The life of William Carey

A fascinating account of the life of William Carey, one of the nineteenth century's pioneers of Protestant mission in India.

The Life of William Carey, D.D

Reproduction of the original.

The Life of William Carey, Shoemaker & Missionary

The Life of William Carey, Shoemaker & Missionary is a biography by George Smith. Carey was a Christian missionary, Baptist minister, social reformer and cultural anthropologist who was active in Calcutta and Bengal.

The Life of William Carey, Shoemaker & Missionary

When I first went to Serampore the great missionary had not been twenty years dead. During my long residence there as Editor of the Friend of India, I came to know, in most of its details, the nature of the work done by Carey for India and for Christendom in the first third of the century. I began to collect such

materials for his Biography as were to be found in the office, the press, and the college, and among the Native Christians and Brahman pundits whom he had influenced. In addition to such materials and experience I have been favoured with the use of many unpublished letters written by Carey or referring to him; for which courtesy I here desire to thank Mrs. S. Carey, South Bank, Red Hill; Frederick George Carey, Esq., LL.B., of Lincoln's Inn; and the Rev. Jonathan P. Carey of Tiverton. My Biographies of Carey of Serampore, Henry Martyn, Duff of Calcutta, and Wilson of Bombay, cover a period of nearly a century and a quarter, from 1761 to 1878. They have been written as contributions to that history of the Christian Church of India which one of its native sons must some day attempt; and to the history of English-speaking peoples, whom the Foreign Missions begun by Carey have made the rulers and civilisers of the non-Christian world. The Life of William Carey, D. D. ;

The answer, big with consequence for the future of the East, was in their hands, in the form of a letter from Carey, who stated that "Mr. Thomas, the Bengal missionary," was trying to raise a fund for that province, and asked "whether it would not be worthy of the Society to try to make that and ours unite with one fund for the purpose of sending the gospel to the heathen indefinitely."

The Life of William Carey

William Carey (1761-1834) is known as the "father of modern missions". He was a British Christian missionary, Particular Baptist minister, translator, social reformer and cultural anthropologist who founded the first degree-awarding university in India. After he was forced to leave the British Indian territory by non-Baptist Christian missionaries, he joined the Baptist missionaries in the Danish colony in Serampore. One of his first contributions was to start schools for impoverished children where they were taught reading, writing, accounting and Christianity. He opened the first theological university in Serampore offering divinity degrees, and campaigned to end the practice of sati.

The Life of William Carey, Shoe-maker & Missionary

The Life of William Carey Shoemaker & Missionary by George Smith On the death of William Carey In 1834 Dr. Joshua Marshman promised to write the Life of his great colleague, with whom he had held almost daily converse since the beginning of the century, but he survived too short a time to begin the work. In 1836 the Rev. Eustace Carey anticipated him by issuing what is little better than a selection of mutilated letters and journals made at the request of the Committee of the Baptist Missionary Society. It contains one passage of value, however. Dr. Carey once said to his nephew, whose design he seems to have suspected, "Eustace, if after my removal any one should think it worth his while to write my Life, I will give you a criterion by which you may judge of its correctness. If he give me credit for being

a plodder he will describe me justly. Anything beyond this will be too much. I can plod. I can persevere in any definite pursuit. To this I owe everything." In 1859 Mr. John Marshman, after his final return to England, published *The Life and Times of Carey, Marshman, and Ward*, a valuable history and defence of the Serampore Mission, but rather a biography of his father than of Carey. When I first went to Serampore the great missionary had not been twenty years dead. During my long residence there as Editor of the *Friend of India*, I came to know, in most of its details, the nature of the work done by Carey for India and for Christendom in the first third of the century. I began to collect such materials for his Biography as were to be found in the office, the press, and the college, and among the Native Christians and Brahman pundits whom he had influenced. In addition to such materials and experience I have been favoured with the use of many unpublished letters written by Carey or referring to him; for which courtesy I here desire to thank Mrs. S. Carey, South Bank, Red Hill; Frederick George Carey, Esq., LL.B., of Lincoln's Inn; and the Rev. Jonathan P. Carey of Tiverton.

