Systematic Theology Laminated Sheet

Zondervan Get an A! Study Guides Trustworthy information, easy access. Six pages packed with critical information provide an ideal study aid for students and a quick, helpful reference for pastors. Information on the sheets comes from Dr. Wayne Grudem's award-winning Systematic Theology, an introduction with a strong emphasis on the scriptural basis for each doctrine and teaching, clear writing, frequent application to life, and a contemporary approach to subjects of special interest to the church today. No more hunting through textbooks, laboring over self-made study cards, or fumbling with sticky notes. These six pages provide a quick overview of systematic theology in a handy, at-a-glance format. Great for understanding the often complex doctrines, preparing for exams, refreshing your memory, writing papers, or preparing sermons.

Systematic Theology

This STUDY GUIDE is a companion resource to Wayne Grudem's Christian Beliefs, revised edition. Not every Christian needs to go to seminary, but there are certain teachings of the Bible that every Christian should know. Whether you're a relatively new believer in Jesus or a mature Christian looking for a better understanding of basics of the faith, the Christian Beliefs Study Guide can help you reflect on and deeply internalize the core teachings of Christianity, when used in conjunction with Christian Beliefs, revised edition (sold separately). This STUDY GUIDE will help you think through important topics like: The Bible and its authority for our lives The characteristics of God The importance of prayer Angels and the reality of spiritual warfare What it means that we are created in the image of God What God has done for us in Christ The purpose of the church What happens when Christ returns The biblical understanding of heaven And much more Chapter by chapter, this STUDY GUIDE will lead you to examine and reflect on Christian Beliefs, revised edition (sold separately), by providing: Summary: A short summary of the chapter to help remind readers what they read. Key terms: Definitions

of important terminology introduced in the chapter. Key quotes: Selection of one or two key quotes from the chapter. Central Scripture Passage: An important biblical passage related to the chapter for reflection or memorization. Content Questions: Questions that reflect on the theological content of the chapter. Practical Application Questions: Questions that help tie the theological content of the chapter to real-life situations. For Further Reading: Lists where to find more information on theological topics in Systematic Theology, second edition, by Wayne Grudem so readers know where to go for a deeper dive into specific subjects they want to know more about. The Christian Beliefs Study Guide is the ideal resource for every Christian who wants a solid foundation for understanding the most basic and essential teachings of the Bible.

Christian Beliefs Study Guide

This workbook accompanies Wayne Grudem's bestselling Systematic Theology and features student-friendly review material and exercises.

Systematic Theology Workbook

This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of Systematic Theology will change your mind.

Christian Beliefs

Understand what you believe! In this ground breaking DVD series, Dr. Wayne Grudem teaches the 20 main doctrines of the faith with biblical depth, spiritual passion and a freshness that makes this series unique in the Christian world. This Study Guide, written by Clear Cut Media, accompanies the DVD series. The aim of the course is to provide a good understanding of all the main doctrines of the Bible in an accessible and enjoyable format, securing and grounding Christians in the faith. Each session lasts approximately 40 minutes, with optional discussion breaks, and finishes with a questions and answers section. It is suitable for both group or individual use. Contents: 1. What is the Bible? - The authority, necessity, clarity, and sufficiency of scripture. 2. What is God like? - The attributes of God. God's holiness, love, justice, omniscience, and much more. 3. What is the Trinity? - Exploring the beauty, complexity and roles within the Godhead. 4. What is creation? - The origin and purpose of creation, and the implications for us today. 5. What is prayer? - Understanding our relationship with the Lord and how it works out in prayer. 6. What are angels and demons? - How the activities of both angels and demons affect us today. 7. What is man? - Understanding the implications of being made in God's image. 8. What is sin? - The origin and effects of sin. 9. Who is Christ? - The humanity and deity of Christ and its implications for salvation and worship. 10. What is atonement? - The cause, necessity, nature and results of Christ's atonement. 11. What is the resurrection? - Understanding the effects of the resurrection for us today. 12. What is election (or predestination)? - What election does and does

