PHENOMENOLOGY is a major strand within 20th-century continental philosophy, originating in the work of Edmund Husserl

It is conventional to distinguish between the "pure" phenomenology of Husserl

a distinction has traditionally been made between that which can be seen and that which is intelligible

If the intentionality of consciousness is the most basic theme of all phenomenology

What remains after everything else has been bracketed out is pure consciousness itself

Heidegger and Sartre take Husserl as their starting point
