student, he races against the clock to seek the dangerous document: Lourds seeks to save civilization while his enemies hope to destroy it. Continuing the New York Times bestselling series that includes *The Atlantis Code* and *The Lucifer Code*, *The Temple Mount Code* will appeal to readers interested in history and treasure hunting in the Holy Land and is perfect for fans of Dan Brown, Brad Meltzer, James Rollins, and Steve Berry. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Reclaiming the Temple Mount

The One Resource with All the Facts You hear about Israel in the news regularly, but beyond the many opinions and preconceptions, do you really know what to make of the conflicts and controversies in the Middle East? *What Should We Think About Israel?* exposes the main current issues and provides well-researched objective facts to help you learn the truth about Israel's past, present, and future. This compilation from experts including Walter Kaiser, Jr., David Brickner, Mitch Glaser, Michael Brown, Arnold Fructenbaum, and Steven Ger, will help you answer the tough questions: What is the history of the strife and suffering that continues in Israeli and Palestinian territories—and what are the potential solutions? What are the significant and long-term implications of locating the US Embassy in Jerusalem? Why is the Holocaust still such a big deal nearly 75 years after it happened? What is the Boycott, Divestment, Sanctions movement all about? What is being done to restore relations between Jews and Arabs? Learn from respected scholars how to look past the heated debates and discern for yourself what is important to know about Israel, and how that affects you today.

The Holy Temple of Jerusalem

Temple Mount