not mean, and its implications for faith and worship. 13. What does it mean to become a Christian? - The process of calling, regeneration and conversion. 14. What are justification and adoption? - The central role of justification by faith and its result in adoption. 15. What are sanctification and perseverance? - Christian growth and God's preservation of the saints. 16. What is death? - The death and resurrection of Christians and non-Christians. 17. What is the church? - The power, purposes, purity, unity and consistency of the church. 18. What will happen when Christ returns? - The timing, signs, tribulation, and millennial views of Christ's return and reign. 19. What is the final judgement? - The purpose and events of the final judgement and the scriptural teaching about hell. 20. What is heaven? - The renewed heavens and earth, what we will do, and how it will glorify God. Each session is designed to be accessible from different levels. New Christians will be grounded in their faith, established believers will grow in their knowledge of God and understand the Bible much better, potential leaders will be trained, established leaders will be equipped for ministry. The study guide includes a 'Going Deeper' section suitable for those wanting to pursue a fuller understanding of these truths. Dr. Grudem, in his unique and warm style, provides essential teaching for all Christians. Having completed this course, Christians will not only be enabled to better love God and live for Him, but also gain a secure understanding of the faith, learning how to handle secondary issues with humility, and primary issues with clarity. This course is unique, a world first, in the combination of its scope, content and format. A Leader's Guide is also available.

Systematic Theology, Second Edition

With clear writing—technical terms kept to a minimum—and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of Christ and the Spirit* explores Jesus Christ as fully God and fully man in one person. Topics include The Person of Christ: including the virgin birth—uniting full deity and humanity in one person while enabling Christ's humanity to be without inherited sin—and the incarnation—the act of God the Son whereby he took himself a human nature; The Doctrine of the Atonement: the work Christ did in his life and death to earn our salvation; and Jesus' Resurrection and Ascension: affirming the goodness of God's original creation of man as a creature with a physical body that was "very good", and his rightful place in glory and honor that had not been his before as the God-man. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of Christ and the Spirit* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Christian Beliefs Study Guide: 20 Life Transforming Truths

The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling *Systematic Theology* has several distinctive features: A strong emphasis on the scriptural basis for each doctrine Clear writing, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone, appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross-reference subjects to a wide range of other systematic theologies.

Making Sense of Christ and the Spirit

With clear writing and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of the Future* explores the fulfillment of Scripture—the bodily return of Christ. Topics include but are not limited to the primary views of the Millennium (thousand years): Amillennialism—the reign of Christ is now being fulfilled; Postmillennialism—Christ will return after the millennium; Premillennialism—Christ will come back after the millennium. Whichever view the reader subscribes to, the end result is clear: there will be a sudden, personal, visible, bodily return of Christ. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of the Church* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Systematic Theology

Explore Answers to Life's Most Important Theological Questions. Over 175,000 Copies Sold! How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions

like these, then systematic theology is no abstract term. It's an approach to finding answers every Christian needs to know. The second edition of Bible Doctrine takes a widely used upper-level textbook on systematic theology and makes it accessible. Abridged from the second edition of Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future. You don't need to have had several years of Bible college or seminary training to reap the benefits of Bible Doctrine. It's easy to understand and packed with biblical answers to your most pressing theological questions. This new edition is 144 pages longer than the first edition and now includes: New, thoughtful critiques of open theism, the new perspective on Paul, Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming Completely revised, stronger chapter on the clarity of Scripture Completely revised, stronger chapter on creation and evolution. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels Additional material respectfully explaining evangelical Protestant differences with Roman Catholicism (with extensive interaction with the Catechism of the Roman Catholic Church), Protestant liberalism, and Mormonism Completely updated bibliographies All Scripture quotations updated from RSV to ESV An explanation of why monogenes in John 3:16 and elsewhere should be translated as "only begotten" rather than merely "only" An extensive discussion on the eternal submission of the Son to the Father A discussion of recent criticisms of the penal substitutionary view of the atonement Numerous other updates and corrections that have been prompted by letters and emails from people around the world and by interaction with the students Wayne has taught over the last 26 years both at Trinity Evangelical Divinity School and at Phoenix Seminary

Making Sense of the Future

How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand—and it's packed with solid, biblical answers to your most important questions.

Bible Doctrine, Second Edition

Deepen Your Comprehension of Life's Most Important Theological Questions. How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then systematic theology is no abstract term. It's an approach to finding answers every Christian needs to know. The Bible Doctrine Workbook accompanies Wayne Grudem's highly regarded Bible Doctrine, Second Edition. Following the textbook's structure, the Workbook features review material and exercises for every chapter, and all major areas of Christian doctrine are covered, including the Word of God, Humanity, the Holy Spirit, the Church, and the Future. Sections in each workbook chapter include: Opening Prayer: oriented around the content of the chapter to help prepare reader's hearts as they get ready to study and reflect. Chapter Review: questions to help the reader identify and interact with key concepts. Thinking Critically: questions for readers to consider on how the content should influence their beliefs and actions. Personal Engagement: practical application questions that connect theology to daily life. The Workbook maintains the clear writing, friendly tone, and frequent applications to life found in the textbook. Students will benefit from this hands-on engagement with the important teachings in Bible Doctrine.

