THE APPETITE FOR PENNY STOCKS—stocks that trade for less than \$5 a share—is greater than it's ever been. Due to their potential for rapid change, these investments can be both lucrative and high-risk. Penny stocks that pass the proper analysis can quickly multiply in value, dramatically outperforming every other type of stock, including so-called "safe" blue chips. Exciting, original, and inspiring, Invest in Penny Stocks is the only book of its kind. The Penny Stock Professional, Peter Leeds introduces you to all the concepts needed to become a successful penny stock investor: risk-free paper trading, tactics of the pros, the best markets, effective due diligence, and much more. He also reveals his 29-point Leeds Analysis, which uncovers the absolute best small companies with strong management teams, great upside potential, proven revenues, patented technologies, and rock-solid fundamentals. These premium penny stocks are more likely to outperform, and less likely to suffer downside price moves. Packed with nearly twenty of Leeds' favorite trading tactics and over forty real company trading charts, Invest in Penny Stocks can quickly help anyone become a successful trader. Using methods of fundamental and technical analysis developed over many years, Peter Leeds is consistently able to discover value in companies that others can't see. With Invest in Penny Stocks, he shows you how to take advantage of the opportunities that everyone else is missing.

Discover the secret trading method that Ross Cameron used to turn \$583.15 into over \$97k - it's easier than you think! Do you wonder why so many people frown upon trading penny stocks? Have you already tried investing in penny stocks on your own, only to lose thousands overnight? Do you want to know how to consistently turn a profit on your penny stock investments, without feeling like you're secretly being played? You might've heard that you shouldn't trade penny stocks. Hundreds of experienced day traders and so-called "experts" will laugh in your face the moment you ask them why investing in penny stocks is a horrible idea. According to the US Securities and Exchange Commission, in total, investors lose over \$18 billion per year in penny stocks. And yet a select few individuals are still able to turn stocks worth less than \$1 into 6-figure profits. Like Roland Wolf, who was living paycheck-to-paycheck before he passed \$1 million in trading profits on penny stocks. And Ross Cameron, founder of Warrior Trading, who lost \$15k in penny stocks before converting \$583.15 into upwards of \$130,000 in profits. And Tim Grittani, who transformed his life savings of \$1,500 into over \$12 million in returns. You might think it's impossible to recreate these results. After all, most people who trade penny stocks end up losing money. But that doesn't have to be you. Because if you use the right trading methodology for your penny stock investment strategy, you can stand to make steady short-term gains that'll bring you incredible earnings in the long run. Want to be in the elite 1% of traders who make 99% of the money in the penny stock market? Read on... It is a fact that 99% of traders who play the penny stock market will lose money. But why does this happen? Because they look at penny stocks like a casino. They aimlessly throw money at the market on the small chance they get that elusive big win. The mythical 10000% rise in stock price overnight turns their \$500 into \$500,000. But those in the know understand that this simply doesn't happen. And they're all too ready to take money from poorly educated individuals involved in stock market investing. The winners in the penny stock market are the stock traders who trade on numbers, not grandiose claims made by micro-cap companies. They are focused on mastering the trade on a consistent basis rather than shooting for home runs. If you can grasp this concept, then the sky is the limit. Penny Stocks: will give you the necessary tools and foundations to develop a profitable trading strategy. The tools you need to become part of the exclusive group of top traders who make long-term profits trading penny stocks. The tools will give you a statistical advantage over the vast majority of traders and allow you to consistently win on trades.

PENNY STOCK INVESTING

What is Penny stocks ? Penny Stocks are those which trade at very low price and has a low market capitalization. While there is no simple definition, penny stocks in India generally trade at Rs 0.05 to Rs 10 per share. Individuals invest in these penny stocks and lose money as their share price is highly fluctuating. Pennystocking-that's what you're all here for, right? So what is pennystocking? Well, pennystocking is the game of trading penny stocks-or, stocks trading under \$5 dollars a share-in pursuit of profits. Forget value investing where you buy positions in strong companies and hold them for the long-term. Pennystocking is all about riding the waves of penny stock price moments. The better you learn to surf these waves, the better your profits will be. Read this paragraph over and over again. This is very important. This isn't investing-this is a game, and you have to look at it like a game. How do you learn the game? In my experience, the real reason why most traders lose money - and 90% of all traders will eventually lose money - is that they don't consider all the variables. You can't afford to make that mistake. You have to understand how Wall Street and all the characters involved work in order to adapt to change. The individual players and the stocks may change, but Wall Street never changes. For more information click on BUY BUTTON

Penny Stocks

Want to be in the elite 1% of traders who make 99% of the money in the penny stock market? Read on...It is a fact that 99% of traders who play the penny stock market will lose money. But why does this happen? Because they look at penny stocks like a casino. They aimlessly throw money at the market on the small chance they get that elusive big win. The mythical 1000% rise in stock price overnight which turns their \$300 into \$30,000. But those in the know understand that this simply doesn't happen. And they're all too ready to take money from poorly educated traders. The winners in the penny stock market are the traders who trade on numbers, not grandiose claims made by microcap companies. If you can grasp this concept, then the sky is the limit. Penny Stocks: Behind The Scenes, will give you the necessary tools and foundations to develop a profitable trading strategy. The tools you need to become part of the exclusive group of top traders who make long-term profits trading penny stocks. The tools that will give you a statistical advantage over the vast majority of traders and allow you to consistently win trades. To be a successful trader you must employ 3 basic concepts: Learn a trading system Adopt a trading plan Utilize strict money management It sounds so simple, yet so many people neglect 1 or more of these elements. They are the people whose entire trading "knowledge" comes from a \$2.99 basic trading handbook or a 1 hour long YouTube video from a so-called "guru". They are the masses who don't make money then cry that the penny stock market is rigged. They are the traders who will be fueling your profits. This book is the culmination of 14 years of full-time profitable trading experience, thousands of hours of technical trading research and over \$25,000 spent on a continued trading education. These methods haven't just worked for me. I have personally trained hundreds of successful traders using the techniques in this book. "I studied different trading systems for microcaps and pennystocks for 15 years, and without a doubt Dan's system beat all of them"- Lawrence, Penny Stocks: Behind The Scenes student What you will learn in this book: The 11 golden trading rules for

consistent long-term profits Why fundamental analysis of microcap companies is a great way to lose money Advanced technical analysis to foreshadow when you should buy or sell a particular stock - with over 35 annotated charts How to spot fraudulent tips from stock promoters The secret to getting a trade execution when nobody else can Complete breakdown of the psychology behind successful trading Why you should never pay for a stock picking service...and much, much more. As an extra bonus, you will receive a money management spreadsheet allowing you to calculate exactly how much you should invest in a particular stock. If you're looking for a get rich quick scheme, this is not the book for you. Or, if you're looking for the holy grail trading system which never posts a losing trade, then you are in the wrong place. But, if you are ready to get serious about trading, and have a burning desire to learn how to profit consistently from penny stocks, simply click 'order now' to begin your journey.