The Life of William Carey

Excerpt from *The Life of William Carey: Shoe-Maker Missionary* My three Biographies of Carey of Serampore, Duff of Calcutta, and Wilson of Bombay, cover a period of nearly a century and a quarter, from 1761 to 1878. They have been written as contributions to that history of the Church of India which one of its native sons must some day attempt; but also to the annals of the Evangelical Revival, which may well be called the Second Reformation; and to the history of English-speaking peoples, whom the Foreign Missions begun by Carey have made the rulers and civilisers of the non-Christian world. The Life of the Rev. Krishna Mohun Banerjea, D.L., Dr. Duff's second convert, and from his baptism in 1832 to his death in 1885 the leader of the Native Christians of India, is being prepared by one of his grandsons. To complete the story so far as India is concerned, we still desiderate such a record of progress in South India from Ziegenbalg and Schwartz to Anderson and Miller as Bishop Caldwell could give us; and a biography of Charles Grant, for which, I believe, there are abundant materials. The Life of William Carey, Shoe-Maker and Missionary

""Had he been born in the sixteenth century he might have been a Luther, to give Protestantism to Europe; had he turned his thought and observations merely to natural philosophy he might have been a Newton; but his faculties, consecrated by the Holy Spirit to a still higher end, have gained for him the sublime distinction of having been the Translator of the Scriptures and the Benefactor of India.""
""William Carey -- a man who unites with the most profound and varied attainments the fervour of an evangelist, the piety of a saint, and the simplicity of a child.""

The Life of William Carey, Shoemaker & Missionary

He was an industrialist. An economist. A medical humanitarian. A media pioneer. An educator. A moral reformer. A botanist. And a Christian missionary. And he did more for the transformation of the Indian subcontinent in the nineteenth and twentieth centuries than any other individual before or since. Many know of William Carey. Some know about the specifics of his work and ministry. But few understand the profound contemporary significance of his life. Few realize how much we owe the increasing globalization of Christianity to the silent revolution he initiated. Fewer still are aware of his legacy of sensitivity to the variety of issues confronting true gospel witness in any culture. This biography about the central character in the story of India's modernization and transformation will help you understand Carey's impact. But *The Legacy of William Carey* is more than a biography. It is a charge to all Christians to respond in kind within our own cultures, and to use Carey's example as our model for taking the light of the Gospel into every corner of society. If we follow in his footsteps, not only will lives be bettered this side of heaven, but hearts will be changed for eternity--and entire cultures transformed for Christ.

An Enquiry Into the Obligations of Christians, to Use Means for the Conversion of the Heathens

William Carey, an English Baptist pastor, has been called the "Father of the Modern Mission Movement". For the first time, his letters and journals are compiled and made available as a tutor for missionaries today. This book contains the edited version of Carey's complete journal written from 1793-1795, his first years in India, along with excerpts from letters addressing mission strategy, support, struggles, daily life, spirituality, and other important issues missionaries faced. The Journal and Selected Letters of William Carey reveals William Carey's unique understanding of the mission task. It allows insight into the character and personality of one of the most famous Christian missionary heroes.

The Life of William Carey

"An examination of the role of William Carey's circle of friends in carrying out his pioneering missionary efforts in India"--

The Legacy of William Carey

William Carey, the first of her own children of the Reformation whom England sent forth as a missionary to India, where he became the most extensive translator of the Bible and civiliser, was the son of

a weaver, and was himself a village shoemaker till he was twenty-eight years of age. He was born on the 17th August 1761, in the very midland of England, in the heart of the district which had produced Shakspeare, had fostered Wyclif and Hooker, had bred Fox and Bunyan, and had for a time been the scene of the lesser lights of John Mason and Doddridge, of John Newton and Thomas Scott. William Cowper, the poet of missions, made the land his chosen home, writing *Hope and The Task* in Olney, while the shoemaker was studying theology under Sutcliff on the opposite side of the market-place. Thomas Clarkson, born a year before Carey, was beginning his assaults on the slave-trade by translating into English his Latin essay on the day-star of African liberty when the shoemaker, whom no university knew, was writing his *Enquiry into the Obligations of Christians to use means for the Conversion of the Heathens*.

William Carey

William Golding was born in 1911 and educated at his local grammar school and Brasenose College, Oxford. He published a volume of poems in 1934 and during the war served in the Royal Navy. Afterwards he returned to being a schoolmaster in Salisbury. *Lord of the Flies*, his first novel, was an immediate success, and was followed by a series of remarkable novels, including *The Inheritors*, *Pincher Martin* and *The Spire*. He won the Booker Prize for *Rites of Passage* in 1980, was awarded the Nobel Prize for Literature in 1983, and was knighted in 1988. He died in 1993.

The Life and Times of William Carey, Shoemaker & Missionary

Out of his abounding faith, Carey always expected "great things from God" and that faith was not disappointed. His family, his possessions, his own life were offered freely. He was patient, persistent, stubborn and humble and faithful. The unsuccessful schoolteacher of Moulton developed into the translator, orientalist and college professor of Serampore. The shoemaker of Northamptonshire took the gospel to India even as the tent-maker of Tarsus did to Europe. It is at once a glory and a wonder that faith in God can so transform a man. - Back cover.

James Beck tells the profound story of the life of Dorothy Carey, whose difficult journey as a missionary paved the way for women in the field of missions. Using his background in psychology, Beck gives a unique perspective to understanding the sacrifices made by Dorothy in the cause of world evangelism and how she was unjustly treated by history.

The Life of William Carey,