This course is unique, a world first, in the combination of its scope, content and format. A Leader's Guide is also available."

Bible Doctrine Workbook

With clear writing and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, Making Sense of the Church explores the community of all true believers for all time—the church. Topics include but are not limited to the invisible church—the church as God sees it; the visible church—the church as Christians on earth see it; the purity of church—the degree of freedom from wrong doctrine and conduct; the primary purpose of the church—ministry to God, believers, and the world; the power of the church—its God-given authority to carry on spiritual warfare, proclaim the gospel, and exercise church discipline; and spiritual gifts—abilities empowered by the Holy Spirit and used in any ministry of the church. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, Making Sense of the Church helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Christian Beliefs

What does the Bible teach about how to live in today's world? Best-selling author and professor Wayne Grudem distills over forty years of teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues, including wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God's will, understanding Old Testament laws, and more.

Christian Beliefs Study Guide

Can business activity in itself be morally good and pleasing to God? Sometimes business can seem so shady—manipulating the "bottom line," deceiving the consumer, or gaining promotions because of whom you know. But Wayne Grudem introduces a novel concept: business itself glorifies God when it is conducted in a way that imitates God's character and creation. He shows that all aspects of business, including ownership, profit, money, competition, and borrowing and lending, glorify God because they are reflective of God's nature. Though Grudem isn't naïve about the easy ways these activities can be perverted and used as a means to sin, he knows that Christians can be about the business of business. This biblically based book is a thoughtful guide to imitating God during interactions with customers, coworkers, employees, and other businesses. See how your business, and your life in business, can be dedicated to God's glory.

Making Sense of the Church

How do I get more out of my Bible reading? What was going on during the gap between the Old and New Testaments? How do all the books of the Bible fit together as a whole? This book answers these questions and puts clear, readable Bible study aids at your fingertips. It contains thirteen essays from some of today's best evangelical scholars including C. John Collins, Thomas Schreiner, Gordon Wenham, and Darrell Bock, and will help you to: See the big-picture storyline of the Bible Understand the theology of the Old and New Testaments Read the different sections of Scripture effectively Know what happened between the testaments In addition to essays on each genre of the Bible, the book addresses the general Greco-Roman world and specific Jewish groups at the time of the New Testament. To aid in putting Bible passages in context, it also includes timelines of the Old and New Testaments and intertestamental events. Useful as both a general overview of the Bible and as a tool for more specific reference and training, this book will help you grow in your understanding of Scripture and your ability to apply the Bible to life.

Christian Ethics

With clear writing—technical terms kept to a minimum—and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of Salvation* explores God's common grace to redeem those who will be saved, and to demonstrate his goodness, mercy, justice, and glory. Topics include but are not limited to the order of salvation—from God's choice of people to be saved to the chosen people receiving a resurrection body; effective calling—the act of God the father speaking through the human proclamation of the gospel to summons people to himself in saving faith; regeneration—a secret act of God in which he imparts new spiritual life to us; and glorification—when Christ returns and raises from the dead the bodies of all believers for all time who have died. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of Salvation* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Business for the Glory of God

With clear writing—technical terms kept to a minimum—and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of Man and Sin* explores how mankind is distorted, but not lost, through sin and is renewed through redemption in Christ. Topics include but are not limited to the creation of male and female, including harmonious personal relationships, equality in personhood and importance, and difference in role and authority; equality and differences in the Trinity; the essential nature of man; and our inherited guilt and corruption because of Adam's sin. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of Man and Sin* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Understanding the Big Picture of the Bible

Theology matters! At last it can be understood easily, thanks to this "layman's language" approach to biblical belief. Authored by J. I. Packer, one of the premier theologians of Christianity, this summary of Christian teaching covers nearly 100 major Christian beliefs from a Reformed perspective. Brief, easy-to-understand chapters offer precise descriptions without sacrificing depth. Thoughtfully arranged and refreshingly readable, this is a book that belongs on the shelf of every Christian.

Christian Beliefs

A variety of perspectives exist within the Christian community when it comes to political issues and political involvement. This comprehensive and readable book presents a political philosophy from the perspective that the Gospel pertains to all of life so Christians should be involved in political issues. In brief, this is an analysis of conservative and liberal plans to do good for the nation, evaluated in light of the Bible and common sense. In this ground-breaking book, recognized evangelical Bible professor Wayne Grudem rejects five mistaken views about Christian influence on politics: (1) “compel religion,” (2) “exclude religion,” (3) “all government is demonic,” (4) “do evangelism, not politics,” and (5) “do politics, not evangelism.” He proposes a better alternative: (6) “significant Christian influence on government.” Then he explains the Bible’s teachings about the purpose of civil government and the characteristics of good or bad government. Does the Bible support some form of democracy? Should judges and the courts hold the ultimate power in a nation? With respect to specific political issues, Grudem argues that most people’s political views depend on deep-seated assumptions about several basic moral and even theological questions, such as whether God exists, whether absolute moral standards can be known, whether there is good and evil in each person’s heart, whether people should be accountable for their good and bad choices, whether property should belong to individuals or to society, and whether the purpose of the earth’s resources is to bring benefit to mankind. After addressing these foundational questions, Grudem provides a thoughtful, carefully-reasoned analysis of over fifty specific issues dealing with the protection of life, marriage, the family and children, economic issues and taxation, the environment, national defense, relationships to other nations, freedom of speech and religion, quotas, and special interests. He makes frequent application to the current policies of the Democratic and Republican parties in the United States, but the principles discussed here are relevant for any nation.

Making Sense of Salvation

With clear writing—technical terms kept to a minimum—and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of Who God is* explores the existence of God through inner knowledge and evidence found in Scripture and in nature. Topics include but are not limited to Traditional “Proofs” for God’s Existence: covering cosmological, teleological, ontological, and moral evidence of the Creator; The Trinity: the three distinct persons each equal to the whole being of God; Creation: including the assertion that, when all the facts are understood, there will be “no final conflicts” between Scripture and natural science; and God’s Providence: the Creator’s continued involvement with all created things and human actions that make a difference within God’s providence. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of Who God is* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Making Sense of Man and Sin

Using the writings of the reformers as a foundation, George launches into a fresh interpretive study of the theologies of these great men. A book that will intrigue and inform those concerned with the church in a time of Reformation and how it relates to the church of today. Copyright © Libri GmbH. All rights reserved.

Concise Theology

Study guide for *Foundations: An Overview of Systematic Theology* includes lesson objectives, message outline, study questions, and discussion questions. Suitable for individual or group study.

Politics - According to the Bible

In one systematic volume, James Montgomery Boice provides a readable overview of Christian theology. Both students and pastors will benefit from this rich source that covers all the major doctrines of Christianity. With scholarly rigor and a pastor's heart, Boice carefully opens the topics of the nature of God, the character of his natural and special revelation, the fall, and the person and work of Christ. He then goes on to consider the work of the Holy Spirit in justification and sanctification. The book closes with careful discussion of ecclesiology and eschatology. This updated edition includes a foreword by Philip Ryken and a section-by-section study guide. Both those long familiar with Boice and those newly introduced to him will benefit from his remarkable practicality and thoroughness, which will continue to make this a standard reference for years to come.

Making Sense of Who God Is

Most historical theology texts follow Christian beliefs chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological loci scattered throughout various time periods, movements, and controversies. In *Historical Theology*, Gregg Allison offers students the opportunity to study the historical development of theology according to a topical-chronological arrangement, setting out the history of Christian doctrine one theological element at a time. Such an approach allows readers to concentrate on one tenet of Christianity and its formulation in the early church, through the Middle Ages, Reformation, and post-Reformation era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Allison references the most accessible editions of these notable theologians' work so that readers can continue their study of historical theology through Christian history's most important contributors. *Historical Theology* is a superb resource for those familiar with Wayne Grudem's *Systematic Theology* or interested in understanding the development of Christian theology.

Theology of the Reformers

Originally featured as articles in the ESV Study Bible, these eighteen essays have been repurposed and republished in a convenient format. Covering a diverse range of essential subjects, including how to read the Bible well and why it is reliable, the essays delve into specific topics such as world religions, canon, and archaeology. Useful as both a general overview of the Bible and as a tool for more specific reference and training, readers of this book will grow in their understanding of Scripture and their ability to apply the Bible to their lives. Pastors, lay leaders, students, and other Christians engaged in studying God's Word will benefit from this collection, written by notable contributors, including J. I. Packer, John Piper, David Powlison, and Vern Poythress.

Foundations

Scripture is the foundation for all of Christian life and ministry, but in our current age it is being challenged, doubted, and, in many cases, simply ignored. Wayne Grudem, one of evangelicalism's best-known theologians and authors, has worked tirelessly throughout his life to demonstrate the necessity, sufficiency, and centrality of Scripture. In his honor, Grudem's friends and colleagues, including John Piper, Thomas R. Schreiner, Sam Storms, Vern S. Poythress, John M. Frame, Gregg R. Allison, Erik Thoennes, and John DelHousaye, have compiled a series of essays on various topics central to Grudem's life and teaching. Exploring topics such as the nature of Scripture, the relationship between Scripture and doctrine, and the role of Scripture in life and ministry, this volume stands as a testimony to the enduring worth of God's Word.

Foundations of the Christian Faith

A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like *Recovering Biblical Manhood and Womanhood* help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics

like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

Historical Theology

Today Christology is of concern to both New Testament scholars and theologians alike and continues to provoke debate within the Church. *Christology: A Guide for the Perplexed* examines the key debates and defining moments in the early Church and the Reformation. After a brief introduction providing a basic definition of Christology, this historical background provides an essential foundation on which to outline later developments in Christology. Alan Spence then considers the Quest for the Historical Jesus, the work of the major theologians in this area including Barth and Schleiermacher, and from the present day, N.T. Wright and Pannenberg, and explores the contemporary arguments within the field of Christology.

Understanding Scripture

We can win the fight against global poverty. Combining penetrating economic analysis with insightful theological reflection, this book sketches a comprehensive plan for increasing wealth and protecting stability at a national level.

Scripture and the People of God

Those looking for a single resource that collects clear teachings on the most important doctrines of Christianity need look no further than Gregg Allison's *50 Core Truths of the Christian Faith*. This volume covers foundational doctrines of the nature and works of God, the Bible, God's created beings, Jesus, the Holy Spirit, salvation, the church, and the end times. And each chapter features clear guidance for how to teach and apply the doctrine today. Pastors, Sunday school teachers, and lay students of theology will find this an indispensable resource for understanding and teaching Christian theology.

Recovering Biblical Manhood and Womanhood (Revised Edition)

Practical Theology for the Church Today The Trinity is one of the most essential doctrines of the Christian faith, as it reveals a magnificent truth about God—that he is one God eternally existing as three distinct persons. While Christians often struggle to find the right words to describe the union of Father, Son, and Spirit, the Bible gives clarity concerning the triune God's activity in nature (creation), grace (redemption), and glory (reward). In the second installment of the *Short Studies in Systematic Theology* series, theologian Scott Swain examines the Trinity, presenting its biblical foundations, systematic-theological structure, and practical relevance for the church today.

Christology: A Guide for the Perplexed

A new edition of leading theologian Millard Erickson's classic text.

The Poverty of Nations

Following up Robert Traina's classic *Methodical Bible Study*, this book introduces the practice of inductive Bible study to a new generation of students, pastors, and church leaders. The authors, two seasoned educators with over sixty combined years of experience in the classroom, offer guidance on adopting an inductive posture and provide step-by-step instructions on how to do inductive Bible study. They engage in conversation with current hermeneutical issues, setting forth well-grounded principles and processes for biblical interpretation and appropriation. The process they present incorporates various methods of biblical study to help readers hear the message of the Bible on its own terms.

50 Core Truths of the Christian Faith

Because God created all things with coherent unity, everything can be understood from the perspective of everything else. We experience the world in the context of our own bodies, but every day we broaden our understanding through the perspectives of others. Meanwhile, our omniscient God is also omniperspectival. Through his revelation, he allows us a glimpse of his own divine perspective. What does this mean for us? One valuable dimension of this reality is that theological issues can also be helpfully viewed from multiple perspectives without compromising their unity and truth. In this accessible

introduction to his Bible study and theological method, John Frame teaches us to approach doctrine with situational, normative, and existential perspectives modeled on the Trinity.

The Trinity

This 16 Week Study Guide is exceptionally practical and life-transforming. It is taken from the main book Biblical Discipleship: Essential Components for Attaining Spiritual Maturity. However, it is a “stand-alone” book study that is designed to be used on its own. Its purpose is to take the 14 core principles of discipleship and put them into practice. Today, we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well-liked, and still others as being happy. How does God define success? He defines it as being spiritually mature!
